*(e) Form of PRSU Agreement*

On January 11, 2017, the Compensation Committee (the *Committee*) of the Board of Directors of MFA Financial, Inc. (the *Company*), in its capacity as administrator of the MFA Financial, Inc. Equity Compensation Plan (the *Equity Compensation Plan*), approved forms of award agreement (the *2017 PRSU Form*) to be used from time to time in connection with awards of performance-based phantom shares (also referred to as performance-based restricted stock units (*PRSU*s)) granted to William S. Gorin, the *Company*'s Chief Executive Officer, Craig L. Knutson, the *Company*'s President and Chief Operating Officer, and certain other key employees of the *Company* under the Equity Compensation Plan.

Except as discussed below, the 2017 PRSU Form is substantially similar to the forms of PRSU award agreements used by the Committee for prior grants of PRSU awards (the *2014 PRSU Form*) (which agreements were filed as Exhibits 10.4 and 10.8 to the *Company*'s Current Report on Form 8-K, dated January 24, 2014). As in the 2014 PRSU Form, grants made under the 2017 PRSU Form contemplate a target amount of PRSU's being made to the grantee. Per the terms of the 2017 PRSU Form, one-half of such target amount will vest based on the *Company*'s level of absolute total stockholder return (*TSR*) during the applicable performance period and one-half of such target amount will vest based on the *Company*'s level of TSR during the applicable performance period relative to the TSR during the same period of a peer group of companies designated by the Committee at the time of the grant. (The PRSU's that vest based on the *Company*'s level of absolute TSR are hereinafter referred to as the *Absolute TSR PRSU*s, and the PRSU's that vest based on the *Company*'s level of relative TSR are hereinafter referred to as the *Relative TSR PRSU*s.) Subject to certain exceptions, each grant of PRSU's will vest on the last day of the applicable performance period, subject to the level of performance achieved and the grantee's continued employment with the *Company*.

With respect to the Absolute TSR PRSU's, the actual number of Absolute TSR PRSU's that will vest will be based on the level of the *Company*'s cumulative TSR (i.e., share price appreciation or depreciation, as the case may be, plus dividends divided by initial share price) relative to an 8% per annum simple TSR for the performance period (which under the *Company*'s current compensation program has generally been three years) beginning on January 1 of the year of grant (e.g., the performance period for the PRSU's granted in 2017 will be January 1, 2017 through December 31, 2019). Specifically, the target amount of each grant of Absolute TSR PRSU's will be adjusted up or down at the end of the applicable performance period based on the *Company*'s cumulative TSR relative to an 8% per annum simple TSR objective from 0% of the target amount (reflecting 0% per annum (or less) TSR during the performance period) to 200% of the target amount (reflecting at least 16% per annum TSR during the performance period), with 100% of the target amount vesting if TSR of 8% per annum is achieved during the performance period.

With respect to the Relative TSR PRSU's, the actual number of Relative TSR PRSU's that will vest will be based on the *Company*'s cumulative TSR during the applicable performance period (beginning on January 1 of the year of grant) as compared to the cumulative TSR of

designated peer group companies for such performance period. To the extent that the Company's TSR rank is less than or equal to the 25th percentile when compared to the TSR of the members of the peer group, 0% of the target number of Relative TSR PRSUs awarded to the grantee in respect of the applicable performance period will vest. To the extent that the Company's TSR rank is in the 50th percentile, 100% of the target number of Relative TSR PRSUs awarded to the grantee in respect of the applicable performance period will vest. To the extent that the Company's TSR rank is greater than or equal to the 80th percentile, 200% of the target number of Relative TSR PRSUs awarded to the grantee in respect of the applicable performance period will vest. (To the extent that the Company's TSR ranking falls in between the percentiles identified in the preceding sentences, the number of Relative TSR PRSUs that vest will be interpolated.)

Upon vesting, the grantee will receive one share of the Company's common stock for each Absolute TSR PRSU and Relative TSR PRSU that vests. Absolute TSR PRSUs and Relative TSR PRSUs that do not vest at the end of the performance period will be forfeited for no consideration.

Dividend equivalents will not be paid in respect of the PRSUs during the performance period. Rather, dividend equivalents will accrue with respect to the PRSUs during the performance period and, to the extent that the underlying PRSUs vest, an amount equal to the amount of dividends that the grantee would have received had the grantee owned a number of shares of the Company's common stock equal to the number of vested PRSUs will be paid in the form of additional shares of the Company's common stock based on the closing price of such common stock on the vesting date.
