(1) The exercise price of this option and the number of underlying shares are the same as those of the ten-year option granted to the reporting person on May 18, 2005, which was cancelled by the issuer on May 23, 2005 at the request of the reporting person because such option would have been required to be assigned to the reporting person's prior employer. There was no promise or other understanding at the time of cancellation of the prior option with respect to the grant of the new option reported herein.

(2) The option was granted under the issuer's 2002 Stock Incentive Plan.

(3) The option is immediately exercisable for any or all of the shares underlying the option. However, any shares purchased under the option will be subject to repurchase by the Issuer, at the lower of the option price paid per share or the fair market value per share, should the reporting person cease service on the Issuer's board of directors prior to vesting in the shares.

(4) The shares subject to the option will vest on July 31, 2007.
