Dear Stockholder:

You are invited to attend the 2014 Annual Meeting of Stockholders of Tree.com, Inc., which will be held on Wednesday, June 11, 2014, 11:00 a.m., local time, at Tree.com's corporate headquarters at 11115 Rushmore Drive, Charlotte, North Carolina 28277. At the Annual Meeting, stockholders will be asked to vote on the proposals described in detail in the notice of meeting on the following page and the accompanying Proxy Statement.

We will be using the "Notice and Access" method of providing proxy materials to you via the Internet. We believe that this process should provide you with a convenient and quick way to access your proxy materials and vote your shares, while allowing us to conserve natural resources and reduce the costs of printing and distributing the proxy materials. On or about May 2, 2014, we will mail to our stockholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and our 2013 Annual Report to Stockholders and how to vote electronically via the Internet. The Notice also contains instructions on how to receive a paper copy of the proxy materials.

It is important that your shares be represented and voted at the Annual Meeting regardless of the size of your holdings. Whether or not you plan to attend the meeting, please vote electronically via the Internet or by telephone, or, if you request paper copies of the proxy materials, please complete, sign, date and return the accompanying proxy in the postage-paid envelope provided. See "How Do I Vote?" in the Proxy Statement for more details. Voting electronically or returning your proxy does NOT deprive you of your right to attend the meeting and to vote your shares in person for the matters acted upon at the meeting.

I look forward to greeting those of you who will be able to attend the meeting.

Sincerely,

Douglas Lebda

Chairman and Chief Executive Officer

At the Annual Meeting, stockholders will be asked:

1. to elect six members of our Board of Directors, each to hold office for a one-year term ending on the date of the next succeeding annual meeting of stockholders or until such director’s successor shall have been duly elected and qualified (or, if earlier, such director’s removal or resignation from our Board of Directors);
2. to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the 2014 fiscal year;
3. to approve an amendment and restatement of our Third Amended and Restated Tree.com 2008 Stock and Annual Incentive Plan;

5. to transact such other business as may properly come before the meeting and any related adjournments or postponements.

Our Board of Directors has set April 14, 2014 as the record date for the Annual Meeting. This means that holders of record of our common stock at the close of business on that date are entitled to receive notice of the Annual Meeting and to vote their shares at the Annual Meeting and any related adjournments or postponements.

Only stockholders and persons holding proxies from stockholders may attend the Annual Meeting. If your shares are registered in your name, you should bring a form of photo identification to the Annual Meeting. If your shares are held in the name of a broker, trust, bank or other nominee, you will need to bring a proxy or letter from that broker, trust, bank or other nominee that confirms you are the beneficial owner of those shares, together with a form of photo identification. PROXY STATEMENT FOR THE  
2014 ANNUAL MEETING OF STOCKHOLDERS

We are providing these proxy materials in connection with Tree.com's 2014 Annual Meeting of Stockholders. The Notice of Internet Availability of Proxy Materials, this Proxy Statement, any accompanying proxy card or voting instruction card and our 2013 Annual Report to Stockholders were first made available to stockholders on or about May 2, 2014. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Q: Who is entitled to vote at the Annual Meeting?

Holdings of Tree.com common stock at the close of business on April 14, 2014, the record date for the Annual Meeting established by our Board of Directors, are entitled to receive notice of the Annual Meeting, the Notice of Internet Availability of Proxy Materials and to vote their shares at the Annual Meeting and any related adjournments or postponements. The Notice of Internet Availability, Notice of Annual Meeting, Proxy Statement and form of proxy are first expected to be made available to stockholders on or about May 2, 2014.

As of the close of business on the record date, there were 11,307,190 shares of our common stock outstanding and entitled to vote. Holders of our common stock are entitled to one vote per share.

**Q: Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a paper copy of proxy materials?**

The Securities and Exchange Commission approved “Notice and Access” rules relating to the delivery of proxy materials over the Internet. These rules permit us to furnish proxy materials, including this Proxy Statement and our 2013 Annual Report to Stockholders, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Most stockholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice of Internet Availability, which was mailed to most of our stockholders, will instruct you as to how you may access and review all of the proxy materials on the Internet. The Notice also instructs you as to how you may submit your proxy on the Internet. If you would like to receive a paper copy of our proxy materials, you should follow the instructions for requesting such materials in the Notice of Internet Availability.

**Q: Can I vote my shares by filling out and returning the Notice of Internet Availability?**

A: No. The Notice of Internet Availability identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice of Internet Availability and returning it.

The Notice of Internet Availability provides instructions on how to vote by Internet or telephone, by requesting and returning a paper proxy card or voting instruction card, or by submitting a ballot in person at the Annual Meeting.

**Q: What is the difference between a stockholder of record and a stockholder who holds stock in street name?**

A: If your shares are registered in your name, you are a stockholder of record. If your shares are held in the name of your broker, bank or another holder of record, these shares are held in “street name.”

You may examine a list of the stockholders of record as of the close of business on April 14, 2014 for any purpose germane to the Annual Meeting during normal business hours during the 10-day period preceding the date of the meeting at our

corporate headquarters at 11115 Rushmore Drive, Charlotte, North Carolina 28277. This list will also be made available at the Annual Meeting.

Q: What shares are included on the enclosed proxy card?

A: If you are a stockholder of record, you will receive the Notice of Internet Availability or these proxy materials from Computershare for all Tree.com shares that you hold directly. If you have requested printed proxy materials, we have enclosed a proxy card for you to use. If you hold our shares in street name through one or more banks, brokers and/or other holders of record, you will receive the Notice of Internet Availability or these proxy materials, together with voting instructions and information regarding the consolidation of your votes, from the third party or parties through which you hold your shares. If you are a stockholder of record and hold additional Tree.com shares in street name, you will receive the Notice of Internet Availability or these proxy materials from Computershare and the third party or parties through which your shares are held. If you requested printed proxy materials, your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee regarding how to vote your shares.

Q: What are the quorum requirements for the Annual Meeting?

A: The presence in person or by proxy of holders having a majority of the total votes entitled to be cast by holders of our common stock at the Annual Meeting constitutes a quorum. Shares of our common stock are counted as present at the Annual Meeting for purposes of determining whether there is a quorum, if you are present and vote in person at the Annual Meeting or by telephone or on the Internet or a proxy card has been properly submitted by you or on your behalf at the Annual Meeting, without regard to whether the proxy is marked as casting a vote or abstaining.

Abstaining votes and broker non-votes are counted for purposes of establishing a quorum, but are not counted in the election of directors and therefore have no effect on the election. In a vote on the other proposals to be considered at the Annual Meeting, an abstaining vote will have the same effect as a vote against the proposals, but a broker non-vote will not be included in the tabulation of the voting results and therefore will not affect the outcome of the vote. A broker non-vote occurs when a broker or other nominee submits a proxy card with respect to shares of common stock held in a fiduciary capacity (typically referred to as being held in "street name"), but declines to vote on a particular matter because the broker or nominee has not received voting instructions from the beneficial owner or the persons entitled to vote those shares and for which the broker or nominee does not have discretionary voting power under rules applicable to broker-dealers.

Q: What matters will the stockholders vote on at the Annual Meeting?

A: The stockholders will vote on the following proposals:

*Proposal 1*—to elect six members of our Board of Directors, each to hold office for a one-year term ending on the date of the next succeeding annual meeting of stockholders or until such director's successor shall have been duly elected and qualified (or, if earlier, such director's removal or resignation from our Board of Directors);

*Proposal 2*—to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the 2014 fiscal year;

*Proposal 3*—to approve an amendment and restatement of the Third Amended and Restated Tree.com 2008 Stock and Annual Incentive Plan; and

*Proposal 4*—to consider and provide an advisory (non-binding) “Say on Pay” vote on the compensation of our named executive officers, as described in this Proxy Statement.

Stockholders will also vote to transact such other business as may properly come before the Annual Meeting and any related adjournments or postponements.

**Q: What are my voting choices when voting for director nominees and what votes are required to elect directors to our Board of Directors?**

**A:** For the vote on the election of director nominees, you may vote in favor of all nominees, withhold votes as to all nominees or vote in favor of and withhold votes as to specific nominees.

The election of each of Neal Dermer, Peter Horan, W. Mac Lackey, Douglas Lebda, Joseph Levin and Steven Ozonian as directors requires the affirmative vote of a plurality of the total number of votes cast by the holders of shares of our common stock.

Our Board of Directors recommends that stockholders vote FOR the election of each of its nominees for director named above.

**Q:** What are my voting choices when voting on the ratification of the appointment of PricewaterhouseCoopers LLP as Tree.com's independent registered public accounting firm and what votes are required to ratify such appointment?

**A:** For the vote on the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2014, you may vote in favor of the ratification, vote against the ratification or abstain from voting on the ratification.

The ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2014 requires the affirmative vote of a majority of the total number of votes cast at the Annual Meeting by the holders of shares of our common stock.

Our Board of Directors recommends that the stockholders vote FOR ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2014.

**Q:** **What are my voting choices when voting on the approval of the amendment and restatement of the Third Amended and Restated Tree.com 2008 Stock and Annual Incentive Plan?**

**A:** For the vote on approval of the amendment and restatement of the Third Amended and Restated Tree.com 2008 Stock and Annual Incentive Plan, you may vote in favor of approval, vote against approval or abstain from voting.

The approval of this proposal requires the affirmative vote of a majority of the total number of votes cast at the Annual Meeting by the holders of shares of our common stock.

Our Board of Directors recommends that the stockholders vote FOR the approval of the amendment and restatement of the Third Amended and Restated Tree.com 2008 Stock and Annual Incentive Plan.

**Q:** **What are my voting choices when participating in the advisory "Say on Pay" vote on the approval of compensation of the Company's named executive officers?**

**A:**

In the advisory Say on Pay vote on the approval of compensation of the Company's named executive officers, as described in the tabular disclosures contained in this Proxy Statement, you may vote in favor of approval, vote against approval or abstain from voting.

The approval of the advisory Say on Pay proposal requires the affirmative vote of a majority of the total number of votes cast at the Annual Meeting by the holders of shares of our common stock. Since the required vote is advisory, the result of the vote is not binding upon the Board or its Compensation Committee. However, we value the opinions of our stockholders, and we will consider the outcome of the vote when determining future executive compensation arrangements.

**Q:** Could other matters be decided at the Annual Meeting?

**A:** As of the date of the filing of this Proxy Statement, we are not aware of any matters to be raised at the Annual Meeting other than those referred to in this Proxy Statement.

If other matters are properly presented at the Annual Meeting for consideration, our two representatives who have been designated as proxies for the Annual Meeting, Michelle Lind and Janna James, will have the discretion to vote on those matters for stockholders who have returned their proxy.

**Q: If I hold my shares in street name through my broker, will my broker vote these shares for me?**

If you hold your shares in street name, you must provide your broker, bank or other nominee with instructions in order to vote these shares. To do so, you should follow the directions regarding voting instructions provided to you by your bank, broker or other nominee. If your bank, broker or nominee holds your shares in its name and you do not instruct them how to vote, they will have discretion to vote your shares on routine matters, including the A:ratification of the selection of the Company's independent public accounting firm (Proposal 2). However, they will not have discretion to vote on non-routine matters without direction from you, including the election of directors (Proposal 1), the amendment and restatement of the Third Amended and Restated Tree.com Stock and Annual Incentive Plan (Proposal 3), or the advisory (non-binding) "Say on Pay" vote on the compensation of our named executive officers (Proposal 4). Accordingly, broker non-votes will not occur at

the Annual Meeting in connection with Proposal 2. Broker non-votes may occur in connection with Proposals 1, 3 and 4; however, broker non-votes will have no effect on the outcome of Proposals 1, 3 and 4.

**Q:** What happens if I abstain?

Abstentions are counted for purposes of determining whether there is a quorum and, with respect to all proposals other than the election of directors (Proposal 1), the amendment and restatement of the Third Amended and Restated Tree.com Stock and Annual Incentive Plan (Proposal 3), and the advisory (non-binding) “Say on Pay” vote on the compensation of our named executive officers (Proposal 4), will have the same effect as a vote against the proposal.

**Q:** Can I change my vote?

**A:** Yes. If you are a stockholder of record, you may change your vote or revoke your proxy at any time before the vote at the Annual Meeting by:

• delivering to Computershare a written notice, bearing a date later than your proxy, stating that you revoke the proxy;

• submitting a later-dated proxy relating to the same shares by mail, telephone or the Internet prior to the vote at the Annual Meeting; or

• attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not, by itself, revoke a proxy).

You should send any written notice or a new proxy card to Tree.com c/o Computershare at the following address: Computershare, P.O. Box 30170, College Station, Texas 77842, or follow the instructions provided on your proxy card to submit a proxy by telephone or via the Internet. You may request a new proxy card by calling Computershare at 1-877-296-3711 (toll-free).

**Q: What if I do not specify a choice for a proposal when returning a proxy?**

If you do not give specific instructions, proxies that are signed and returned will be voted FOR the election of all director nominees named in the Proxy Statement, FOR the ratification of the appointment of A: PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2014, FOR approval of the amendment and restatement of the Third Amended and Restated Tree.com Stock and Annual Incentive Plan and FOR approval of the advisory (non-binding) “Say on Pay” vote on the compensation of our named executive officers.

Q: How are proxies solicited and what is the cost?

We will bear all expenses incurred in connection with the solicitation of proxies. In addition to solicitation by mail, our directors, officers and employees may solicit proxies from stockholders by telephone, letter, facsimile or in person. Following the original mailing of the Notice of Internet Availability, we will request brokers, custodians, A: nominees and other record holders to forward their own notice and, upon request, to forward copies of the Proxy Statement and related soliciting materials to persons for whom they hold shares of our common stock and to request authority for the exercise of proxies. In such cases, upon the request of the record holders, we will reimburse such holders for their reasonable expenses.

Q: What should I do if I have questions regarding the Annual Meeting?

A: If you have any questions about how to cast your vote for the Annual Meeting or would like copies of any of the documents referred to in this Proxy Statement, you should call Computershare at 1-877-296-3711 (toll-free).

Box 30170, College Station, Texas 77842. Please allow sufficient time for mailing if you decide to vote by mail.

#### Vote at the Annual Meeting

The method or timing of your vote will not limit your right to vote at the Annual Meeting if you attend the Annual Meeting and vote in person. However, if your shares are held in the name of a bank, broker or other nominee, you must obtain a legal proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting. You should allow yourself enough time prior to the Annual Meeting to obtain this proxy from the holder of record.

Street name holders may submit a proxy by telephone or the Internet if their bank or broker makes these methods available, in which case the bank or broker will enclose related instructions with this Proxy Statement. If you submit a proxy by telephone or via the Internet you should not return your proxy card. If you hold your shares through a bank,

broker or other nominee you should follow the voting instructions you receive from your bank, broker or other nominee.

## Corporate Governance

**Director Independence.** Under the Listing Rules of the NASDAQ Stock Market, our Board of Directors has a responsibility to make an affirmative determination that those members of our Board of Directors that serve as independent directors do not have any relationships with the Company and its businesses that would impair their independence. In connection with these determinations, our Board of Directors reviews information regarding transactions, relationships and arrangements involving the Company and its businesses and each director that it deems relevant to independence, including those required by the Listing Rules of the NASDAQ Stock Market.

Our Board of Directors has determined that each of Messrs. Dermer, Horan, Lackey, Ozonian and Levin are independent directors within the meaning of the applicable NASDAQ standards.

**Director Nominations.** Our Nominating Committee considers and recommends to our Board of Directors candidates for election to our Board of Directors and nominees for committee memberships and committee chairs. Each member of the Nominating Committee participates in the review and discussion of director candidates. In addition, directors who are not on the Nominating Committee may meet with and evaluate the suitability of candidates. The full Board of Directors makes final determinations on director nominees.

Our Board of Directors does not have specific requirements for eligibility to serve as a director of Tree.com. However, in evaluating candidates, regardless of how recommended, our Board of Directors considers whether the professional and personal ethics and values of the candidate are consistent with ours, whether the candidate's experience and expertise would be beneficial to our Board of Directors in rendering its service to us, whether the candidate is willing and able to devote the necessary time and energy to the work of our Board of Directors and whether the candidate is prepared and qualified to represent the best interests of our stockholders.

In evaluating director candidates, the Chair of the Nominating Committee and other committee members may conduct interviews with certain candidates and make recommendations to the committee. Other members of our Board of Directors may also conduct interviews with director candidates upon request, and the Nominating Committee may retain, at its discretion, third-party consultants to assess the skills and qualifications of the candidates. Although our Board of Directors does not have a specific policy with respect to diversity, the Nominating Committee considers the extent to which potential candidates possess sufficiently diverse skill sets and diversity characteristics that would contribute to the overall effectiveness of our Board of Directors.

In identifying potential director candidates, the Nominating Committee seeks input from other members of our Board of Directors and executive officers and may also consider recommendations by employees, community leaders, business contacts, third-party search firms and any other sources deemed appropriate by the Nominating Committee. The Nominating Committee also considers candidates nominated by Liberty Interactive Corporation in accordance with its rights under the Spinco Agreement described under “Certain Relationships and Related Transactions—Agreements with Liberty Interactive Corporation,” below. The Nominating Committee will also consider director candidates recommended by other stockholders to stand for election at the Annual Meeting of Stockholders so long as such recommendations are submitted in accordance with the procedures described below under “Stockholder Recommendations of Director Candidates.” Except for Mr. Dermer, who was nominated by Liberty Interactive Corporation in accordance with its rights under the Spinco Agreement, the Nominating Committee has not had any director candidates put forward by a stockholder or a group of stockholders that beneficially owned more than five percent of our stock for at least one year.

***Stockholder Recommendations of Director Candidates.*** The Nominating Committee will evaluate candidates recommended by stockholders in the same manner as all other candidates brought to the attention of the Nominating Committee. Stockholders who wish to make such a recommendation should send the recommendation to Tree.com, Inc., 11115 Rushmore Drive, Charlotte, North Carolina 28277, Attention: Corporate Secretary. The envelope must contain a clear notation that the enclosed letter is a “Director Nominee Recommendation.” The letter must identify the author as a stockholder, provide a brief summary of the candidate’s qualifications and history, together with an indication that the recommended individual would be willing to serve (if elected), and must be accompanied by evidence of the sender’s stock ownership. Any director recommendations will be reviewed by the Corporate Secretary and, if deemed appropriate, forwarded to the Chairman for further review. If the Chairman believes that the candidate fits the profile of a director described above, the recommendation will be shared with the entire Board of Directors.

During 2013, all the incumbent directors attended more than 75% of the meetings of our Board of Directors and of its committees on which they served. Directors are not required to attend annual meetings of our stockholders.

**Audit Committee.** The Audit Committee functions pursuant to a written charter adopted by our Board of Directors, a copy of which may be found at our website at <http://investor-relations.tree.com/governance.cfm>. The Audit Committee is appointed by our Board of Directors to assist our Board of Directors with a variety of matters described in its charter, which include monitoring (1) the integrity of our financial statements, (2) the effectiveness of our internal control over financial reporting, (3) the qualifications and independence of our independent registered public accounting firm, (4) the performance of our internal audit function and independent registered public accounting firm and (5) our compliance with legal and regulatory requirements. The Audit Committee met eight times during 2013. The formal report of the Audit Committee is set forth under “Audit Committee Matters,” below.

All members of the Audit Committee are independent directors within the meaning of the applicable NASDAQ listing standards. Our Board of Directors has determined that Mr. Levin is an “audit committee financial expert,” as such term is defined in applicable SEC rules.

**Compensation Committee.** The Compensation Committee functions pursuant to a written charter adopted by our Board of Directors, a copy of which may be found at our website at <http://investor-relations.tree.com/governance.cfm>. The Compensation Committee is responsible for discharging the responsibilities of our Board of Directors relating to compensation of our Chief Executive Officer and our other executive officers and has overall responsibility for approving and evaluating all of our compensation plans, policies and programs as they affect our executive officers. For additional information on our processes and procedures for the consideration and determination of executive and

director compensation and the roles of the Compensation Committee related thereto, see the discussion under “Executive Compensation and Related Information—Overview” and “Director Compensation,” below.

All of the members of the Compensation Committee are independent directors within the meaning of the applicable NASDAQ listing standards. The Compensation Committee met six times during 2013 and acted by unanimous written consent two times.

***Role of the Independent Compensation Consultant.*** For 2013, the Compensation Committee retained Pearl Meyer & Partners, LLC (“PM&P” or the “Consultant”) as its independent consultant. PM&P reports directly to the Compensation Committee and performs no other work for the Company. The Compensation Committee has analyzed whether the work of PM&P as a compensation consultant has raised any conflict of interest, taking into consideration the following factors: (i) the provision of other services to the Company by PM&P; (ii) the amount of fees from the Company paid to PM&P as a percentage of the firm’s total revenue; (iii) PM&P’s policies and procedures that are designed to prevent conflicts of interest; (iv) any business or personal relationship of PM&P or the individual compensation advisors employed by the firm with an executive officer of the Company; (v) any business or personal relationship of the individual compensation advisors with any member of the Compensation Committee; and (vi) any stock of the Company owned by PM&P or the individual compensation advisors employed by the firm. The Committee has determined, based on its analysis of the above factors, that the work of PM&P and the individual compensation advisors employed by PM&P as compensation consultants to the Company has not created any conflict of interest.

PM&P provided the following services in 2013:

- Attended Compensation Committee meetings;

- Provided independent advice to the Committee on current trends and best practices in compensation design and program alternatives, and advised on plans or practices that may improve effectiveness;

- Provided and discussed peer group and survey data for competitive comparisons; and, based on this information, offered independent recommendations on CEO and NEO compensation;

- Reviewed the compensation tables, and other compensation-related disclosures in our proxy statements;

- Offered recommendations, insights and perspectives on compensation related matters; and

- Supported the Compensation Committee to ensure executive compensation programs are competitive and align the interests of our executives with those of our stockholders.

In fiscal 2013, PM&P attended several Compensation Committee meetings in person or by telephone, including executive sessions as requested, and consulted with the Compensation Committee Chair between meetings. PM&P reviewed this executive compensation disclosure and the tables contained in this Proxy Statement.

**Nominating Committee.** The Nominating Committee functions pursuant to a written charter adopted by our Board of Directors, a copy of which may be found at our website at <http://investor-relations.tree.com/governance.cfm>. The Nominating Committee's functions include identifying, evaluating and recommending candidates for election to our Board of Directors. Additionally, the Nominating Committee is responsible for recommending compensation arrangements for non-employee directors.

All of the members of the committee are independent directors within the meaning of the applicable NASDAQ listing standards. The Nominating Committee met five times during 2013 and acted by unanimous written consent one time.

**Board Leadership Structure.** Mr. Lebda serves as our CEO and Chairman of our Board of Directors. Mr. Lebda is the founder of the Company and has served as our CEO and Chairman of our Board of Directors since our August 2008 spin-off from IAC/InterActiveCorp. Our Board of Directors believes that it is important to have a unified leadership vision which Mr. Lebda is uniquely positioned to provide. Our Board of Directors also believes that the Company is

best served by a Chairman who is actively involved with the Company and is therefore able to bring a great depth of knowledge about the Company to the role. Our Board of Directors does not currently have a designated lead independent director. Our Board of Directors believes that the appointment of a designated lead independent director is not necessary at this time because of the Company's small size and because the independent directors play an active role in matters of our Board of Directors.

***Board Role in Risk Oversight.*** Our Board of Directors oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to enhance long-term organizational performance and stockholder value. A fundamental part of risk management is not only understanding the risks we face, how those risks may evolve over time, and what steps management is taking to manage and mitigate those risks, but also understanding what level of risk tolerance is appropriate for us. Management is responsible for the day-to-day management of the risks we face, while our Board of Directors, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, our Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. Our Board of Directors regularly reviews information regarding marketing, operations, finance and business development as well as the risks associated with each. In addition, our Board of Directors holds strategic planning sessions with management to discuss our strategies, key challenges, and risks and opportunities and receives a report on Sarbanes-Oxley compliance on at least an annual basis.

While our Board of Directors is ultimately responsible for risk oversight, committees of our Board of Directors also have been allocated responsibility for specific aspects of risk oversight. In particular, the Audit Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls, risk assessment and risk management. Our Board of Directors and the Audit Committee regularly discuss with management the Company's major risk exposures, their potential financial impact on the Company, and the steps taken to monitor and control those risks. The Compensation Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to the risks arising from our compensation policies and programs. The Nominating Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to the risks associated with board organization, membership and structure, ethics and compliance, succession planning for our directors and executive officers, and corporate governance.

## Stockholder Communications with our Board of Directors

Stockholders may, at any time, communicate with any of our directors by mailing a written communication to Tree.com, Inc., 11115 Rushmore Drive, Charlotte, North Carolina 28277, Attention: Corporate Secretary. The mailing envelope must contain a clear notation indicating that the enclosed letter is a “Stockholder-Board Communication” or “Stockholder-Director Communication.” All such letters must identify the author as a stockholder, provide evidence of the sender’s stock ownership and clearly state whether the intended recipients are all members of our Board of Directors or a particular director or directors. The Corporate Secretary will then review such correspondence and forward it to our Board of Directors, or to the specified director(s), if appropriate.

All communications received in accordance with these procedures will be reviewed by the Corporate Secretary and forwarded to the appropriate director or directors unless such communications are considered, in the reasonable judgment of the Corporate Secretary, to be improper for submission to the intended recipient. Examples of stockholder communications that would be considered improper for submission include communications that:

do not relate to the business or affairs of our Company or the functioning or constitution of our Board of Directors or any of its committees;

- relate to routine or insignificant matters that do not warrant the attention of our Board of Directors;
- are advertisements or other commercial solicitations;
- are frivolous or offensive; or
- are otherwise not appropriate for delivery to directors.

## AUDIT COMMITTEE MATTERS

### Audit Committee Report

The Audit Committee operates under a written charter, which has been adopted by the Board of Directors. These responsibilities rest with management and Tree.com's independent registered public accounting firm.

In fulfilling its responsibilities, the Audit Committee has reviewed and discussed the audited consolidated financial statements of Tree.com for the fiscal year ended December 31, 2013 with management and PricewaterhouseCoopers LLP, Tree.com's independent registered public accounting firm for the 2013 fiscal year.

AU section 380), as adopted by the Public Company Accounting Board in Rule 3200T and No. 114, "The Auditor's Communication With Those Charged With Governance." In addition, the Audit Committee has received during the past fiscal year the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence and has discussed with PricewaterhouseCoopers LLP its independence from Tree.com and its management.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended on March 11, 2014 to the Board of Directors that the audited consolidated financial statements for Tree.com for the fiscal year ended December 31, 2013 be included in its Annual Report on Form 10-K for the year ended December 31, 2013 for filing with the SEC.

PROPOSAL 2—RATIFICATION OF APPOINTMENT OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Proposal and Required Vote

The Audit Committee of our Board of Directors has appointed PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.

PricewaterhouseCoopers LLP was previously engaged on March 19, 2009 as our independent registered public accounting firm for the fiscal year ended December 31, 2009 and then reengaged on June 26, 2012 as our independent registered public accounting firm for the year ended December 31, 2012, and then for the year ended December 31, 2013.

Ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the total number of votes cast by the holders of shares of Tree.com common stock. If stockholders fail to ratify the selection of PricewaterhouseCoopers LLP as the independent registered public accounting firm for 2014, the Audit Committee will reconsider whether to retain that firm. Even if the selection is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year.

One or more representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. They are expected to be available to respond to appropriate questions.

Our Board of Directors recommends that the stockholders vote FOR ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2014.

PROPOSAL 3—APPROVAL OF AMENDMENT AND RESTATEMENT OF THE THIRD

AMENDED AND RESTATED TREE.COM 2008 STOCK AND ANNUAL INCENTIVE PLAN

At the Annual Meeting, we are asking our stockholders to approve an amendment and restatement of the Third Amended and Restated Tree.com 2008 Stock and Annual Incentive Plan, which we refer to as the Stock Plan. As more fully described below, conditioned upon and subject to stockholder approval, on April 21, 2014 the Board of Directors approved an amendment and restatement of the Stock Plan. As so amended and restated, the Stock Plan will be known as the “Fourth Amended and Restated Tree.com 2008 Stock and Annual Incentive Plan.” This amendment and restatement included:

- a 1,000,000 share increase to the number of shares of common stock authorized for issuance under the Stock Plan;
- an increase to the number of shares of common stock that may be issued under the Stock Plan as Internal Revenue Code Section 422 “incentive stock options” so that such total amount will increase from 1,833,333 shares to 2,833,333 shares;
- an increase to the number of shares of common stock that may be issued to a single participant under the Stock Plan so that such total amount will increase from 1,833,333 shares to 2,833,333 shares;
- clarification of the Compensation Committee’s discretion to make adjustments to previously established performance goals that affect the vesting of awards granted under the Stock Plan;
- clarification of the Compensation Committee’s discretion to extend the exercise period of stock option awards; and
- miscellaneous clarifications to certain provisions in the Stock Plan.

As of April 10, 2014, stock options to purchase 1,079,012 shares, restricted stock units covering 532,317 shares and 98,667 shares of restricted stock were all outstanding under the Stock Plan, and only 353,796 shares remained available for future equity grants under the Stock Plan. We are requesting approval of this amendment and restatement because, based on historical and projected grant rates, the remaining unissued shares in the Stock Plan will be insufficient to cover our anticipated future equity compensation grants. The Company stockholders last approved an increase in shares for grant under the Stock Plan in 2012.

We believe that our compensation programs should be variable and tied to individual and corporate performance in light of our current circumstances and desire to increase our entrepreneurial culture and further align the interests of our executive officers and employees with those of our stockholders. The Compensation Committee believes placing a greater emphasis on incentive arrangements and equity compensation will result in a greater proportion of the overall compensation of our executive officers and employees reflecting performance. Additionally, our ability to provide long-term incentives in the form of equity compensation aligns our executive officers’ and employees’ interests with the interests of our stockholders and fosters an ownership mentality that drives optimal decision-making for the long-term health and profitability of our Company. As such, we believe it is very important that we continue to have the ability to issues equity awards under the Stock Plan.

When deciding if and by how much to increase the number of shares available for grant under the Stock Plan, the Compensation Committee considered our gross burn rate for the past three years along with the estimated dilutive impact of the share increase and similar statistics for a peer group of companies. Burn rate is the rate at which a company is granting equity compensation share awards, with the gross number of such shares awarded expressed as a percentage of its weighted average shares outstanding. Our three year average annual gross burn rate for fiscal years 2013, 2012, and 2011 was 5.7%. This burn rate percentage placed us between the median and the 75% percentile of the peer group.

Our equity compensation program for fiscal years 2013, 2012 and 2011 was based primarily on restricted stock unit and restricted stock awards. With the exception of stock options granted to our CEO and Chairman of the Board in 2012 and 2011, all awards to our executive officers and employees during those fiscal years consisted of restricted stock units and restricted stock. Both restricted stock unit and restricted stock awards are “full-value awards” that provide the full value of vested shares to recipients. The Compensation Committee began in 2014 to alter the mix of equity awards to include stock options for other executive officers and employees. While stock options are denominated in the full number of shares represented, they provide value to participants only for the amount of the increase in underlying share value over the exercise price, which, under the Stock Plan, cannot be less than 100% of the fair market value of the stock on the date of grant. For example, if a stock option granted today at an exercise price of \$30 is exercised when the stock has increased to \$40 per share, the net value to the recipient is \$10 per share, representing one-third of the value of a share on the date of grant and one-quarter of the value of a share on the date of exercise. Additionally, the stock options granted by the Compensation Committee to date in 2014 and anticipated to be granted in the future enable the participant to pay the exercise price and withholding taxes due on exercise by withholding shares with a value determined on the date of exercise as equal to the exercise price and the withholding tax amounts from the number of shares that would otherwise be delivered. The Compensation Committee determined that net share withholding will be the default manner of exercise unless the option holder affirmatively elects otherwise. As a result, we anticipate that stock options that are ultimately exercised will represent significantly less dilution than the face number of shares represented by the stock options that are granted. In recommending the proposed increase in the number of

shares reserved under the Stock Plan, the Compensation Committee took into account the greater number of reserve shares that are needed for stock options to deliver the same value delivered by full-value awards. While the Stock Plan provides that any shares subject to awards that are not ultimately issued are returned to the Stock Plan reserve, such return may not occur until many years in the future when the stock options are ultimately exercised or expire unvested. The Compensation Committee believes that despite the greater allocation of reserved shares initially necessary for stock option awards, stock options will result in a compensation program that places more emphasis on performance - particularly future increases in our stock price. Further, the Compensation Committee is contemplating granting long-term incentive awards to senior management in the form of stock options that would not vest until some number of years after the initial grant date. These awards would further incentivize our senior management to remain with the company and produce long-term shareholder value. Though the recipients, specific share amounts and terms of such long-term incentive awards have not been determined at this time, the Compensation Committee and the Board considered the contemplated long-term incentive award stock option awards when determining the proposed increase in the number of shares available for grant under the Stock Plan.

The Compensation Committee and the Board believe that adding an additional 1,000,000 shares to the Stock Plan is necessary in order to continue to provide appropriate equity incentives that encourage long-term retention and performance of our executive officers and employees. This increased amount is intended to manage our equity grant requirements for at least the next three years. This projection assumes an annual burn rate of no more than 4.5% of outstanding shares or grants covering approximately 500,000 shares per year. We consider a minimum three-year pool of shares to be important from a compensation planning perspective.

If the amendment and restatement is not approved, it could be detrimental to our goals of attracting, retaining and motivating our executive officers and employees and aligning their interests with the interests of our stockholders. In that instance, we would then need to review and revise our compensation practices to be more cash-based in order to retain our key executive officers and employees. If we adopted alternative compensation programs that were more cash-based, we believe that the level of cash compensation required to offset the lack of availability of equity grants could result in (i) an increase in our overall compensation expense, which would be detrimental to our future operating results, (ii) a decrease in our reported Adjusted EBITDA, a non-GAAP measure that includes cash compensation expense but excludes non-cash compensation expense, and (iii) a decrease in our cash flow, which would reduce cash available to be invested in operations and growth and/or returned to stockholders.

In addition to the requested increase in shares, the amendment and restatement of the Stock Plan also provides that the Compensation Committee will have the discretionary ability to make adjustments to previously established performance goals that affect the vesting of awards granted under the Stock Plan and also to extend the exercise period of Stock Plan awards. The Board believes that enabling the Compensation Committee to effect such changes to existing awards is appropriate and commonly provided in stock incentive plans and provides the Company with needed flexibility to uniquely address individual circumstances as they may arise in the future.

Therefore, at the Annual Meeting, stockholders will be asked to approve the amendment and restatement of the Stock Plan, which is attached as *Annex A* to this Proxy Statement. The proposal requires the affirmative vote of a majority of

the total number of votes cast at the Annual Meeting by the holders of shares of our common stock. To the extent there is any discrepancy between the terms of this proposal and that of the Stock Plan itself, the terms of the Stock Plan shall prevail and govern.

### Summary of the Stock Plan

Below is a summary of the principal provisions of the Stock Plan. The summary is qualified by reference to the Stock Plan as set forth in the Annex A to this proxy statement.

The Stock Plan permits the discretionary award of incentive stock options (ISOs), nonqualified stock options (NSOs), stock appreciation rights (SARs), restricted stock, restricted stock units, other stock-based awards and bonus awards. Individuals eligible to receive awards and grants under the Stock Plan include our directors, officers, employees and consultants or the directors, officers, employees and consultants of any of our subsidiaries or affiliates as well as prospective employees and consultants who have agreed to serve us.

### Administration

The Stock Plan is administered by the Compensation Committee or another committee of our Board of Directors as it may from time to time designate. Among other things, the Compensation Committee selects individuals to whom awards may be granted, determines the type of award as well as the number of shares of common stock to be covered by each award, determines the terms and conditions of any awards, including performance goals (if any) and their degree of satisfaction and interprets the terms and provisions of the Stock Plan and any stock award issued under the Stock Plan. Determinations of the Compensation Committee are final, binding and conclusive.

## Eligibility

Persons who serve or agree to serve as our officers, employees, non-employee directors or consultants or as officers, employees, non-employee directors or consultants of our subsidiaries and affiliates are eligible to be granted awards under the Stock Plan. As of April 10, 2014, there were six directors, three executive officers who are not directors and approximately 190 employees other than executive officers who are authorized to receive awards under the Stock Plan. In addition, individuals who have received awards granted under certain previous Tree.com, Inc., and parent, subsidiary, and affiliate company incentive plans, are governed by the Stock Plan, as detailed further in the Employee Matters Agreement previously filed with the Securities and Exchange Commission as Exhibit 10.3 to the Form 8-K filed on August 25, 2008. Throughout the Stock Plan and in this proposal, these awards are referred to as “Adjusted Awards”. To the extent that the terms of the Stock Plan are inconsistent with the terms of an Adjusted Award, the terms of the Adjusted Award will be governed by the Employee Matters Agreement and the applicable incentive plan and award agreement entered into thereunder.

## Shares Subject to the Stock Plan

After taking into account the proposed addition of 1,000,000 authorized shares to the Stock Plan, the Stock Plan authorizes a maximum issuance of up to (i) 4,350,000 shares of common stock pursuant to new awards plus (ii) the number of shares of common stock that may be issuable upon exercise or vesting of the Adjusted Awards, which includes all outstanding awards and all shares already issued under previously outstanding awards since adoption of the Stock Plan in 2008. As of April 25, 2014:

- A total of 1,405,367 shares have been issued under the Stock Plan and are no longer subject to forfeiture. Although included in the total share reserve described above, these shares are included in our currently outstanding number of shares and will never again become available for future grants under the Stock Plan.

- A total of 1,590,837 shares are either reserved for issuance under currently outstanding awards or issued as restricted stock that is subject to forfeiture if vesting conditions are not satisfied. These shares are not currently available for new awards, but they may be returned to the Stock Plan and available for future awards if they are not ultimately issued under the currently outstanding awards or are forfeited after issuance. Additionally, no single participant may be granted awards covering in excess of 2,833,333 shares of common stock over the life of the Stock Plan. On April 21, 2014, the closing price of a share of our common stock on the Nasdaq Stock Market was \$30.44.

The shares of common stock subject to grant under the Stock Plan are to be made available from authorized but unissued shares or from treasury shares, as determined from time to time by our Board of Directors. Other than Adjusted Awards, to the extent that any stock award is forfeited, or any option or stock appreciation right terminates,

expires or lapses without being exercised, or any award is settled for cash, the shares of common stock subject to the awards not delivered as a result thereof will again be available for use under the Stock Plan. The Stock Plan provides that any shares subject to those awards that terminate, expire, or lapse will not count against the maximum number of shares that may be subject to awards granted to any individual participant. However, any shares subject to any awards that are settled for cash will continue to count against the maximum number of shares that may be subject to awards granted to any individual participant. If the exercise price of any option and/or the tax withholding obligations relating to any award are satisfied by delivering shares of common stock (by either actual delivery or by attestation), only the number of shares of common stock issued net of the shares of common stock delivered or attested to will be deemed delivered for purposes of the limits in the plan. To the extent any shares of common stock subject to an award are withheld to satisfy the exercise price (in the case of an option) and/or the tax withholding obligations relating to the award, the shares of common stock will not generally be deemed to have been delivered for purposes of the limits set forth in the plan. Further, any dividend equivalents distributed and any bonus awards that are paid in shares of common stock under the Stock Plan will count against these maximum share limits.

The Stock Plan provides that, in the event of a merger, consolidation, acquisition of property or shares, stock rights offering, liquidation, disaffiliation or other similar event, the Compensation Committee or our Board of Directors may make any substitutions or adjustments as it deems appropriate and equitable to (1) the aggregate number and kind of shares or other securities reserved for issuance and delivery under the plan, (2) the various maximum limitations set forth in the plan, (3) the number and kind of shares or other securities subject to outstanding awards, (4) the exercise price of outstanding options and stock appreciation rights and (5) the performance goals applicable to any outstanding awards.

In the event of stock dividend, stock split, reverse stock split, separation, spin-off, reorganization, extraordinary dividend of cash or other property, share combination, recapitalization or other similar event affecting our capital structure, the Stock Plan provides that the Compensation Committee or our Board of Directors shall make any substitutions or adjustments as it deems appropriate and equitable to (1) the aggregate number and kind of shares or other securities reserved for issuance and delivery under the plan, (2) the various maximum limitations set forth in the plan, (3) the number and kind of shares or other securities subject to outstanding awards (4) the exercise price of outstanding options and stock appreciation rights and (5) the performance goals applicable to any outstanding awards.

## Types of Awards

Several types of equity awards can be made under the Stock Plan in addition to a cash award. A summary of these types of grants is set forth below. The Stock Plan also governs options and restricted stock units that converted from IAC/InterActiveCorp options and IAC/InterActiveCorp restricted stock units in connection with our spin-off in 2008 as well as other award grants made following the spin-off pursuant to the plan. Notwithstanding the foregoing, the terms that govern IAC/InterActiveCorp options and IAC/InterActiveCorp restricted stock units that converted into our options and restricted stock units in connection with the spin-off govern those options and restricted stock units to the extent inconsistent with the terms described below. Awards issued under the Stock Plan are evidenced by a written agreement which recites the specific terms and conditions of the award.

*Stock Options and Stock Appreciation Rights.* Stock options granted under the Stock Plan may be either ISOs or NSOs. Stock appreciation rights granted under the plan may either be granted alone or in tandem with a stock option. The maximum number of shares that may be issued pursuant to the exercise of ISOs granted under the Stock Plan is 2,833,333 shares. The exercise price of options and stock appreciation rights cannot be less than 100% of the fair market value of the stock underlying the options or stock appreciation rights on the date of grant. Optionees may pay the exercise price in cash or, if approved by the Compensation Committee, in common stock (valued at its fair market value on the date of exercise) or a combination thereof, or by “cashless exercise” through a broker or by withholding shares otherwise receivable on exercise. The term of options and stock appreciation rights is determined by the Compensation Committee, but an ISO may not have a term longer than ten years from the date of grant. The Compensation Committee determines the vesting and exercise schedule of options and stock appreciation rights, and the extent to which they will be exercisable after the award holder’s employment terminates. Generally, unvested options and stock appreciation rights terminate upon the termination of employment, and vested options and stock appreciation rights will remain exercisable for one year after the award holder’s death, disability or retirement, and three months after the award holder’s termination for any other reason other than cause. Vested options and stock appreciation rights terminate immediately upon the awardee’s termination for cause (as defined in the plan). Stock options and stock appreciation rights are transferable only by will or by the laws of descent and distribution or, in the case of nonqualified stock options or stock appreciation rights, pursuant to a qualified domestic relations order or as otherwise expressly permitted by the Compensation Committee including, if so permitted, pursuant to a transfer to the participant’s family members or to a charitable organization, whether directly or indirectly or by means of a trust or partnership or otherwise.

*Restricted Stock.* Restricted stock may be granted with restriction periods as the Compensation Committee may designate. The Compensation Committee may provide at the time of grant that the vesting of restricted stock is contingent upon the achievement of applicable performance goals and/or continued service. In the case of performance-based awards that are intended to qualify under Section 162(m) of the Internal Revenue Code of 1986 (the “Code”), the applicable performance goals will be based on the attainment of one or any combination of the following, with respect to the Company or any subsidiary, division or department of the Company:

- specified levels of earnings per share from continuing
- net profit after tax

operations

- EBITDA
- gross profit
- unit volume
- sales
- earnings per share
- revenues
- return on operating assets
- return on capital
- cost saving levels
- core non-interest income
- total stockholder return (measured in terms of stock price appreciation and/or dividend growth)

- EBITA
- cash generation
- market share
- asset quality
- operating income
- return on assets
- return on equity
- profits
- marketing-spending efficiency
- change in working capital
- stock price

These performance goals also may be based upon the attaining of specified levels of the Company, subsidiary, affiliate or divisional performance under one or more of the measures described above relative to the performance of other entities, divisions or subsidiaries. The Committee may, in its sole discretion, provide that one or more objectively determinable adjustments shall be made to one or more of the performance goals. Such adjustments may include one or more of the following: (i) items related to a change in or provisions under tax law, accounting principles or other such laws or provisions affecting reported results; (ii) items relating to financing activities; (iii) expenses for restructuring or productivity initiatives; (iv) other non-operating items; (v) items related to reorganizations or restructuring programs or divestitures or acquisitions; (vi) items attributable to the business operations of any entity acquired by the Company during a performance period; (vii) items related to asset write-downs or the disposal of a business or segment of a business; (viii) items related to discontinued operations that do not qualify as a segment of a business under generally accepted accounting principles; (ix) items attributable to any stock dividend, stock split, combination or exchange of shares occurring during a performance period; (x) any other items of significant income or expense which are determined to be appropriate

adjustments; (xi) items relating to unusual or extraordinary corporate transactions, events or developments, (xii) items related to amortization of acquired intangible assets; (xiii) items that are outside the scope of the Company's core, on-going business activities; (xiv) items relating to any other unusual or nonrecurring events or changes in applicable laws, accounting principles or business conditions and/or items of gain, loss or expense determined to be extraordinary or unusual in nature or infrequent in occurrence; or (xv) litigation or claim judgments or settlements. For all awards intended to qualify as Qualified Performance-Based Awards, such determinations shall be made within the time prescribed by, and otherwise in compliance with, Section 162(m) of the Code. Performance goals based on the foregoing factors, including discretionary adjustment by the Compensation Committee, are hereinafter referred to as "Performance Goals."

The terms and conditions of restricted stock awards (including any applicable Performance Goals) need not be the same with respect to each participant. During the restriction period, the Compensation Committee may require that the stock certificates evidencing restricted shares be held by us. Restricted stock may not be sold, assigned, transferred, pledged or otherwise encumbered, and is forfeited upon termination of employment, unless otherwise provided by the Compensation Committee. Other than restrictions on transfer and any other restrictions the Compensation Committee may impose, the participant has all the rights of a stockholder with respect to the restricted stock award, including the right to vote the shares and receive cash dividends unless otherwise provided in the participant's award agreement.

*Restricted Stock Units.* The Compensation Committee may grant restricted stock units payable in cash or shares of common stock, conditioned upon continued service and/or the attainment of Performance Goals determined by the Compensation Committee. The terms and conditions of restricted stock unit awards (including any Performance Goals) need not be the same with respect to each participant. The Compensation Committee will determine whether, to what extent and on what terms and conditions each participant receiving restricted stock units will be entitled to receive current or deferred payments of cash, common stock or other property corresponding to dividends payable on our common stock. Holders of restricted stock units are not entitled to any voting rights with respect to the restricted stock units themselves.

*Other Stock-Based Awards.* Other awards of common stock and other awards that are valued in whole or in part by reference to, or are otherwise based upon, common stock, including (without limitation), unrestricted stock, dividend equivalents and convertible debentures, may be granted under the Stock Plan.

*Bonus Awards.* Bonus awards granted to our eligible employees and the eligible employees of our subsidiaries and affiliates under the Stock Plan are based upon the attainment of the Performance Goals established by the Compensation Committee for the plan year or a shorter performance period as may be established by the Compensation Committee. Bonus amounts earned by any individual will be limited to \$10 million for any plan year, pro-rated (if so determined by the Compensation Committee) for any shorter performance period. Bonus amounts are paid in cash or, in our discretion, in common stock, as soon as practicable following the end of the plan year. The Compensation Committee may reduce or eliminate a participant's bonus award in any year notwithstanding the achievement of Performance Goals.

#### No Repricing

In no event may any option or stock appreciation right granted under the Stock Plan be amended, other than in event of certain extraordinary corporate transactions or other transactions affecting our capital structure, to decrease the exercise price thereof, be cancelled in conjunction with the grant of any new option or stock appreciation right with a lower exercise price or otherwise be subject to any action that would be treated, for accounting purposes, as a “repricing” of the option or stock appreciation right, unless the amendment, cancellation, or action is approved by our stockholders.

#### Change in Control

In the event that we are a party to a merger or other reorganization or similar transaction involving a change in control of Tree.com, the Compensation Committee has the discretion to determine the treatment of awards granted under the Stock Plan, including providing for the acceleration of the awards upon the occurrence of the Change in Control and/or upon a qualifying termination of employment (e.g., without cause or for good reason) following the Change in Control. However, outstanding Adjusted Awards, subject to the terms of the Stock Plan and unless otherwise provided in the applicable award agreement, will fully vest or all restrictions on these awards shall terminate upon the termination of employment of the holder of these Adjusted Awards for any reason other than for Cause or Disability or by the holder for good reason during the two-year period following a change in control.

#### Withholding for Payment of Taxes

The Stock Plan provides for the withholding and payment by a participant of any taxes required by applicable law. Subject to our approval and to the terms of the Stock Plan, a participant may settle a withholding obligation with our common stock, including

common stock that is a part of the award giving rise to the withholding obligation. We have the right to deduct any applicable taxes from any payment otherwise due to a participant.

#### Amendment and Discontinuance

The Stock Plan may be amended, altered or discontinued by our Board of Directors, but no amendment, alteration or discontinuance may impair the rights of an optionee under an option or a recipient of a stock appreciation right, restricted stock award, restricted stock unit award or bonus award previously granted without the optionee's or recipient's consent. Amendments to the Stock Plan require stockholder approval to the extent the approval is required by law or agreement.

#### Governing Law

The Stock Plan is governed by the laws of the State of Delaware (which is the state of our incorporation), without reference to principles of conflict of laws.

#### Recoupment of Compensation

Under the Stock Plan, we may cause the cancellation of any award, request reimbursement of any award by a participant and effect any other right of recoupment of equity or other compensation provided under the Stock Plan in accordance with our policies and/or applicable law. In addition, a participant in the Stock Plan may be required to repay us certain previously paid compensation, whether provided under the Stock Plan or an award agreement under the Stock Plan, in accordance with any recoupment policy of the Company.

#### Existing Plan Benefits

The following table sets forth the number of shares subject to stock options granted under the Stock Plan as of April 22, 2014. These share numbers do not take into account the effect of options that have been cancelled or that expired unexercised and do not reflect shares subject to other types of awards that have been granted to participants under the Stock Plan, as discussed above under "Types of Awards."

Name and Position	Number of Shares (1)
Douglas Lebda, Chairman and CEO	1,494,359
Alex Mandel, Chief Financial Officer	4,989
Gabriel Dalporto, Chief Marketing Officer	4,989
All current executive officers as a group (4 persons)	1,506,751
All current non-employee directors as a group (5 persons)	—
Non-executive officer employee group	30,365

(1) Does not include Adjusted Awards.

#### New Plan Benefits

All awards to directors, executive officers, employees and consultants are made at the discretion of our Compensation Committee. No awards will be granted under the Stock Plan with respect to our requested share reserve increase prior to approval of this amendment and restatement by the stockholders of the Company. Awards under the Stock Plan will be granted at the discretion of the Committee. In addition, benefits under the Stock Plan will depend on a number of factors, including the fair market value of the Company's common stock on future dates and actual Company performance against performance goals established with respect to performance awards. As a result, the benefits and amounts that will be received or allocated under the Stock Plan as amended and restated are not determinable at this time.

The Compensation Committee is contemplating using a portion of the newly authorized shares under the Stock Plan to grant long-term incentive awards to our senior management in the form of stock options. However, the recipients, specific share amounts and terms of such long-term incentive awards are not determinable at this time.

## Certain Federal Income Tax Information

The following discussion is intended only as a brief summary, as of March 31, 2014, of the federal income tax consequences to us and to U.S. participants for awards granted under the Stock Plan. The federal tax laws may change and the federal, state and local tax consequences for any participant will depend upon his or her individual circumstances. This summary is not intended to be exhaustive and does not discuss the tax consequences of a participant's death or provisions of income tax laws of any municipality, state or other country. We advise participants to consult with a tax advisor regarding the tax implications of their awards under the Stock Plan.

*Nonqualified Stock Options.* Upon the grant of an NSO, the optionee will not recognize any taxable income and the Company will not be entitled to a deduction. Upon the exercise of an option or related stock appreciation right, the excess of the fair market value of the shares acquired on the exercise of the option or stock appreciation right over the exercise price or the cash paid under a stock appreciation right (the "spread") will constitute compensation taxable to the optionee as ordinary income. We, in computing our U.S. federal income tax, will generally be entitled to a deduction in an amount equal to the compensation taxable to the optionee.

*ISOs.* An optionee will not recognize taxable income on the grant or exercise of an ISO. However, the spread at exercise will constitute an item includible in alternative minimum taxable income, and, thereby, may subject the optionee to the alternative minimum tax (or a greater amount of alternative minimum tax). The alternative minimum tax may be payable even though the optionee receives no cash upon the exercise of the ISO with which to pay the tax.

Upon the disposition of shares of stock acquired pursuant to the exercise of an ISO after satisfaction of a holding period which ends on the later of (i) two years from the date of grant of the ISO or (ii) one year after the transfer of the shares to the optionee, generally the optionee will recognize long-term capital gain or loss, as the case may be, measured by the difference between the stock's selling price and the exercise price. We are not entitled to any tax deduction by reason of the grant or exercise of an ISO, or by reason of a disposition of stock received upon exercise of an ISO if the ISO holding period is satisfied. If the optionee disposes of the shares of stock acquired pursuant to the exercise of an ISO before the expiration of the ISO holding period, then the optionee will generally recognize ordinary income (and we may be entitled to a tax deduction) equal to the lesser of (i) the excess of the fair market value over the exercise price of the shares on the date of exercise, or (ii) the excess of the amount realized on the disposition over the exercise price for the shares. Any remaining gain or loss will be long-term or short-term capital gain or loss depending on whether the optionee has held the shares for more than one year.

*Stock Appreciation Rights.* No taxable income is generally reportable when a stock appreciation right is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the amount of cash received plus the fair market value of any shares received. Any additional gain or loss recognized upon any later disposition of any shares received would be a short- or long-term capital gain or loss, depending on whether the shares had been held by the participant for more than one year.

*Restricted Stock.* A participant who receives an award of restricted stock does not generally recognize taxable income at the time of the award. Instead, the participant recognizes ordinary income in the first taxable year in which his or her interest in the shares becomes either: (A) freely transferable or (B) no longer subject to substantial risk of forfeiture. The amount of taxable income is equal to the fair market value of the shares less the cash, if any, paid for the shares.

A participant may elect to recognize income at the time of grant of restricted stock in an amount equal to the fair market value of the restricted stock (less any cash paid for the shares) on the date of the award. We receive a compensation expense deduction in an amount equal to the ordinary income recognized by the participant in the taxable year in which restrictions lapse (or in the taxable year of the award if, at that time, the participant had filed a timely election to accelerate recognition of income).

*Restricted Stock Units.* No taxable income is generally reportable when unvested restricted stock units are granted to a participant. Upon settlement of restricted stock units which have vested, the participant will recognize ordinary income at the time(s) of settlement equal to the sum of the fair market value (on each settlement date) of any shares issued to the participant plus any cash received by the participant.

*Other Awards.* In the case of a performance share bonus or other stock awards, the participant would generally recognize ordinary income in an amount equal to any cash received and the fair market value of any shares received on the date of payment or delivery. In that taxable year, we would receive a federal income tax deduction in an amount equal to the ordinary income that the participant has recognized.

*Internal Revenue Code Section 409A.* Section 409A of the Code governs the federal income taxation of certain types of nonqualified deferred compensation arrangements. A violation of Section 409A of the Code generally results in an acceleration of the recognition of income of amounts intended to be deferred and the imposition of an additional federal tax of 20% on the employee over and above the income tax owed, plus possible penalties and interest. The types of arrangements covered by Section 409A of the Code are broad and may apply to certain awards available under the Stock Plan (such as restricted stock units). The intent is for the Stock

Plan, including any awards available thereunder, to comply with the requirements of Section 409A of the Code to the extent applicable. As required by Code Section 409A, certain nonqualified deferred compensation payments to specified employees may be delayed to the seventh month after the employee's separation from service.

*Internal Revenue Code Section 162(m).* Section 162(m) of the Code places a limit of \$1 million on the amount of compensation that we may deduct in any one fiscal year with respect to certain of our executive officers who are covered by Section 162(m) ("Covered Employees"). The Stock Plan is intended to enable certain awards to be awarded to Covered Employees to constitute performance-based compensation which is not subject to the annual deduction limitations of Section 162(m) of the Code.

*Internal Revenue Code Section 280G.* For certain employees, if a change in control of the Company causes an award to vest or become newly payable or if the award was granted within one year of a change in control of the Company and the value of such award or vesting or payment, when combined with all other payments in the nature of compensation contingent on such change in control, equals or exceeds the dollar limit provided in Code Section 280G (generally, this dollar limit is equal to three times the five year historical average of the employee's annual compensation as reported on Form W-2), then the entire amount exceeding the employee's average annual compensation will be considered to be an excess parachute payment. The recipient of an excess parachute payment must pay a 20% excise tax on this excess amount, for which the Company must withhold, and the Company cannot deduct the excess amount from its taxable income.

#### Termination of the Stock Plan

The Stock Plan will terminate on August 20, 2018 unless earlier terminated by our Board of Directors. Termination cannot, however, materially impair the rights of the holder of an award outstanding at the time of the termination in the absence of the holder's consent.

#### Board of Directors Recommendation

The Board recommends that the stockholders vote **FOR** approval of the amendment and restatement of the Third Amended and Restated Tree.com 2008 Stock and Annual Incentive Plan.

PROPOSAL 4—ADVISORY VOTE ON  
COMPENSATION OF NAMED EXECUTIVE OFFICERS

Background

Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) requires that the Company seek an advisory (non-binding) “Say on Pay” vote from its stockholders to approve the compensation of its executive officers, as disclosed in the tabular disclosures contained later in this Proxy Statement. In accordance with these requirements, at our 2011 annual meeting of the stockholders, we submitted non-binding advisory votes to our stockholders to (1) approve the compensation of the Company’s named executive officers and (2) determine the frequency of the advisory stockholder vote to approve the compensation of the Company’s named executive officers. The Board’s proposal for stockholders to approve, on an advisory basis (non-binding), the compensation of the Company’s named executive officers was approved by a majority of the votes cast. In addition, a majority of the votes cast at the 2011 annual meeting of stockholders were voted in favor of holding the advisory vote on executive compensation on a triennial basis and, in accordance with this stockholder preference, our Board determined that advisory votes on executive compensation will be held on a triennial basis.

Although this vote on executive compensation is non-binding, our Compensation Committee and Board value the opinions of the stockholders and will consider the outcome of the vote when making future compensation decisions, as was the case in considering the 2011 voting results.

As discussed under the heading “Executive Compensation” below, the Company has designed its executive compensation program to attract, motivate, reward and retain the senior management talent required to achieve our corporate objectives and to increase long-term stockholder value. We believe that our compensation policies and practices are centered on a pay-for-performance philosophy and are strongly aligned with the long-term interests of our stockholders. See our discussion beginning on page 27 for additional information on our executive compensation programs.

Proposal

The Company is presenting this proposal, which gives you as a stockholder the opportunity to express your view on our executive compensation by voting for or against the following resolution:

**“RESOLVED**, that the stockholders approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Executive Compensation section, the compensation tables and the related disclosures contained in the Company’s 2014 Proxy Statement.”

The Compensation Committee believes that the executive compensation for the 2011, 2012 and 2013 fiscal years is reasonable and appropriate, is justified by the performance of the Company and is the result of a carefully considered approach.

#### Effect of Vote

Because your vote is advisory, it will not be binding upon the Company, the Compensation Committee or the Board. However, we value stockholders’ opinions, and we will consider the outcome of the “Say on Pay” vote when determining future executive compensation arrangements.

The Board recommends that stockholders approve the compensation of our named executive officers by voting **FOR** the above proposal.

## EXECUTIVE COMPENSATION

### Named Executive Officers

This proxy statement contains information about the compensation paid to our Named Executive Officers (NEOs) during fiscal year 2013. For fiscal year 2013, in accordance with the rules and regulations of the Securities and Exchange Commission (SEC) for smaller reporting companies, we determined that the following officers were our NEOs:

- **Douglas Lebda**, our Chairman and Chief Executive Officer;
- **Alex Mandel**, our Chief Financial Officer; and
- **Gabe Dalporto**, our Chief Marketing Officer and President, Mortgage.

### Compensation Overview

We qualify as a “smaller reporting company” under the rules promulgated by the Securities and Exchange Commission with respect to our disclosure regarding our executive compensation in this Proxy Statement. We have elected to comply with the disclosure requirements applicable to smaller reporting companies. Accordingly, this executive compensation summary is not intended to meet the “Compensation Discussion and Analysis” disclosure required of larger reporting companies.

***Role of the Compensation Committee.*** The Compensation Committee of the Board of Directors has primary responsibility for establishing the compensation of our executive officers. The Compensation Committee frequently requests the Chief Executive Officer to be present at Compensation Committee meetings where executive compensation and Company performance are discussed and evaluated. Our Chief Executive Officer discusses with the Compensation Committee and makes recommendations regarding the performance levels to fund the annual bonus pool, specific recommendations regarding named executive officer salary adjustments, bonus payouts and equity awards. While the Chief Executive Officer provides insight, suggestions and recommendations regarding executive compensation, only independent Compensation Committee members are allowed to vote on decisions made regarding executive compensation.

The Compensation Committee meets with the Chief Executive Officer to discuss his own compensation, but ultimately, decisions regarding his compensation are made by the Compensation Committee, meeting in executive session, solely based upon the Compensation Committee's deliberations. Decisions regarding other executive officers are made by the Compensation Committee after considering recommendations from the Chief Executive Officer. In making its determinations with respect to executive compensation, the Compensation Committee is supported by our Senior Vice President of Human Resources. In addition, the Compensation Committee engages the services of an independent compensation consultant as discussed above.

***Compensation Philosophy and Objectives.*** The Compensation Committee's compensation objectives are to: attract and retain highly qualified individuals with a demonstrated record of achievement; reward past performance; provide incentives for future performance; and align the interests of the NEOs with the interests of the stockholders. To do this, we must offer a competitive total compensation package consisting of: base salary; annual non-equity incentive compensation opportunities; long-term incentives in the form of equity awards; and employee benefits.

The Compensation Committee believes that compensation for the NEOs should be primarily based on our performance. Because we are not a very large company, the performance of the NEOs directly affects all aspects of our results. Therefore, the Compensation Committee typically has developed variable incentive compensation arrangements for the NEOs that are entirely or largely based on our performance rather than upon individual performance measures. The Compensation Committee also considers our industry and geographic location norms in determining the various elements and amounts of compensation for our NEOs.

The Compensation Committee believes that several factors are critical to our future success. These factors include the quality, appropriate skills and dedication of the NEOs.

***Compensation Structure.*** The Compensation Committee establishes a total targeted cash compensation amount for each NEO, which includes base salary and non-equity incentive compensation (sometimes generically referred to herein as bonuses), intended to be an incentive for the NEOs to achieve above normal financial results for our business and to appropriately compensate the NEOs for successfully achieving such performance. Additionally, a significant portion of the executives' compensation is at-risk, vests over time if equity based, and is tied directly to our short-term and long-term success. All of the elements of our executive compensation program are designed to deliver both year-to-year and long-term stockholder value increases.

The NEOs' non-equity incentive compensation is based on our operational performance which the Compensation Committee believes reflects the ability of the NEO to increase stockholder value in both the short-term and long-term. The individual amounts

and mix of compensation elements are established based on the determination of the Compensation Committee as to whether each particular element provides an appropriate incentive for expected performance that would enhance stockholder value. These elements include performance factors related to financial and operational goals established for the NEOs each year.

The Compensation Committee also considers each NEO's current salary and prior-year incentive compensation along with the appropriate balance between long-term and short-term incentives.

#### Key Elements of Executive Compensation for the 2013 Named Executive Officers

**Base Salaries.** Salaries are established based on the individual responsibilities of the NEOs in the competitive marketplace in which we operate at levels necessary to attract and retain the executive. Base salaries are reviewed annually and adjusted periodically to take into account promotions, increases in responsibility, inflation and increased experience and competitive compensation levels as recommended by the Chief Executive Officer with respect to the other NEOs.

Mr. Lebda's salary during 2012 was \$550,000. In February 2013, Mr. Lebda's salary was increased from \$550,000 to \$600,000.

Mr. Mandel's 2013 salary of \$250,000 remains unchanged from when he was hired on July 30, 2012.

Mr. Dalporto's salary during 2012 was \$300,000. In February 2013, Mr. Dalporto's salary was increased from \$300,000 to \$350,000.

**Long-term Equity Awards.** The Compensation Committee has the authority to grant equity awards under our Tree.com Amended and Restated 2008 Equity Incentive Plan (the "Stock Plan"). The Compensation Committee has the ability and flexibility under the Stock Plan to determine from time to time the specific type of award and the terms and conditions related thereto that the Compensation Committee believes are best designed at that time to provide a strong incentive for senior management's superior performance and continued service to us. The Stock Plan provides for grants of stock options, stock appreciation rights and shares of restricted stock. The Compensation Committee believes that properly structured and timed long-term equity awards can encourage executive retention as such awards can be made subject to vesting, performance achievement over time, or other achievement or termination provisions. Long-term equity awards are granted to executive officers and other employees who successfully demonstrate a capacity for contributing directly to our success.

The Compensation Committee does not currently have a policy for the automatic awarding of equity awards to the NEOs or our other employees. Grants are made periodically, based on individual past performance, and other criteria deemed relevant by the Compensation Committee at the time awards are made. The Compensation Committee granted equity awards to the NEOs in 2013 as noted below.

In fiscal 2013, the Compensation Committee granted to Mr. Lebda (i) 57,000 shares of restricted stock which will vest annually in three equal installments, with the first third to vest on November 6, 2014; (ii) 62,500 shares of restricted stock which will vest annually in three equal installments, with the first third vested on February 12, 2014; and (iii) 62,500 shares of restricted stock which vested in a single installment on February 12, 2014 upon the achievement of certain Company financial performance targets. Mr. Dalporto was granted 20,000 restricted stock units which will vest annually in three equal installments, with the first third vested on February 12, 2014.

On February 12, 2013, the Compensation Committee approved a special payment to all of our employees holding vested and unexercised option awards pursuant to the Stock Plan. The payment was to recognize the special dividend paid by us on December 26, 2012 to stockholders. No adjustment was made to outstanding stock options as a result of the special dividend. The special payment was equal to one dollar per share of common stock underlying each such option award and was payable on March 15, 2013, provided that the option holder was employed by us on the payment date. On March 15, 2013, Mr. Lebda held vested and unexercised options for 893,718 shares and received a payment of \$893,718 as a result of such special payment. Additionally, in connection with the special dividend, Messrs. Dalporto and Mandel received dividend equivalent payments on their restricted stock units in accordance with their restricted stock unit agreements.

**2013 Bonus Program.** The Compensation Committee established 2013 target bonus levels expressed as a percentage of the named executive officer's base salary and established specified performance criteria to be used to assess the actual amount of the bonus, if any, to be awarded to the named executive officers. The actual annual bonus payment, if any, could have been less than or greater than the target depending upon the degree of attainment of the Company performance measure and, if applicable, the unit performance measures. Each of Mr. Lebda's, Mr. Mandel's, Mr. Dalporto's bonus opportunity was based 100% on overall Company performance, consistent with his responsibility for the entire organization. The Compensation Committee used adjusted earnings before interest, taxes, depreciation and amortization (Adjusted EBITDA), less bonus expense amounts, as the overall Company

performance measure. Adjusted EBITDA is defined as EBITDA excluding (1) non-cash compensation expense, (2) non-cash intangible asset impairment charges, (3) gain/loss on disposal of assets, (4) restructuring expenses, (5) litigation settlements and contingencies, (6) pro forma adjustments for significant acquisitions, and (7) one-time items. The Adjusted EBITDA goals were based on the 2013 budget approved by our Board of Directors.

Target Adjusted EBITDA for 2013 was \$17.0 million. Actual performance was \$18.7 million resulting in quarterly and annual payouts equal to approximately 110% of target. Approximately half of the incentive payout was paid quarterly over the first three quarters of 2013. The remaining amount was paid after actual annual results were determined and was paid to the NEOs in February 2014.

The Compensation Committee designed the bonus program to enable bonuses that are earned and paid to be deductible by Tree.com for income tax purposes under Code Section 162(m). The Compensation Committee therefore established a maximum annual bonus opportunity of \$1,500,000 for Mr. Lebda if Tree.com's Adjusted EBITDA met or exceeded specified threshold performance goals. Mr. Lebda was eligible to receive up to 125% of his quarterly base salary of \$150,000 with respect to each of the second, third, and fourth quarter of 2013 if the Company's EBITDA was at least \$1.0 million with respect to each quarter.

The annual performance goal for 2013 had threshold, target and maximum levels of \$1.0 million, \$17.0 million and \$34.0 million Adjusted EBITDA respectively. Each named executive officer's bonus was prorated based on performance between threshold and maximum levels, subject to the Compensation Committee's discretionary adjustment. If the target performance level was achieved, the named executive officer would be eligible to receive the target bonus (specified below), subject to discretionary adjustment to the total bonus amount by the Compensation Committee based on his individual performance. Achievement of the maximum performance levels would have resulted in the maximum bonus opportunity, as described above, subject to downward discretion of the Compensation Committee for individual performance.

For 2013, the following target bonus opportunities and payouts were approved by the Compensation Committee with the below payments approximately equal to 107% of the respective target bonus amounts:

	Target Bonus Opportunity	Actual Payout*
Douglas Lebda	\$ 750,000	\$812,337
Alex Mandel	\$ 125,000	\$135,390
Gabe Dalporto	\$ 210,000	\$227,454

\*Payment of the portions of the actual payout relating to Q4 2013 and year-end 2013 were paid in February 2014.

**Benefits.** We provide group life insurance, health and dental care insurance, long-term disability insurance, 401(k) plan matching contributions and similar benefits to all employees, including the NEOs. These benefits do not discriminate in scope, terms or operation in favor of the NEOs.

**Perquisites.** Any benefits that could be considered perquisites amount to less than \$10,000 per year for each NEO individually, except for Mr. Lebda, whose perquisites amounted to \$42,121 for 2013, which represents \$33,506 for tuition for the executive Masters of Business Administration program at the Darden School of Business and \$8,675 for a portion of monthly country club dues in connection with the company's use of the country club.

#### Employment and Severance Agreements

We entered into employment agreements with Messrs. Lebda and Dalporto and we entered into an offer letter and change in control letter with Mr. Mandel. General provisions of these agreements are discussed below. Each of these named executive officers has severance and change in control protection. We believe that providing our named executive officers with severance and change in control protection is important to allow the named executive officers to fully value the forward-looking elements of their compensation packages, and therefore limit retention risk during uncertain times. Accordingly, our named executive officers' employment agreements and equity awards generally provide for salary continuation in the event of certain employment terminations beyond the control of the executive, as well as varying degrees of accelerated vesting of equity awards in the event of a change in control of Tree.com. Our named executive officers receive the same employee benefits other employees receive. We do not provide our executives with tax gross ups, special perquisites or supplemental retirement plans.

**Douglas R. Lebda.** Mr. Lebda's employment agreement expired pursuant to its terms on January 7, 2013. In January 2014, we entered into a new employment agreement with Mr. Lebda, effective as of January 9, 2014, that provided that he will continue to serve as our Chairman and Chief Executive Officer. However during most of fiscal 2013, Mr. Lebda was an at-will employee without an employment agreement.

The new employment agreement has a term of three years unless terminated sooner in accordance with the provisions of the agreement. Under the agreement, Mr. Lebda's annual base salary was originally set at \$600,000, which amount could be increased but not decreased without his consent. Additionally, pursuant to the agreement, Mr. Lebda is eligible to receive discretionary annual bonuses in an amount up to 125% of his base salary based on performance criteria established by our Compensation Committee. Mr. Lebda is, pursuant to the agreement, also eligible to participate in any employee benefit plans and vacation programs and to be reimbursed for all reasonable and necessary business expenses. The agreement further provides that all of Mr. Lebda's outstanding equity awards would be subject to the terms of the change in control letter we issue to certain Tree.com executives and would accelerate and vest upon the occurrence of a change in control and, in the case of restricted stock awards, the underlying shares would become immediately non-forfeitable and transferable.

As part of his employment agreement, if we terminated Mr. Lebda's employment without "cause" or Mr. Lebda resigned for "good reason," as defined in the employment agreement, (each of which is referred to as a "qualifying termination") during the term of his agreement, then Mr. Lebda would receive the following benefits: (a) payment in equal installments over a two year period of the greater of two years of his then current base salary or one year of his then current base salary plus his target annual bonus then in effect, and (b) acceleration of the vesting of all of his outstanding equity awards, and an extension of the exercisability of his stock options to two years following the termination date, subject to certain limitations. The cash payments to be paid to Mr. Lebda over the two year period will be reduced by any compensation paid to Mr. Lebda by another employer during such period. The payment of these severance payments and benefits is conditioned upon Mr. Lebda providing, and not revoking, a release of claims against us and our affiliates within forty-five days of termination. Mr. Lebda has also agreed that during the term of his employment and for two years following the termination of his employment for any reason that he will not compete with Tree.com's business and that he will not solicit employees and business partners of Tree.com, other than instances of a qualifying termination within one year following a change in control, in which case, such period would be reduced to 12 months for activities unrelated to the online lending business. The agreement also imposed various restrictions on Mr. Lebda, for the benefit of Tree.com, including maintaining confidentiality of Tree.com information.

In the event of Mr. Lebda's death during the term of the employment agreement, we would pay his designated beneficiary within 30 days of his death a lump sum payment in the amount of Mr. Lebda's annual base salary from the date of his death through the end of the month in which his death occurs. In the event Mr. Lebda's employment is terminated due to disability during the term of the employment agreement, we would pay him within 30 days of his termination a lump sum payment in the amount of Mr. Lebda's annual base salary from the date of his termination through the end of the month in which his termination occurs, offset by any amounts payable to Mr. Lebda under any disability insurance plan or policy we cover.

The change in control letter issued by us to certain executives of the Company, as the same may be amended from time to time, shall control and supersede the terms of Mr. Lebda's employment agreement with respect to any benefits or payments which would otherwise be due thereunder, in the event of a qualifying termination within the twelve-month period following a "change in control," as such term is defined in the change in control letter. Based on the terms currently approved by the Compensation Committee, in the event that Mr. Lebda resigns for good reason or his employment is terminated without cause during the twelvemonth period following a change in control, Mr. Lebda will receive a severance payment of two years base salary, receipt of which would be contingent upon Mr. Lebda

signing a general release of claims in favor of the Company. In addition, should a change in control occur, all of the Tree.com equity issued to Mr. Lebda would immediately vest in full.

Mr. Lebda's employment agreement defines "cause" as (1) the plea of guilty or nolo contendere to, or conviction for, a felony offense; (2) a material breach by Mr. Lebda of a fiduciary duty owed to Tree.com; (3) a material breach by Mr. Lebda of certain covenants in his agreement; or (4) the willful or gross neglect by Mr. Lebda of the material duties required by his agreement.

Mr. Lebda's employment agreement defines "good reason" to mean the occurrence of any of the following without Mr. Lebda's written consent, (1) a material adverse change in his title, duties, operational authorities or reporting responsibilities as they relate to his position as Chairman and Chief Executive Officer of Tree.com from those in effect immediately following the effective date of his employment agreement, excluding for this purpose any such change that is an isolated and inadvertent action not taken in bad faith and that is remedied by Tree.com promptly after receipt of notice thereof given by Mr. Lebda, (2) a material reduction in Mr. Lebda's annual base salary, (3) a relocation of Mr. Lebda's principal place of business more than 25 miles from the Charlotte, North Carolina metropolitan area, or (4) a material breach by Tree.com of the agreement, excluding for this purpose any such action that is an isolated and inadvertent action not taken in bad faith and that is remedied by Tree.com promptly after receipt of notice thereof given by Mr. Lebda.

**Alex Mandel.** Mr. Mandel was a consultant to the Company prior to becoming an employee. On July 30, 2012, Mr. Mandel became an employee of Tree.com as its Chief Financial Officer. Mr. Mandel and Tree.com entered into an employment offer letter and a change in control letter, each dated July 27, 2012. If Mr. Mandel's employment is terminated by Tree.com without cause or by Mr. Mandel for good reason, then Mr. Mandel will be eligible to receive up to 12 months of severance pay at his annual base salary rate and accelerated vesting of any unvested equity awards that are scheduled to vest within one year of his termination date, so long

as Mr. Mandel signs a general release of claims in favor of the Company. Our obligation to make such payments will be offset by any compensation Mr. Mandel earns as a result of his employment with or services provided to a third party during the term of his employment offer letter with Tree.com.

Should a change in control of the Company occur, Mr. Mandel will immediately become fully vested in all his outstanding equity awards. In addition, if there is a change in control and during the 12-month period following such change in control, Mr. Mandel's employment is terminated by Tree.com without cause or by Mr. Mandel for good reason, Mr. Mandel will receive a severance payment equal to two years of base salary. This severance is paid in a lump sum in lieu of the severance benefits described in the prior paragraph and will not be reduced by any compensation Mr. Mandel earns from a third party. The payment of these change in control payments and benefits will be made so long as Mr. Mandel signs a general release of claims in favor of the Company.

**Gabe Dalporto.** Mr. Dalporto joined our Company in April 2011 and is currently the Chief Marketing Officer and President, Mortgage. We entered into an employment agreement with Mr. Dalporto on January 9, 2014.

The new employment agreement has a term of one year and is subject to renewal for successive one-year periods thereafter. The employment agreement provides that Mr. Dalporto will receive a base salary of \$350,000 and is eligible to receive an annual bonus of up to 60% of his base salary as well as equity incentives, subject to the discretion of the Compensation Committee.

As part of his employment agreement, if we terminate Mr. Dalporto's employment without "cause" or Mr. Dalporto resigns for "good reason," (as defined in the employment agreement, and each of which is referred to as a "qualifying termination") during the term of his agreement, then Mr. Dalporto would receive (i) any accrued obligations, including earned but unpaid salary, any earned but unpaid bonuses, and any other deferred compensation, (ii) one year of base salary, payable in installments on our regularly scheduled payroll dates, (iii) health care coverage under COBRA for a period of one year, and (iv) all of Mr. Dalporto's restricted stock units that have vesting dates between the date of qualifying termination and February 28 of the following calendar year shall remain in effect until February 28 of the following year, based on the performance of transition services in accordance with the employment agreement, and will vest on the stated vesting dates. Receipt of such benefits is conditioned upon Mr. Dalporto providing, and not revoking, a release of claims against us and our affiliates within sixty days of the qualifying termination. Our obligation to make such payments will be offset by any compensation Mr. Dalporto earns as a result of his employment with or services provided to a third party during the period in which the base salary payments referenced in subsection (ii) above are being paid.

Mr. Dalporto has also agreed that during the term of his employment and for one year following the termination of his employment for any reason he will not compete with Tree.com's business and that he will not solicit employees of Tree.com, except for a qualifying termination within one year following a change in control. The agreement also imposed various restrictions on Mr. Dalporto, for the benefit of Tree.com, including maintaining confidentiality of

Tree.com information.

In the event of Mr. Dalporto's death during the term of the employment agreement, we would pay his estate, within 30 days of his death, a lump sum payment in the amount of the accrued obligations, as such term is defined in the employment agreement. In the event Mr. Dalporto's employment is terminated due to disability during the term of the employment agreement, we would pay him, within 30 days of his termination, a lump sum payment in the amount of the accrued obligations, as such term is defined in the employment agreement.

The change in control letter issued by us to certain executives of the Company, as the same may be amended from time to time, shall control and supersede the terms of Mr. Dalporto's employment agreement with respect to any benefits or payments which would otherwise be due thereunder, in the event of a qualifying termination within the one-year period following a "change in control," as such term is defined in the change in control letter. Based on the terms currently approved by the Compensation Committee, in the event that Mr. Dalporto resigns for good reason or his employment is terminated without cause during the twelve-month period following a change in control, Mr. Dalporto will receive a severance payment of two years base salary, receipt of which would be contingent upon Mr. Dalporto signing, and not revoking, a general release of claims in favor of the Company. In addition, should a change in control occur, all of the Tree.com equity issued to Mr. Dalporto would immediately vest in full.

Mr. Dalporto's employment agreement defined "cause" as fraud, dishonesty, theft, embezzlement, misconduct by Mr. Dalporto injurious to us or any of our affiliates, conviction of, or entry of a plea of guilty or *nolo contendere* to, a crime that constitutes a felony or other crime involving moral turpitude, competition with us or any of our affiliates, unauthorized use of any trade secrets of us or any of our affiliates or confidential information as such term is defined in the agreement, a material violation of any policy, code or standard of ethics generally applicable to employees of us, material breach of fiduciary duties owed to us, excessive and unexcused absenteeism unrelated to a disability, or, following written notice and a reasonable opportunity to cure, gross neglect by Mr. Dalporto of the duties assigned to him.

Mr. Dalporto's employment agreement defined "good reason" to mean the occurrence of any of the following without Mr. Dalporto's written consent, (1) material adverse change in Mr. Dalporto's title or the office to which Mr. Dalporto reports from those in effect immediately following January 9, 2014, subject to specified conditions, (2) material reduction in Mr. Dalporto's annual base

salary, or (3) relocation of Mr. Dalporto's principal place of business more than fifty miles from the San Francisco, California metropolitan area.

**Deductibility of Compensation.** Internal Revenue Code Section 162(m) limits the amount of compensation paid to certain of our NEOs that may be deducted by us for federal income tax purposes in any fiscal year to \$1 million. Compensation that is earned based on achievement of performance-based criteria which have been approved by our stockholders is not subject to the \$1 million deduction limit. All of our equity-based incentive plans have been approved by our stockholders, and awards issued under those plans, other than certain time-based vesting shares and unvested stock, may constitute "performance-based" compensation that is not subject to the Code Section 162(m) deduction limit. While the Committee intends that all compensation be deductible, there may be instances where potentially non-deductible compensation is provided to reward our executive officers consistent with our compensation philosophy for each compensation element.

Reflects the dollar amounts of the aggregate grant date fair value, computed in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 718, Stock Compensation, of the stock awards granted to the named executive officer for the years shown. Generally, the grant date fair value is the amount that we would expense in our financial statements over the award's vesting schedule. For additional information regarding the assumptions made in calculating these amounts, see Note 3 "Stock-Based Compensation" to our audited, consolidated financial statements included in our Annual Report on Form 10-K which was filed with the SEC on March 17, 2014. The vesting terms of these stock awards are described in the "2013 Outstanding Equity Awards at Fiscal Year-End" table and footnotes to such table.

- (2) Reflects the amounts paid under the 2012 and 2013 annual bonus program, respectively. Information regarding our 2013 annual bonus program is described in the section above entitled “2013 Bonus Program.”

- (3) Mr. Lebda received reimbursement of \$33,506 for tuition expenses for the executive Masters of Business Administration program at the Darden School of Business and \$8,675 for a portion of monthly country club dues in connection with the Company’s usage of the country club. Mr. Lebda and Mr. Mandel received matching contributions to their 401(k) savings accounts of \$7,650 and \$1,154, respectively.

- (4) On February 12, 2013, the Compensation Committee approved a one-time payment to all of our employees holding vested and unexercised stock option awards. The one-time payment was to recognize the special dividend paid by us on December 26, 2012 to stockholders. The payment was equal to one dollar per share of common stock underlying each such option award and was payable on March 15, 2013, provided that the option holder was employed by us on the payment date. In connection with the foregoing, the column includes a one-time payment of \$893,718 to Mr. Lebda for his vested and unexercised options that were then outstanding.

- (5) The amounts in this column include \$12,723 for Mr. Dalporto and \$16,666 for Mr. Mandel. These amounts are dividend equivalent payments provided to such officers’ then outstanding restricted stock units in connection with the Company’s special dividend that was paid to Company stockholders in December 2012. The officers’ restricted stock unit agreements provide for payment of dividend equivalent amounts if the Company declares and pays a dividend on common stock. The dividend equivalent payments were equal to the dividend that would have been paid with respect to each restricted stock unit as if the restricted stock unit had been an actual share of common stock.

Generally, the grant date fair value is the amount that we would expense in our financial statements over the award's vesting schedule. For additional information regarding the assumptions made in calculating these amounts, see Note 4 "Stock-Based Compensation" to our audited, consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013.

(2) The table below provides the number of restricted stock units awarded during the year ended December 31, 2013 and the number of restricted stock units held by each director as of December 31, 2013. No director held any outstanding stock options as of December 31, 2013.

Our Nominating Committee recommends non-employee director compensation arrangements, which are designed to provide competitive compensation necessary to attract and retain high quality non-employee directors and to encourage ownership of our stock to further align directors' interests with those of our stockholders. When considering non-employee director compensation arrangements, management provides the Nominating Committee with information regarding various types of non-employee director

compensation arrangements and practices of select peer companies. The following table presents our non-employee director compensation arrangements for fiscal 2013:

Elements:	Cash Retainer/Fees (\$)	Annual Restricted Stock Units Award (\$)
Annual retainer	\$ 40,000	\$ 50,000
Audit Committee Chair	\$ 15,000	—

Each non-employee member of our Board of Directors receives an annual cash retainer in the amount of \$40,000. Each member of the Audit, Compensation and Executive Committees receives an additional annual retainer in the amount reflected above.

Upon his or her initial election to our Board of Directors, each non-employee director receives a grant of restricted stock units with a dollar value of up to \$50,000, with the actual amount of the grant being pro-rated based upon the amount of time from such appointment to the date of our next annual meeting of stockholders. Upon his or her re-election to our Board of Directors, each nonemployee director receives a grant of restricted stock units with a dollar value of up to \$50,000. The terms of these restricted stock units provide for (1) vesting in two equal annual installments commencing on the first anniversary of the grant date, (2) cancellation and forfeiture of unvested units in their entirety upon termination of service on our Board of Directors and (3) full acceleration of vesting upon a change in control of Tree.com. Non-employee directors are also reimbursed for all reasonable expenses incurred in connection with attendance at meetings of our Board of Directors and its committees.

*Deferred Compensation Plan for Non-Employee Directors.* Under our Deferred Compensation Plan for Non-Employee Directors, non-employee directors may defer all or a portion of their cash fees earned for service on our Board of Directors and its committees. Eligible directors who defer all or any portion of these fees can elect to have such deferred fees applied to the purchase of share units, representing the number of shares of common stock that could have been purchased on the relevant date. The election to have deferred fees applied to the purchase of share units must be made in writing on or before the end of the calendar year and applies to the cash fees that become payable in the following calendar year. This election will be irrevocable and a further timely election will be required for each subsequent calendar year. A newly elected or appointed non-employee director will first be eligible to make the election on or before the end of the calendar year that he or she joins our Board of Directors, effective for the

following calendar year. After a director ceases to be a member of our Board of Directors, he or she will receive with respect to share units, such number of shares of our common stock as the share units represent.

## CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

### Agreements with Liberty Interactive Corporation

In May 2008, IAC/InterActiveCorp entered into a “Spinco Agreement” with Liberty Interactive Corporation and certain others. At the time of the spin-off, we assumed from IAC/InterActiveCorp all of those rights and obligations under the Spinco Agreement providing for post-spin-off governance arrangements related to our businesses.

As of May 23, 2011, Liberty Interactive reports beneficial ownership of 2,773,987 shares of our common stock representing 24.53% of our outstanding common stock. The following summary describes the material terms of our governance arrangements and related matters and is qualified by reference to the full Spinco Agreement, which is filed as Exhibit 10.1 to IAC/InterActiveCorp’s Current Report on Form 8-K dated May 16, 2008. The Spinco Agreement also required us to enter into a registration rights agreement with Liberty Interactive and certain others at the time of the spin-off, as described below.

### Spinco Agreement

### Representation of Liberty Interactive on our Board of Directors

The Spinco Agreement generally provides that so long as Liberty Interactive beneficially owns securities representing at least 20% of the total voting power of our equity securities, Liberty Interactive has the right to nominate up to 20% of the directors serving on our Board of Directors (rounded up to the nearest whole number). Any director nominated by Liberty Interactive must be reasonably acceptable to a majority of the directors on our Board of Directors who were not nominated by Liberty Interactive. All but one of Liberty Interactive's nominees serving on our Board of Directors must qualify as "independent" under the NASDAQ Stock Market rules. In addition, the Nominating Committee may include only "Qualified Directors," namely directors other than any who were nominated by Liberty Interactive, are our officers or employees or were not nominated by the Nominating Committee in their initial election to our Board of Directors and for whose election Liberty Interactive voted shares. In 2013, Liberty Interactive exercised its right to nominate Neal Dermer to serve on our Board of Directors but to date, Liberty Interactive has not exercised its right to nominate an additional director to our Board of Directors.

Liberty Interactive also agreed, until the second anniversary of the spin-off in August 2010, to vote all of our equity securities beneficially owned by them in favor of the election of the full slate of director nominees recommended to our stockholders by our Board of Directors so long as the slate included the director-candidates that Liberty has the right to nominate. That agreement is no longer in effect.

#### Acquisition Restrictions

Liberty Interactive has agreed in the Spinco Agreement not to acquire beneficial ownership of any of our equity securities (with specified exceptions) unless:

- the acquisition was approved by a majority of the Qualified Directors;
- the acquisition is permitted under the provisions described in "Competing Offers" below; or

after giving effect to the acquisition, Liberty Interactive's ownership percentage of our equity securities, based on voting power, would not exceed the Applicable Percentage.

The "Applicable Percentage" initially is Liberty Interactive's ownership percentage upon the spin-off, based on voting power (approximately 30%), plus 5%, but in no event more than 35%. Following the spin-off, the Applicable Percentage with respect to us will be reduced for specified transfers of our equity securities by Liberty Interactive. Notwithstanding the foregoing, during the first two years following the spin-off, acquisitions by Liberty Interactive were further limited to specified extraordinary transactions. These restrictions apply also to Liberty Interactive's affiliates who acquire Liberty Interactive's shares in our Company.

## Standstill Restrictions

Until the second anniversary of the spin-off in August 2010, unless a majority of the Qualified Directors consent or to the extent permitted by the provisions described under “Acquisition Restrictions” or “Competing Offers” or in certain other limited circumstances, Liberty Interactive was not permitted to:

- offer to acquire beneficial ownership of any of our equity securities;
- initiate or propose any stockholder proposal or seek or propose to influence, advise, change or control our management, Board of Directors, governing instruments or policies or affairs;
- offer, seek or propose, collaborate on or encourage any merger or other extraordinary transaction;
- subject any of our equity securities to a voting agreement;
- make a request to amend any of the provisions described under “Acquisition Restrictions”, “Standstill Restrictions” or “Competing Offers”;
- make any public disclosure, or take any action which could reasonably be expected to require us to make any public disclosure, with respect to any of the provisions described under “Standstill Restrictions”; or
- enter into any discussions, negotiations, arrangements or understandings with any third party with respect to any of the provisions described under “Standstill Restrictions.”

No such standstill restrictions are currently in effect.

## Transfer Restrictions

Unless a majority of the Qualified Directors consent, the Spinco Agreement prohibits transfers by Liberty Interactive of any of our equity securities to any person except for certain transfers, including:

- transfers under Rule 144 under the Securities Act (or, if Rule 144 is not applicable, in “broker transactions”);

· transfers pursuant to a third party tender or exchange offer or in connection with any merger or other business combination, which merger or business combination has been approved by us;

· transfers in a public offering in a manner designed to result in a wide distribution, provided that no such transfer is made, to the knowledge of Liberty Interactive, to any person whose ownership percentage (based on voting power) of our equity securities, giving effect to the transfer, would exceed 15%;

· a transfer of all of our equity securities beneficially owned by the Liberty Parties and their affiliates in a single transaction if the transferee’s ownership percentage (based on voting power), after giving effect to the transfer, would not exceed the Applicable Percentage and only if the transferee assumes all of the rights and obligations (subject to limited exceptions) of the Liberty Parties under the Spinco Agreement;

· specified transfers in connection with changes in the beneficial ownership of the ultimate parent of a Liberty Party or a distribution of the equity interests of a Liberty Party or certain similar events; and

· specified transfers relating to certain hedging transactions or stock lending transactions, subject to specified restrictions.

These restrictions apply also to Liberty Interactive’s affiliates who acquire Liberty Interactive’s shares in our Company.

## Competing Offers

During the period when Liberty continues to have the right to nominate directors to our Board of Directors, if our Board of Directors determines to pursue certain types of transactions on a negotiated basis (either through an “auction” or with a single bidder), Liberty Interactive is granted certain rights to compete with the bidder or bidders, including the right to receive certain notices and information, subject to specified conditions and limitations. In connection with any such transaction that we are negotiating with a single bidder, our Board of Directors must consider any offer for a transaction made in good faith by Liberty Interactive but is not obligated to accept any such offer or to enter into negotiations with Liberty Interactive.

If a third party (x) commences a tender or exchange offer for at least 35% of our capital stock other than pursuant to an agreement with us or (y) publicly discloses that its ownership percentage (based on voting power) exceeds 20% and our Board of Directors fails to take certain actions to block such third party from acquiring an ownership percentage (based on voting power)

exceeding the Applicable Percentage, Liberty Interactive generally will be relieved of the obligations described under “Standstill Restrictions” and “Acquisition Restrictions” above to the extent reasonably necessary to permit Liberty Interactive to commence and consummate a competing offer. If Liberty Interactive’s ownership percentage (based on voting power) as a result of the consummation of a competing offer in response to a tender or exchange offer described in (x) above exceeds 50%, any consent or approval requirements of the Qualified Directors in the Spinco Agreement will be terminated, and, following the later of the second anniversary of the applicable spin-off and the date that Liberty Interactive’s ownership percentage (based on voting power) exceeds 50%, the obligations described under “Acquisition Restrictions” will be terminated.

#### Other

Amendments to the Spinco Agreement and determinations required to be made thereunder (including approval of transactions between Liberty Interactive or its affiliates and us that would be reportable under the proxy rules) will require the approval of the Qualified Directors.

#### Registration Rights Agreement

Under a registration rights agreement, Liberty Interactive and its permitted transferees are entitled to three demand registration rights (and unlimited piggyback registration rights) in respect of the shares of our common stock received by Liberty Interactive as a result of the spin-off and other shares of our common stock acquired by Liberty Interactive or its affiliates consistent with the Spinco Agreement. These holders will be permitted to exercise their registration rights in connection with certain hedging transactions that they may enter into in respect of the registrable shares.

We are obligated to indemnify these holders, and each selling holder will be obligated to indemnify us, against specified liabilities in connection with misstatements or omissions in any registration statement.

#### Voting and Support Agreements

In connection with the execution of the asset purchase agreement with Discover Bank, a wholly-owned subsidiary of Discover Financial Services, providing for the sale of substantially all of the operating assets of HLC to Discover Bank, Douglas R. Lebda, our chairman and chief executive officer, the trustee of a family trust for Mr. Lebda, Liberty Interactive and one additional stockholder (which beneficially owned less than 5% of our outstanding common stock on the date the agreement was entered into) executed voting and support agreements. Pursuant to the voting and support agreements, among other things, each stockholder agreed (i) to vote all of the shares of our common stock

owned by him or it in favor of the HLC asset sale proposal and (ii) not to transfer the shares of our common stock owned by him or it prior to the expiration of the voting and support agreement, unless otherwise permitted thereunder. The shares subject to the voting and support agreements constituted approximately 49% of our common stock as of the record date for the special meeting held on August 26, 2011 to approve the HLC asset sale transaction.

The voting agreements provided that if our board of directors properly changed its recommendation with respect to the HLC asset sale transaction due to a superior proposal (as such term is defined in the asset purchase agreement), the stockholders that entered into the voting and support agreements, other than Mr. Lebda and the trustee of the family trust for Mr. Lebda, would collectively be required to vote 15% of the total outstanding shares of our common stock on the record date in favor of the HLC asset sale transaction. Mr. Lebda and the trustee of the family trust for Mr. Lebda were required to vote all of the shares beneficially owned by them in favor of the HLC asset sale proposal regardless of a change in our Board of Directors' recommendation. Our Board of Directors did not change its recommendation and our stockholders approved the HLC asset sale transaction on August 26, 2011.

#### Preferred Stock Redemption

On August 20, 2008, in connection with the spin-off of Tree.com, Inc. by IAC/InterActiveCorp, Douglas Lebda, our Chairman and CEO, received restricted shares of Series A Redeemable Preferred Stock of a wholly-owned subsidiary of Tree.com, Inc. The shares of preferred stock had an aggregate liquidation preference of \$5,000,000 and vested in three equal annual installments on the first three anniversaries of the spin-off.

The preferred stock provided for cumulative dividends at a rate of 12% per annum, and unpaid dividends compound quarterly at a rate of 12% per annum. The wholly-owned subsidiary was required to redeem all outstanding preferred stock on the fifth anniversary of the grant date. The redemption price was the liquidation preference of the outstanding shares plus compounded accrued and unpaid dividends.

On August 30, 2010, we entered into a share exchange agreement with Mr. Lebda pursuant to which he exchanged 2,902.33 shares of preferred stock and most of the accrued and unpaid dividends in respect of such shares for a total of 534,900 newly-issued shares of our common stock. Immediately following such transaction, Mr. Lebda held 2,097.67 shares of preferred stock.

On November 7, 2012, our Audit Committee, Compensation Committee and Board of Directors approved an early redemption of the remaining 2,097.67 outstanding shares of preferred stock owned by Mr. Lebda, including all accrued dividends, for \$3.3 million in cash. The redemption closed on November 30, 2012. The redemption value of the preferred stock was determined in part based on a third-party valuation of the discounted remaining dividend stream through the mandatory redemption date of August 20, 2013.

#### RELATED PERSONS TRANSACTION POLICY

Our Board of Directors has adopted a written policy setting forth the procedures and standards we apply to reviewing and approving related person transactions. The policy covers any transaction, arrangement or relationship in which we are or will be a participant, the amount involved exceeds \$120,000 and in which any related person had, has or will have a direct or indirect interest other than (a) employment relationships or transactions involving an executive officer and any related compensation solely resulting from such employment if such compensation was approved, or recommended to our Board of Directors for approval, by the Compensation Committee; (b) compensation for serving as a director; (c) payments arising solely from the ownership of our equity securities in which all holders of that class of equity securities received the same benefit on a pro rata basis; or (d) such other exclusions as may be permitted pursuant to applicable rules and regulations of the SEC or any stock exchange upon which our common stock may then be listed. Under the policy, “related person” means: (1) any of our directors, director nominees or executive officers; (2) any person who is known to be the beneficial owner of more than 5% of any class of our voting securities; (3) any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of, and/or any other person (other than a tenant or employee) sharing the household of, any person named in (2) or (3) above; (4) any firm, corporation or other entity or organization (profit or not-for-profit) for which any person named in (1)-(2) above serves as an employee, executive officer, partner or principal (or other similar position); and (5) any firm, corporation or other entity or organization (profit or not-for-profit) for which any person named in (1)-(2) above has a 5% or greater beneficial ownership interest.

Under the policy, all related person transactions must be reviewed by either our Audit Committee or another independent body of our Board of Directors.

#### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers, directors and certain persons who beneficially own more than 10% of our common stock to file with the SEC initial reports of ownership and reports of changes in ownership of the common stock and other equity securities of our Company. Executive officers, directors and such greater than 10% stockholders are required to furnish to us copies of all such reports they file. Based solely on our review of the copies of such reports received by us and written representations that no other reports were required for such persons, we believe that, during fiscal year 2013, all filing requirements applicable to our executive officers, directors and greater than 10% stockholders were complied with on a timely

basis, except as follows. Mr. Lebda filed two late Form 4s with respect to three transactions, two of which occurred in 2012 (surrender of shares to the issuer for withholding taxes on vesting of an equity award and a broker-administered dividend reinvestment transaction) and one in 2013 (surrender of shares to the issuer for withholding taxes on vesting of an equity award).

Copies are also available on our website at <http://investor-relations.tree.com/sec.cfm>. ## OTHER MATTERS

We know of no other matters to be submitted to the stockholders at the meeting. If any other matters properly come before the stockholders at the meeting, the persons named in the form of proxy will vote the shares they represent in their discretion.

All individuals who are determined to be key employees under Section 416(i)(1)(A)(i), (ii) or (iii) of

A Participant employed by, or performing services for, a Subsidiary or an Affiliate or a division of the Company and its Affiliates shall be deemed to incur a Termination of Employment if, as a result of a Disaffiliation, such Subsidiary, Affiliate, or division ceases to be a Subsidiary, Affiliate or division, as the case may be, and the Participant does not immediately thereafter become an employee of (or service provider for), or member of the board of directors of, the Company or another Subsidiary or Affiliate. Temporary absences from employment because of illness, vacation or leave of absence and transfers among the Company and its Subsidiaries and Affiliates shall not be considered Terminations of Employment. Notwithstanding the foregoing, with respect to any Award that constitutes a “nonqualified deferred compensation plan” within the meaning of Section 409A of the Code, “Termination of Employment” shall mean a “separation from service” as defined under Section 409A of the Code. For the avoidance of doubt, the Separation shall not constitute a Termination of Employment for purposes of any Adjusted Award. However, for purposes of determining whether an employee’s outstanding Incentive Stock Options are eligible to continue to qualify as Incentive Stock Options (and not become Nonqualified Options), an employee’s employment and/or services will be treated as terminating three (3) months after such employee went on leave, unless such employee’s right to return to active work is guaranteed by law or by a contract.

## Section 2. Administration

(a) *Committee*. The Plan shall be administered by the Compensation Committee of the Board or such other committee of the Board as the Board may from time to time designate (the “Committee”), which shall be composed of not less than two directors, and shall be appointed by and serve at the pleasure of the Board. The Committee shall, subject to Section 11, have plenary authority to grant Awards pursuant to the terms of the Plan to Eligible Individuals. Among other things, the Committee shall have the authority, subject to the terms and conditions of the Plan and the Employee Matters Agreement (including the original terms of the grant of the Adjusted Award):

(i) to select the Eligible Individuals to whom Awards may from time to time be granted;

to determine whether and to what extent Incentive Stock Options, Nonqualified Options, Stock Appreciation  
(ii) Rights, Restricted Stock, Restricted Stock Units, other stock-based awards, or any combination thereof, are to be granted hereunder;

Annex A-5

- (iii) to determine the number of Shares to be covered by each Award granted hereunder;
- (iv) to determine the terms and conditions, including Performance Goals (if any) and their degree of satisfaction, of each Award granted hereunder, based on such factors as the Committee shall determine;
- (v) subject to Section 12, to modify, amend or adjust the terms and conditions of any Award;
- (vi) to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall from time to time deem advisable;
- (vii) subject to Section 11, to accelerate the vesting or lapse of restrictions of any outstanding Award and/or to extend the exercise period of an Award, based in each case on such considerations as the Committee in its sole discretion determines;
- (viii) to interpret the terms and provisions of the Plan and any Award issued under the Plan (and any agreement relating thereto);
- (ix) to establish any “blackout” period that the Committee in its sole discretion deems necessary or advisable;
- (x) to determine whether, to what extent, and under what circumstances cash, Shares, and other property and other amounts payable with respect to an Award under this Plan shall be deferred either automatically or at the election of the Participant;
- (xi) to decide all other matters that must be determined in connection with an Award; and
- (xii) to otherwise administer the Plan.

(b) *Procedures.*

- The Committee may act only by a majority of its members then in office, except that the Committee may, except to the extent prohibited by applicable law or the listing standards of the Applicable Exchange and subject to Section
- (i) 11, allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any person or persons selected by it.
  - (ii)

Subject to Section 11(c), any authority granted to the Committee may also be exercised by the full Board. To the extent that any permitted action taken by the Board conflicts with action taken by the Committee, the Board action shall control.

(c) *Discretion of Committee.* Subject to Section 1(h), any determination made by the Committee or by an appropriately delegated officer pursuant to delegated authority under the provisions of the Plan with respect to any Award shall be made in the sole discretion of the Committee or such delegate at the time of the grant of the Award or, unless in contravention of any express term of the Plan, at any time thereafter. All decisions made by the Committee or any appropriately delegated officer pursuant to the provisions of the Plan shall be final and binding on all persons, including the Company, Participants, and Eligible Individuals, and shall receive the maximum deference permitted under applicable laws..

(d) *Award Agreements.* The terms and conditions of each Award, as determined by the Committee, shall be set forth in an Award Agreement, which shall be delivered to the Participant receiving such Award upon, or as promptly as is reasonably practicable following, the grant of such Award. The effectiveness of an Award shall not be subject to the Award Agreement's being signed by the Company and the Participant receiving the Award unless specifically so provided in the Award Agreement. Award Agreements may be amended only in accordance with Section 12 hereof. Notwithstanding any provision of the Plan or an Award Agreement to the contrary, in the event

Annex A-6

that any term of an Award Agreement conflicts with any provision of the Plan that specifically pertains to Section 409A of the Code, the provision of the Plan shall govern.

### Section 3. Common Stock Subject to Plan

(a) *Plan Maximums.* The maximum number of Shares that may be delivered pursuant to Awards under the Plan shall be the sum of (a) the number of Shares that may be issuable upon exercise or vesting of the Adjusted Awards and (b) 4,350,000. The maximum number of Shares that are permitted to be issued pursuant to the exercise of Incentive Stock Options granted under the Plan as described in Section 5 shall be 2,833,333 Shares. Shares subject to an Award under the Plan may be authorized and unissued Shares or may be treasury Shares.

(b) *Individual Limits.* No Eligible Individual or Participant may be granted Awards covering in excess of 2,833,333 Shares during the term of the Plan (i.e., August 20, 2008 — August 20, 2018); *provided* that Adjusted Awards shall not be subject to this limitation.

(c) *Rules for Calculating Shares Delivered.*

With respect to Awards other than Adjusted Awards, to the extent that any Award is forfeited, or any Option and the related Tandem SAR (if any) or Free-Standing SAR terminates, expires or lapses without being exercised (specifically including the Award contemplated by clause (iii) below), or any Award is settled for cash, (A) the (i) Shares subject to such Awards not delivered as a result thereof shall again be available for Awards under the Plan and (B) other than with respect to any Awards settled for cash, such Shares shall no longer be counted when calculating the respective Participant's individual limit set forth in Section 3(b).

With respect to Awards other than Adjusted Awards, if the exercise price of any Option and/or the tax withholding obligations relating to any Award are satisfied by delivering Shares to the Company (by either actual delivery or by attestation), only the number of Shares issued net of the Shares delivered or attested to shall be deemed delivered (ii) for purposes of the limits set forth in Section 3(a). To the extent any Shares subject to an Award are withheld to satisfy the exercise price (in the case of an Option) and/or the tax withholding obligations relating to such Award, such Shares shall not be deemed to have been delivered for purposes of the limits set forth in Section 3(a).

Notwithstanding anything in this Plan to the contrary (including Sections 5(d) and 12(c) hereof), Douglas R. (iii) Lebda may surrender for cancellation an option to purchase 589,500 shares of Common Stock with an exercise price of \$25.43 per share awarded on August 21, 2008 and the Shares subject to such Option shall be available for future Awards under the Plan (including to Mr. Lebda) immediately following such surrender.

Any dividend equivalents distributed under the Plan shall count against the Share limits set forth in Sections 3(a) (iv) and (b). Dividend equivalents will not be paid (or accrue) on unexercised Options or unexercised Stock Appreciation Rights.

(d) *Adjustment Provision.* In the event of a merger, consolidation, acquisition of property or shares, stock rights offering, liquidation, Disaffiliation, or similar event affecting the Company or any of its Subsidiaries (each, a “*Corporate Transaction*”), the Committee or the Board may in its discretion make such substitutions or adjustments as it deems appropriate and equitable to (w) the aggregate number and kind of Shares or other securities reserved for issuance and delivery under the Plan, (x) the various maximum limitations set forth in Sections 3(a) and 3(b) upon certain types of Awards and upon the grants to individuals of certain types of Awards, (y) the number and kind of Shares or other securities subject to outstanding Awards; and (z) the exercise price of outstanding Options and Stock Appreciation Rights. In the event of a stock dividend, stock split, reverse stock split, separation, spinoff, reorganization, extraordinary dividend of cash or other property, share combination, or recapitalization or similar event affecting the capital structure of the Company (each, a “*Share Change*”), the Committee or the Board shall

Annex A-7

make such substitutions or adjustments as it deems appropriate and equitable to (i) the aggregate number and kind of Shares or other securities reserved for issuance and delivery under the Plan, (ii) the various maximum limitations set forth in Sections 3(a) and 3(b) upon certain types of Awards and upon the grants to individuals of certain types of Awards, (iii) the number and kind of Shares or other securities subject to outstanding Awards; and (iv) the exercise price of outstanding Options and Stock Appreciation Rights. In the case of Corporate Transactions, such adjustments may include, without limitation, (1) the cancellation of outstanding Awards in exchange for payments of cash, property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Committee or the Board in its sole discretion (it being understood that in the case of a Corporate Transaction with respect to which stockholders of Common Stock receive consideration other than publicly traded equity securities of the ultimate surviving entity, any such determination by the Committee that the value of an Option or Stock Appreciation Right shall for this purpose be deemed to equal the excess, if any, of the value of the consideration being paid for each Share pursuant to such Corporate Transaction over the exercise price of such Option or Stock Appreciation Right shall conclusively be deemed valid); (2) the substitution of other property (including, without limitation, cash or other securities of the Company and securities of entities other than the Company) for the Shares subject to outstanding Awards; and (3) in connection with any Disaffiliation, arranging for the assumption of Awards, or replacement of Awards with new awards based on other property or other securities (including, without limitation, other securities of the Company and securities of entities other than the Company), by the affected Subsidiary, Affiliate, or division or by the entity that controls such Subsidiary, Affiliate, or division following such Disaffiliation (as well as any corresponding adjustments to Awards that remain based upon Company securities). The Committee may adjust in its sole discretion the Performance Goals applicable to any Awards to reflect any Share Change and any Corporate Transaction and any unusual or non-recurring events and other extraordinary items, impact of charges for restructurings, discontinued operations, and the cumulative effects of accounting or tax changes, each as defined by generally accepted accounting principles or as identified in the Company's financial statements, notes to the financial statements, management's discussion and analysis or the Company's other SEC filings, *provided* that in the case of Performance Goals applicable to any Qualified Performance-Based Awards, such adjustment does not violate Section 162(m) of the Code. Any adjustment under this Section 3(d) need not be the same for all Participants. Any adjustment of Shares pursuant to this Section 3(d) shall be rounded down to the nearest whole number of Shares. Under no circumstances shall the Company be required to authorize or issue fractional shares. To the extent permitted by applicable law, no consideration shall be provided as a result of any fractional shares not being issued or authorized.

(e) *Section 409A.* Notwithstanding the foregoing: (i) any adjustments made pursuant to Section 3(d) to Awards that are considered "deferred compensation" within the meaning of Section 409A of the Code shall be made in compliance with the requirements of Section 409A of the Code; and (ii) any adjustments made pursuant to Section 3(d) to Awards that are not considered "deferred compensation" subject to Section 409A of the Code shall be made in such a manner as to ensure that after such adjustment, the Awards either (A) continue not to be subject to Section 409A of the Code or (B) comply with the requirements of Section 409A of the Code.

#### Section 4. Eligibility

Awards may be granted under the Plan to Eligible Individuals and, with respect to Adjusted Awards, in accordance with the terms of the Employee Matters Agreement; *provided, however*, that Incentive Stock Options may be granted only to employees of the Company and its subsidiaries or parent corporation (within the meanings of Sections 424(e)

and 424(f) of the Code) and, with respect to Adjusted Awards that are intended to qualify as incentive stock options within the meaning of Section 422 of the Code, in accordance with the terms of the Employee Matters Agreement.

## Section 5. Options and Stock Appreciation Rights

With respect to Adjusted Awards, the provisions below will be applicable only to the extent that they are not inconsistent with the Employee Matters Agreement and the terms of the Adjusted Award assumed under the Employee Matters Agreement:

(a) *Types of Options.* Options may be of two types: Incentive Stock Options and Nonqualified Options. The Award Agreement for an Option shall indicate whether the Option is intended to be an Incentive Stock Option or a Nonqualified Option (and if not so indicated then the Option shall be a Nonqualified Option). An

Annex A-8

employee who is a 10-Percent Shareholder shall not be eligible for the grant of an Incentive Stock Option unless the requirements set forth in Section 422(c)(5) of the Code are satisfied. If and to the extent that any Shares are issued under a portion of any Option that exceeds the \$100,000 limitation of Section 422 of the Code, such Shares shall not be treated as issued under an Incentive Stock Option notwithstanding any designation otherwise. Certain decisions, amendments, interpretations and actions by the Company or Committee and certain actions by a Participant may cause an Option to cease to qualify as an Incentive Stock Option pursuant to the Code and by accepting an Option, the Participant agrees in advance to such disqualifying action(s).

(b) *Types and Nature of Stock Appreciation Rights.* Stock Appreciation Rights may be “Tandem SARs,” which are granted in conjunction with an Option, or “Free-Standing SARs,” which are not granted in conjunction with an Option. Upon the exercise of a Stock Appreciation Right, the Participant shall be entitled to receive an amount in cash, Shares, or both, in aggregate value equal to the product of (i) the excess of the Fair Market Value of one Share over the exercise price of the applicable Stock Appreciation Right, multiplied by (ii) the number of Shares in respect of which the Stock Appreciation Right has been exercised. The applicable Award Agreement shall specify whether such payment is to be made in cash or Common Stock or both, or shall reserve to the Committee or the Participant the right to make that determination prior to or upon the exercise of the Stock Appreciation Right.

(c) *Tandem SARs.* A Tandem SAR may be granted at the Grant Date of the related Option. A Tandem SAR shall be exercisable only at such time or times and to the extent that the related Option is exercisable in accordance with the provisions of this Section 5, and shall have the same exercise price as the related Option. A Tandem SAR shall proportionately terminate or be forfeited upon the exercise or forfeiture of the related Option, and the related Option shall proportionately terminate or be forfeited upon the exercise or forfeiture of the Tandem SAR.

(d) *Exercise Price.* The exercise price per Share subject to an Option or Free-Standing SAR shall be determined by the Committee and set forth in the applicable Award Agreement, and shall not be less than the Fair Market Value of a Share (or less than 110% for 10-Percent Shareholders in the case of Incentive Stock Options) on the applicable Grant Date. In no event may any Option or Free-Standing SAR granted under this Plan be amended, other than pursuant to Section 3(d), to decrease the exercise price thereof, be cancelled in conjunction with the grant of any new Option or Free-Standing SAR with a lower exercise price or otherwise be subject to any action that would be treated, for accounting purposes, as a “repricing” of such Option or Free-Standing SAR, unless such amendment, cancellation, or action is approved by the Company’s stockholders.

(e) *Term.* The Term of each Option and each Free-Standing SAR shall be fixed by the Committee, but shall not exceed ten years from the Grant Date. Notwithstanding anything to the contrary, an Incentive Stock Option that is granted to a 10-Percent Shareholder shall have a maximum term of five years.

(f) *Vesting and Exercisability.* Except as otherwise provided herein, Options and Free-Standing SARs shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee. If

the Committee provides that any Option or Free-Standing SAR will become exercisable only in installments, the Committee may at any time waive such installment exercise provisions, in whole or in part, based on such factors as the Committee may determine. In addition, the Committee may at any time accelerate the exercisability of any Option or Free-Standing SAR.

(g) *Method of Exercise.* Subject to the provisions of this Section 5, Options and Free-Standing SARs may be exercised, in whole or in part, at any time during the applicable Term by giving written notice of exercise to the Company or through the procedures established with the Company's appointed third-party Option administrator specifying the number of Shares as to which the Option or Free-Standing SAR is being exercised; *provided, however,* that, unless otherwise permitted by the Committee, any such exercise must be with respect to a portion of the applicable Option or Free-Standing SAR relating to no less than the lesser of the number of Shares then subject to such Option or Free-Standing SAR or 100 Shares. In the case of the exercise of an Option, such notice shall be accompanied by payment in full of the purchase price (which shall equal the product of such number of Shares multiplied by the applicable exercise price) by certified or bank check or such other instrument as the Company may accept. If approved by the Committee, payment, in full or in part, may also be made as follows:

Annex A-9

Payments may be made in the form of unrestricted Shares (by delivery of such Shares or by attestation) of the same class as the Common Stock subject to the Option already owned by the Participant (based on the Fair Market Value (i) of the Common Stock on the date the Option is exercised); provided, however, that, in the case of an Incentive Stock Option, the right to make a payment in the form of already owned Shares of the same class as the Common Stock subject to the Option may be authorized only at the time the Option is granted.

To the extent permitted by applicable law, payment may be made by delivering a properly executed exercise notice to the Company, together with a copy of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds necessary to pay the purchase price, and, if requested, the amount of any (ii) federal, state, local or foreign withholding taxes. To facilitate the foregoing, the Company may, to the extent permitted by applicable law, enter into agreements for coordinated procedures with one or more brokerage firms. To the extent permitted by applicable law, the Committee may also provide for Company loans to be made for purposes of the exercise of Options.

Payment may be made by instructing the Company to withhold a number of Shares having a Fair Market Value (iii) (based on the Fair Market Value of the Common Stock on the date the applicable Option is exercised) equal to the product of (A) the exercise price multiplied by (B) the number of Shares in respect of which the Option shall have been exercised.

(h) *Delivery; Rights of Stockholders.* No Shares shall be delivered pursuant to the exercise of an Option until the exercise price therefor has been fully paid and the Participant has satisfied any applicable withholding or tax obligations relating to the Option. The applicable Participant shall have all of the rights of a stockholder of the Company holding the class or series of Common Stock that is subject to the Option or Stock Appreciation Right (including, if applicable, the right to vote the applicable Shares and the right to receive dividends), when the Participant (i) has given written notice of exercise, (ii) if requested, has given the representation described in Section 14(a), (iii) in the case of an Option, has paid in full for such Shares, and (iv) has satisfied any applicable withholding or tax obligations relating to the Option or Stock Appreciation Right.

(i) *Terminations of Employment.* Subject to Section 10, a Participant's Options and Stock Appreciation Rights shall be forfeited upon such Participant's Termination of Employment, except as set forth below:

Upon a Participant's Termination of Employment by reason of death, any Option or Stock Appreciation Right held (i) by the Participant that was exercisable immediately before the Termination of Employment may be exercised at any time until the earlier of (A) the first anniversary of the date of such death and (B) the expiration of the Term thereof;

Upon a Participant's Termination of Employment by reason of Disability or Retirement, any Option or Stock (ii) Appreciation Right held by the Participant that was exercisable immediately before the Termination of Employment may be exercised at any time until the earlier of (A) the first anniversary of such Termination of Employment and (B) the expiration of the Term thereof;

- Upon a Participant's Termination of Employment for any reason other than death, Disability, Retirement or for Cause, any Option or Stock Appreciation Right held by the Participant that was exercisable immediately before the Termination of Employment may be exercised at any time until the earlier of (A) three months following such Termination of Employment and (B) expiration of the Term thereof; and
- (iii)
- (iv) Notwithstanding the above provisions of this Section 5(i), if a Participant dies after such Participant's Termination of Employment but while any Option or Stock Appreciation

Annex A-10

Right remains exercisable as set forth above, such Option or Stock Appreciation Right may be exercised at any time until the later of (A) the first anniversary of the date of such death and (B) the last date on which such Option or Stock Appreciation Right would have been exercisable, absent this Section 5(i)(iv), but in no event later than the expiration of the Term thereof.

Notwithstanding the foregoing, the Committee shall have the power, in its discretion, to apply different rules concerning the consequences of a Termination of Employment; *provided, however*, that if such rules are less favorable to the Participant than those set forth above, such rules are set forth in the applicable Award Agreement. If an Incentive Stock Option is exercised after the expiration of the exercise periods that apply for purposes of Section 422 of the Code, such Option will thereafter be treated as a Nonqualified Option.

(j) *Nontransferability of Options and Stock Appreciation Rights.* No Option or Free-Standing SAR shall be transferable by a Participant other than (i) by will or by the laws of descent and distribution, or (ii) in the case of a Nonqualified Option or Free-Standing SAR, pursuant to a qualified domestic relations order or as otherwise expressly permitted by the Committee including, if so permitted, pursuant to a transfer to the Participant's family members or to a charitable organization, whether directly or indirectly or by means of a trust or partnership or otherwise. For purposes of this Plan, unless otherwise determined by the Committee, "family member" shall have the meaning given to such term in General Instructions A.1(a)(5) to Form S-8 under the Securities Act of 1933, as amended, and any successor thereto. A Tandem SAR shall be transferable only with the related Option as permitted by the preceding sentence. Any Option or Stock Appreciation Right shall be exercisable, subject to the terms of this Plan, only by the applicable Participant, the guardian or legal representative of such Participant, or any person to whom such Option or Stock Appreciation Right is permissibly transferred pursuant to this Section 5(j), it being understood that the term "Participant" includes such guardian, legal representative and other transferee; *provided, however*, that the term "Termination of Employment" shall continue to refer to the Termination of Employment of the original Participant.

## Section 6. Restricted Stock

With respect to Adjusted Awards, the provisions below will be applicable only to the extent that they are not inconsistent with the Employee Matters Agreement and the terms of the Adjusted Award assumed under the Employee Matters Agreement:

(a) *Nature of Awards and Certificates.* Shares of Restricted Stock are actual Shares issued to a Participant, and shall be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of one or more stock certificates. Any certificate issued in respect of Shares of Restricted Stock shall be registered in the name of the applicable Participant and, in the case of Restricted Stock, shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form, in addition to any other legend the Committee determines appropriate:

“The transferability of this certificate and the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) of the Tree.com, Inc. 2008 Stock and Annual Incentive Plan and an Award Agreement. Copies of such Plan and Agreement are on file at the offices of Tree.com, Inc., 11115 Rushmore Drive, Charlotte, NC 28277.”

The Committee may require that the certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed and that, as a condition of any Award of Restricted Stock, the applicable Participant shall have delivered a stock power, endorsed in blank, relating to the Common Stock covered by such Award.

(b) *Terms and Conditions.* Shares of Restricted Stock shall be subject to the following terms and conditions:

(i) The Committee shall, prior to or at the time of grant, condition the vesting or transferability of an Award of Restricted Stock upon the continued service of the

Annex A-11

applicable Participant or the attainment of Performance Goals, or the attainment of Performance Goals and the continued service of the applicable Participant. In the event that the Committee conditions the grant or vesting of an Award of Restricted Stock upon the attainment of Performance Goals or the attainment of Performance Goals and the continued service of the applicable Participant, the Committee may, prior to or at the time of grant, designate such an Award as a Qualified Performance-Based Award. The conditions for grant, vesting, or transferability and the other provisions of Restricted Stock Awards (including without limitation any Performance Goals) need not be the same with respect to each Participant.

(ii) Subject to the provisions of the Plan and the applicable Award Agreement, during the period, if any, set by the Committee, commencing with the date of such Restricted Stock Award for which such vesting restrictions apply and until the expiration of such vesting restrictions (the "Restriction Period"), the Participant shall not be permitted to sell, assign, transfer, pledge or otherwise encumber Shares of Restricted Stock.

(iii) Except as provided in this Section 6 and in the applicable Award Agreement, the applicable Participant shall have, with respect to the Shares of Restricted Stock, all of the rights of a stockholder of the Company holding the class or series of Common Stock that is the subject of the Restricted Stock, including, if applicable, the right to vote the Shares and the right to receive any cash dividends. If so determined by the Committee in the applicable Award Agreement and subject to Section 14(e), (A) cash dividends on the class or series of Common Stock that is the subject of the Restricted Stock Award shall be automatically deferred and reinvested in additional Restricted Stock, held subject to the vesting of the underlying Restricted Stock, and (B) subject to any adjustment pursuant to Section 3(d), dividends payable in Common Stock shall be paid in the form of Restricted Stock of the same class as the Common Stock with which such dividend was paid, held subject to the vesting of the underlying Restricted Stock.

(iv) Except as otherwise set forth in the applicable Award Agreement, upon a Participant's Termination of Employment for any reason during the Restriction Period, all Shares of Restricted Stock still subject to restriction shall be forfeited by such Participant without consideration (except for repayment of any amounts the Participant had paid to the Company to acquire unvested Shares underlying the forfeited Awards); provided, however, that subject to Section 11(b), the Committee shall have the discretion to waive, in whole or in part, any or all remaining restrictions with respect to any or all of such Participant's Shares of Restricted Stock.

(v) If and when any applicable Performance Goals are satisfied and the Restriction Period expires without a prior forfeiture of the Shares of Restricted Stock for which legended certificates have been issued, unlegended certificates for such Shares shall be delivered to the Participant upon surrender of the legended certificates.

## Section 7. Restricted Stock Units

With respect to Adjusted Awards, the provisions below will be applicable only to the extent that they are not inconsistent with the Employee Matters Agreement and the terms of the Adjusted Award assumed under the Employee Matters Agreement:

(a) *Nature of Awards.* Restricted Stock Units are Awards denominated in Shares that will be settled, subject to the terms and conditions of the Restricted Stock Units, in an amount in cash, Shares or both, based upon the Fair Market Value of a specified number of Shares.

(b) *Terms and Conditions.* Restricted Stock Units shall be subject to the following terms and conditions:

Annex A-12

The Committee shall, prior to or at the time of grant, condition the grant, vesting, or transferability of Restricted Stock Units upon the continued service of the applicable Participant or the attainment of Performance Goals, or the attainment of Performance Goals and the continued service of the applicable Participant. In the event that the Committee conditions the grant or vesting of Restricted Stock Units upon the attainment of Performance Goals or the attainment of Performance Goals and the continued service of the applicable Participant, the Committee may,

(i) prior to or at the time of grant, designate such Awards as Qualified Performance-Based Awards. The conditions for grant, vesting or transferability and the other provisions of Restricted Stock Units (including without limitation any Performance Goals) need not be the same with respect to each Participant. Except as otherwise provided in Section 7(b)(iv) or in the applicable Award Agreement, an Award of Restricted Stock Units shall be settled if and when the Restricted Stock Units vest (but in no event later than two and a half months after the end of the fiscal year in which the Restricted Stock Units vest).

Subject to the provisions of the Plan and the applicable Award Agreement, during the period, if any, set by the Committee, commencing with the date of such Restricted Stock Units for which such vesting restrictions apply and

(ii) until the expiration of such vesting restrictions (the “Restriction Period”), the Participant shall not be permitted to sell, assign, transfer, pledge or otherwise encumber Restricted Stock Units.

The Award Agreement for Restricted Stock Units shall specify whether, to what extent and on what terms and conditions the applicable Participant shall be entitled to receive current or deferred payments of cash, Common

(iii) Stock or other property corresponding to the dividends payable on the Common Stock (subject to Section 14(e) below).

Except as otherwise set forth in the applicable Award Agreement, upon a Participant’s Termination of Employment for any reason during the Restriction Period, all Restricted Stock Units still subject to restriction shall be forfeited by such Participant; provided, however, that subject to Section 11(b), the Committee shall have the discretion to waive, in whole or in part, any or all remaining restrictions with respect to any or all of such Participant’s

(iv) Restricted Stock Units, provided, however, if any of such Participant’s Restricted Stock Units constitute a “nonqualified deferred compensation plan” within the meaning of Section 409A of the Code, settlement of such Restricted Stock Units shall not occur until the earliest of (1) the date such Restricted Stock Units would otherwise be settled pursuant to the terms of the Award Agreement or (2) the Participant’s “separation of service” within the meaning of Section 409A of the Code.

## Section 8. Other Stock-Based Awards

Other Awards of Common Stock and other Awards that are valued in whole or in part by reference to, or are otherwise based upon or settled in, Common Stock, including (without limitation), unrestricted stock, performance units, dividend equivalents, and convertible debentures, may be granted under the Plan.

## Section 9. Bonus Awards

(a) *Determination of Awards.* The Committee shall determine the total amount of Bonus Awards for each Plan Year or such shorter performance period as the Committee may establish in its sole discretion. Prior to the beginning of the Plan Year or such shorter performance period as the Committee may establish in its sole discretion (or such later date as may be prescribed by the Internal Revenue Service under Section 162(m) of the Code), the Committee shall establish Performance Goals for Bonus Awards for the Plan Year or such shorter period; *provided*, that such Performance Goals may be established at a later date for Participants who are not “covered employees” (within the meaning of Section 162(m)(3) of the Code). Bonus amounts payable to any individual Participant with respect to a Plan Year will be limited to a maximum of \$10 million. For performance periods that are shorter than a Plan Year, such \$10 million maximum may be prorated if so determined by the Committee.

Annex A-13

(b) *Payment of Awards.* Bonus Awards under the Plan shall be paid in cash or in shares of Common Stock (valued at Fair Market Value as of the date of payment) as determined by the Committee, as soon as practicable following the close of the Plan Year or such shorter performance period as the Committee may establish. Bonus Awards under the Plan that are paid in shares of Common Stock shall count against the limits set forth in Sections 3(a) and (b) of the Plan. It is intended that a Bonus Award will be paid no later than the fifteenth (15th) day of the third month following the later of: (i) the end of the Participant's taxable year in which the requirements for such Bonus Award have been satisfied by the Participant or (ii) the end of the Company's fiscal year in which the requirements for such Bonus Award have been satisfied by the Participant. The Committee may at its option establish procedures pursuant to which Participants are permitted to defer the receipt of Bonus Awards payable hereunder. The Bonus Award for any Plan Year or such shorter performance period to any Participant may be reduced or eliminated by the Committee in its discretion.

#### Section 10. Change in Control Provisions

(a) *Adjusted Awards.* With respect to all Adjusted Awards, subject to Sections 3(d), 3(e), 10(e) and 14(k) unless otherwise provided in the applicable Award Agreement, notwithstanding any other provision of this Plan to the contrary, upon a Participant's Termination of Employment, during the two-year period following a Change in Control, by the Company other than for Cause or Disability or by the Participant for Good Reason (as defined below):

Any Options outstanding as of such Termination of Employment which were outstanding as of the date of such Change in Control (and were not cancelled, substituted, assumed or replaced in connection with such Change in Control) shall be fully exercisable and vested and shall remain exercisable until the later of (i) the last date on which such Option would be exercisable in the absence of this Section 10(a) and (ii) the first anniversary of such Change in Control, but in no event later than the expiration of the Term of such Option;

(ii) The restrictions and deferral limitations applicable to any Restricted Stock shall lapse, and such Restricted Stock outstanding as of such Termination of Employment which were outstanding as of the date of such Change in Control shall become free of all restrictions and become fully vested and transferable; and

All Restricted Stock Units outstanding as of such Termination of Employment which were outstanding as of the date of such Change in Control shall be considered to be earned and payable in full, and any restrictions shall lapse and such Restricted Stock Units shall be settled as promptly as is practicable in the form set forth in the applicable Award Agreement; provided, however, that with respect to any Restricted Stock Unit that constitutes a "nonqualified deferred compensation plan" within the meaning of Section 409A of the Code, the settlement of each (iii) such Restricted Stock Unit pursuant to this Section 10(a)(iii) shall not occur until the earliest of (1) the Change in Control if such Change in Control constitutes a "change in the ownership of the corporation," a "change in effective control of the corporation" or a "change in the ownership of a substantial portion of the assets of the corporation," within the meaning of Section 409A(a)(2)(A)(v) of the Code, (2) the date such Restricted Stock Units would otherwise be settled pursuant to the terms of the Award Agreement and (3) the Participant's "separation of service" within the meaning of Section 409A of the Code, subject in all cases to Section 14(k).

(b) *Impact of Event on Awards other than Adjusted Awards.* Subject to paragraph (e) of this Section 10, and paragraph (d) of Section 12, unless otherwise provided in any applicable Award Agreement and except as otherwise provided in paragraph (a) of this Section 10, in connection with a Change of Control, the Committee may make such adjustments and/or settlements of outstanding Awards as it deems appropriate and consistent with the Plan's purposes, including, without limitation, the termination of and/or acceleration of vesting of Awards either upon a Change of Control or upon various terminations of employment following a Change of Control. The Committee may provide for such adjustments as a term of the Award or may make such adjustments following the granting of the Award.

Annex A-14

(c) *Definition of Change in Control.* For purposes of the Plan, unless otherwise provided in an option agreement or other agreement relating to an Award, a “Change in Control” shall mean the happening of any of the following events:

The acquisition by any individual, entity or Group (a “Person”), other than the Company, of Beneficial Ownership of equity securities of the Company representing more than 50% of the voting power of the then outstanding equity securities of the Company entitled to vote generally in the election of directors (the “Outstanding Company Voting Securities”); provided, however, that any acquisition that would constitute a Change in Control under this subsection (i) that is also a Business Combination shall be determined exclusively under subsection (iii) below; or

Individuals who, as of the Effective Date, constitute the Board (the “Incumbent Directors”) cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the Effective Date, whose election, or nomination for election by the Company’s stockholders, was approved by a vote of at least a majority of the Incumbent Directors at such time shall become an Incumbent Director, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board; or

Consummation of a reorganization, merger, consolidation, sale or other disposition of all or substantially all of the assets of the Company, the purchase of assets or stock of another entity, or other similar corporate transaction (a “Business Combination”), in each case, unless immediately following such Business Combination, (A) more than 50% of the Resulting Voting Power shall reside in Outstanding Company Voting Securities retained by the Company’s stockholders in the Business Combination and/or voting securities received by such stockholders in the Business Combination on account of Outstanding Company Voting Securities, and (B) at least a majority of the members of the board of directors (or equivalent governing body, if applicable) of the entity resulting from such Business Combination were Incumbent Directors at the time of the initial agreement, or action of the Board, providing for such Business Combination; or

(iv) Consummation of a complete liquidation or dissolution of the Company.

Notwithstanding the foregoing, the Separation shall not constitute a Change in Control. For the avoidance of doubt, with respect to Adjusted Awards, any reference in an Award Agreement or the applicable IAC Long Term Incentive Plan to a “change in control,” “change of control” or similar definition shall be deemed to refer to a Change of Control hereunder.

(d) For purposes of this Section 10, “Good Reason” means (i) “Good Reason” as defined in any Individual Agreement or Award Agreement to which the applicable Participant is a party, or (ii) if there is no such Individual Agreement or if it does not define Good Reason, without the Participant’s prior written consent: (A) a material reduction in the Participant’s rate of annual base salary from the rate of annual base salary in effect for such Participant immediately prior to the Change in Control, (B) a relocation of the Participant’s principal place of business more than

35 miles from the city in which such Participant's principal place of business was located immediately prior to the Change in Control or (C) a material and demonstrable adverse change in the nature and scope of the Participant's duties from those in effect immediately prior to the Change in Control. In order to invoke a Termination of Employment for Good Reason, a Participant shall provide written notice to the Company of the existence of one or more of the conditions described in clauses (A) through (C) within 90 days following the Participant's knowledge of the initial existence of such condition or conditions, and the Company shall have 30 days following receipt of such written notice (the "*Cure Period*") during which it may remedy the condition. In the event that the Company fails to remedy the condition constituting Good Reason during the Cure Period, the Participant must terminate employment, if at all, within 90 days following the Cure Period in order for such Termination of Employment to constitute a Termination of Employment for Good Reason.

Annex A-15

(e) Notwithstanding the foregoing, if any Award is subject to Section 409A of the Code, this Section 10 shall be applicable only to the extent specifically provided in the Award Agreement and as permitted pursuant to Section 14(k).

#### Section 11. Qualified Performance-Based Awards; Section 16(b)

(a) The provisions of this Plan are intended to ensure that all Options and Stock Appreciation Rights granted hereunder to any Participant who is or may be a “covered employee” (within the meaning of Section 162(m)(3) of the Code) in the tax year in which such Option or Stock Appreciation Right is expected to be deductible to the Company qualify for the Section 162(m) Exemption, and all such Awards shall therefore be considered Qualified Performance-Based Awards and this Plan shall be interpreted and operated consistent with that intention (including, without limitation, to require that all such Awards be granted by a committee composed solely of two or more members who satisfy the requirements for being “outside directors” for purposes of the Section 162(m) Exemption (“*Outside Directors*”)). When granting any Award other than an Option or Stock Appreciation Right, the Committee may designate such Award as a Qualified Performance-Based Award, based upon a determination that (i) the recipient is or may be a “covered employee” (within the meaning of Section 162(m)(3) of the Code) with respect to such Award, and (ii) the Committee wishes such Award to qualify for the Section 162(m) Exemption, and the terms of any such Award (and of the grant thereof) shall be consistent with such designation (including, without limitation, that all such Awards be granted by a committee composed solely of Outside Directors).

(b) Each Qualified Performance-Based Award (other than an Option or Stock Appreciation Right) shall be earned, vested and payable (as applicable) only upon the achievement of one or more Performance Goals (as certified in writing by the Committee) except if compensation is attributable solely to the increase in the value of the Common Stock, (but in no event shall such Award be payable later than two and a half months after the end of the Company’s fiscal year in which the Qualified Performance-Based Award becomes earned and vested (as applicable), together with the satisfaction of any other conditions, such as continued employment, as the Committee may determine to be appropriate, and no Qualified Performance-Based Award may be amended, nor may the Committee exercise any discretionary authority it may otherwise have under this Plan with respect to a Qualified Performance-Based Award under this Plan, in any manner that would cause the Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption; *provided, however*, that (i) the Committee may provide, either in connection with the grant of the applicable Award or by amendment thereafter, that achievement of such Performance Goals will be waived upon the death or Disability of the Participant or under any other circumstance with respect to which the existence of such possible waiver will not cause the Award to fail to qualify for the Section 162(m) Exemption as of the Grant Date, and (ii) the provisions of Section 10 shall apply notwithstanding this Section 11(b).

(c) The full Board shall not be permitted to exercise authority granted to the Committee to the extent that the grant or exercise of such authority would cause an Award designated as a Qualified Performance-Based Award not to qualify for, or to cease to qualify for, the Section 162(m) Exemption.

(d) The provisions of this Plan are intended to ensure that no transaction under the Plan is subject to (and not exempt from) the short-swing recovery rules of Section 16(b) of the Exchange Act (“*Section 16(b)*”). Accordingly, the composition of the Committee shall be subject to such limitations as the Board deems appropriate to permit transactions pursuant to this Plan to be exempt (pursuant to Rule 16b-3 promulgated under the Exchange Act) from Section 16(b), and no delegation of authority by the Committee shall be permitted if such delegation would cause any such transaction to be subject to (and not exempt from) Section 16(b).

## Section 12. Term, Amendment and Termination

(a) *Effectiveness.* The Plan was effective as of August 20, 2008 (the “*Effective Date*”).

(b) *Termination.* The Plan will terminate on August 20, 2018 and may be terminated on any earlier date pursuant to Section 12(c). Awards outstanding as of such termination date shall not be affected or impaired by the termination of the Plan.

Annex A-16

(c) *Amendment of Plan.* The Board may amend, alter, or discontinue the Plan, but no amendment, alteration or discontinuation shall be made which would materially impair the rights of the Participant with respect to a previously granted Award without such Participant's consent, except such an amendment made to comply with applicable law, including without limitation Section 409A of the Code, stock exchange rules or accounting rules. In addition, no such amendment shall be made without the approval of the Company's stockholders to the extent such approval is required by applicable law or the listing standards of the Applicable Exchange.

(d) *Amendment of Awards.* Subject to Section 5(d), the Committee may unilaterally amend the terms of any Award theretofore granted, but no such amendment shall cause a Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption or without the Participant's consent materially impair the rights of any Participant with respect to an Award, except such an amendment made to cause the Plan or Award to comply with applicable law, stock exchange rules or accounting rules.

#### Section 13. Unfunded Status of Plan

It is presently intended that the Plan constitute an "unfunded" plan for incentive and deferred compensation. Solely to the extent permitted under Section 409A, the Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Common Stock or make payments; *provided, however*, that the existence of such trusts or other arrangements is consistent with the "unfunded" status of the Plan. Notwithstanding any other provision of this Plan to the contrary, with respect to any Award that constitutes a "nonqualified deferred compensation plan" within the meaning of Section 409A of the Code, no trust shall be funded with respect to any such Award if such funding would result in taxable income to the Participant by reason of Section 409A(b) of the Code and in no event shall any such trust assets at any time be located or transferred outside of the United States, within the meaning of Section 409A(b) of the Code.

#### Section 14. General Provisions

(a) *Conditions for Issuance.* The Committee may require each person purchasing or receiving Shares pursuant to an Award to represent to and agree with the Company in writing that such person is acquiring the Shares without a view to the distribution thereof. The certificates for such Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer. Notwithstanding any other provision of the Plan or agreements made pursuant thereto, the Company shall not be required to issue or deliver any certificate or certificates for Shares under the Plan prior to fulfillment of all of the following conditions: (i) listing or approval for listing upon notice of issuance, of such Shares on the Applicable Exchange; (ii) any registration or other qualification of such Shares of the Company under any state or federal law or regulation, or the maintaining in effect of any such registration or other qualification which the Committee shall, in its absolute discretion upon the advice of counsel, deem necessary or advisable; and (iii) obtaining any other consent, approval, or permit from any state or federal governmental agency which the Committee shall, in its absolute discretion after receiving the advice of counsel, determine to be necessary

or advisable.

(b) *Additional Compensation Arrangements.* Nothing contained in the Plan shall prevent the Company or any Subsidiary or Affiliate from adopting other or additional compensation arrangements for its employees.

(c) *No Contract of Employment.* The Plan shall not constitute a contract of employment, and adoption of the Plan shall not confer upon any employee any right to continued employment, nor shall it interfere in any way with the right of the Company or any Subsidiary or Affiliate to terminate the employment of any employee at any time.

(d) *Required Taxes.* No later than the date as of which an amount first becomes includible in the gross income of a Participant for federal, state, local or foreign income or employment or other tax purposes with respect to any Award under the Plan, such Participant shall pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount. If determined by the Company, withholding obligations may be settled with Common Stock, including Common Stock that is part of the Award that gives rise to the withholding requirement. The obligations of the Company under the Plan shall be conditional on such payment or arrangements, and the

Annex A-17

Company and its Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment otherwise due to such Participant. The Committee may establish such procedures as it deems appropriate, including making irrevocable elections, for the settlement of withholding obligations with Common Stock.

(e) *Limitation on Dividend Reinvestment and Dividend Equivalents.* Reinvestment of dividends in additional Restricted Stock at the time of any dividend payment, and the payment of Shares with respect to dividends to Participants holding Awards of Restricted Stock Units, shall only be permissible if sufficient Shares are available under Section 3 for such reinvestment or payment (taking into account then outstanding Awards). In the event that sufficient Shares are not available for such reinvestment or payment, such reinvestment or payment shall be made in the form of a grant of Restricted Stock Units equal in number to the Shares that would have been obtained by such payment or reinvestment, the terms of which Restricted Stock Units shall provide for settlement in cash and for dividend equivalent reinvestment in further Restricted Stock Units on the terms contemplated by this Section 14(e).

(f) *Designation of Death Beneficiary.* The Committee shall establish such procedures as it deems appropriate for a Participant to designate a beneficiary to whom any amounts payable in the event of such Participant's death are to be paid or by whom any rights of such eligible Individual, after such Participant's death, may be exercised.

(g) *Subsidiary Employees.* In the case of a grant of an Award to any employee of a Subsidiary of the Company, the Company may, if the Committee so directs, issue or transfer the Shares, if any, covered by the Award to the Subsidiary, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Subsidiary will transfer the Shares to the employee in accordance with the terms of the Award specified by the Committee pursuant to the provisions of the Plan. All Shares underlying Awards that are forfeited or canceled should revert to the Company.

(h) *Governing Law and Interpretation.* The Plan and (unless otherwise provided in the Award Agreement) all Awards made and actions taken thereunder shall be governed by and construed in accordance with the laws of the State of Delaware, without reference to principles of conflict of laws. The captions of this Plan are not part of the provisions hereof and shall have no force or effect.

(i) *Non-Transferability.* Except as otherwise provided in Section 5(j) or by the Committee, Awards under the Plan are not transferable except by will or by laws of descent and distribution.

(j) *Foreign Employees and Foreign Law Considerations.* The Committee may grant Awards to Eligible Individuals who are foreign nationals, who are located outside the United States or who are not compensated from a payroll maintained in the United States, or who are otherwise subject to (or could cause the Company to be subject to) legal or regulatory provisions of countries or jurisdictions outside the United States, on such terms and conditions

different from those specified in the Plan as may, in the judgment of the Committee, be necessary or desirable to foster and promote achievement of the purposes of the Plan, and, in furtherance of such purposes, the Committee may make such modifications, amendments, procedures, or subplans as may be necessary or advisable to comply with such legal or regulatory provisions.

(k) *Section 409A of the Code.* It is the intention of the Company that no Award shall be “deferred compensation” subject to Section 409A of the Code, unless and to the extent that the Committee specifically determines otherwise as provided in this Section 14(k), and the Plan and the terms and conditions of all Awards shall be interpreted accordingly. Any payment made pursuant to any Award shall be considered a separate payment and not one of a series of payments for purposes of Section 409A of the Code. Notwithstanding any other provision of the Plan or an Award Agreement to the contrary, with respect to any Award that constitutes a “nonqualified deferred compensation plan” subject to Section 409A of the Code and if the Participant is a “specified employee” within the meaning of Section 409A of the Code, any payments (whether in cash, Shares or other property) to be made with respect to the Award on account of such Participant’s Termination of Employment shall be delayed if necessary until the earlier of (A) the first day of the seventh month following the Participant’s Termination of Employment and (B) the Participant’s death. Any such delayed payments shall be made without interest. In no event whatsoever shall the Company be liable for any additional tax, interest or penalties that may be imposed on a Participant by Section 409A of the Code or any damages for failing to comply with Section 409A of the Code.

Annex A-18

(l) *Employee Matters Agreement.* Notwithstanding anything in this Plan to the contrary, to the extent that the terms of this Plan are inconsistent with the terms of an Adjusted Award, the terms of the Adjusted Award shall be governed by the Employee Matters Agreement, the applicable IAC Long-Term Incentive Plan and the award agreement entered into thereunder.

(m) *Suspension or Termination of Awards.* If at any time (including after a notice of exercise has been delivered) the Committee (or the Board), reasonably believes that a Participant has committed an act of Cause (which includes a failure to act), the Committee (or Board) may suspend the Participant's right to exercise any Award (or vesting or settlement of any Award) pending a determination of whether there was in fact an act of Cause. If the Committee (or the Board) determines a Participant has committed an act of Cause, neither the Participant nor his or her estate shall be entitled to exercise any outstanding Award whatsoever and all of Participant's outstanding Awards shall then terminate without consideration. Any determination by the Committee (or the Board) with respect to the foregoing shall be final, conclusive and binding on all interested parties.

(n) *Successor Provision.* Any reference to a statute, rule or regulation, or to a section of a statute, rule or regulation, is a reference to that statute, rule, regulation, or section as amended from time to time, both before and after the Effective Date and including any successor provisions.

(o) *Clawback Policy.* The Company may (i) cause the cancellation of any Award, (ii) require reimbursement of any Award by a Participant and (iii) effect any other right of recoupment of equity or other compensation provided under this Plan or otherwise in accordance with Company policies as may be adopted and/or modified from time to time by the Company and/or applicable law (each, a "Clawback Policy"). In addition, a Participant may be required to repay to the Company certain previously paid compensation, whether provided under this Plan or an Award Agreement or otherwise, in accordance with the Clawback Policy. By accepting an Award, a Participant is also agreeing to be bound by the Company's Clawback Policy which may be amended from time to time by the Company in its discretion (including without limitation to comply with applicable laws or stock exchange requirements) and is further agreeing that all of the Participant's Awards (and/or Adjusted Awards) may be unilaterally amended by the Company to the extent needed to comply with the Clawback Policy.
