Edgar Filing: KRONOS ADVANCED TECHNOLOGIES INC - Form SC 13D

Issuer in favor of RS Properties, together with all of RS Properties' rights and obligations under (b) the Funding Agreement, dated June 19, 2010 (the "Funding Agreement"), by and among the Issuer, AirWorks Funding LLLP ("AirWorks"), Sands Brothers Venture Capital LLC ("Sands I"), Sands Brothers Venture Capital II LLC, ("Sands II"), Sands Brothers Venture Capital III LLC ("Sands III"), Sands Brothers Venture Capital IV LLC ("Sands IV"), Critical Capital Growth Fund, L.P. (the "Subsidiary") and the Lenders; (d) the Patent Security Agreement, dated June 19, 2007 (the "Patent Security Agreement"), by and among the Issuer, the Subsidiary and the Lenders; (e) the Voting and Support Agreement, dated June 19, 2007 (the "Voting Agreement"), by and among the Issuer and the Lenders; (f) the Registration Rights Agreement, dated June 19, 2007 (the "Registration Rights Agreement"), by and among the Issuer and the Lenders; (g) the Intercreditor Agreement, dated June 19, 2007 (the "Lenders Intercreditor Agreement"), by and among the Lenders; (h) the Intercreditor Agreement, dated June 19, 2007 (the "Existing Creditors Intercreditor Agreement"), by and among the Lenders and certain existing creditors of the Lenders; and (i) the letter agreement, dated June 19, 2007 (the "Letter Agreement"), by and between AirWorks and RS Properties. Each of the agreements, instruments and documents listed in clauses (a) through (i) above are collectively referred to herein as the "Transaction Documents". The purchase price of the Note and the other Transaction Documents paid by Hilltop to the Reporting Person was \$920,000.00, which amount represented the amount of the outstanding principal balance of the Note as of the date of the assignment. The source of funds used to purchase the Note was the investment capital of Hilltop.

CUSIP No. 50105X106

Following the purchase of the Note, on August 9, 2007, Hilltop advanced to the Issuer an additional \$280,000 under the Note in accordance with the Transaction Documents.

Item 4. Purpose of Transaction.

The Reporting Persons consider the Note and the Common Stock it is convertible into that they beneficially own an investment made in the ordinary course of Hilltop's business. The Reporting Persons intend to review on a continuing basis their investment in the Issuer, including the Issuer's business, financial condition and operating results, general market and industry conditions and other investment opportunities and, based upon such review, may provide advances under the Funding Agreement and the Note, acquire additional shares of Common Stock or other securities of the Issuer, or dispose of the Note, shares of Common Stock or other securities of the Issuer, in each case, in the open market, in privately negotiated transactions or in any other lawful manner.

Reference is made to the disclosure set forth in Item 4 of the Schedule 13D filed with the SEC by RS Properties on June 29, 2007 for the description of the terms of the Funding Agreement, the Security Agreement, the Voting Agreement, the Registration Rights Agreement, the Lender Intercreditor Agreement, the Existing Creditors Intercreditor Agreement and the Letter Agreement, which disclosure is incorporated by reference.

Item 5. Interest in Securities of the Issuer.

(a) The Reporting Persons may be deemed to beneficially own 428,571,428 shares

Edgar Filing: KRONOS ADVANCED TECHNOLOGIES INC - Form SC 13D

of Common Stock, representing 63.9% of the outstanding shares of Common Stock (based upon 242,342,803 shares of Common Stock outstanding as of May 18, 2007, as reported in the Issuer's quarterly report on Form 10-QSB for the quarter ended March 31, 2007). Such shares of Common Stock beneficially owned by the Reporting Persons include 428,571,428 shares of Common Stock currently issuable upon conversion of \$1,200,000 principal amount of the Note, but excludes up to 1,885,714,286 additional shares of Common Stock which may become issuable if the Note is funded in full.

CUSIP No. 50105X106

In addition, by virtue of the Voting Agreement and the Letter Agreement, a "group," within the meaning of Section 13(d)(3) of the Exchange Act, or Rule 13d-5(b)(1) thereunder, may have been formed that includes, AirWorks, the Reporting Persons and the Sands Entities. Such a group including AirWorks, the Reporting Persons and the Sands Entities would be deemed to beneficially own, in the aggregate, 1,464,285,713 shares of Common Stock, representing 85.8% of the Common Stock outstanding (based upon 242,342,803 shares of Common Stock outstanding as of May 18, 2007). Such shares of Common Stock which would be deemed beneficially owned by such a group includes (1) 428,571,428 shares of Common Stock issuable upon conversion of the funded portion of the Note and (2) 1,035,714,285 shares of Common Stock issuable upon conversion of the funded portion of the convertible notes held by AirWorks (which amount assumes that AirWorks has funded \$420,000 under the convertible notes held by it, as required pursuant to the terms of the Letter Agreement, dated June 19, 2007, among the Issuer, AirWorks and RS Properties), but excludes (1) 1,885,714,285 shares of Common Stock which may become issuable if the Note is funded in full, (2) 2,828,571,428 shares of Common Stock which may become issuable if the convertible note held by AirWorks is funded in full and (3) 306,785,714 shares of Common Stock underlying the convertible note held by the Sands Entities which is not presently convertible. The Reporting Persons expressly disclaim beneficial ownership of Common Stock beneficially owned by AirWorks and the Sands Entities.

Since the Issuer currently is only authorized to issue 500 million shares of Common Stock and as of May 18, 2007, 242,342,803 shares of Common Stock were issued and outstanding (according to filings made by the Issuer with the Securities and Exchange Commission), Hilltop, AirWorks and the Sands Entities will not be able to convert the entire current outstanding principal amount of the notes held by them until such time as the Issuer increases its authorized share capital to authorize additional shares of Common Stock. Pursuant to the Voting Agreement and the Letter Agreement, AirWorks and Hilltop have agreed to convert a sufficient principal amount of the their respective convertible notes to secure voting control of the Issuer and will subsequently vote to approve an amendment to the Issuer's articles of incorporation to increase the authorized share capital of the Issuer to allow Hilltop, AirWorks and the Sands Entities to convert the entire principal amounts advanced under such notes into shares of Common Stock of the Issuer.

(b) The Reporting Persons have the sole power to vote or to direct the vote and to dispose or direct the disposition of all of the securities beneficially owned by them and reported herein.

Pursuant to, and to the extent set forth in, the Voting Agreement, it could be alleged that the Reporting Persons share voting power with respect to the shares of Common Stock beneficially owned by AirWorks or the Sands Entities. To the knowledge of the Reporting Persons and based on documents publicly filed by AirWorks and the Sands Entities, Exhibit 14 of the Schedule 13D filed with the SEC by RS Properties on June 29, 2007 sets forth certain information with

Edgar Filing: KRONOS ADVANCED TECHNOLOGIES INC - Form SC 13D

respect to AirWorks and the Sands Entities, which is incorporated herein by reference. To the knowledge of the Reporting Persons and based on documents publicly filed by AirWorks and the Sands Entities, during the last five years, neither AirWorks nor any of the Sands Entities has been: (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to Federal or State securities laws or finding any violation with respect to such laws.

(c) Except as set forth in Items 3, no transactions in the Common Stock were effected by the Reporting Persons in the last 60 days.

CUSIP No. 50105X106

(d) and (e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of Issuer.

Reference is made to the disclosure set forth in Items 3 and 4 above, which disclosure is incorporated by reference.
