PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS, MAY 6, 2015

This Proxy Statement is furnished to shareholders of NORTECH SYSTEMS INCORPORATED, a Minnesota corporation (the Company), in connection with the solicitation on behalf of the Company's Board of Directors of proxies for use at the annual meeting of shareholders to be held on May 6, 2015, and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

The address of the principal executive office of the Company is 1120 Wayzata Boulevard East, Suite 201, Wayzata, Minnesota 55391. We will begin mailing this proxy statement and proxy card to shareholders on or about March 27, 2015.

SOLICITATION AND REVOCATION OF PROXIES

The Company will pay the costs and expenses of solicitation of proxies. In addition to the use of the mails, directors, officers and regular employees of the Company may solicit proxies personally or by telephone or letter with extra compensation. The Company will reimburse brokers and other custodians, nominees or fiduciaries for their expenses in forwarding proxy material to principals and obtaining their proxies.

Proxies in the form enclosed are solicited on behalf of the Board of Directors. Any shareholder giving a proxy in this form may revoke it at any time before it is exercised. Such proxies, if received in time for voting and not revoked, will be voted at the annual meeting in accordance with the specifications indicated on the proxy.

VOTING RIGHTS AND REQUIREMENTS

Only shareholders of record as of the close of business on March 11, 2015 will be entitled to sign proxies or to vote. On that date, there were 2,742,992 shares issued, outstanding and entitled to vote. Each share of Common Stock is entitled to one vote. A majority of the outstanding shares present in person or by proxy at the meeting is required to transact business, and constitutes a quorum for voting on items at the meeting. If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will be counted as being present at the meeting in determining the quorum, but neither will be counted as a vote in favor of a matter. A broker non-vote is a proxy submitted by a bank, broker or other custodian that does not indicate a vote for some of the proposals because the broker does not have or does not exercise discretionary voting authority on certain types of proposals and has not received instructions from its client as to how to vote on those proposals.

Vote Required

Election of Directors The affirmative vote of a plurality of the shares of Common Stock present in person or by proxy and entitled to vote at this annual meeting is required for the election to the Board of each of the nominees for director. Shareholders do not have the right to cumulate their votes in the election of directors. Plurality means that the individuals who

receive the greatest number of votes cast. For are elected as directors. The approval of the number of directors requires the affirmative vote of a majority of the votes cast at the meeting by shareholders who are entitled to vote.

Say-on-Pay The advisory vote on executive compensation in Item 2 is not binding on us; however, we will consider the shareholders to have approved our executive compensation if the number of shares voted For the proposal exceed the number of shares voted Against the proposal. A shareholder who abstains with respect to this proposal will have no effect on its outcome.

Restated Equity Appreciation Rights Plan The approval of the Restated Equity Appreciation Rights Plan requires the affirmative vote of a majority of the votes cast at the meeting by shareholders who are entitled to vote. An abstention by a shareholder with respect to this proposal will have the same effect as a vote Against the proposal.

Routine Versus Non-Routine Matters. Brokers cannot vote on their customers' behalf on non-routine proposals such as Item 1, the election of directors, Item 2, the advisory vote on executive compensation and Item 3, the approval of the Restated Equity Appreciation Rights Plan. Because brokers require their customers' direction to vote on such non-routine matters, it is critical that shareholders provide their brokers with voting instructions.

Effect of Broker Non-Votes. If you hold your shares in street name and do not provide voting instructions to your bank, broker or other custodian, your shares will not be voted on any proposal on which your broker does not have or does not exercise discretionary authority to vote (a broker non-vote), such as may be the case with a non-routine matter for which you do not provide voting instructions. A broker non-vote on any of the proposals presented at the annual meeting will have no effect on the outcome of the proposal.

RISK OVERSIGHT

Management and the Company's outside counsel discuss risks, both during Board meetings and in direct discussions with Board members. These discussions identify Company risks which are prioritized and assigned to the appropriate Board committee or the full Board for oversight. Internal control and financial risks are overseen by the Audit Committee; compensation risks are overseen by the Compensation Committee; CEO succession planning is overseen by the Governance and Nominating Committee; and compliance risks are typically overseen by the full Board. Management regularly reports on each such risk to the relevant committee or the Board, and material risks identified by a relevant committee are then presented to the full Board. The Company's risk management program as a whole is reviewed annually at a meeting of the Board. Additional review or reporting on Company risks is conducted as needed or as requested by the Board or committee.

COMPENSATION COMMITTEE

The Compensation Committee is composed of the independent outside directors whose names appear below. The Committee has a charter which is available on the Company's website (www.nortechsys.com). The Committee determines the compensation of executive officers of the Company. Compensation for executive officers includes four elements: base salaries, bonuses, share-based compensation and equity appreciation rights. Salaries are based on factors such as the individual's level of responsibility and the amount of salary paid to executives with similar responsibilities in comparable companies. Bonuses are awarded based on a combination of the executive's success in meeting certain pre-established individual goals and the Company's performance in meeting certain financial goals. All share-based compensation and equity appreciation rights plans are designed to increase the incentive for an executive's interest in the Company's success as measured by the market value of its stock or other financial-related measures and to align the interests of the executives with those of the Company's shareholders.

The Chief Executive Officer's base compensation for 2014 was established under an employment agreement executed in 2014. It was determined that the total compensation of the Chief Executive Officer was comparable to compensation of chief executive officers of comparable companies. The base compensation of the other executive officers was set at the level necessary to attract and retain executives performing the functions being performed by such executives.

REPORT OF AUDIT COMMITTEE

The Board of Directors of the Company has adopted a charter for the Audit Committee. The charter charges the Committee with the responsibility for, among other things, reviewing the Company's audited financial statements and the financial reporting process. The Company's management is responsible for the Company's internal controls and the financial reporting process, including the system of internal controls. The Company's independent registered public accounting firm is responsible for expressing an opinion on the conformity of the Company's audited consolidated financial statements with generally accepted U.S. accounting principles. In carrying out their responsibility, the Committee has reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2014. The Committee has also discussed the audited financial statements with McGladrey LLP, including the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 16, Communications with Audit Committees, and received the written disclosures and the letter from McGladrey LLP required by Rule 3526 of the Public Company Accounting Oversight Board, Communications With Audit Committees Concerning Independence, and has discussed with McGladrey LLP their independence. The Committee has also considered whether McGladrey LLP provided non-audit services which could impact their independence. No such services were provided by McGladrey LLP.

Based on these reviews and discussions, the Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the Company's fiscal year ended December 31, 2014.

The members of the Audit Committee are independent under the rules of the Securities and Exchange Commission and the NASDAQ listing standards.

ITEM 2
APPROVAL OF ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

We are providing shareholders with the opportunity to vote at the annual meeting on the following advisory resolution regarding the compensation of our NEOs as described in this Proxy Statement (commonly referred to as "Say-on-Pay"):

RESOLVED, that the shareholders of Nortech Systems Incorporated approve, on an advisory basis, the compensation paid to the Company's NEOs as disclosed in the compensation tables and narrative discussion contained in the "Executive Compensation" section in this Proxy Statement.

Our executive compensation programs are based on our belief that attracting, retaining and motivating talented executives is critical to the maintenance of our competitive advantage in the electronic contract manufacturing industry and to the achievement of the business goals set by the Board. Accordingly, our executive compensation programs are designed to reward executives for achievement of our pre-determined financial and business goals, while also aligning our executives' interests with those of our shareholders. We believe that we best achieve these goals by providing our executives with a mix of compensation elements that incorporate cash and equity, as well as short-term and long-term components, and that are tied to our business goals.

This advisory vote will not affect any compensation already paid or awarded to our NEOs and will not be binding on the Board or the Compensation Committee. However, the Compensation Committee will review and carefully consider the outcome of the vote. If there are a significant number of negative votes, the Compensation Committee will seek to understand the concerns that influenced the vote and consider them in making future executive compensation decisions.

Upon recommendation of the Compensation Committee of the Board, the Board unanimously recommends a vote FOR the approval of the compensation of our NEOs.

ITEM 3
APPROVAL OF THE COMPANY'S RESTATED
EQUITY APPRECIATION RIGHTS PLAN

The shareholders are being asked to approve the Company's Restated Equity Appreciation Rights Plan (the Plan). The approval of the Plan, as restated, by shareholders would (i) increase the reserve of Equity Appreciation Right Units (the Units) that can be granted from 750,000 Units to 1,000,000 Units and (ii) expand the group of eligible participants to allow members of the Board of Directors, in addition to employees, to participate in the Plan.

The Board believes that the approval of the Plan, as restated to increase the Plan reserve and expand the eligible participants, is in the best interests of the Company and its shareholders. Currently, no Units remain available for issuance under the Plan. The Board believes that the availability of an adequate number of Units reserved for issuance under the Plan and the expansion of the group of eligible participants to include directors are important factors in attracting, rewarding, and retaining strong management and board members.

Description of the Plan

The following is a summary of the material terms of the Plan as amended and restated and is qualified in its entirety by reference to the Plan, a copy of which is attached as Appendix A to this Proxy Statement.

General

The purposes of the Plan are to provide a means to attract, reward, and retain strong management (and if the amendment is approved by shareholders, board members as well) and to align the interests of participants in the Plan with the interests of shareholders by offering an incentive compensation vehicle based upon the growth in shareholders' equity and the value of the Company. The Company's Compensation Committee administers the Plan. The Compensation Committee has exclusive power to select the individuals entitled to participate in the Plan, to determine the size of the awards to be made to each such participant, and to determine the time or times when awards shall be made. Awards are granted in the form of Equity Appreciation Right Units, as discussed below.

Eligible Participants

Employees (including officers) of the Company are eligible to receive Units under the Plan, when designated by the Compensation Committee. If the Plan as restated is approved by shareholders, the pool of eligible participants will be expanded to include members of the Board of Directors.

Description of Equity Appreciation Right Units

An Equity Appreciation Right Unit means the right, subject to the conditions specified in the Plan, to receive a cash award equal to the appreciation in the Company's Common Stock's Book Value from the Base Date specified in the grant to the Redemption Date, which is the third anniversary of the Base Date unless otherwise specified. The Book Value means the Company shareholders' equity divided by the total number of shares outstanding, excluding any increase in the number of such shares represented by unexercised stock options. Each Unit will be equal in value to one hundred percent of the Book Value per share of the Company's Common Stock as of the grant date. The Compensation Committee has the discretion to determine the number of Units to be granted to the Plan participant.

Except as otherwise specified, the Units granted under the Plan continue in effect for a period of three years from the grant date, subject to early termination as provided in the Plan. Units may not be transferred other than by will or the laws of descent and distribution. During the participant's lifetime, a Unit held by the participant are payable only to such participant.

Termination of Service

Except as otherwise specified, the following provisions shall apply to employees. If such employee's employment is terminated by retirement on or after age 65, or by the Company at any time without cause and otherwise than as provided for in the Plan, such Units shall continue in effect and be redeemed. If such employment is terminated by the Company with cause or by the employee's voluntary resignation prior to attaining age 65, and otherwise than as provided for in the Plan, such Units shall expire simultaneously with such termination of employment, in which case there will be no payment related to those Units. Except as otherwise specified, if the service of a director is terminated for any reason and the director is the holder of outstanding Units, then such Units shall continue in effect as provided in this Plan; provided, that (i) the Redemption Date will be changed to the next anniversary date of the Base Date following the termination of

service, and (ii) if the director resigns or is terminated by the Company, the payment upon redemption will be reduced, as determined by the Committee, to reflect the portion of the current year that the director did not serve.

Aggregate Limitation on Units Subject to the Plan

The number of Units that may be awarded under the Plan, as amended and restated shall not exceed an aggregate of 1,000,000. To date, an aggregate 750,000 Units have been granted. If any Units granted under the Plan shall expire or terminate or be forfeited or cancelled, such Units may again be granted pursuant to the Plan.

Duration, Termination and Amendment of the Plan

No Units may be granted under the Plan after March 11, 2025, the tenth anniversary of the approval of the Plan as Amended and Restated by the Board of Directors.

The Compensation Committee may terminate, suspend, or amend the Plan at any time. However, no such amendment may, without shareholder approval, (i) increase the number of Units available to be granted under the Plan, (ii) change the maximum period during which Units may be granted, (iii) extend the effective date of the Plan, or (iv) materially modify the requirements as to eligibility for participation in the Plan.

Change in Control; Effect of Sale or Merger

Upon the occurrence of an event satisfying the definition of Change in Control, participants holding Units are entitled to receive an amount equal to the per share purchase price for the Company's shares or assets less the per share Book Value on the Base Date, multiplied by the number of Units held by such participant.

For the sole purpose of the Plan, Change in Control means that the Company or substantially all of the Company's assets are either acquired by and/or merged with another organization or corporate entity.

New Plan Benefits

Set forth below is information on awards of Units under the Plan in March 2015 to the groups specified below. Such Unit awards were granted subject to shareholder approval of the amended and restated Plan, which reflects an increase in the number of Units that can be granted under the Plan by 250,000, to a total of 1,000,000.

NEW PLAN BENEFITS

Name and Position	Number of Units
Executive Officers as a Group	0
Non-Executive Director Group	29,167
Non-Executive Officer Employee Group	25,000

All other future grants under the Plan as restated are within the discretion of the Committee, and the benefits of such grants are, therefore, not determinable.

Upon recommendation of the Compensation Committee of the Board, the Board unanimously recommends a vote FOR the approval of the Restated Equity Appreciation Rights Plan.

The Committee shall have the authority, subject to the provisions of the Plan, to establish, adopt, revise or repeal such rules, regulations and procedures with respect to the Plan as it may deem necessary or appropriate to accomplish the objectives of the Plan, including the power to make decisions relating to the Plan in instances where the Plan document is silent.

IV. Aggregate Limitation on Units Subject to the Plan

The number of Units that may be awarded under this Plan shall not exceed an aggregate of 1,000,000. If any Units granted under the Plan shall expire or terminate or be forfeited or cancelled, such Units may again be granted pursuant to the Plan.

V. Terms and Conditions of the Grant of Units

In the event of any other change in the number or character of the outstanding securities of the Company as the result of any recapitalization, reclassification, consolidation, analogous change in capitalization, distribution to holders of the Company's Common Stock, or other event where the Committee believes an adjustment is equitable and appropriate, the Committee shall make such adjustments, if any, in the manner of calculating the valuation of any outstanding Units as the Committee in the reasonable exercise of its discretion deems equitable and appropriate.

IX. Factors to be Considered on the Grant of Units

In making any determination as to the Participants to whom Units shall be granted, as to the number of Units in any single grant and the terms and conditions of the grant consistent with this Plan, the Committee shall take into account the duties and responsibilities of the respective Participants, their present and potential contributions to the success of the Company, and such other factors as the Committee shall deem important in connection with accomplishing the purposes of the Plan.

X. Termination of Service

(a) Except as otherwise specified in writing to a Grantee, the following provisions shall apply for an Employee to whom Units have been granted. If such Employee's employment shall be terminated (i) by the Employee's retirement on or after age sixty-five (65), or (ii) by the Company at any time without cause (which shall be determined solely by the Committee) and otherwise than as provided for in Section XII hereof, such Units shall be redeemed as provided in Sections VI and VII hereof. So long as the Grantee shall continue to be an Employee of the Company or of one or more of its subsidiaries, his or her Units shall not be affected by any change of duties or position. Nothing in the Plan or in any agreement shall confer upon any Employee any right to continue in the employ of the Company or interfere in any way with the right of the Company to terminate his employment at any time whether for cause, or not.

(b) Except as otherwise specified in writing to a Grantee, if the service of a director shall be terminated for any reason and the director is the holder of outstanding Units, then such Units shall continue in effect as provided in this Plan; provided, that (i) the Redemption Date will be changed to the next anniversary date of the Base Date following the termination of service, and (ii) if the director resigns or is terminated by the Company, the payment upon redemption will be reduced, as determined by the Committee, to reflect the portion of the current year that the director did not serve.

XI. Death or Incapacity of a Participant

If a Participant to whom Units have been granted shall die or become physically or mentally incapacitated, as determined solely by the Committee, while he or she shall be employed by the Company or serving as a director, all Units then held by such Participant immediately prior to such Participant's death or incapacity shall be redeemed by the Company based on any appreciation in Book Value per share between the Base Date and the last day of the calendar year immediately preceding the Participant's death, and paid to the personal representative or other legal representative of such Participant within ninety (90) days after his or her death or incapacity.

XII. The Effect of a Company Change in Control

(i) This Plan shall be affected by the event of a Company Change in Control, which, for the sole purpose of this Plan, shall mean that the Company or substantially all of the Company's assets are either acquired by and/or merged with another organization or corporate entity.

(ii) In the event of a Change of Control, the Participant shall be entitled to receive an amount equal to the per share purchase price for the Company's shares or assets as determined by the Committee less the per share Book Value on the Base Date, multiplied by the number of Units held by the Participant, such amount to be paid to the Participant within ninety (90) days after the Change of Control.

XIII. Effective Date of the Plan

The Plan shall become effective on the date of its adoption by the Board; provided, however, that the Plan shall automatically terminate and all Units theretofore granted shall be null and void, in the event that the Plan shall not have been duly and validly approved by the affirmative vote of a majority of the stockholders of the Company present or represented at the annual meeting of the stockholders of the Company next following the adoption of the Plan by the Board.

XIV. Amendment, Suspension, or Termination of the Plan

The Committee may at any time terminate, suspend, or amend this Plan; however, no amendment shall, without the approval of stockholders of the Company:

- (ii) change the maximum period during which Units may be granted;
- (iii) extend the effective date of the Plan; or
- (iv) materially modify the requirements as to eligibility for participation in the Plan.

XV. Duration of the Plan

No Units shall be granted under this Plan ten (10) years after the date the Restated Plan was adopted by the Board. All Units granted before that date shall remain valid thereafter in accordance with their terms.

This Restated Plan was adopted by the Board of Directors on March 11, 2015.
