ITEMS TO BE VOTED ON

Proposal One: Election of Directors

At the annual meeting, three directors will be elected for terms expiring in 2018. The Corporate Governance and Compensation Committee has recommended, and the Board of Directors has nominated, the following nominees for election: John W. Florsheim, Frederick P. Stratton, Jr. and Cory L. Nettles, all of whom are current directors of the Company.

A majority of the votes entitled to be cast by outstanding shares of common stock, represented in person or by proxy, will constitute a quorum at the annual meeting.

Directors are elected by a plurality of the votes cast by the holders of the Company's common stock at a meeting at which a quorum is present. Plurality means that the individuals who receive the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Consequently, any shares not voted (whether by abstention, broker nonvote or otherwise) have no impact in the election of directors except to the extent the failure to vote for an individual results in another individual receiving a comparatively larger number of votes. Votes against a candidate are not given legal effect and are not counted as votes cast in an election of directors. Votes will be tabulated by an inspector at the meeting.

If any of the nominees should decline or be unable to act as a director, which is not expected, the proxies will be voted with discretionary authority by the persons named to vote in the proxy for a substitute nominee designated by the Board of Directors.

Thomas W. Florsheim, Jr. and John W. Florsheim are brothers, and their father is Thomas W. Florsheim. There are no other family relationships between any of the Company's directors and executive officers.

**The Board recommends that you vote FOR the election of
John W. Florsheim, Frederick P. Stratton, Jr. and Cory L. Nettles.**

The Audit Committee appointed Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2015.

Prior to the appointment of Baker Tilly Virchow Krause, LLP, Deloitte & Touche LLP served as the Company's independent registered public accounting firm for many years, including the year ending December 31, 2014. On March 13, 2015, the Company determined not to renew the engagement of Deloitte & Touche LLP and appointed Baker Tilly Virchow Krause, LLP as its new independent registered public accounting firm. This change was the result of a competitive bidding process involving several accounting firms. The decision not to renew the engagement of Deloitte & Touche LLP and to retain Baker Tilly Virchow Krause, LLP was made by the Company's Audit Committee and Board of Directors on March 13, 2015.

Edgar Filing: WEYCO GROUP INC - Form DEF 14A

The audit reports of Deloitte & Touche LLP on the Company's consolidated financial statements as of and for the years ended December 31, 2014 and 2013, did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audits of the Company's consolidated financial statements for each of the fiscal years ended December 31, 2014 and 2013, there were: (1) no disagreements between the Company and Deloitte & Touche LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Deloitte & Touche LLP, would cause Deloitte & Touche LLP to make reference to the subject matter of the disagreement in their reports on the Company's financial statements for such years, and (2) no reportable events, as listed in Item 304(a)(1)(v) of Regulation S-K.

During the fiscal years ended December 31, 2014 and 2013, the Company has not consulted with Baker Tilly Virchow Krause, LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

TABLE OF CONTENTS

The Company asks that you ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2015. Representatives of Baker Tilly Virchow Krause, LLP are expected to be present at the Annual Meeting with the opportunity to make a statement if they so desire and to be available to respond to appropriate questions. Representatives of Deloitte & Touche LLP are not expected to be present at the Annual Meeting.

Although not required by law to submit the appointment to a vote by shareholders, the Audit Committee and the Board believe it is appropriate, as a matter of policy, to request that the shareholders ratify the appointment of its independent registered public accounting firm for 2015.

If the appointment is not ratified, the adverse vote will be considered as an indication to the Audit Committee that it should consider selecting another independent registered public accounting firm for the following year. Even if the selection is ratified, the Audit Committee, in its discretion, may select a new independent registered public accounting firm at any time during the year if it believes that such a change would be in the Company's best interest.

The Board recommends that you vote FOR the ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2015.

TABLE OF CONTENTS

BOARD INFORMATION

Composition of the Board of Directors

The Board of Directors currently has seven members. The Bylaws of the Company provide that there shall be seven directors, divided into three staggered classes. Directors are elected to three-year terms. The number of directors may be increased or decreased from time to time by amending the applicable provision of the Bylaws, but no decrease shall have the effect of shortening the term of an incumbent director.

Meetings

The Board of Directors held five meetings during 2014. All members of the Board of Directors attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which they served. The Company's policy is that its directors should attend the annual meeting of shareholders. All Board members attended the annual meeting of the Company's shareholders held on May 6, 2014. In accordance with the NASDAQ rules, the Company's independent directors have periodic meetings at which only independent directors are present.

Director Independence

Each year, the Board reviews the relationships that each director has with the Company. Only those directors who the Board affirmatively determines have no relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, and who do not have any of the categorical relationships that preclude a determination of independence under the NASDAQ listing standards, are considered to be independent directors.

In accordance with the applicable NASDAQ rules, the Board has determined that the following directors qualify as independent directors: Tina Chang, Robert Feitler, Cory L. Nettles, and Frederick P. Stratton, Jr. The Board concluded that none of these directors possessed the categorical relationships set forth in the NASDAQ standards that preclude a determination of independence, and that none of them have any other relationship that the Board believes would interfere with the exercise of their independent judgment in carrying out the responsibilities of a director. The Audit Committee and the Corporate Governance and Compensation Committee are comprised solely of directors who have been determined to be independent. Because of their relationships with the Company, Messrs. Thomas W. Florsheim, Thomas W. Florsheim, Jr. and John Florsheim are not independent directors.

Board Leadership Structure and Role in Risk Oversight

The Company combines the positions of Chairman of the Board of Directors and Chief Executive Officer. The Company's management and Board of Directors currently believe that the Chief Executive Officer's direct involvement in the day-to-day operations of the Company makes him best positioned to lead Board discussions of the Company's short-term and long-term objectives and helps ensure proper oversight of the Company's risks. Additionally, the Company's Board structure provides oversight by its independent directors. The independent directors meet periodically without any members of management present. In addition, each of the Board's standing committees is chaired by an independent director and both the Audit Committee and the Corporate Governance and Compensation Committee are comprised solely of directors who are independent. The Board has not appointed an independent lead director; however, the Chairman of each of the above mentioned committees typically leads the non-management

sessions of that particular committee.

The Company's Board of Directors plays a role in the oversight of risks that could potentially affect the Company. The Board's Audit Committee fulfills the formal responsibility of financial risk management as disclosed in its charter, which is available on the Company's website. The Audit Committee meets periodically with management to review the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures.

The Corporate Governance and Compensation Committee is responsible for the evaluation of risk as it relates to compensation.

Nomination of Director Candidates

The principal functions of the Corporate Governance and Compensation Committee are: (1) to assist the Board by identifying individuals qualified to become members of the Board and its Committees, and to recommend to the Board the director nominees for the next annual meeting of shareholders; (2) to recommend to the Board the corporate governance guidelines applicable to the Company, including changes to those guidelines as appropriate from time to time; (3) to lead the Board in its periodic reviews of the Board's performance; (4) to establish, subject to approval of the full Board, compensation arrangements for the Company's executive officers; (5) to administer the Company's equity incentive and other compensation plans, and approve the granting of equity awards to officers and other key employees of the Company and its subsidiaries; and (6) to communicate to shareholders regarding these policies and activities as required by the SEC and other regulatory bodies. The Corporate Governance and Compensation Committee Charter and the Guidelines and Criteria for Nomination of Director Candidates are available on the Company's website.

In carrying out its responsibilities regarding director nominations, the Corporate Governance and Compensation Committee has established the following Guidelines and Criteria for Nomination of Director Candidates:

The Committee will review each candidate's qualifications in light of the needs of the Board and the Company, considering the current mix of director attributes and other pertinent factors (specific qualities, skills and professional experience required will vary depending on the Company's specific needs at any point in time).

The Committee will consider the diversity of the existing Board, so that the Board maintains a body of directors from diverse professional and personal backgrounds.

There will be no differences in the manner in which the Committee evaluates candidates recommended by shareholders and candidates identified from other sources.

Corporate Governance and Compensation Committee

The Company is committed to conducting its business with the highest standards of business ethics and in accordance with all applicable laws, rules and regulations, including the rules of the SEC and of the NASDAQ on which its common stock is traded. In addition to the NASDAQ rules and applicable governmental laws and regulations, the framework for the Company's corporate governance is provided by: (a) the Company's Articles of Incorporation and Bylaws; (b) the charters of its board committees; and (c) the Company's Code of Business Ethics.

The Corporate Governance and Compensation Committee is responsible for various matters related to corporate and board governance including, among others, director nominations. See "Nomination of Director Candidates" above for additional information regarding the committee's responsibilities.

The Corporate Governance and Compensation Committee also establishes compensation arrangements for senior management and administers the granting of stock-based awards to officers and other key employees of the Company and its subsidiaries. The Board of Directors has determined that each of the members of the Corporate Governance and Compensation Committee (Robert Feitler, Tina Chang, Cory L. Nettles and Frederick P. Stratton, Jr.) is independent, as defined in the current listing standards of the NASDAQ and the SEC rules relating to such committees. Two meetings of the Corporate Governance and Compensation Committee were held in 2014. The charter of the Corporate Governance and Compensation Committee is available on the Company's website.

Corporate Governance and Compensation Committee Interlocks and Insider Participation

None of the members of the Board of Directors who served on the Corporate Governance and Compensation Committee during 2014 was an officer or employee of the Company. No executive officer serves, or in the past has served, as a member of the board of directors or compensation committee (or other board committee performing equivalent functions) of any other entity that has any of its executive officers serving as a member of the Company's Board of Directors or Corporate Governance and Compensation Committee.

Code of Business Ethics

The Company's Code of Business Ethics sets forth ethical obligations for all employees, officers and directors, including those that apply specifically to directors and executive officers, such as accounting and financial reporting matters. If any substantive amendment is made to the Code, the nature of the amendment will be disclosed on the Company's website or in a current report on Form 8-K. In addition, if a waiver from the Code is granted to an executive officer or director, the nature of the waiver will be disclosed in a current report on Form 8-K.

Audit Committee

The Audit Committee of the Board of Directors is responsible for providing independent oversight of the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, and the annual independent audit of the Company's financial statements. The Board of Directors adopted and approved a formal written charter for the Audit Committee in 2000 and amended that charter in March 2004. A copy of the charter of the Audit Committee is available on the Company's website. The Board of Directors has determined that each of the members of the Audit Committee (Frederick P. Stratton, Jr., Tina Chang, Robert Feitler, and Cory L. Nettles) is independent, as defined in the current listing standards of the NASDAQ and the SEC rules relating to audit committees. This means that, except in their roles as members of the Board of Directors and its committees, they are

not affiliates of the Company, they receive no consulting, advisory or other compensatory fees directly or indirectly from the Company, they have no other relationships with the Company that may interfere with the exercise of their independence from management and the Company, and they have not participated in the preparation of the financial statements of the Company or any of its current subsidiaries at any time during the past three years. In addition, the Board of Directors has determined that each Audit Committee member satisfies the financial literacy requirements of NASDAQ and that Robert Feitler and Frederick P. Stratton, Jr. qualify as audit committee financial experts within the meaning of applicable rules of the SEC.

Consistent with the rules of the SEC regarding the independent registered public accounting firm's independence, the Audit Committee has responsibility for recommending appointment of, setting compensation for, and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the following provision is included in the Audit Committee's charter: The Audit Committee shall approve in advance the audit and permitted non-audit services to be provided by, and the fees to be paid to, the independent auditor, subject to the de minimis exceptions to pre-approval permitted by the rules of the SEC and NASDAQ for non-audit services. No fees were paid to the independent registered public accounting firm pursuant to the de minimis exception to the foregoing pre-approval policy.

EXECUTIVE COMPENSATION**

**Report of Corporate Governance and Compensation Committee
on Executive Compensation**

In connection with its function to assist the Board of Directors in fulfilling its responsibilities to assure that the executive officers of the Company are compensated in a manner consistent with the compensation strategy of the Company, internal equity considerations, competitive practice, and the requirements of applicable tax and regulatory bodies, the Corporate Governance and Compensation Committee has (among other things) reviewed and discussed the Compensation Discussion and Analysis with the Company's management. Based on that review and discussion, the Corporate Governance and Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be incorporated by reference in the Company's Annual Report on Form 10-K and included in this Proxy Statement.

Compensation Discussion and Analysis

The Corporate Governance and Compensation Committee (the Committee) establishes compensation arrangements for senior management and administers the granting of stock-based awards to officers and other key employees of the Company. The Committee is composed entirely of independent, non-employee members of the Board of Directors and has the authority to utilize consultants and advisors as it may deem appropriate. The Company provides appropriate funding, as determined by the Committee, for the payment of compensation to the compensation consultant(s) employed by the Committee. The Committee reports to the Board of Directors on its actions and recommendations and periodically meets in executive session without members of management or management directors present.

The expertise and knowledge of each executive officer is important to the success of the Company. Although the substantial stock ownership by the Florsheim family gives them additional incentives to help the Company succeed, the Company believes that a fair and competitive executive compensation program is essential to attract and retain other key executives and is in the Company's long-term best interests. A key objective of the Company's executive compensation program is to provide a fair and competitive compensation package to each of its executive officers without encouraging unnecessary risk-taking. The Committee may, in its sole discretion, retain or obtain the advice of compensation consultants, legal counsel or other advisers as it deems appropriate in connection with determining the compensation of its executive officers. Outside consultants have been used sparingly or not at all. In addition, the Committee considers the results of advisory say-on-pay shareholder votes when making compensation decisions. At the 2014 annual meeting, when the latest advisory say-on-pay vote was held, the Company's shareholders voted to approve, by a significant margin, the compensation of the Company's executive officers. The Committee considered the result of this vote as support for its executive compensation system. The Company currently holds an advisory say-on-pay vote every three years.

The primary elements of the Company's compensation program are: (1) an annual base salary; (2) an annual performance-based cash bonus; (3) discretionary long-term stock-based awards, subject to time-based vesting requirements; and (4) pension benefits. The combination of these compensation elements is designed to provide executives competitive compensation that maintains a balance between cash and stock compensation tied to the performance of the Company and long-term shareholder value. To reinforce the importance of balancing long-term and short-term perspectives, the Company's executives are provided with both (1) annual incentives, of which a portion is at-risk based on achievement of the Company's annual financial goals and objectives and (2) time-based long-term incentives which are intended to align the interests of executives with the interests of shareholders and encourage officer retention.

Base salaries are set at levels that are competitive with similar positions at other comparable companies and historically have increased modestly year-over-year. Larger increases or decreases in an executive's annual base salary would be considered if functional responsibilities changed substantially.

TABLE OF CONTENTS

Cash bonuses are awarded pursuant to the 2014 Incentive Plan, which is qualified under 162(m). The annual cash bonus is principally designed to reward the achievement of Company-wide financial goals established by the Committee, as well as the individual performance of each executive officer throughout the year. The Company has historically set financial goals based on the results achieved in the prior year. For the years 2014, 2013 and 2012, the potential for an annual cash bonus for Mr. Thomas Florsheim, Jr., Mr. John Florsheim and Mr. Wittkowske was based solely on the achievement of Company-wide financial goals set by the Committee. In each of these years, a bonus was to be paid only upon the Company achieving an increase in net earnings over the previous year.

For 2014, a target bonus equal to 45%, 45% and 40% of the annual base salary for Mr. Thomas Florsheim Jr., Mr. John Florsheim and Mr. Wittkowske, respectively, would have been paid had 2014 net earnings increased between 8% and 10% over net earnings in 2013, excluding all adjustments made in 2014 and 2013 to remeasure the estimated liability for future earn-out payments related to the 2011 acquisition of The Combs Company (Bogs). The target bonus was to be pro-rated for increases in net earnings between 0% and 8%. Beginning in 2014, the aforementioned executives would have been eligible for a stretch bonus equal to 150% of the target bonus had 2014 net earnings increased 13%. The stretch bonus was to be pro-rated for earnings increases between 10% and 13%. See the table titled Grants of Plan-Based Awards For 2014 for the estimated possible payouts for the non-equity incentive plan awards for 2014. The Company's net earnings in 2014 increased 9.90% over the prior year's net earnings and, accordingly, Mr. Thomas Florsheim, Jr., Mr. John Florsheim and Mr. Wittkowske earned 100% of their target bonuses in 2014.

For 2013, a maximum bonus equal to 45%, 45% and 40% of the annual base salary for Mr. Thomas Florsheim Jr., Mr. John Florsheim and Mr. Wittkowske, respectively, would have been paid had net earnings increased 8% over net earnings in 2012. The Company's net earnings in 2013 increased 4.64% over the prior year's net earnings (excluding all adjustments made to remeasure the Bogs estimated liability, as described above) and, accordingly, Mr. Thomas Florsheim, Jr., Mr. John Florsheim and Mr. Wittkowske earned approximately 58% of their maximum bonuses in 2013.

For 2012, a maximum bonus equal to 45%, 45% and 40% of the annual base salary for Mr. Thomas Florsheim Jr., Mr. John Florsheim and Mr. Wittkowske, respectively, would have been paid had net earnings increased 10% over the prior year's net earnings. The Company's net earnings in 2012 increased 10.8% over the prior year's net earnings (excluding all adjustments made to remeasure the Bogs estimated liability, as described above) and accordingly, Mr. Thomas Florsheim, Jr., Mr. John Florsheim and Mr. Wittkowske earned 100% of their maximum bonuses in 2012.

See the table titled Summary Compensation Table below for the non-equity incentive plan compensation payouts in 2014, 2013 and 2012.

The Committee believes that long-term stock-based awards provide performance incentives that encourage long-term growth in value for public shareholders. Accordingly, discretionary long-term stock-based awards are also an integral part of the Company's executive compensation program (see Long-Term Incentive Plan Award Policy below).

The Company has no formal policy for allocating executive compensation between cash and non-cash or between annual and long-term compensation. Historically, the long-term component of the Company's executive compensation has been non-cash and has been approximately 20-40% of total compensation, and the Company expects that approximate level to continue going forward.

Each year, management proposes base salaries, cash bonuses and long-term stock based awards for all executive officers, which they provide to the Committee. The Committee reviews each specific element of compensation for each of the executive officers. Similarly, each year, the Company's management proposes Company-wide financial

goals for the determination of annual cash bonuses. Management presents economic, industry and/or Company specific rationales for the proposed financial goals. The Committee reviews and discusses the information with management, and makes the final determination of the Company-wide financial goals for the period.

TABLE OF CONTENTS

On January 1, 2014, the Company renewed its employment contracts with Thomas W. Florsheim, Jr. and John W. Florsheim. See further details of these contracts in the Employment Contracts and Potential Payments Upon Termination or Change of Control section below.

Long-Term Incentive Plan Award Policy

The Company believes that participation in a long-term incentive program encourages a perspective of ownership by providing an equity stake in the Company. The Company also believes that participation in a long-term incentive program should increase with higher levels of responsibility, as individuals in leadership roles have the greatest influence on the Company's strategic direction and results over time. Prior to 2014, the Company granted restricted stock and/or stock option awards annually each year on or about December 1. Beginning in 2014, the Company grants restricted stock and/or stock option awards annually each year on or about August 26. Typically, the Company grants a combination of stock options and restricted stock awards to non-executive officers, non-officer key employees and directors of the Company, and grants stock options to executive officers and other salaried employees.

Beginning in 2014, equity awards are granted under the Weyco Group, Inc. 2014 Incentive Plan. On August 26, 2014, stock options were awarded to the Company's named executive officers. On the same date, a combination of stock options and shares of restricted stock were awarded to non-executive officers and non-officer key employees, and stock options were awarded to other salaried employees. Under the 2014 Incentive Plan, the exercise price of stock options and restricted stock awards were valued at fair market value based on the Company's closing stock price on the date of grant and vest ratably over four years beginning on the first anniversary of the grant date. Stock options granted in 2014 expire six years from the grant date.

From 2011 to 2013, equity awards were granted under the Weyco Group, Inc. 2011 Incentive Plan (the 2011 Plan). Under the 2011 Plan, stock options vest ratably over four years beginning on the first anniversary of the grant date. Stock options granted under the 2011 Plan expire six years from the grant date.

Through 2010, equity awards had been granted under the Weyco Group, Inc. 2005 Equity Incentive Plan (the 2005 Plan). Under the 2005 Plan, stock options vest ratably over four years beginning on the first anniversary of the grant date. Stock options granted under the 2005 Plan expire five years from the grant date.

Company insiders, as defined by the Company, are restricted from buying or selling their shares during four black-out periods surrounding each quarter end.

Risk Management and Compensation

The Company has designed its compensation programs for executive officers and all other employees to not encourage or promote excessive risk-taking. Additionally, the Company's compensation packages for senior management, executive officers and other key employees include long-term compensation awards which aim to reward performance over the longer term. Therefore, the Company believes that the risks, if any, arising from its compensation policies are not reasonably likely to have a material adverse effect on the Company.

Pension Benefits

The Company maintains a defined benefit pension plan for various employees of the Company, including salaried employees. The Company also maintains an unfunded supplemental pension plan for key executives so they may receive pension benefits which they would otherwise be prevented from receiving as a result of certain limitations of the Internal Revenue Code. Retirement benefits are provided based on employees' years of credited service and average earnings or stated amounts for years of service. The plans provide for normal retirement at age 65 and provide for reduced benefits for early retirement beginning at age 55. Pension benefits are payable under a variety of options, to be selected by the retiree and are calculated under a formula which is integrated with Social Security, although the amounts determined under the formula are not reduced by Social Security benefits. The normal retirement benefit is based on (i) the highest average earnings for any 5 consecutive years during the 10 calendar years ending with the year of retirement, (ii) length of service up to 25 years and (iii) the highest average covered compensation for Social Security purposes. Prior to October 1, 2012, earnings covered by the plan were generally defined as wages for purposes of federal income tax withholding and therefore included the value realized upon the exercise of non-qualified stock options and other minor items in addition to those included in the above Summary Compensation Table as Salary. Effective October 1, 2012, the plan was amended so as to define earnings to include only salary and cash bonus.

The foregoing describes the general formula under the defined benefit plan and related excess benefits plan as revised in 1997. Those salaried employees who were covered in the plans on January 1, 1989, and all officers (including the named executive officers) who are Senior Vice Presidents or above are provided with the higher of the benefits described above or a minimum benefit based on a prior formula through the defined benefit plan, the unfunded excess benefits plan described above and an unfunded deferred compensation plan. The normal retirement benefit under the prior formula is based on the highest average earnings for any 5 consecutive years during the 10 calendar years preceding retirement and length of service up to 25 years. The normal retirement benefit for officers (including the

named executive officers) who are Senior Vice Presidents or above is based on the highest average earnings for any 5 years during the 20 calendar years preceding retirement and length of service up to 25 years. Minimum benefit amounts are not subject to any deduction for Social Security benefits. Under the excess benefits plan, upon a change in control, a lump sum benefit payment shall be made to each participant.

Effective October 1, 2012, the Company amended its defined benefit pension plan to redefine earnings subject to benefits under the plan. Effective October 1, 2012, the Company amended its deferred compensation and excess benefit plans to set a maximum benefit payable under the plans and eliminate the enhanced early retirement benefit that was previously provided to executive officers. These changes reduced the collective present values of accumulated benefits for each of the named executive under the plans.
