Item 2.03. Creation of a Direct Financial Obligation

On October 17, 2011, AeroGrow International, Inc. (the “Company”) closed on the private sale of \$1,101,476.34 in Series 2011CC 17% secured promissory notes backed by a portion of the Company’s prospective credit card receipts, (the “Credit Card Notes”) and a 1% share of the Company’s prospective monthly sales into the network marketing channel for a period of three years following the Company’s first sale into the network marketing channel (the “MLM Revenue Share”) (collectively, the “Credit Card Offering”). Consideration for the Credit Card Offering comprised \$920,000.00 in cash and the conversion of \$181,476.34 in other obligations of the Company, including \$61,476.34 of deferred compensation owed to executive officers of the Company. After deducting \$27,287.50 of placement agent sales commissions (5% on third-party investors, 3% on Company-referred investors and 0% on investments by officers and directors of the Company) and expenses, net cash proceeds to the Company totaled \$892,712.50. In addition, the Company will be obligated to pay a deferred sales commission to the placement agent equal to 10% of the MLM Revenue Share paid to investors in the Credit Card Offering (with the deferred sales commission reduced to 6% for payments to Company-referred investors and 0% on payments to officers and directors), concurrently with the payment of the MLM Revenue Share.

The Company intends to use the proceeds from the Credit Card Offering to invest in advertising and marketing programs to support its direct-to-consumer business, purchase inventory, provide other general working capital, and pay commissions and expenses related to the private offering. The issuance of the Credit Card Offering was conducted in reliance upon exemptions from registration requirements under the Securities Act of 1933 (the “Securities Act”), including, without limitation, those under Rule 506 of Regulation D (as promulgated under the Securities Act). The Credit Card Offering was offered and sold only to investors who are, or the Company reasonably believed to be, “accredited investors,” as defined in Rule 501(a) of Regulation D under the Securities Act. Because the Credit Card Offering has not been registered under the Securities Act, the securities sold in the Offering are “restricted securities” within the meaning of Rule 144 under the Securities Act, and investors will not be able to sell the securities in the United States absent an effective registration statement or an applicable exemption from registration.

J. Michael Wolfe, the Company’s President and Chief Executive Officer, a Director, and a greater than 10% beneficial owner in the Company, invested \$47,781.07 in the Credit Card Offering. H. MacGregor Clarke, a Director of the Company, its Chief Financial Officer, and a greater than 10% beneficial owner, invested \$24,050.30 in the Credit Card Offering, and John Thompson, the Company’s Senior Vice President of Sales and Marketing, invested \$14,644.97 in the Credit Card Offering. Marsha S. Walker, the spouse of the Company’s Chairman, Jack J. Walker, invested \$200,000 in the Credit Card Offering. Mr. Walker is a greater than 10% beneficial shareholder in the Company.

The Credit Card Notes bear interest at 17% per annum and have a final maturity of October 1, 2012. 20% of the Company’s daily credit card receipts will be held in escrow with First Western Trust Bank under an Escrow and Account Control Agreement to fund bi-weekly payments of principal and interest to the investors in the Credit Card Offering.

The obligation of the Company to repay the Credit Card Notes is severally guaranteed by Mr. Walker (up to \$344,211.36), Mr. Wolfe (up to \$137,684.54) and Mr. Clarke (up to \$68,842.27).
