EXPLANATORY NOTE

This Amendment No. 1 to the Registration Statement on Form S-1 (File No. 333-153133) of Applied DNA Sciences, Inc. is being filed for the purpose of amending “Part II — Information Not Required In Prospectus” in order to, among other things, update “Part II — Item 15. PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 13. OTHER EXPENSES OF ISSUANCE AND DISTRIBUTION.

The following table sets forth an itemization of all estimated expenses, all of which we either have paid or will pay, in connection with the issuance and distribution of the securities being registered:

Nature of Expense	Amount
Registration fee	\$ 104.71
Accounting fees and expenses	\$ 20,000.00*
Legal fees and expenses	\$ 30,000.00*
Miscellaneous	\$ 20,000.00*
TOTAL	\$ 70,104.71*

* Estimated.

ITEM 14. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Our Articles of Incorporation, as amended, provide to the fullest extent permitted by Nevada law, our directors or officers shall not be personally liable to us or our shareholders for damages for breach of such director's or officer's fiduciary duty. The effect of this provision of our Articles of Incorporation, as amended, is to eliminate our right and our shareholders (through shareholders' derivative suits on behalf of our company) to recover damages against a director or officer for breach of the fiduciary duty of care as a director or officer (including breaches resulting from negligent or grossly negligent behavior), except under certain situations defined by statute. We believe that the indemnification provisions in its Articles of Incorporation, as amended, are necessary to attract and retain qualified persons as directors and officers. In addition, we have entered into indemnification agreements with our officers and directors.

Insofar as indemnification for liabilities arising under the Securities Act, as amended, may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

ITEM 15. RECENT SALES OF UNREGISTERED SECURITIES.

In the three years preceding the filing of this registration statement, the registrant has issued the following securities that were not registered under the Securities Act:

In November, 2005, we issued and sold a promissory note in principal amount of \$550,000, and warrants to purchase a total of 5,500,000 shares of our common stock at an exercise price of \$0.50 per share, and paid \$55,000 in cash to VC Arjent for its services as the placement agent for this placement. All principal and accrued but unpaid interest under this note was paid in full shortly after the closing of and from the proceeds of the March 8, 2006 placement. Such issuances were considered exempt from registration by reason of Section 4(2) of the Securities Act.

In November 2005, we issued 806,212 penalty shares pursuant to the registration rights agreement entered into in connection with the private placement in January and February, 2005. Pursuant to such agreement, we were obligated to complete a stock registration by July 2005. Since the registration statement was not effective by July 2005, we paid the required \$257,985 of liquidated damages in shares of Company stock accruing at the rate of 3.5% per month on the face value of the Notes for the month of November 2005. We valued the shares issued at approximately \$0.32 per share for a total of \$257,987. Such issuances were considered exempt from registration by reason of Section 4(2) of the Securities Act.

In December 2005, we issued 1,289,927 penalty shares pursuant to the registration rights agreement entered into in connection with the private placement in January and February, 2005. Pursuant to such agreement, we were obligated to complete a stock registration by July 2005. Since the registration was not effective by July 2005, we paid the required \$257,985 of liquidated damages in shares of Company stock accruing at the rate of 3.5% per month on the face value of the Notes for the month of December 2005. We valued the shares issued at approximately \$0.20 per share for a total of \$257,985. Such issuances were considered exempt from registration by reason of Section 4(2) of the Securities Act.

In December 2005, we issued 40,000 shares of common stock subscribed for cash at \$0.50 per share for a total of \$20,000 pursuant to the terms of a subscription payable. This issuance is considered exempt under Regulation D of the Securities Act and Rule 506 promulgated thereunder.

On March 8, 2006, we completed a private placement offering in which 30 units (the "Units") of our securities were sold, each Unit consisting of (i) a \$50,000 Principal Amount 10% Secured Convertible Promissory Note (the "Notes") and (ii) warrants (the "Warrants") to purchase 100,000 shares of our common stock, or an aggregate of \$1,500,000 in principal amount of Notes and Warrants to purchase 3,000,000 shares of common stock, for aggregate gross proceeds of \$1,500,000. The Units were sold pursuant to Subscription Agreements, by and between each of the purchasers and Applied DNA Operations Management, Inc., our wholly owned subsidiary. This issuance is considered exempt under Regulation S of the Securities Act.

On May 2, 2006, we closed on the first tranche of the Offshore Offering in which we sold 20 units for aggregate gross proceeds of \$1,000,000. On June 15, 2006, we completed the second tranche of the Offshore Offering in which we sold 59 units for aggregate gross proceeds of \$2,950,000. The units being sold consist of (i) a \$50,000 principal amount secured convertible promissory note and (ii) a warrant to purchase 100,000 shares of our common stock at a price of \$0.50 per share. These issuances are considered exempt under Regulation S of the Securities Act.

On June 15, 2006, in connection with a private placement, we issued 10% Secured Convertible Promissory Notes in the aggregate principal amount of \$2,950,000 (the "Serial Notes") and warrants to purchase 5,900,000 shares of the Company's common stock to accredited investors. The Serial Notes bear interest at 10%, mature on August 2, 2007 and are convertible into the Company's common stock, at the holder's option, at fifty cents (\$0.50) per share during the period from the one years from the date of issuance (June 15, 2006) through June 15, 2007.

On July 10, 2006, we issued 2,400,000 shares of common stock in exchange for services rendered. We valued the shares issued at \$0.20 per share for a total of \$480,000, which did not differ materially from the value of the stock issued and represented the fair value of the services received. This issuance is considered exempt under Regulation D of the Securities Act and Rule 506 promulgated thereunder. We claim an exemption from the registration requirements of the Securities Act for the private placement of the units pursuant to Section 4(2) of the Securities Act because each of the securities was made in a sale by the issuer not involving a public offering.

II-2

On December 12, 2006 we issued 180,000 shares of common stock in exchange for our promissory note in principal amount of \$410,429 and accrued interest thereon of \$8,883. We valued the shares issued at \$0.09 per share for a total of \$16,200. This issuance is considered exempt under Section 3(a)(9) of the Securities Act.

On April 23, 2007, we issued and sold a \$100,000 principal amount secured promissory note bearing interest at a rate of 10% per annum and a warrant to purchase 200,000 shares of our common stock to James A. Hayward, a director and the Chief Executive Officer of the Company. We claim an exemption from the registration requirements of the Securities Act for the private placement of the securities pursuant to Section 4(2) of the Securities Act because each of the securities was made in a sale by the issuer not involving a public offering.

On June 27, 2007, we completed a private placement offering (the “Offering”) in which we issued and sold to certain investors an aggregate of 3 units (the “Units”) of our securities, each Unit consisting of (i) a \$50,000 Principal Amount of 10% Secured Convertible Promissory Note (the “Notes”) and (ii) warrants (the “Warrants”) to purchase 100,000 shares of our common stock. Arjent Limited, a registered broker dealer firm, acted as our placement agent in connection with the Offering. We paid Arjent Limited: (a) a commission equal to \$15,000, representing 10% of the Offering proceeds; (b) a 3% non-accountable expense allowance in the amount of \$4,500; and (c) 2% non-accountable due diligence expenses in the amount of \$3,000.

On June 30, 2007, we issued and sold a \$250,000 principal amount secured promissory note bearing interest at a rate of 10% per annum and a warrant to purchase 500,000 shares of our common stock to James A. Hayward, a director, the Chairman of the Board of Directors, our President and Chief Executive Officer. ITEM 17. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

4. That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the provisions above, or otherwise, we have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities, other than the payment by us of expenses incurred

or paid by one of our directors, officers, or controlling persons in the successful defense of any action, suit or proceeding, is asserted by one of our directors, officers, or controlling persons in connection with the securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification is against public policy as expressed in the Securities Act, and we will be governed by the final adjudication of such issue.
