(1) There was no sale in the market. The reporting person established a special purpose account under The AES Corporation Restoration Supplemental Retirement Plan ("RSRP") in 2008. The distribution date of the accounts, including the hypothetical AES shares, was made at the time each account was opened. Prior to payment, the reporting person had the right to transfer the value of his account into an alternative investment account. Each unit represents a hypothetical AES investment equal to one share of AES Common Stock. Under the terms of the RSRP, distributions are automatically paid in cash and not in stock beginning on or about February 1st of the year designated by the participant as his distribution date.
