SECTION 3.04. Working Capital Statement.

(a) No later than five (5) Business Days before the Closing Date, the Company shall deliver to Purchaser a statement containing good faith estimates of Working Capital (the Estimated Working Capital) and of the Debt Amount (the Estimated Debt Amount and such statement, the Estimated Working Capital Statement), in each case as of 12:01 a.m., Central time, on the Closing Date. The Estimated Working Capital Statement will be prepared on a basis consistent with and using the same methods used in preparing the Audited Financial Statements as of December 31, 2006 and shall include reasonable documentation supporting the amounts set forth thereon. If Purchaser notifies the Company at least three (3) Business Days prior to the Closing that it disagrees with the Estimated Working Capital Statement or the Estimated Debt Amount, the parties hereto shall use commercially reasonable best efforts to reach agreement on such disputed items and amend the Estimated Working Capital Statement to reflect such agreement. If the parties are not able to resolve such dispute prior to the Closing, such amount in dispute up to \$10,000,000, shall be deposited into the Escrow Account at the Closing (the Disputed Pre-Closing Working Capital Amount) and shall be subject to the dispute resolution mechanism set forth in Section 3.04(d).

(b) No later than 90 days following the Closing Date, Parent shall cause to be prepared and delivered to the Stockholders Representative a statement of Working Capital and the Debt Amount, in each case as of 12:01 a.m., Central time, on the Closing Date (the Working Capital Statement). The Working Capital Statement will be prepared on basis consistent with and using the same methods used in preparing the Audited Financial Statements as of December 31, 2006 and shall include reasonable documentation supporting the amounts set forth thereon and shall state whether Parent continues to dispute the Disputed Pre-Closing Working Capital Amount.

(c) Subject to Section 3.04(d), the Working Capital Statement, and the Working Capital and the Debt Amount set forth therein, shall be final, binding and conclusive on the parties hereto (the Final Working Capital and the Final Debt Amount).

(d) The Stockholders Representative may dispute any amounts reflected on the Working Capital Statement and, to the extent still in dispute, any Disputed Pre-Closing Working Capital Amounts, solely on the basis that the amounts reflected on the Working Capital

Statement and, to the extent still in dispute, any Disputed Pre-Closing Working Capital Amounts were not arrived at in a manner consistent with and using the same methods used in preparing the Audited Financial Statements as of December 31, 2006 or were arrived at based on mathematical or clerical error; provided, however, that the Stockholders Representative shall have notified Parent in writing of each disputed item, specifying the estimated amount thereof in dispute and setting forth, in reasonable detail, the basis for such dispute, within 30 Business Days of Parent's delivery of the Working Capital Statement to the Stockholders Representative. In the event of such a dispute, the Stockholders Representative and Parent shall attempt to reconcile their differences, and any resolution by them as to any disputed amounts shall be final, binding and conclusive on the parties hereto. Any item or amount to which no dispute is raised in a timely delivered notice will be final, conclusive and binding on the parties as of the end of such 30th Business Day. If the Stockholders Representative and Parent are unable to reach a resolution with such effect within 30 Business Days after the receipt by Parent of the Stockholders Representative's written notice of dispute, Parent shall submit the items remaining in dispute for resolution to KPMG, LLP (or, if such firm shall decline or is unable to act or is not, at the time of such submission, independent of the Company and Parent, to another independent accounting firm of international reputation mutually acceptable to the Stockholders Representative and Parent) (either KPMG, LLP or such other accounting firm being referred to herein as the Independent Accounting Firm), which shall, within 30 Business Days after such submission, determine and report to the Stockholders Representative and Parent upon such remaining disputed items, and such report shall be final, binding and conclusive on the Stockholders Representative and Parent and the Working Capital and the Debt Amount as adjusted pursuant to such report shall be, respectively, the Final Working Capital and the Final Debt Amount. Notwithstanding anything to the contrary contained above, the Independent Accounting Firm is solely authorized and permitted to determine whether the Parent's calculations were prepared in a manner consistent with and using the same methods used in preparing the Audited Financial Statements as of December 31, 2006 or were arrived at based on mathematical or clerical error. The fees and disbursements of the Independent Accounting Firm shall be allocated between the Stockholders Representative and Parent in the same proportion that the aggregate amount of such remaining disputed items so submitted to the Independent Accounting Firm that is unsuccessfully disputed by each such party (as finally determined by the Independent Accounting Firm) bears to the total amount of such remaining disputed items so submitted.

(e) In acting under this Section 3.04, the Stockholders Representative, Parent and the Independent Accounting Firm shall be entitled to the privileges and immunities of arbitrators.

SECTION 3.05. Post-Closing Payments. (a) The date on which both of the Final Working Capital and the Final Debt Amount have been finally determined in accordance with Section 3.04 is hereinafter referred to as the Determination Date, and the amount of such Final Working Capital and the Final Debt Amount shall be used to adjust the Common Equity Consideration (the amount of such adjustment as determined pursuant to the following two sentences, Final Adjustment Amount). In the event that the sum of (i) the Final Working Capital *less* the Estimated Working Capital *and* (ii) the Estimated Debt Amount *less* the Final Debt Amount is a positive number, then Parent shall pay to the Paying Agent, for prompt payment to the Equityholders, in proportion to their respective aggregate Equityholder's Percentage in the Escrow Account, an amount equal to such positive number (less any applicable

withholding Taxes in accordance with Section 3.06, which applicable withholding Taxes shall be paid to the Surviving Corporation immediately after being so withheld for further payment to the applicable Governmental Entity), together with interest thereon at a rate equal to the average LIBOR for the period beginning on the Closing Date and ending on the date of payment. In the event that the sum of (x) the Final Working Capital *less* the Estimated Working Capital and (y) the Estimated Debt Amount *less* the Final Debt Amount is a negative number, then the Stockholders Representative and Parent shall direct the escrow agent maintaining the Escrow Account to pay Parent an amount equal to the absolute value of such negative number, together with interest earned thereon. Any required payment shall be made by Parent or the escrow agent (at the direction of the Stockholders Representative), as the case may be, on the third Business Day following the Determination Date, in immediately available funds by wire transfer to, in the case of the Equityholders, the Paying Agent and, in the case of Parent, such bank account or accounts as Parent may specify. At the time of the payment of the Final Adjustment Amount pursuant to this Section 3.05, the balance of the Escrow Account shall be paid to the Paying Agent for distribution by the Paying Agent to the Equityholders in accordance with their respective Equityholder s Percentages. If the funds held pursuant to the Escrow Agreement are not sufficient to pay the Final Adjustment Amount, then Parent shall have the right to setoff and apply the Construction Milestone Payment or a Coal Milestone Payment against any such shortfall (plus interest accruing on such amount from the Closing Date to the payment date at an annual rate of 5%); provided that no party shall have any other right of setoff for any reason whatsoever against the Construction Milestone Payment or any Coal Milestone Payment or any interest accrued thereon except with respect to Parent s rights of setoff with respect to to: (1) the Final Adjustment Amount as set forth in Section 3.05(a), (2) the FIRPTA Amount, the 280G Amounts and the 409A Amounts as set forth in Section 3.06, and (3) the LC Amount and the Non-Releasing Equityholder Indemnity Amount as set forth in Section 6.11 .

(b) Milestone Payments.

(i) Parent (or its transferees, successors or assigns) shall cause the Surviving Corporation (or its transferees, successors or assigns) to pay to the Equityholders an aggregate of \$350,000,000, less any amount deposited into escrow pursuant to Section 6.11 (plus interest on such amount from the Closing Date to the earlier of the payment date and December 31, 2012, at a rate of 5% compounded annually and less any applicable withholding Taxes in accordance with Section 3.06) (the Construction Milestone Payment), and subject to Parent s right to setoff against the Construction Milestone Payment with respect to: (1) the Final Adjustment Amount as set forth in Section 3.05(a), (2) the FIRPTA Amount, the 280G Amounts and the 409A Amounts as set forth in Section 3.06, and (3) the LC Amount and the Non-Releasing Equityholder Indemnity Amount as set forth in Section 6.11, upon the earlier to occur of either: (A) the issuance of a notice(s) to proceed , duly authorized, directly or indirectly, by the board of directors of Parent (or its transferees, successors or assigns) in its sole discretion, under contracts for construction of any portion of the New Construction line for which the maximum aggregate amount committed to be paid exceeds \$500 million, or (B) Parent (or its transferees, successors or assigns) or one or more of its Affiliates (or their transferees, successors or assigns), to the extent such Affiliate or Affiliates are authorized to do so by the board of directors of Parent (or its transferees, successors or assigns) in its sole discretion, causing the movement of more

than 10,000 cubic yards of earth in connection with the New Construction line (collectively, the Construction Conditions). Parent agrees that, for either the issuance of the notice(s) to proceed or the movement of more than 10,000 cubic yards of earth in connection with the New Construction to take place, its board of directors must (or the board of directors of its transferees, successors or assigns shall be required to) take formal action authorizing such activity. Notwithstanding the foregoing, if neither of the Construction Conditions has been satisfied prior to December 31, 2025, no Construction Milestone Payment shall be payable.

(ii) Parent (or its transferees, successors or assigns) shall cause the Surviving Corporation (or its transferees, successors or assigns) to pay to the Equityholders certain payments (the Coal Milestone Payments) not to exceed \$707,000,000 in the aggregate (plus an inflation adjustment accruing on each such amount from the Closing Date to the payment date at a rate of 2% compounded annually and less any applicable withholding Taxes in accordance with Section 3.06), and subject to Parent's right to setoff against the Coal Milestone Payments with respect to: (1) the Final Adjustment Amount as set forth in Section 3.05(a), (2) the FIRPTA Amount, the 280G Amounts and the 409A Amounts as set forth in Section 3.06, and (3) the LC Amount and the Non-Releasing Equityholder Indemnity Amount as set forth in Section 6.11, if prior to December 31, 2025, shipments of Powder River Basin coal over any portion of the New Construction line exceed certain tonnage targets (without rounding) for any calendar year as set forth in this clause (ii) below (the Tonnage Condition):

Tonnage Condition	Coal Milestone Payment
At least 40 million tons in any calendar year	\$58,000,000 plus an inflation adjustment from the Closing Date at a rate of 2%, compounded annually (the <u>First Milestone Payment</u>)
At least 50 million tons in any calendar year	\$60,000,000 plus an inflation adjustment from the Closing Date at a rate of 2%, compounded annually (the <u>Second Milestone Payment</u>)
At least 60 million tons in any calendar year	\$100,000,000 plus an inflation adjustment from the Closing Date at a rate of 2%, compounded annually (the <u>Third Milestone Payment</u>)
At least 75 million tons in any calendar year	\$164,000,000 plus an inflation adjustment from the Closing Date at a rate of 2%, compounded annually (the <u>Fourth Milestone Payment</u>)
At least 100 million tons in any calendar year	\$175,000,000 plus an inflation adjustment from the Closing Date at a rate of 2%, compounded annually (the <u>Fifth Milestone Payment</u>)

Tonnage Condition	Coal Milestone Payment
At least 125 million tons in any calendar year	\$150,000,000 plus an inflation adjustment from the Closing Date at a rate of 2%, compounded annually (the <u>Sixth Milestone Payment</u>)

Upon satisfaction of any Tonnage Condition (and payment of the corresponding Coal Milestone Payment), the Equityholders will no longer be eligible to receive the Coal Milestone Payment corresponding to said Tonnage Condition. For purposes of illustration, in no event will Parent be obligated to pay more than one of each of the First Milestone Payment, Second Milestone Payment, Third Milestone Payment, Fourth Milestone Payment, Fifth Milestone Payment and the Sixth Milestone Payment upon satisfaction of any Tonnage Condition. If during any calendar year the Company satisfies more than one Tonnage Condition that has not previously been satisfied, then Parent shall make the corresponding Coal Milestone Payments for each such Tonnage Condition which has been satisfied through such time. For purposes of illustration, Section 3.05(b) of the Disclosure Schedule sets forth an example of the satisfaction of multiple Tonnage Conditions during a particular calendar year. Any tonnage that is under contract with either railroad (*i.e.*, BNSF or Union Pacific Railroad, or their successors) serving the PRB (the Incumbent Carriers) and moves on an emergency basis via any portion of the lines that may be constructed or improved pursuant to the PRB Expansion (Emergency Tonnage) shall not be included in measuring whether a Tonnage Condition has been met. Any tonnage under contract with Incumbent Carrier(s) that is moved over any portion of the PRB Expansion for less than six months shall be assumed to be Emergency Tonnage, unless there is a preponderance of the evidence to the contrary. Any tonnage under contract with Incumbent Carrier(s) that is diverted for more than six months shall be assumed to be other than Emergency Tonnage and shall be included in measuring whether a Tonnage Condition has been met, unless there is a preponderance of the evidence to the contrary. The parties understand and agree that the terms and conditions of any contract and agreement entered into after the Closing Date and related to the shipment of coal shall be determined by Parent in its sole discretion.

(iii) Timing of Payments. Within thirty (30) days following the satisfaction of the Construction Conditions or a Tonnage Condition, and, in any event, within forty-five (45) days following each calendar year prior to the earlier of December 31, 2025 and the payment of the Sixth Milestone Payment, Parent shall prepare and deliver to the Stockholders Representative a statement certified by Parent's Chief Financial Officer or Chief Executive Officer setting forth (A) the status of the Construction Condition and the Tonnage Conditions, including a description of the status, in reasonable detail, of the PRB Expansion and (B) whether facts or circumstances have arisen to Parent's knowledge that are likely to give rise to a deduction from the Construction Milestone Payment or any Coal Milestone Payment in respect of a FIRPTA Amount, 280G Amount, 409A Amount or an LC Amount (the Milestone Statement). Notwithstanding the foregoing and solely with respect to any of the above-described amounts payable after the fifth (5th) anniversary of the Effective Time in respect of any

portion of the Equityholder's Percentages which are attributable to interests under the Bonus Share Plans or the Warrant Agreement dated November 4, 2005, between the Company and Kevin V. Schieffer (the holders of such Equityholder's Percentages, the Restricted Equityholders), which Equityholders and their applicable Equityholder's Percentages shall be identified in a writing delivered by the Stockholders' Representative to Parent at least thirty (30) days prior to the fifth (5th) anniversary of the Effective Time, such payments shall not be paid to the Stockholders' Representative or any Restricted Equityholder prior to January 1 of the calendar year next following the calendar year in which a Construction Condition or Tonnage Condition, as the case may be, occurs and shall be paid in such next following year on the later of the first Business Day of such year or the date the amount would otherwise be paid to the Stockholders' Representative (and promptly paid to the Restricted Equityholders by the Stockholders' Representative on receipt) as provided herein. The preceding sentence shall not, however, be interpreted as interfering with or as a waiver of Parent's right to enforce its legal rights as provided above, provided that the parties hereto agree that if there is a dispute or payment thereafter as a result of a dispute it shall be paid in a manner that satisfies the requirements of Treasury regulation section 1.409A-3(g). The Milestone Statement shall become final and binding upon the parties on the sixtieth (60th) day following receipt thereof by the Stockholders' Representative unless the Stockholders' Representative gives written notice of its disagreement with the Milestone Statement (Notice of Disagreement) to Parent before such date. Any Notice of Disagreement must set forth in reasonable detail the nature of any disagreement. During the 30-day period following the delivery of a Notice of Disagreement, the Stockholders' Representative and Parent shall seek in good faith to resolve in writing any differences that they may have with respect to any matter specified in the Notice of Disagreement. If, at the end of such 30-day period, the Stockholders' Representative and Parent have not reached agreement on all such matters, then the Stockholders' Representative and Parent shall be entitled to seek such other remedies as may be available at Law. Not later than the tenth (10th) day following the date the Milestone Statement becomes final, whether automatically because the Stockholders' Representative does not provide a Notice of Disagreement, by agreement of Parent and the Stockholders' Representative or otherwise, if the final Milestone Statement sets forth the satisfaction of the Construction Conditions or one or more Tonnage Conditions, as applicable, Parent shall cause the Surviving Corporation to deposit by wire transfer of immediately available funds to (i) a single bank account specified by the Stockholders' Representative, the Construction Milestone Payment or the applicable Coal Milestone Payment(s), less, as applicable, any FIRPTA Amount, LC Amount, 409A Amount and 280G Amount and (ii) to the Escrow Account the Non-Releasing Equityholder Amount, if any. After deducting from any such Construction Milestone Payment or the applicable Coal Milestone Payment(s), as adjusted pursuant to the foregoing sentence, any amounts any Consultants are entitled to receive, which amounts Parent and the Stockholders' Representative shall use commercially reasonable best efforts to agree upon within ten days of the Milestone Statement becoming final, and distributing such amounts to the Consultants as required, the Stockholders' Representative shall distribute the remainder of such Construction Milestone Payment or Coal Milestone Payment(s), as applicable, among the Equityholders in proportion to their respective Equityholders' Percentage or as otherwise agreed among the Equityholders

and the Stockholders Representative. Each party shall pay its own fees and expenses incurred during the 30-day review period with respect to the resolution of a Notice of Disagreement.

(iv) During the period of any dispute provided for in Section 3.05(b)(iii), and otherwise not more frequently than once per year until December 31, 2025, at the request of the Stockholders Representative, Parent shall provide the Stockholders Representative and its representatives (including legal and financial advisors), reasonable access to the books, records, facilities and employees of the Surviving Corporation and, to the extent applicable, Parent and its Affiliates and any other person operating the PRB Expansion and its Affiliates, and Parent shall cooperate, and cause its Affiliates, the Surviving Corporation and any other person operating the PRB Expansion and its Affiliates to cooperate, with the Stockholders Representative and its representatives (including legal and financial advisors), to the extent reasonably required by the Stockholders Representative to investigate the basis for any such dispute.

(v) Payments made pursuant to this Section 3.05(b) will be treated as adjustments to the consideration payable to the Equityholders in exchange for their Shares, Share Units, Warrants and Company Options, as the case may be, for U.S. federal income tax purposes and any other applicable Tax law (except to the extent a portion of such payments are treated as interest under Section 483 of the Internal Revenue Code or other applicable Tax law). For all Tax purposes, each party agrees not to take an inconsistent position therewith including in the filing of any Tax Return or pursuant to any audit or administrative or judicial proceeding.

(vi) Subject to any restrictions on transfer contained in the Bonus Share Plans, the Warrant Agreement dated November 4, 2005, between the Company and Kevin V. Schieffer and the Director Change in Control Agreements, each Equityholder shall be entitled to transfer all right, title and interests in and to its right to receive any payments under this Section 3.05 to: (i) one or more entities identified to Parent by the Stockholders Representative, which entity or entities shall have been formed for the purposes of holding such rights and administering such Equityholders rights under this Agreement, provided (A) if such transfer occurs on or prior to the Closing, such transfer shall be approved in advance by the Stockholders Representative, which approval shall not be unreasonably withheld or delayed and (B) if such transfer occurs after the Closing, such transfer shall be approved in advance by Parent, which approval shall not be unreasonably withheld or delayed; (ii) one of its Affiliates, provided such transferee remains an Affiliate of the transferor or (iii) to any member of the immediate family of such Equityholder or any trust or trustee for the benefit thereof for estate or Tax planning purposes; provided, in each of (i)(A), (i)(B), (ii) and (iii), such transferee delivers to the Stockholders Representative and Parent an agreement to be bound by the terms of this Agreement. The Stockholders Representative shall provide Parent with notice of all such transfers which have occurred during a calendar quarter within 30 days of the end of each calendar quarter until the earlier to occur of December 31, 2025 or all payments of the Construction Milestone Payment and each Coal Milestone Payment have been made, if applicable.

(vii) Parent, Purchaser and Guarantor acknowledge and agree no direct or indirect transfer of any right, title and interest in the Surviving Corporation, the PRB Expansion or the right to undertake the PRB Expansion shall relieve Parent, Purchaser or Guarantor of their respective obligations hereunder and, to the extent applicable hereto, Section 6.12, without the consent of the Stockholders Representative

SECTION 3.06. Withholding Taxes. (a) Subject to subsections (b), (c), (d), (e) and (f) of this Section 3.06, Parent, Purchaser, the Surviving Corporation and the Paying Agent shall be entitled to withhold and deduct Taxes on payments made pursuant to Section 2.02(b) and this Article III to the extent required by applicable Law. Any amounts withheld shall be timely paid to the person required to remit the withheld amounts to the appropriate Governmental Entity, and such person shall timely remit such amounts to the appropriate Governmental Entity.

(b) Notwithstanding subsection (a) of this Section 3.06, if Parent, Purchaser, the Surviving Corporation or the Paying Agent determines that withholding, other than an Expected Withholding Tax, is required by applicable Law, then Parent, Purchaser, the Surviving Corporation or the Paying Agent, as applicable, shall use its best efforts to so notify the payees subject to such withholding and the Stockholders Representative in writing at least 15 days prior to the date the payment is to be made, together with a statement setting forth the amount of such non-Expected Withholding Tax to be deducted and withheld. If an affected payee objects in writing to the Parent, Purchaser, the Surviving Corporation or the Paying Agent's determination, then Parent, the Stockholders Representative and such payee shall negotiate in good faith to agree on the amount that should be deducted and withheld. If (A) Parent, the Stockholders Representative and such payee are unable to agree on such amount prior to the date such payment is to be made or (B) despite using best efforts to identify any withholding requirements and give such notice at least 15 days before a payment is required to be made, Parent, Purchaser, the Surviving Corporation or the Paying Agent determine that withholding, other than an Expected Withholding Tax, is required by applicable Law, prior to the date a payment is required to be made, then Parent, Purchaser, the Surviving Corporation and the Paying Agent shall withhold and deduct the amount that they have determined is required under applicable Law, and if the affected payee or the Stockholders Representative objects in writing to such withholding, Parent shall engage a nationally recognized Law firm mutually acceptable to Parent, the Stockholders Representative and such payee to render an opinion, addressed to Parent, as to whether such withholding was required under applicable Law, which opinion, absent manifest error, shall be conclusive and binding. If the Law firm renders an opinion that such withholding was not required under applicable Law, then Parent shall pay to the Stockholders Representative for further payment to such payee such an amount as may be necessary so that, after giving effect to all additional withholdings or deductions on such amount, such payee receives an after-Tax amount equal to the amount that such payee would have been entitled to receive in the absence of the imposition of the non-required withholding. The costs incurred in connection with the engagement of such Law firm shall be paid by the party whose position was not sustained by such Law firm. For the avoidance of doubt, none of Parent, Purchaser, the Surviving Corporation or the Paying Agent shall be liable for any Tax or obligated to make payments to a payee solely as a result of its failure to give the notice of withholding described in this subsection (b). Notwithstanding the foregoing, the parties agree that the terms of this subsection (b) shall not apply with respect to any withholding under Sections 1445, 4999 or 409A of the Internal Revenue Code.

(c) Notwithstanding anything to the contrary herein, the parties acknowledge and agree that (i) payments made pursuant to Section 2.02(b) and this Article III will not be subject to withholding under Section 1445 of the Internal Revenue Code provided that, based on the valuations provided and the methodologies used in the FIRPTA Report, the Company delivers to Parent at the Closing a certificate (the FIRPTA Certificate) completed in accordance with Treasury regulation sections 1.897-2(h)(1) and 1.1445-2(c)(3) and an executed IRS notice (the IRS Notice) completed in accordance with Treasury regulations section 1.897-2(h) (together with any attachments or supplements thereto, including any statements required under Treasury regulations section 1.897-2(h)(5)), and provided further that the FIRPTA Report is delivered to Parent on or prior to the Closing Date, and that Parent has not received a bona fide notice described in Treasury regulations section 1.1445-2(c)(3)(ii), and (ii) in the event that the Company does not timely provide such FIRPTA Certificate, the IRS Notice or statements in accordance with clause (i) (or Parent has received a bona fide notice described in Treasury regulations section 1.1445-2(c)(3)(ii)), such payments that are made to a payee will not be subject to withholding under Section 1445 of the Internal Revenue Code provided that such payee delivers to Parent at the Closing or on an earlier date a certification that it is not a foreign person, completed in accordance with Treasury regulations section 1.1445-2(b)(2), and provided further that Parent has not received the notice described in Treasury regulations section 1.1445-2(b)(4)(iii). If such withholding occurs, the amounts withheld shall be timely paid to the person required to remit the withheld amounts to the appropriate Governmental Entity, and such Person shall timely remit such amounts to the appropriate Governmental Entity. If such withholding does not occur and the IRS finally determines that withholding was required under Section 1445 and Parent or the Surviving Corporation provides the Stockholders Representative with reasonably sufficient evidence of such final determination, (i) Parent shall be entitled to deduct an amount equal to the amount of any Taxes, interest and penalties incurred directly as a result of such failure to withhold, plus interest accrued thereon at a rate of 5% per year compounded annually from the date such Taxes, interest and penalties are paid through the date of such deduction (the FIRPTA Amount) from the Construction Milestone Payment or a Coal Milestone Payment as provided in Section 3.05(b) of this Agreement; provided, however, that the foregoing indemnity shall not apply to any additional Taxes, interest and penalties incurred after the date of the final determination as a result of Parent's failure to pay such Taxes, interest and penalties when due under the final determination and (ii) Parent, the Surviving Corporation or the Paying Agent, as the case may be, shall be entitled to withhold and deduct amounts required to be withheld under Section 1445 of the Internal Revenue Code from any payments made pursuant to Section 2.02(b) and this Article III on or after the date of such final determination from such future payments.

(d) Notwithstanding anything to the contrary herein, to the extent that Parent, Purchaser, the Surviving Corporation or the Paying Agent is required to withhold or deduct any Canadian Taxes from any payment made pursuant to Section 2.02(b) or this Article III, the amount payable under such provisions shall be increased as may be necessary so that, after giving effect to all withholdings or deductions of Canadian Taxes (including withholdings or deductions of Canadian Taxes in respect of additional amounts payable under this Section 3.06(d)), the relevant payee receives an after-Tax amount equal to the amount that such payee would have been entitled to receive in the absence of the imposition of such Canadian Taxes.

(e) Notwithstanding anything to the contrary herein, the parties acknowledge and agree that certain payments made to disqualified individuals within the meaning of Section 280G of the Internal Revenue Code may be subject to Section 280G of the Internal Revenue Code and, hence would be subject to withholding pursuant to Section 4999 of the Internal Revenue Code. The Company shall within fifteen Business Days of the date hereof deliver to Parent a report of its independent accountants (the 280G Report), based on the Common Equity Consideration and including a reasonable compensation analysis, disclosing the amounts constituting the total, on an individual basis for each disqualified individual as defined in Q&A 15 of Treasury Reg. §1.280G-1 and in the aggregate (a) parachute payments within the meaning of Section 280G(b)(2) of the Internal Revenue Code, (b) base amounts within the meaning of Section 280G(b)(3) of the Internal Revenue Code and (c) excess parachute payments within the meaning of Section 280G(a) of the Internal Revenue Code. Item (a) of the preceding sentence shall be shown before and after any reduction determined by such accountants to be available pursuant to Section 280G(b)(4)(A) of the Internal Revenue Code and items (b) and (c) of the preceding sentence shall be shown both before and after any reduction determined by such accountants to be available pursuant to Section 280G(b)(4)(B) of the Internal Revenue Code. The 280G Report also shall (i) disclose, on the same basis described above, the amounts subject to withholding pursuant to Section 4999 of the Internal Revenue Code, (ii) contain such detail and supporting documentation so as to allow an independent party to confirm the calculations contained therein and the facts relied upon in preparing such report and (iii) be accompanied by a written tax opinion of the Company's independent accountants supporting the positions used in such calculations, including a statement that the Company shall be entitled to file its federal income and employment tax returns for the periods in which such payments are made in reliance upon such report. The amounts withheld by the Company shall be based on the conclusions reached in the 280G Report. If the Internal Revenue Service finally determines that additional withholding was required under Section 4999 of the Internal Revenue Code and the Surviving Corporation provides the Stockholders Representative with reasonably sufficient evidence of such final determination, Parent shall be entitled to deduct an amount equal to the Taxes, interest and related penalties incurred directly as a result of such failure to adequately withhold, together with interest accrued thereon at a rate of 5% per year compounded annually from the date such Taxes, interest and penalties are paid through the date of the deduction (the 280G Amounts) from the Construction Milestone Payment or a Coal Milestone Payment as provided in Section 3.05(b) of this Agreement; provided, however, that the foregoing indemnity shall not apply to any additional Taxes, interest and penalties incurred after the date of such final determination as a result of the Surviving Corporation's failure to timely pay any such Taxes, interest and penalties when due under the final determination. Any amounts payable after the Closing Date to persons identified as disqualified individuals in the 280G Report and treated as compensation for U.S. federal income tax purposes that are considered by the Surviving Corporation in reasonable good faith to be subject to Section 280G of the Internal Revenue Code shall be treated by the Surviving Corporation as subject to 280G of the Internal Revenue Code and the withholding required by Section 4999 of the Internal Revenue Code shall be made and notice thereof shall be given to the applicable payee and the Stockholders Representative if such treatment and withholding is inconsistent with the recommendations set forth in the 280G Report.

(f) Notwithstanding anything to the contrary herein, the parties acknowledge and agree that certain compensation earned and deferred prior to the Closing Date may be

subject to Section 409A of the Internal Revenue Code and, hence, includible in employees' gross income and subject to regular withholding. If the Internal Revenue Service finally determines that additional withholding was required with respect to amounts includible in any employee's gross income pursuant to Section 409A of the Internal Revenue Code and the Surviving Corporation provides the Stockholders' Representative with reasonably sufficient evidence of such final determination, Parent shall be entitled to deduct an amount equal to the Taxes and related penalties (including interest) incurred directly as a result of such failure to adequately withhold, together with interest accrued thereon at a rate of 5% per year compounded annually from the date such Taxes and penalties (including interest) are finally determined by the Internal Revenue Service through the date of the deduction (the 409A Amounts) from the Construction Milestone Payment or a Coal Milestone Payment as provided in Section 3.05(b) of this Agreement; provided, however, that the foregoing indemnity shall not apply to any additional Taxes, interest and penalties incurred after the date of such final determination as a result of the Surviving Corporation's failure to timely pay any such Taxes, interest and penalties when due under the final determination.

(g) Except as may be provided in the Gross-up Escrow Agreement, any amounts held in the Gross-up Escrow Account at the expiration of the applicable statute of limitations with respect to the matters which are subject to the Gross-Up Agreement shall be paid to the Stockholders' Representative and the Stockholders' Representative shall distribute such amounts, less any applicable amounts required to be distributed to any Consultants, among the Equityholders in proportion to their respective Equityholders' Percentage or as otherwise agreed among the Equityholders and the Stockholders' Representative.

SECTION 3.07. No Dissenter's Rights. In accordance with *Schwabacher v. United States*, 334 U.S. 192 (1948), holders of Shares will not have any dissenter's rights, provided, however, that if the STB, the successor agency to the Interstate Commerce Commission, (or any successor agency) or a court of competent jurisdiction determines that dissenter's rights are available to holders of Shares, then holders of such Shares shall be provided with dissenter's rights in accordance with the DGCL.

SECTION 4.04. Subsidiaries. Except for the Subsidiaries, which are wholly owned, directly or indirectly, by the Company, the Company has no subsidiaries, equity investments or interests in joint ventures or any other Person.

SECTION 4.05. No Conflict. Except as set forth in Section 4.06 of this Agreement or in Section 4.05 of the Disclosure Schedule, the execution, delivery and performance of this Agreement and the Definitive Agreements by the Company do not and will not (a) violate or conflict with the Certificate of Incorporation or By-laws of the Company or any Subsidiary, (b) conflict with or violate any Law or Governmental Order applicable to the Company or any Subsidiary or their assets, (c) result in any breach of, or constitute a default (or event which with the giving of notice or lapse of time, or both, would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of any Encumbrance on any of the assets or properties of the Company or any Subsidiary pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument relating to such assets or properties to which the Company or any Subsidiary is a party or by which any of such assets or properties are bound or affected, except as would not, in the case of either (b) or (c) above, individually or in the aggregate, delay the consummation of the transactions contemplated by this Agreement or have a Material Adverse Effect.

SECTION 4.06. Consents, Approvals, Licenses, Etc. (a) The Company, Parent and Purchaser shall each use its commercially reasonable best efforts to (i) consummate and make effective the Merger and the other transactions contemplated by this Agreement, (ii) obtain promptly all authorizations, consents, orders and approvals of and to make all filings with and to give all notices to all Governmental Entities and officials required to consummate the Merger and the other transactions contemplated by this Agreement; provided,

Each of Parent, Purchaser and the Company hereby agrees to (A) make, if applicable, any subsequent record filings with or presentations to the STB in connection with seeking any STB approval, exemption or other authorization necessary to permit Purchaser lawfully to exercise Control over the Company's Business and, to the extent required by Law, submit contemporaneously to the Federal Trade Commission and the Department of Justice Antitrust Division, copies of all such filings and presentations; (B) prosecute any such filings and other presentations with diligence, (C) oppose any objections to, appeals from or petitions to reconsider or reopen any such STB approval by persons not party to this Agreement, and (D) take all such further action as in Purchaser's judgment reasonably may facilitate obtaining any necessary final order or orders of the STB approving, exempting or otherwise authorizing such Control consistent with this Agreement. Purchaser will pay all fees or make all other payments to any Governmental Entity in order to obtain any such authorizations, consents, orders or approvals.

(b) Without limiting the generality of Parent's and Purchaser's undertakings pursuant to Section 6.04(a), Parent and Purchaser shall:

(i) use their commercially reasonable best efforts to take promptly any and all steps necessary to eliminate any objections or concerns asserted with respect to the transactions contemplated hereby by any Governmental Entity with jurisdiction over the enforcement of any Laws applicable to Purchaser's acquisition of the Shares so as to enable the parties hereto to consummate the Merger and the other transactions contemplated hereby prior to the Termination Date, including but not limited to: entering into negotiations, providing information, making proposals, entering into and performing agreements or submitting to judicial or administrative orders, or selling or otherwise disposing of, or holding separate (through the establishment of a trust or otherwise), particular assets or categories of assets, or businesses, of Purchaser or any of its subsidiaries or Affiliates or of the Company's assets or businesses to be acquired by Purchaser pursuant hereto;

(ii) use their commercially reasonable best efforts to take promptly, in the event that a permanent or preliminary injunction or order has been issued in a judicial or administrative proceeding brought under any Law by any Governmental Entity or any other party that would make consummation of the transactions contemplated at the Closing in accordance with the terms of this Agreement unlawful or that would prevent or delay such consummation prior to the Termination Date, any and all reasonable steps necessary to vacate, modify or suspend such injunction or order so as to permit such

consummation prior to the Termination Date, including, without limitation, entering into a voting trust arrangement and taking the steps contemplated by Section 6.04(b)(i); and

(iii) use their commercially reasonable best efforts to take promptly all other actions and do all other things necessary and proper to avoid or eliminate each and every impediment under any Law that may be asserted by any Governmental Entity or any other party to the consummation of the transactions contemplated at the Closing in accordance with the terms of this Agreement;

provided, however, that, notwithstanding anything set forth herein to the contrary, in no event shall Parent or Purchaser be obligated to agree, as a condition for resolving any such matter, (i) to dispose of or hold separate any of its properties or other assets, or the properties or other assets of the Company and its Subsidiaries after the Effective Time, (ii) to grant to any other carrier trackage rights, haulage rights or other commercial access to any rail lines of Parent, the Company, or their respective Affiliates or (iii) to subject itself to any material restriction on the operation of its business or the business of the Company and its Subsidiaries after the Effective Time.

(c) Prior to the Closing, each of Parent, Purchaser and the Company shall cooperate fully with one another in keeping the other party reasonably informed, including by providing the other party a copy of any communication it or any of its Affiliates receives from any Governmental Entity relating to the matters set forth in subsection (a) above to the extent related to the Merger. Parent, Purchaser and the Company will coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other party may reasonably request in connection with the foregoing and in seeking early termination of any applicable waiting periods, including, if applicable, under the rules and regulations of the STB and, if applicable, under the HSR Act. Prior to the Closing, none of the parties to this Agreement shall agree to participate in any meeting with any Governmental Entity in respect of any filings, investigation (including any settlement of the investigation), litigation or other inquiry made in connection with the Merger, unless it consults with the other parties in advance and, to the extent permitted by such Governmental Entity, gives the other parties the opportunity to attend and participate at such meeting. Prior to the Closing, the parties to this Agreement will provide each other with copies of all correspondence, filings or communications between them or any of their representatives, on the one hand, and any Governmental Entity or members of its staff, on the other hand, prior to the Closing with respect to this Agreement and the transactions contemplated by this Agreement; provided, however, that materials may be redacted (x) to remove references concerning the valuation of the Business, (y) as necessary to comply with contractual arrangements, and (z) as necessary to address reasonable attorney-client or other privilege or confidentiality concerns.

SECTION 6.05. Investigation. (a) Parent and Purchaser acknowledge and agree that (i) they have made their own inquiry and investigation into, and, based thereon, have formed an independent judgment concerning, the Company and the Business, (ii) they have been furnished with or given adequate access to such information about the Company, the Subsidiaries and the Business as it has requested and (iii) other than the representations and warranties made in Article III, none of the Company, its Affiliates, or any of their respective officers, directors, employees or representatives make or have made any representation or warranty, express or

implied, at law or in equity, with respect to the Company, the Subsidiaries, the Shares or the Business, including as to (A) merchantability or fitness for any particular use or purpose, (B) the operation of the Business by Purchaser after the Closing in any manner other than as used and operated by the Company and the Subsidiaries, (C) the probable success or profitability of the Business after the Closing or (D) the ability of the Company to complete the PRB Expansion.

(b) Certain information set forth in the Disclosure Schedule is included solely for informational purposes and may not be required to be disclosed pursuant to this Agreement. The disclosure of any information shall not be deemed to constitute an acknowledgement that such information is required to be disclosed in connection with the representations and warranties made by the Company in this Agreement, nor shall such information be deemed to establish a standard of materiality.

SECTION 6.06. Further Action. (a) Subject to the terms and conditions herein provided, each of the parties hereto covenants and agrees to use its commercially reasonable best efforts to deliver or cause to be delivered such documents and other papers and to take or cause to be taken such further actions as may be necessary, proper or advisable under applicable Laws to consummate and make effective the transactions contemplated hereby.

(b) The Company shall use its commercially reasonable best efforts to receive all consents or waivers necessary in connection with the Stockholders Agreement in order to consummate and make effective the transactions contemplated hereby.

SECTION 6.07. Directors and Officers Indemnification. (a) For a period of six years from the Effective Time, the Certificate of Incorporation and By-laws of the Surviving Corporation shall contain provisions no less favorable with respect to indemnification than are set forth in the Certificate of Incorporation and By-laws of the Company, which provisions shall not be amended, repealed or otherwise modified for a period of six years from the Effective Time in any manner that would affect adversely the rights thereunder of individuals who, at or prior to the Effective Time, were directors or officers of the Company or any of its Subsidiaries, unless such modification shall be required by law and then only to the minimum extent required by law.

(b) After the Effective Time, the Surviving Corporation shall, to the fullest extent permitted under applicable law, indemnify and hold harmless, each present and former director and officer of the Company and each Subsidiary (collectively, the Indemnified Parties) against all costs and expenses (including attorneys fees), judgments, fines, losses, claims, damages, liabilities and settlement amounts paid in connection with any claim, action, suit, proceeding or investigation (whether arising before or after the Effective Time), whether civil, criminal, administrative or investigative, arising out of or pertaining to any action or omission in their capacity as an officer or director, whether occurring before or after the Effective Time, for a period of six years after the date hereof to the same extent as provided in the Certificate of Incorporation of the Company or any other applicable contract or agreement in effect on the date hereof. In the event of any such claim, action, suit, proceeding or investigation, (i) the Surviving Corporation shall pay the reasonable fees and expenses of counsel selected by the Indemnified Parties, which counsel shall be reasonably satisfactory to the Surviving Corporation, promptly after statements therefor are received and (ii) the Surviving

Corporation shall cooperate in the defense of any such matter; provided, however, that, in the event that any claim for indemnification is asserted or made within such six year period, all rights to indemnification in respect of such claim shall continue until the disposition of such claim.

(c) Parent shall cause the Surviving Corporation to perform all of the obligations of the Surviving Corporation under this Section 6.07.

SECTION 6.08. Stockholders Representative Appointment. (a) On or prior to the Closing Date, the Board of Directors of the Company shall designate a Person (the Stockholders Representative) to serve as the Stockholders Representative and the Stockholders Representative shall execute and deliver to the Company, Purchaser and Parent a signature page to this Agreement, which shall constitute its acknowledgment and agreement that it is bound by the terms of this Agreement applicable to the Stockholders Representative and thereafter the Stockholders Representative shall be deemed a party hereto. The Stockholders Representative shall be the initial agent, proxy and attorney-in-fact for each Equityholder to take all actions required or permitted under the Definitive Agreements (including full power and authority to act on such Equityholder s behalf under this Agreement). Without limiting the generality of the foregoing, but subject to the immediately preceding proviso and to Section 9.09, the Stockholders Representative will be authorized to:

(i) in connection with the Closing, execute and receive all documents, instruments, certificates, statements and agreements on behalf of and in the name of the Equityholders necessary to effectuate the Closing and consummate the transactions contemplated by the Definitive Agreements;

(ii) take all actions on behalf of the Equityholders in connection with any claims made hereunder to defend or settle such claims and to make or receive and disburse payments in respect of such claims;

(iii) take all actions on behalf of the Equityholders in connection with the Escrow Account, the Gross-up Escrow Account and the Closing Date Payment Schedule and all distributions in connection with, and all adjustments and payments described in, Sections 3.04 and 3.05 of the Agreement; and

(iv) take all other actions to be taken by or on behalf of the Equityholders and exercise any and all rights which the Equityholders are permitted or required to do or exercise under the Definitive Agreements.

(b) Except as otherwise agreed by the Stockholders Representative and the Equityholders, (i) the Stockholders Representative will not be liable to any Equityholders for any action taken by it, or its failure to take any action, pursuant to this Agreement in good faith and without gross negligence or willful misconduct, and the Equityholders shall jointly and severally indemnify the Stockholders Representative from any and all damages, dues, penalties, fines, costs, losses, and expenses (Stockholders Representative s Losses) arising out of its serving as the Stockholders Representative hereunder except to the extent the Stockholders Representative acts, or fails to act, other than in good faith or with gross negligence or willful

misconduct; provided, however, with respect to any Stockholders Representative's Losses for which an Equityholder (a Paying Equityholder) makes a payment to the Stockholders Representative, the Paying Equityholder shall be indemnified and held harmless by each other Equityholder to the extent of the amount by which the Paying Equityholder's payment exceeds its Equityholder's Percentage of the Stockholders Representative's Losses; (ii) each Equityholder shall pay to the Stockholders Representative, promptly upon request and in any event within ten (10) days of such request, such Equityholder's Percentage of any amounts paid, or required to be paid, by the Stockholders Representative on behalf of such Equityholder and agrees to pay its Equityholder's Percentage of any and all costs and expenses (including counsel and legal fees and expenses) incurred by the Stockholders Representative in connection with the protection, defense, enforcement or other expense of any rights under this Agreement; and (iii) the Stockholders Representative shall have a right of set off against any Milestone Payments with respect to its reasonable costs and expenses. Except as otherwise set forth in this Agreement or as required by Law, any and all payments made by any Equityholder under this Section 6.08 shall be made free and clear of any present or future taxes, deductions, charges or withholdings and all liabilities with respect thereto. The Stockholders Representative shall serve in such capacity solely for purposes of administrative convenience, and shall not be deemed personally liable in such capacity for any of the obligations of the Equityholders hereunder, and Parent and Purchaser agree that they shall not look to the personal or corporate assets of the Stockholders Representative, acting in such capacity, for the satisfaction of any obligations to be performed by the Equityholders hereunder.

(c) Any Person or Persons constituting the Stockholders Representative may resign at any time or be removed by the vote or written consent of the Equityholders who collectively hold more than 50% (or such other percentage as may be agreed among the Equityholders from time to time) of the Equityholder's Percentages (the Required Equityholders) provided however, that such resignation or removal shall not be effective until such time as the Person or Persons succeeding such individual shall have been elected. In the event of the death, resignation or removal of any of the Person or Persons who constitute the Stockholders Representative, a successor shall be elected (and may be removed and replaced) by the remaining Person or Persons who constitute the Stockholders Representative; provided that if no such Person or Persons remain, such successor shall be elected (and may be removed and replaced) (i) at any time prior to the Closing, by the Company and (ii) at any time after the Closing, by the vote or written consent of the Required Equityholders at such time, such election (or removal and replacement) to become effective upon the written acceptance thereof by such new Person or Persons. The election described in the preceding clause (ii) shall be conducted by the Equityholder who holds the greatest Equityholder's Percentage at such time who is willing to conduct the election, and shall be paid for by the Equityholders. Upon any such election or removal, the Company or the Required Equityholders, as appropriate, shall deliver to Parent and, if applicable, the Surviving Corporation a certificate identifying such newly elected Stockholders Representative and Parent, the Surviving Corporation, the Escrow Agent, the Gross-up Escrow Agent and the Paying Agent and any other Person shall be entitled to rely on such certificate. The Stockholders Representative shall, at the expense of the Equityholders, be entitled to engage such counsel, experts and other agents and consultants as he or she shall deem necessary in connection with exercising his or her powers and performing his or her function hereunder.

(d) All decisions and actions by the Stockholders Representative will be binding upon each Equityholder and no Equityholder will have the right to object, dissent, protest or otherwise contest the same. Parent and Purchaser will be able to rely conclusively on the written instructions of the Stockholders Representative as to such decisions and actions taken by the Stockholders Representative hereunder.

SECTION 6.09. Preserve Accuracy of Representations and Warranties: Notification of Certain Matters. Each party hereto shall refrain from taking any action which would render any representation or warranty contained in Article IV or V inaccurate as of the Closing Date. Each party shall promptly notify the other of (i) any event or matter that would reasonably be expected to cause any of its representations or warranties to be untrue in any material respect or (ii) any action, suit or proceeding that shall be instituted or threatened against such party to restrain, prohibit or otherwise challenge the legality of any transaction contemplated by this Agreement. During the period prior to the Closing Date, the Company will notify Purchaser of (i) any Material Adverse Effect, (ii) any lawsuit, claim, proceeding or investigation that is threatened, brought, asserted or commenced against the Company or any Subsidiary which would have been listed in Section 4.10 of the Disclosure Schedule if such lawsuit, claim, proceeding or investigation had arisen prior to the date hereof, (iii) any notice or other communication from any third Person alleging that the consent of such third Person is or may be required in connection with the transactions contemplated by this Agreement, and (iv) any material default under any material Contract or event which, with notice or lapse of time or both, would become such a default on or prior to the Closing Date and of which the Company has knowledge.

SECTION 6.10. Acquisition Proposals. Neither the Company nor any Subsidiary will, and neither the Company nor any Subsidiary will authorize or permit any officer, director or employee of the Company or any Subsidiary or any Affiliate of the Company or any Subsidiary or authorize any investment banker, attorney, accountant or other representative retained by the Company or any Subsidiary or any Affiliate of the Company or any Subsidiary to, directly or indirectly, solicit or encourage, or furnish information with respect to the Company or any Subsidiary, or engage in any discussions with any Person in connection with, any proposal for the acquisition of any portion of the capital stock or assets or properties of the Company or any Subsidiary, other than as contemplated by this Agreement. The Company and each Subsidiary will promptly cease or cause to be terminated any existing activities or discussions with any Person (other than Parent, Purchaser or their Affiliates) with respect to any of the foregoing and will promptly request the return of any confidential information provided to any Person in connection with a prospective acquisition of the capital stock, assets or properties of the Company or any Subsidiary.

SECTION 6.11. Indemnity.

(a) To the extent any Equityholders have not executed and delivered a Release and/or a Termination Agreement to which such Non-Releasing Equityholders are to be a party (each, a Non-Releasing Equityholder) before the Construction Milestone Payment is due and payable under Section 3.05, an amount equal to two times the aggregate Per Share Merger Consideration which such Non-Releasing Equityholders were entitled to receive at the Closing

shall be deposited into the Escrow Account (the Non-Releasing Equityholder Indemnity Amount).

(b) Parent, Purchaser, Surviving Corporation and their Affiliates shall be indemnified and held harmless from the Non-Releasing Equityholder Indemnity Amount from and against any and all losses, damages, costs and expenses (including reasonable attorneys fees) (a Loss) arising out of or resulting from any written claim made by a Non-Releasing Equityholder, up to the amount of the Non-Releasing Equityholder Indemnity Amount, to the extent such claim arises out of the Merger or this Agreement and is solely related to such Non-Releasing Equityholder's status as a former Equityholder of the Company including, without limitation, claims made with respect to the following: (a) the capital structure of the Company and the Subsidiaries, including the number of outstanding shares, options, warrants, share units, (b) the issuance of any capital stock, warrants, share units or options by the Company or the Subsidiaries, (c) the violation of any covenants granting preemptive or similar rights with respect to the capital stock of the Company or the Subsidiaries, (d) all claims with respect to such Non-Releasing Equityholder's Preferred Stock, Share Units, and/or Company Options, (e) any action of the Board of Directors or any officer of the Company entering into the Merger Agreement, (f) any alleged breach by any director of the Company of his or her fiduciary duties to the Company or (g) the determination of the Equityholder's Percentage, the Closing Date Payment Schedule or Section 4.03 of the Disclosure Schedule (a Claim). Parent shall give the Stockholders' Representative prompt notice of any Claim, and in any event within 3 Business Days, after receipt. The Stockholders' Representative shall be entitled to participate in the defense of any Claim and neither Parent and its Affiliates nor the Stockholders' Representative shall settle any Claim without the consent of Parent or its Affiliates, on the one hand, or the Stockholders' Representative, on the other hand, as applicable which shall not be unreasonably withheld or delayed. If the Stockholders' Representative acknowledges in writing its obligation to indemnify Parent against any Losses that may result from such Claim, the Stockholders' Representative shall be entitled to assume the defense of such Claim at its own cost. In any case, the Stockholders' Representative and Parent and its Affiliates shall cooperate in the defense of any such Claim.

(c) Parent, Purchaser, Surviving Corporation and their Affiliates shall be indemnified and held harmless from any and all Losses arising out of the transactions (the Koch Transactions) which are the subject of the Track Maintenance Agreement, dated as of October 15, 2005, by and among DM&E, IC&E and KM Strategic Investments, LLC, as amended through the date of this Agreement (the Track Maintenance Agreement), including, without limitation, any amount that KM Strategic Investments, LLC or its permitted successors or assigns draws down from the Letter of Credit, or a similar letter of credit established by the Surviving Corporation or Parent to replace the Letter of Credit (provided such replacement letter of credit contains a similar draw amount and is implemented in accordance with the terms of the Track Maintenance Agreement), on or prior to the expiration of DM&E's and IC&E's indemnification obligations thereunder (the LC Amount); provided, however, the foregoing indemnification obligations shall terminate immediately if the Surviving Corporation or any of its Affiliates enters into any transaction similar to the Koch Transaction with any Affiliate of KM Strategic Investments Inc. or Koch Industries Inc.

SECTION 6.12. Guaranty. Guarantor irrevocably and unconditionally guarantees to the Stockholders Representative, Equityholders and the Company (a) the due and punctual payment of each payment required to be made by Parent or Purchaser pursuant to Section 2.02(b) or Article III hereof, all of which payments, whether made by the Guarantor, Parent or Purchaser, shall be made from an entity formed under the laws of a state within the United States of America, and (b) the due and punctual performance, observance of, and compliance with, all covenants, agreements and obligations of Parent and Purchaser in this Agreement, as the foregoing may be amended from time to time (all obligations referred to in the proceeding clauses (a) and (b) being collectively referred therein as the Guaranteed Obligations). This is a guaranty of full and punctual performance and payment and not merely a guaranty of collection, is in no way conditional or contingent and the Guarantor is liable as a primary obligor. If any of the Guaranteed Obligations are not punctually performed or paid when due the Guarantor shall immediately perform or cause the performance of the Guaranteed Obligations that are required and performable. The Guarantor's obligations under this Section 6.12 shall continue to be in effective or be reinstated, as the case may be, if any payment from any source of the Guaranteed Obligations must be refunded for any reason including any bankruptcy proceeding.

SECTION 6.13. Consents: Reports.

(a) If requested by Purchaser or Parent, the Company shall, from the date of this Agreement through the Closing Date, (i) seek the consents, in form and substance reasonably satisfactory to Purchaser, to the transactions contemplated hereby from the parties to the contracts identified on Section 6.13 of the Disclosure Schedule (the Applicable Contracts) or (ii) take such steps as are necessary under the terms of the Applicable Contracts to terminate any such Applicable Contract. If the Company is unable to obtain the consent or terminate any Applicable Contract as requested by Purchaser or Parent prior to the date on which the Closing Date would have occurred, either Purchaser or the Company shall be entitled to make a one-time election to delay the Closing Date for up to 15 days from such date (the Extended Consent Closing Date) and if such delayed Closing Date would occur on or after the Termination Date, the Termination Date shall be deemed to be the first Business Day after the Extended Consent Closing Date. Notwithstanding the fact that each Applicable Contract may not have been terminated or the consent described in clause (i) above obtained as Parent or Purchaser has requested by the Extended Consent Closing Date, the Closing shall occur on the Extended Consent Closing Date, or if such day is not a Business Day then on the Business Day next succeeding the Extended Consent Closing Date, provided the other conditions set forth in Sections 7.01 and 7.02 and the provisions set forth in clause (b) below have been satisfied or waived. If this Agreement is terminated by the Company, Parent or Purchaser pursuant to Section 8.01, Parent and Purchaser shall indemnify and hold harmless the Company for any and all Losses of the Company arising from the Company's termination of any Applicable Contract at the request of Parent or Purchaser.

(b) Prior to the Closing, the Company shall use its commercially reasonable best efforts to obtain each of (i) the FIRPTA Report and (ii) the 280G Report (collectively, the Expert Reports). If the Company is unable to obtain any Expert Report prior to the date on which the Closing Date would have occurred, either Purchaser or the Company shall be entitled to make a one-time election to delay the Closing Date for up to 15 days from such date (the

Extended Report Closing Date) and if such delayed Closing Date would occur on or after the Termination Date, the Termination Date shall be deemed to be the first Business Day after the Extended Report Closing Date.

Notwithstanding the fact that each Expert Report may not have been obtained by the Extended Report Closing Date, the Closing shall occur on the Extended Report Closing Date, or if such day is not a Business Day then on the Business Day next succeeding the Extended Report Closing Date, provided the other conditions set forth in Sections 7.01 and 7.02 and the provisions set forth in clause (a) above have been satisfied or waived.

SECTION 6.14. Gross-Up Escrow Account. (a) If at any time amounts are distributed from the Gross-Up Escrow Account to the Stockholders Representative, the Stockholders Representative shall distribute such amounts to the Equityholders according to their respective Equityholders Percentages or as otherwise agreed among the Equityholders and the Stockholders Representative.

(b) The parties to the Gross-Up Agreement shall amend and modify the Gross-Up Agreement to the extent reasonably necessary to reflect the principles set forth on Schedule 6.14 of the Disclosure Schedule; provided, however, that if the Gross-Up Agreement as so amended and modified does not in Parent's good faith judgment reasonably reflect the principles set forth on Schedule 6.14 of the Disclosure Schedule, the parties to the Gross-Up Agreement shall amend and modify the Gross-Up Agreement as reasonably directed by Parent to reflect the principles set forth on Schedule 6.14 of the Disclosure Schedule and to retain the economic intent of the Gross Up Agreement as between Kevin Schieffer and the Equityholders.

ARTICLE VII CONDITIONS TO CLOSING

(c) No Order. No Governmental Entity shall have enacted, issued, promulgated, enforced or entered any Governmental Order which is in effect and has the effect of making the transactions contemplated by this Agreement illegal or otherwise prohibiting consummation of such transactions. No Action shall have been instituted prior to the Closing by any Governmental Entity relating to this Agreement or any of the transactions contemplated hereby, the result of which would prevent or make illegal the consummation of any such transactions.

(d) Approvals. The STB shall have approved the Voting Trust and the Voting Trust Agreement pursuant to which the Shares shall be placed into an irrevocable voting trust as of the Effective Time pending final STB approval or exemption, as the case may be.

SECTION 7.02. Conditions to Obligations of Parent and Purchaser. The obligations of Parent and Purchaser to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or waiver, at or prior to the Closing, of each of the following conditions:

(a) Representations and Warranties; Covenants. (i)(A) Except with respect to the representations and warranties addressed in clauses (B) and (C) below, each of the representations and warranties of the Company contained in this Agreement without giving effect to any materiality or Material Adverse Effect qualifiers contained therein shall be true and correct as of the Closing Date (other than such representations and warranties that are made as of another date, in which case such representations and warranties shall be true and correct as of such other date), except where any failure of such representations and warranties to be so true and correct, individually or in the aggregate, has resulted in, or is reasonably expected to result in, (y) a reduction in operating income in 2007 or 2008 as compared to the 2007 Budget in an amount equal to or greater than \$10,000,000 or (z) a reduction of \$50,000,000 or more in the net worth of the Company, determined in accordance with GAAP, consistently applied; (B) the representations and warranties of the Company set forth in Section 4.01 shall be true and correct as of the Closing; and (C) the representations and warranties of the Company set forth in Section 4.06(b) shall be true and correct; (ii) the Company shall have performed and complied in all material respects with all of its covenants and agreements required by this Agreement to be performed or complied with by it prior to or at the Closing; and (iii) Purchaser shall have received a certificate of the Company as to the matters set forth in clauses (i) and (ii) above signed by a duly authorized officer of the Company.

(b) No Order. No Governmental Entity shall have enacted, issued, promulgated, enforced or entered any statute, rule, regulation, injunction or other Governmental Order which is in effect and has the effect of making the transactions contemplated by this Agreement illegal or otherwise prohibiting consummation of such transactions and no Action shall have been instituted or threatened at or prior to the Closing by any Governmental Entity, relating to this Agreement or any of the transactions contemplated hereby, the result of which would prevent or make illegal the consummation of any such transactions; provided, however, that prior to asserting the failure of the condition set forth in this Section 7.02(b) to be satisfied, Parent and Purchaser must have complied with their obligations under Section 6.04.

(b) Approvals. The STB shall have approved the Voting Trust and the Voting Trust Agreement pursuant to which the Shares shall be placed into an irrevocable voting trust as of the Effective Time pending final STB approval or exemption, as the case may be.

(c) Agreements. (i) One-hundred percent of the members of the Company's Board of Directors, and the Equityholders they represent and their respective Controlled Affiliates, (ii) one-hundred percent of the employees of the Company to whom Bonus Shares have been granted and (iii) fifty percent of the remaining Equityholders (other than the members of the Company's Board of Directors (and the Equityholders they represent and their respective Controlled Affiliates) and the employees of the Company to whom Bonus Shares have been granted), in each case shall have executed and delivered each of the Releases and/or the Termination Agreement to which such member and such employee is to be a party.

(d) No Material Adverse Effect. Between the date hereof and the Closing Date, there shall have been no Material Adverse Effect.

ARTICLE VIII

TERMINATION, AMENDMENT AND WAIVER

SECTION 8.01. Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by the Company, Parent or Purchaser if the Effective Time shall not have occurred by October 31, 2007 (the Termination Date); provided, however, that the right to terminate this Agreement under this Section 8.01(a) shall not be available to any party whose failure to fulfill any obligation under this Agreement shall have been the cause of, or shall have resulted in, the failure of the Closing to occur on or prior to such date, including Parent's or Purchaser's failure to fulfill its obligations under Section 6.04;

(b) by the mutual written consent of Parent, Purchaser and the Company;

(c) by the Company, Parent or Purchaser if any Governmental Entity with jurisdiction over such matters shall have issued a Governmental Order restraining, enjoining or otherwise prohibiting any of the transactions contemplated by Article II hereof, and such order, decree, ruling or other action shall have become final and unappealable; provided, however, that prior to asserting the failure of the condition set forth in this Section 8.01(c) to be satisfied, Parent and Purchaser must have complied with their obligations under Section 6.04;

(d) by the Company if a failure to perform any covenant or agreement on the part of Parent or Purchaser set forth in this Agreement (including an obligation to consummate the Closing) shall have occurred that would, if occurring or continuing on the Closing Date, cause the conditions set forth in Sections 7.01(a) or (b) not to be satisfied, and such condition is not cured, or is incapable of being cured, within 20 days (but not later than the Termination Date) of receipt of written notice by the Company to Purchaser of such breach or failure provided that the Company shall not have the right to terminate this Agreement pursuant to this

Section 8.01(d) if the Company is then in material breach of any of its representations, warranties, covenants or agreements hereunder; or

(e) by Purchaser if a failure to perform any covenant or agreement on the part of the Company set forth in this Agreement (including an obligation to consummate the Closing) shall have occurred that would, if occurring or continuing on the Closing Date, cause the condition set forth in Section 7.01(a) not to be satisfied, and such condition is not cured, or is incapable of being cured, within 20 days (but not later than the Termination Date) of receipt of written notice by the Company to Purchaser of such breach or failure provided that Purchaser shall not have the right to terminate this Agreement pursuant to this Section 8.01(e) if Purchaser is then in material breach of any of its representations, warranties, covenants or agreements hereunder.

SECTION 8.02. Effect of Termination. In the event of termination of this Agreement as provided in Section 8.01, this Agreement shall forthwith become void and there shall be no liability on the part of any party hereto except that (a) Sections 4.17, 5.07, 6.03 and Article IX shall survive any termination and (b) that nothing herein shall relieve any party from liability for any breach hereof prior to the date of such termination.

SECTION 8.03. Waiver. At any time prior to the Closing, any party hereto may (a) extend the time for the performance of any of the obligations or other acts of the other parties hereto, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto or (c) waive compliance with any of the agreements or conditions contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party to be bound thereby. The failure of any party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights.

ARTICLE IX

SECTION 9.03. Survival. The representations and warranties of the parties hereto contained herein shall not survive the Closing.

SECTION 9.04. Public Announcements. The parties shall jointly announce the transaction contemplated hereby when they mutually determine it is reasonably appropriate to do so, and the parties shall cooperate as to the timing and contents of any such announcement.

SECTION 9.05. Headings. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

SECTION 9.06. Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

SECTION 9.07. Entire Agreement. This Agreement (including the Disclosure Schedule and Definitive Agreements) constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and undertakings, both written and oral between the Company and Purchaser with respect to the subject matter hereof and except as otherwise expressly provided herein.

SECTION 9.08. Assignment. Neither this Agreement nor any of the rights and obligations of the parties hereunder may be assigned by any of the parties hereto without the prior consent of each other parties hereto, except that Purchaser may assign any or all of its rights

hereunder to any of Parent's direct or indirect wholly-owned subsidiaries, and any such subsidiary may assign such rights to another direct or indirect wholly-owned subsidiary of Purchaser or of Parent to Purchaser or to Parent. Notwithstanding the foregoing, Purchaser shall remain liable for all of its obligations under this Agreement. Subject to the first sentence of this Section 9.08, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns and no other person shall have any right, obligation or benefit hereunder.

SECTION 9.09. No Third-Party Beneficiaries. This Agreement is for the sole benefit of the Company, Parent, Purchaser and the Stockholders' Representative (solely in such Person's capacity as the Stockholders' Representative) and their permitted assigns and nothing herein, expressed or implied, is intended to or shall confer upon any other person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, except (a) for the right of (i) the Equityholders to receive the Per Share Merger Consideration as a result of the Merger and any Construction Milestone Payment or Coal Milestone Payment which becomes payable under Section 3.05(b), and (ii) the holders of the Preferred Stock to receive the Preferred Redemption Amount immediately prior to the Merger, and, in each case, to recover damages from Parent for their failure to receive such amounts, and (b) for the officers and directors of the Company for purposes of enforcing Section 6.07. In the case of clauses (a)(i) and (ii) above, (a) prior to the Closing, only the Company shall be permitted to determine whether to bring an action against Parent or Purchaser, and only the Company may be permitted to bring such action, on behalf of the Equityholders and the Preferred Stockholders hereunder and (b) following the Closing only the Stockholders' Representative shall be permitted to determine whether to bring an Action against Parent, Purchaser or the Surviving Corporation on behalf of the Equityholders and only the Stockholders' Representative may be permitted to bring such an action.

SECTION 9.10. Waivers and Amendments. This Agreement may be amended or modified, and the terms and conditions hereof may be waived, only by a written instrument signed by the parties hereto or, in the case of a waiver, by the party waiving compliance. No delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of any party of any right, power or privilege hereunder, nor any single or partial exercise of any other right, power or privilege hereunder, preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder. The rights and remedies herein provided are cumulative and are not exclusive of any rights or remedies which any party may otherwise have at law or in equity.

SECTION 9.11. Specific Performance. The parties hereto agree that irreparable damage would occur in the event any provision of this Agreement required to be performed prior to the Closing was not performed in accordance with the terms hereof and that, prior to the Closing, the parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or in equity.

SECTION 9.12. Governing Law; Consent to Jurisdiction; Waiver of Jury Trial. (a) This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York applicable to contracts executed in and to be performed in that State. EXCEPT AS OTHERWISE SPECIFICALLY PROVIDED HEREIN, ALL ACTIONS AND

PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE HEARD AND DETERMINED IN A NEW YORK STATE OR FEDERAL COURT SITTING IN THE CITY OF NEW YORK, AND THE PARTIES HERETO HEREBY IRREVOCABLY SUBMIT TO THE JURISDICTION OF SUCH COURTS IN ANY SUCH ACTION OR PROCEEDING AND IRREVOCABLY WAIVE THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF ANY SUCH ACTION OR PROCEEDING.

(b) Each of the parties hereto hereby waives to the fullest extent permitted by applicable Law any right it may have to a trial by jury with respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement, the Merger or the transactions contemplated hereby. Each of the parties hereto (i) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce that foregoing waiver and (ii) acknowledges that it and the parties other hereto have been induced to enter into this Agreement, the Merger and the transactions contemplated hereby, as applicable, by, among other things, the mutual waivers and certifications in this Section 9.12.

SECTION 9.13. Counterparts. This Agreement may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

IN WITNESS WHEREOF, the Company, Purchaser, Parent and Guarantor have caused this Agreement to be executed as of the date first written above by their respective officers thereunto duly authorized.
