BP p.l.c. 2015 Annual General Meeting

The following items of special business were passed at the BP p.l.c. Annual General Meeting held on 16 April 2015:

Resolution 17 - Renewal of the Scrip Dividend Programme

To authorize the directors in accordance with article 142 of the company's existing Articles of Association or, if resolution 23 is passed, in accordance with article 134 of the company's new Articles of Association adopted pursuant to that resolution, to offer the holders of ordinary shares of the company, to the extent and in the manner determined by the directors, the right to elect (in whole or part), to receive new ordinary shares (credited as fully paid) instead of cash, in respect of any dividend as may be declared by the directors from time to time, provided that the authority conferred by this resolution shall expire on the date of the annual general meeting to be held in 2018.

Resolution 18 - Approval of the BP Share Award Plan 2015

To approve and adopt the BP Share Award Plan 2015 ('the plan'), the principal terms of which are summarized in Appendix 2 to the notice of meeting and a copy of the rules of which is produced to the meeting and signed by the chairman for the purposes of identification; and further to authorize the directors to:

- b. establish such further plans for operation outside of the UK based on the rules of the plan with such modifications as may be necessary or desirable to take into account local tax, exchange control or securities law in overseas territories, provided that any shares made available under such plans are treated as counting towards the limits on individual and overall participation in the plan.

Resolution 23 - Special resolution: Articles of Association

To adopt as the new Articles of Association of the company, the Articles of Association set out in the document produced to the meeting and, for the purposes of identification, signed by the chairman, so that the new Articles of Association apply in substitution for and to the exclusion of the company's existing Articles of Association.

"Special resolution - strategic resilience for 2035 and beyond

That in order to address our interest in the longer term success of the Company, given the recognised risks and opportunities associated with climate change, we as shareholders of the Company direct that routine annual reporting from 2016 includes further information about: ongoing operational emissions management; asset portfolio resilience to the International Energy Agency's (IEA's) scenarios; low-carbon energy research and development (R&D) and investment strategies; relevant strategic key performance indicators (KPIs) and executive incentives; and public policy positions relating to climate change.
