(the "Company") is amending its Form 8-K filed on September 15, 2003, to include (i) a Statement of Revenues and Certain Expenses for the Rosemeade Building and CIGNA Plaza (the "Properties") for the year ended December 31, 2002 as required by Rule 3-14 of Regulation S-X of the Securities and Exchange Commission and (ii) unaudited pro forma financial statements including (a) the Company's pro forma statement of operations for the year ended December 31, 2002, as if the acquisition of the Properties occurred on January 1, 2002, (b) the Company's pro forma statement of operations for the nine months ended September 30, 2003, as if the acquisition of the Properties occurred on

Edgar Filing: KOGER EQUITY INC - Form 8-K

January 1, 2003, and (c) a pro forma statement of estimated taxable operating results and estimated cash to be made available by operations of the Company for the year ended December 31, 2002, as if the acquisition of the Properties occurred on January 1, 2002.

Item 2. Acquisition or Disposition of Assets.

On September 11, 2003, the Company acquired the Properties in Dallas, Texas for approximately \$33.1 million. The Properties are comprised of two office buildings which contain approximately 280,000 square feet of rentable space. The Rosemeade Building is located at the intersection of the George Bush Turnpike and the Dallas North Tollway in the Far North Dallas submarket. CIGNA Plaza is located at the intersection of State Highway 114 and the George Bush Turnpike, in Las Colinas and adjacent to the Dallas/Ft. Worth International Airport. The Company utilized a portion of the proceeds from the Company's issuance of Series A preferred stock to fund the acquisition. The Properties were acquired from the State Teachers Retirement System of Ohio, an unrelated third party.

The Company considered various factors in determining the price to be paid for this acquisition. Factors considered included the nature of the tenants and terms of leases in place, opportunities for alternative and new tenancies, historical and expected cash flows, occupancy rates, current operating costs on the Properties and anticipated changes therein under Company ownership, the physical condition and location of the Properties, the need for capital improvements, the anticipated effect on the Company's financial results, and other factors. The Company took into consideration capitalization rates at which it believed other comparable properties had recently sold. However, the Company determined the price it was willing to pay primarily on the factors discussed above relating to the Properties and their fit into the Company's existing operations. No separate independent appraisal was obtained in connection with this acquisition. The Company, after investigation, is not aware of any material factors, other than those discussed above, that would cause the financial information reported not to be necessarily indicative of future operating results. The Company intends to lease office space in the Properties to tenants as it does the other office buildings contained in its portfolio. The Properties will be managed and leasing operations will be conducted by a third party management company.

The pro

forma financial statements are based upon assumptions contained in the notes thereto and should be read in conjunction with such notes.

The following unaudited pro forma financial statements may not necessarily reflect the results of operations or financial position of the Company which would have actually resulted had the acquisition occurred as of the date and for the periods indicated, nor should they be taken as indicative of the future results of operations or the future financial position of the Company. INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Shareholders of
Koger Equity, Inc.
Boca Raton, Florida:

We have audited the accompanying statement of revenues and certain expenses of the properties known as the Rosemeade Building and CIGNA Plaza (the "Properties") for the year ended December 31, 2002. This financial statement is the responsibility of the Properties. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in the filing of a Form 8-K/A of Koger Equity, Inc. dated September 11, 2003 as a result of the acquisition of the Properties). Material amounts, described in Note 1 to the statement of revenues and certain expenses, that would not be comparable to those resulting from future operations of the Properties are excluded and, accordingly, the statement is not intended to be a complete presentation of the Properties' revenues and expenses.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the revenues and certain expenses of the Properties for the year ended December 31, 2002 in conformity with accounting principles generally accepted in the United States of America.

1. BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Rosemeade Building and CIGNA Plaza (the "Properties"), two office buildings containing approximately 280,000 square feet of rentable space and located in Dallas, Texas, were acquired from the State Teachers Retirement System of Ohio, an unrelated third party, on September 11, 2003. The statement of revenues and certain expenses includes information related to the operations of the Properties for the year ended December 31, 2002 as recorded by the Properties' previous owners, subject to the adjustments described below.

The accompanying historical financial statement information is presented in conformity with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission. Accordingly, the financial statement is not representative of the actual operations for the year ended December 31, 2002 as certain expenses, which may not be comparable to the expenses expected to be incurred in the future operations of the Properties, have been excluded. Expenses excluded consist of interest, depreciation and amortization, and other costs not directly related to the future operations of the acquired Properties.

Management's Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the

Edgar Filing: KOGER EQUITY INC - Form 8-K

reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Rental Income - Rental income is recognized on a straight-line basis over the terms of the related leases.

Properties Operating Expenses - The Properties' operating expenses consist primarily of utilities, insurance, repairs and maintenance, security and safety, cleaning, bad debts and other administrative expenses.

Management Costs and Fees - At the date of acquisition, the Properties were being managed by a third party manager for a management fee of approximately two percent of rental and other revenues plus reimbursement of personnel expenses and other costs related to management of the properties.
