PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

The accompanying proxy is solicited by the Board of Trustees of Accredited Mortgage Loan REIT Trust, a Maryland real estate investment trust (the "REIT"), for use at our annual meeting of shareholders to be held on June 8, 2006, or any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This proxy statement and the enclosed proxy are being mailed to shareholders on or about May 5, 2006.

A copy of our 2005 Annual Report on Form 10-K accompanies this proxy statement. Please refer to our 2005 Form 10-K for information about our financial performance in 2005. In addition, the Annual Report on Form 10-K of Accredited Home Lenders Holding Co. ("Accredited"), our indirect corporate parent and the guarantor with respect to payments on our outstanding preferred shares, also accompanies this proxy statement. Copies of the exhibits filed with our Annual Report on Form 10-K and the Annual Report on Form 10-K of Accredited will be provided upon written request to Investor Relations, 15090 Avenue of Science, San Diego, California 92108.

SOLICITATION AND VOTING

Voting Securities. Only holders of record as of the close of business on April 21, 2006 of our outstanding common shares and our outstanding 9.75% Series A Perpetual Cumulative Preferred Shares will be entitled to vote at the meeting and any adjournment thereof. As of that time, we had 100,000 common shares outstanding and 4,093,678 shares of our Series A Perpetual Cumulative Preferred Shares outstanding, all of which are entitled to vote with respect to all matters to be acted upon at the annual meeting. However, the voting power of these holders differs, as described in the next paragraph.

Our amended and restated Declaration of Trust, as supplemented by the articles supplementary thereto relating to our Series A Perpetual Cumulative Preferred Shares (collectively, the "Declaration of Trust"), provide, that, unless otherwise provided in the terms of a particular class or series of preferred shares, holders of all outstanding shares of any class or series of our preferred shares are entitled to vote as a single class with the holders of our common shares on all matters submitted to our shareholders generally for a vote ("Voting Preferred Shares"). The Declaration of Trust further provides that each Voting Preferred Share shall have a number of votes per share such that, in the aggregate, the Voting Preferred Shares have 15% of the total voting power of all classes or series of our shares of beneficial interest entitled to vote on any matter, which votes are to be allocated among all outstanding Voting Preferred Shares in proportion to their liquidation preference. We currently have no outstanding Voting Preferred Shares other than our outstanding Series A Perpetual Cumulative Preferred Shares.

As a result of the foregoing provisions of our Declaration of Trust, voting power with respect to our common shares and the Series A Perpetual Cumulative Preferred Shares is as follows:

Common Shares. Each common shareholder of record as of the record date is entitled to one vote for each common share held by him, her or it, and the holders of our common shares control in the aggregate 85% of the total voting power entitled to vote at the annual meeting on any matter.

Series A Perpetual Cumulative Preferred Shares. Each holder of record of our Series A Perpetual Cumulative Preferred Shares as of the record date is entitled to approximately 0.00431 of one vote for each share of Series A Perpetual Cumulative Preferred Shares held by him, her or it, and the holders of our Series A Perpetual Cumulative Preferred Shares control in the aggregate 15% of the total voting power entitled to vote at the annual meeting on any matter.

Accredited Home Lenders, Inc. ("AHL"), a wholly-owned subsidiary of Accredited and our direct corporate parent, owns all of our outstanding common shares. As a result, AHL controls 85% of the total

Table of Contents

voting power with respect to shares of our beneficial interest entitled to vote at the annual meeting on any matter and will have the power to approve each proposal to be voted on by our shareholders at our annual meeting regardless of how holders of our Series A Perpetual Cumulative Preferred Shares vote.

Our Bylaws provide that the presence in person or by proxy of shareholders entitled to cast a majority of all votes entitled to be cast at our annual meeting on any matter shall constitute a quorum for the transaction of business at the meeting. Votes for and against a proposal, abstentions and broker non-votes will each be counted as shares present for purposes of determining the presence of a quorum.

Broker Non-Votes. A broker non-vote occurs when a broker submits a proxy card with respect to shares held in a fiduciary capacity (typically referred to as being held in street name) but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Routine matters include the election of trustees, increases in authorized common shares or preferred shares for general corporate purposes and ratification of auditors. Non-routine matters include amendments to stock plans.

Solicitation of Proxies. We will bear the cost of soliciting proxies. In addition to soliciting shareholders by mail through employees (which may also include employees of Accredited), we will request banks, brokers and other custodians, nominees and fiduciaries to solicit customers for whom they hold our shares and will reimburse them for their reasonable, out-of-pocket costs. We may use the services of our officers, trustees and others to solicit proxies, personally or by telephone, without additional compensation. In addition, we have retained Morrow & Co., Inc., a proxy solicitation firm, for assistance in connection with the annual meeting at a cost of approximately \$1,000 plus reasonable out-of-pocket expenses.

Voting of Proxies. All valid proxies received before the meeting will be exercised. All shares represented by a proxy will be voted, and where a proxy specifies a shareholder's choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If no choice is indicated on the proxy, the shares will be voted for each of the proposals. A shareholder giving a proxy has the power to revoke his or her proxy at any time before it is exercised by delivering to the Secretary of Accredited Mortgage Loan REIT Trust a written instrument revoking the proxy or a duly executed proxy with a later date, or by attending the meeting and voting in person.

Table of Contents**PROPOSAL NO. 1****ELECTION OF TRUSTEES**

Our Board of Trustees is elected at each annual meeting of shareholders for a one-year term. Our trustees determine the number of trustees, but it cannot be less than the minimum number required by the Maryland REIT law, nor more than fifteen. The number of trustees is currently fixed at seven. Effective as of July 15, 2005, Ray W. McKewon retired as Executive Vice President, Secretary and a trustee of the REIT. The Board of Trustees subsequently reduced the number of trustees to seven. James A. Konrath, Joseph J. Lydon, James H. Berglund, Gary M. Erickson, Bowers W. Espy, Jody A. Gunderson and Richard T. Pratt are being nominated to serve as trustees until the 2007 annual meeting of our shareholders and until their successors are elected and qualify. If any of the nominees declines to serve or becomes unavailable for any reason, the proxies may be voted for such substitute nominees as our Board of Trustees may designate.

If a quorum is present, the nominees receiving a plurality of all the votes cast at the meeting will be elected as trustees. Each share may be voted for up to all of the seven individuals nominated for the seven trustee positions; however, no cumulative voting is permitted. Abstentions and broker non-votes have no effect on the result of the vote; however, abstentions and broker non-votes will be counted as shares present for purposes of determining the presence of a quorum.

The Board of Trustees recommends a vote FOR the nominees named above.

All of the nominees are currently trustees. The following table sets forth, for our seven nominees to be elected at this meeting, information with respect to their ages and background.

Independent Trustee Approval; Applicability of New York Stock Exchange Corporate Governance Rules

The Articles Supplementary establishing our Series A Perpetual Cumulative Preferred Shares require that, as long as any Series A Perpetual Cumulative Preferred Shares are outstanding, certain actions are required to be approved by a majority of our independent trustees (as defined in the Articles Supplementary). James H. Berglund, Gary M. Erickson, Bowers W. Espy, Jody A. Gunderson and Richard T. Pratt are our current independent trustees for this purpose. In order to be considered independent under the Articles Supplementary, a trustee must not be a current officer or employee of us or a current officer or employee of Accredited or of any affiliate of Accredited. The following actions are the only actions that require approval of a majority of the independent trustees under the Articles Supplementary:

the issuance of additional preferred shares ranking on parity with our Series A Perpetual Cumulative Preferred Shares;

the redemption of any of our common shares;

any dissolution, liquidation or termination of the REIT prior to September 30, 2009; and

the determination to revoke the REIT's real estate investment trust status.

In accordance with New York Stock Exchange rules relating to issuers who list only preferred securities, we are not subject to many of the New York Stock Exchange corporate governance rules applicable to issuers having publicly traded common equity securities. Accredited, whose common stock is traded on the NASDAQ National Market, is subject to NASDAQ's corporate governance standards.

Board Meetings and Committees

We maintain an audit committee. We currently do not have standing nominating and compensation committees of the Board of Trustees, as permitted under the New York Stock Exchange corporate governance rules relating to issuers who list only preferred securities. Every trustee on the Board participates in the consideration of trustee nominations.

Table of Contents

The Board held four meetings during the fiscal year ended December 31, 2005. During the last fiscal year, no trustee attended fewer than 75% of the total number of meetings of the Board and, for those trustees on the Audit Committee, meetings of the audit committee. All of our trustees, with the exception of Mr. Espy, attended the 2005 annual meeting of shareholders.

Audit Committee. The members of the Audit Committee during fiscal 2005 were Ms. Gunderson, Mr. Espy and Dr. Pratt. The Audit Committee acts pursuant to a written charter adopted by the Board of Trustees. A copy of the written charter of our Audit Committee, as adopted by our Board of Trustees, is attached to this proxy statement as Appendix A. The functions of the Audit Committee include retaining our independent registered public accounting firm, reviewing their independence, reviewing and approving the planned scope of our annual audit, reviewing and approving any fee arrangements with our auditors, overseeing their audit work, reviewing and pre-approving any non-audit services that may be performed by them, reviewing the adequacy of accounting and financial controls, reviewing our critical accounting policies and reviewing and approving any related party transactions. The Board has determined that Ms. Gunderson is an audit committee financial expert, as defined in the rules of the Securities and Exchange Commission (the "SEC") due to her professional experience described above. The Audit Committee held eleven meetings during the 2005 fiscal year. Because our only outstanding publicly-traded securities are our Series A Perpetual Cumulative Preferred Shares, which are listed on the New York Stock Exchange, the members of our audit committee are not required to meet the independence standards imposed by the New York Stock Exchange in respect of issuers with listed common stock (other than the requirement that each of the members of the Audit Committee satisfies the applicable requirements of Rule 10A-3 under the Securities Exchange Act of 1934). Each of the members of the Audit Committee satisfies applicable independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934. Each of the members of our audit committee also serves on the audit committee of Accredited, whose common stock is traded on the NASDAQ National Market, and is considered independent with respect to Accredited as defined by NASDAQ rules.

Trustee Nominations

In accordance with our Declaration of Trust and bylaws, any shareholder may nominate individuals for election to the Board of Trustees by submitting a timely notice setting forth the following information for each individual the shareholder proposes to nominate for election to the Board of Trustees:

the name, age, business address and residence address of such individual;

the class, series and number of any shares of beneficial interest of the REIT that are beneficially owned by such individual;

the date such shares were acquired and the investment intent of such acquisition; and

all other information relating to such individual that is required to be disclosed in solicitations of proxies for election of Trustees in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Securities Exchange Act of 1934 and the rules thereunder (including such individual's written consent to being named in the proxy statement as a nominee and to serving as a Trustee if elected).

To be timely, a shareholder's notice of nomination for election to the Board of Trustees must be delivered as described under the caption "Shareholder Proposals to be Presented at Next Annual Meeting" below.

Subject to satisfaction of all applicable legal requirements, there are no stated minimum criteria for trustee nominees. It is preferable that at least one member of the Board meet the criteria for an audit committee financial expert as defined by SEC rules, that the audit committee be comprised of trustees meeting the applicable independence requirements of Rule 10A-3 of the Securities Exchange Act and that the Board composition otherwise meet applicable SEC and New York Stock Exchange requirements. We believe it is also appropriate for certain key members of the REIT's management to participate as members of the Board.

Communications with Trustees

Shareholders who wish to communicate with our Trustees may do so by following the process applicable to stockholders of Accredited. For information concerning Accredited's policy on shareholder communications, shareholders may visit Accredited's website at www.accredhome.com and select "Corporate Governance" under the Investors/Shareholders link.

Other Corporate Governance Matters

We have not adopted a code of ethics for employees and directors. We have not done so because all of our executive officers are also executive officers of Accredited, and Accredited has a code of ethics for employees and directors. The code, which applies to Accredited's directors and employees, including Accredited's Chief Executive Officer, Chief Financial Officer and Principal Accounting Officer, includes guidelines relating to the ethical handling of actual or potential conflicts of interest, compliance with laws, accurate financial reporting, and procedures for promoting compliance with, and reporting violations of, the code. The code of ethics for employees and directors is available on Accredited's website at www.accredhome.com under the tab "Investors/Shareholders" and then under the heading "Corporate Governance" "Code of Ethics", and is available in print to any shareholder who requests it by contacting Investor Relations, 15090 Avenue of Science, San Diego, California 92108. Accredited has advised us that it intends to post any amendments to or waivers of its code of ethics for employees and directors (to the extent applicable to Accredited's Chief Executive Officer, Chief Financial Officer or Principal Accounting Officer) at this location on its website.

Table of Contents**PROPOSAL NO. 2****RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

Grant Thornton LLP (Grant Thornton) has been the REIT's independent registered public accounting firm since June 2005 and has been selected by the Audit Committee of the Board of Trustees as the REIT's independent registered public accounting firm for the fiscal year ending December 31, 2006. Although the REIT is not required to seek shareholder approval of this appointment, the Board of Trustees believes it to be sound corporate governance to do so. In the event that the shareholders fail to ratify the appointment, the Audit Committee will investigate the reasons for shareholder rejection and will reconsider the appointment. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent auditing firm during the year if the Audit Committee believes that such a change would be in the best interests of the REIT and its shareholders. A representative of Grant Thornton is expected to be present at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

On June 14, 2005, we engaged Grant Thornton to serve as our independent registered public accounting firm for the 2005 fiscal year. On that same date, we dismissed our former independent registered public accounting firm, Deloitte & Touche LLP (Deloitte). The decision to change accounting firms was approved by our Audit Committee.

Deloitte's audit reports on our financial statements as of December 31, 2004 and for the period inception (May 4, 2004) through December 31, 2004 did not contain an adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope, or accounting principles.

In the period inception (May 4, 2004) through December 31, 2004, and from January 1, 2005 through the date of Deloitte's dismissal, there were no disagreements between the REIT and Deloitte on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Deloitte's satisfaction, would have caused Deloitte to make reference to the subject matter of the disagreement in connection with its opinion on the REIT's financial statements for such period, and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

Prior to engaging Grant Thornton, the REIT did not consult with Grant Thornton regarding (i) the application of accounting principles to a specified transaction, (ii) the type of audit opinion that might be rendered by Grant Thornton, or (iii) any matter that was either the subject of a disagreement as defined in Item 304(a)(1)(iv) of Regulation S-K or a reportable event as defined in Item 304(a)(1)(v) of Regulation S-K.

The following table sets forth the aggregate fees billed to Accredited Home Lenders Holding Co., the REIT's indirect parent, for the fiscal year ended December 31, 2005 by Grant Thornton and the fiscal years ended December 31, 2005 and December 31, 2004 by its prior auditors, Deloitte & Touche LLP:

- (2) *Audit-Related Fees* consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of Accredited's consolidated financial statements and are not reported under "Audit Fees." This category includes miscellaneous audit-related inquiries throughout the fiscal year.
 - (3) *Tax Fees* consist of fees billed for professional services rendered for tax compliance, tax advice and tax planning. These services include assistance regarding federal and state tax compliance, tax audits and miscellaneous tax questions throughout the fiscal year. The amount reflected under the heading "Fiscal 2005" in the table above consists entirely of fees billed by Deloitte & Touche LLP.
 - (4) *All Other Fees* consist of fees for products and services other than the services reported above. The amount reflected under the heading "Fiscal 2005" above consists entirely of fees billed by Deloitte & Touche LLP.

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with pre-approvals. The chair of the Audit Committee is also authorized, pursuant to delegated authority, to pre-approve additional services on a case-by-case basis, and such approvals communicated to the full Audit Committee at its next meeting. The Audit Committee approved 100% of the services described in the table above. To our knowledge, none of the hours spent by Deloitte on auditing Accredited's financial statements 2005 were attributed to work performed by persons that were not full-time, permanent employees of Deloitte. To our knowledge, none of the hours spent by Grant Thornton on auditing Accredited's financial statements for 2005 were attributed to work performed by persons that were not full-time, permanent employees of Grant Thornton.

Vote Required and Board of Trustees Recommendation

If a quorum is present, approval of this proposal requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum but will not have any effect on the outcome of the proposal.

The Board of Trustees recommends a vote FOR the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006.

Table of Contents**EXECUTIVE COMPENSATION AND OTHER MATTERS**

None of our executive officers, James A. Konrath, Joseph J. Lydon, Stuart D. Marvin, John S. Buchanan and David E. Hertz, receive any compensation from us for serving as our executive officers. Messrs. Konrath, Lydon, Marvin, Buchanan and Hertz are also executive officers of Accredited, which pays all of their compensation. The following table sets forth, for the fiscal years ended December 13, 2005, 2004, and 2003 all compensation earned for services rendered in all capacities by the Chief Executive Officer and each of the other top four executive officers of Accredited whose salary and bonus exceeded \$100,000 in 2005. These five officers are referred to as the Accredited named executive officers. Mr. McKewon resigned as Director, Executive Vice President and Secretary of Accredited in July of 2005. No other individual who would otherwise have been includable in such table has resigned or otherwise terminated employment with Accredited during 2005. The compensation table excludes other compensation in the form of perquisites and other personal benefits that constitute the lesser of \$50,000 or 10% of the total annual salary and bonus earned by each of the Accredited named executive officers in 2005, 2004 and 2003. In addition, the compensation described in this table does not include medical, group life insurance or other benefits which are available generally to all of Accredited's salaried employees.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

The employment of our executive officers is at will. Neither the REIT nor Accredited has entered into employment agreements with any of our executive officers, except as described in the following two paragraphs.

Pursuant to a letter from Accredited to Mr. Lydon dated August 1, 2001, Accredited agreed to pay Mr. Lydon supplemental compensation payments of \$238,000 on August 1, 2002 and on each August 1 thereafter through August 1, 2005. See also Certain Relationships and Related Transactions.

On April 6, 2005, Accredited announced the appointment of Stuart D. Marvin as Executive Vice President in charge of finance, capital markets and corporate communications. Accredited has entered into an executive employment agreement with Mr. Marvin effective as of April 11, 2005. Pursuant to the terms of that agreement, Mr. Marvin was initially paid a base salary of \$425,000 per year. Mr. Marvin was also paid an initial cash bonus of \$250,000 on May 1, 2005. Mr. Marvin was granted, as a material inducement to his employment with Accredited, two restricted stock awards of 14,240 shares each, on April 15, 2005. The shares underlying the first award shall become vested in an amount equal to 50% of the award on April 15, 2007, with an additional 25% vesting on each of April 15, 2008 and April 15, 2009. The shares underlying the second award shall become vested in an amount equal to 50% of the award on February 15, 2008, with an additional 25% vesting on each of February 15, 2009 and February 15, 2010. Mr. Marvin also received a gross-up in respect of the stock grants in an amount sufficient to cover the federal and state income tax associated with each grant as necessary to reflect Mr. Marvin's election under Section 83(b) of the Internal Revenue Code of 1986, as amended. Additionally, Mr. Marvin is eligible to participate in Accredited's Long-Term Performance Plan (LTTP). The LTTP provides for both cash and stock compensation awards. During 2005, Mr. Marvin was eligible to participate in Accredited's 2005 Management Incentive Plan, specifically the Executive Management component (Executive Plan), and he received a cash bonus under that plan equal to \$781,250 (including his \$250,000 signing bonus), of which \$400,000 was guaranteed. At the time Accredited's Compensation Committee designated the participants in the LTTP, it removed all participants from inclusion in the 2006 Incentive Compensation Plan for Executive Management, except to the extent of Mr. Marvin's minimum guaranteed cash bonus of \$100,000 in each of 2006 and 2007.

Table of Contents

During 2005, Mr. Marvin was also eligible for stock awards under Accredited's Executive Plan, provided that his participation in the stock component, if any, was limited to the extent the determined bonus exceeded the floor value of \$1,000,000 (which is equal to the value of the two restricted stock awards already provided to Mr. Marvin). In addition, Mr. Marvin received an initial grant of 80,000 stock options to acquire shares of Accredited's common stock, with an exercise price equal to the fair market value of Accredited's common stock on the date of grant. These options are subject to such other standard terms and conditions as all other stock options granted to executive management and are evidenced by Accredited's standard form of executive stock option agreement. Mr. Marvin will not receive any compensation from the REIT.

Compensation of Trustees

During 2005, our non-employee trustees did not receive compensation for serving on our Board or our audit committee. Our non-employee trustees are also directors of Accredited and receive compensation for attending Accredited Board and committee meetings. During 2005, Accredited's non-employee directors received \$1,500 for each meeting of Accredited's Board they attended and an annual retainer of \$25,000, paid quarterly in arrears. In addition, Accredited's non-employee directors received \$1,000 for each Accredited committee meeting they attended; the chairpersons of the Accredited Compensation Committee and Nominating & Corporate Governance Committee each received an additional \$1,000 per meeting attended, and the chairperson of Accredited's Audit Committee received an additional \$2,000 per meeting attended. Effective January 27, 2005, compensation for each of Accredited's non-employee director Audit Committee members was increased to \$2,000 per meeting attended, and compensation for the chairperson of the Audit Committee was increased to \$4,000 per meeting attended.

Effective January 1, 2004, Accredited's Board elected Mr. Erickson to serve as the Lead Director on Accredited's Board at an additional annual retainer of \$25,000, paid quarterly in arrears. The primary responsibilities of the Accredited's Lead Director include acting as a liaison between Accredited's Board and the Chairman of Accredited's Board; serving as Chairman of Accredited's Board during executive sessions of non-employee directors; and facilitating communications cross-committee and from Accredited employees and stockholders to Accredited's Board. The Accredited Lead Director is nominated and appointed by an Accredited Board resolution.

Each Accredited non-employee director is entitled to receive an annual grant of stock options to purchase 7,500 shares of Accredited's common stock on the date of each annual meeting of stockholders under Accredited's 2002 Stock Option Plan (the "2002 Plan"). As discussed in the following paragraph, however, since March 2004, Accredited has been awarding annual grants of restricted shares in lieu of these annual grants of stock options. The 2002 Plan also provides for an initial, automatic grant of an option ("Initial Option") to purchase 17,500 shares of Accredited's common stock upon a new Accredited non-employee director's election to Accredited's Board. Notwithstanding the foregoing, an Accredited non-employee director granted an Initial Option on, or within a period of six months prior to, the date of an annual meeting of stockholders is not entitled to receive an annual option with respect to that annual stockholders' meeting. Each Initial Option and annual option granted under the 2002 Plan has an exercise price per share equal to the fair market value of a share of Accredited's common stock on the date of grant and a term of ten years. Both the Initial Options and the annual options granted to newly elected or appointed Accredited non-employee directors vest and become exercisable in four substantially equal installments on each of the four anniversaries of the date of grant of the option. All automatic Accredited non-employee director options granted under the 2002 Plan are nonstatutory stock options. They must be exercised, if at all, within 12 months after an Accredited non-employee director's termination of service with Accredited by reason of death or disability and otherwise within three months after termination of service, but in no event later than the expiration of the option's term. In the event of Accredited's merger with another corporation or another change in control event, all automatic Accredited non-employee director options will become fully vested and exercisable.

In response to changing industry practices and competitive pressures in early 2004, Accredited's Board conducted a review of the retention and incentive practices of certain of Accredited's competitors and peers.

Table of Contents

Following that review, Accredited's Board determined that the outside director retention goals of Accredited were better met through an annual grant of restricted shares of Accredited common stock under Accredited's Deferred Compensation Plan (the "DCP") in lieu of the annual grant of options to purchase 7,500 shares of Accredited common stock under the 2002 Plan. Because of the timing of this decision, the annual grants for 2004 provided for by the 2002 Plan were not made. In March 2004, Accredited's Board approved annual grants of restricted shares of Accredited's common stock under the DCP with a dollar value equivalent of \$90,000 for each Accredited non-employee director. For Accredited non-employee directors currently serving on Accredited's Board, the grants will occur annually on February 14, the anniversary of the effective date of Accredited's initial public offering. New Accredited non-employee directors are entitled to receive the restricted share grant on the first, and each subsequent, anniversary of their initial date of joining Accredited's Board. Effective July 27, 2004, Accredited's Board changed the timing of the annual grants for administrative convenience so that each new Accredited non-employee director would receive his or her restricted share grant on the first day of the calendar quarter nearest to that director's anniversary of election or appointment to Accredited's Board. Each restricted share grant vests upon the second anniversary of its date of grant. In order to receive the restricted share grant(s), each Accredited non-employee director is required to sign, and has signed, a waiver of his or her right to receive the annual option grant under the 2002 Plan; however, new Accredited non-employee directors will continue to receive Initial Option, and any Initial Option previously granted under the 2002 Plan will continue to remain outstanding.

Accredited reimburses all non-employee directors for expenses incurred to attend meetings of Accredited's Board or Accredited's committees, promptly after such expense is incurred.

EQUITY COMPENSATION PLAN INFORMATION

We currently do not have any compensation plans that provide for the issuance of our securities to our officers or other employees, trustees and consultants. Accredited does maintain such compensation plans for the benefit of its officers and other employees, directors and consultants.

TRANSFER AGENT AND REGISTRAR

The transfer agent, registrar and dividend disbursement agent for our Series A Perpetual Cumulative Preferred Shares is Mellon Investor Services LLC. Mellon Investor Services LLC is located at 400 South Hope Street Fourth Floor, Los Angeles, CA 90071.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since January 2005, there has been no transaction to which we were a party in which the amount involved exceeded \$60,000 and in which any trustee, executive officer, holder of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons had a direct or indirect material interest, other than the compensation agreements, including stock option agreements, and other agreements and transactions which are described in this proxy statement.

Transactions with Accredited and AHL

Accredited and AHL, our direct corporate parent, may have interests which are not identical to ours. Consequently, conflicts of interest may arise with respect to transactions, including without limitation, our acquisition of mortgage loans from AHL; servicing of mortgage loans; future dispositions of mortgage loans; and the provision by AHL of advisory services to us.

On October 1, 2004, we entered into an intercompany administration and servicing agreement with AHL whereby we compensate AHL for loan servicing, treasury, accounting, tax and other administrative services

Table of Contents

provided by AHL. We pay to AHL a management fee equal to 0.5% per year on the outstanding principal balance of the loans serviced by it, plus miscellaneous fee income collected from mortgagors, including late payment charges, assumption fees and similar items. The REIT, on the one hand, and AHL, on the other hand, may offset any balance or amount due from one party to the other under this agreement or any other contract entered into between such parties. Therefore, on each settlement date, either the REIT or AHL will pay to the other party interest on the net average balance payable at an annual rate equal to the Six-Month LIBOR plus 1.0%.

AHL has previously executed securitizations of residential mortgage loans in which it obtained the related retained interests. During 2004, AHL transferred the retained interests in the Accredited Mortgage Loan Trust 2002- 1, 2002-2, 2003-1, 2003-2, 2003-3 and 2004-1 securitizations to us as a net contribution of capital totaling \$59.1 million, which does not include additional cash contributions and subsequent contributions of assets and liabilities during 2004 for the Accredited Mortgage Loan Trust 2004-2, 2004-3 and 2004-4 securitizations. In addition, we acquired the mortgage assets for the Accredited Mortgage Loan Trust 2004-2, 2004-3, 2005-1, 2005-2, 2005-3 and 2005-4 securitizations as contributions of capital from AHL. These mortgage assets consisted primarily of residential mortgage loans, or interests in these mortgage loans, that had been originated or acquired by AHL.

During 2005, AHL and the REIT, as several borrowers or sellers, entered into warehouse transactions with lenders to finance the related mortgage loans that are to be contributed by AHL to the REIT and then subsequently securitized with permanent bond financing. As of December 31, 2005, AHL and the REIT had entered into six warehouse facilities to permit the securitization of mortgage loans directly from the warehouse facility. The duration of each of these facilities ranges from one to two years. Each of the agreements has cross-collateralization provisions and AHL provides a guarantee of the REIT's obligations under the credit facilities, and on four of the credit facilities, Accredited provides a guarantee of AHL's and the REIT's obligations. In addition, the facilities are structured so that the REIT only has monetary responsibilities for a limited period of time prior to a securitization and otherwise does not have any monetary obligations under the facilities. The net proceeds of the securitizations are to be primarily used by AHL or the REIT to repay the warehouse debt and pay other expenses of the securitization.

Transactions Involving Officers and Trustees

There has been no transaction to which we were a party in which any trustee or executive officer of the REIT had a direct or indirect material interest.

On August 1, 2001, Joseph J. Lydon, Accredited's President, director and a holder of 3.7% of Accredited's common stock, issued a promissory note to Accredited in order to exercise his options to purchase 1,000,000 shares of Accredited's common stock. The promissory note was due on the earlier of (i) August 1, 2005 or (ii) the termination of Mr. Lydon's employment with Accredited. The principal amount of the note was \$1,250,000, which amount was accruing interest at a rate of 10.6% per annum. Mr. Lydon was entitled to prepay the entire principal balance of the note at any time; however, interest on the entire original principal was still due and payable on each anniversary of the date of the note through the maturity date of the note. The promissory note was full recourse and was secured by Mr. Lydon's 1,000,000 shares of Accredited's common stock, pursuant to a stock pledge agreement. In December 2004, Mr. Lydon prepaid the entire principal balance and accrued interest on the note for a total payment to Accredited of \$1,382,500. Upon receipt of Mr. Lydon's payment, Accredited released the shares in accordance with the terms of the stock pledge agreement. Pursuant to a letter from Accredited to Mr. Lydon dated August 1, 2001, Accredited agreed to pay Mr. Lydon supplemental compensation payments of \$238,000 on August 1, 2002 and on each August 1 thereafter through August 1, 2005. In addition, on June 13, 2002, Accredited made a loan to Mr. Lydon at 10% interest to cover certain income taxes payable in connection with his exercise of options, with an original principal balance of \$30,352 (the "Tax Note"). During 2005, the largest amount outstanding on the Tax Note was \$10,156. In September 2005, the outstanding balance of this loan was paid in full.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and trustees and persons who beneficially own more than 10% of our 9.75% Series A Perpetual Cumulative Preferred Shares to file initial reports of beneficial ownership and reports of changes in beneficial ownership with the SEC. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms filed by such person.

Based solely on our review of such forms furnished to us and written representations from certain reporting persons, we believe that all filing requirements applicable to our executive officers, trustees and greater-than-10% shareholders were complied with.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees our financial reporting process on behalf of the Board of Trustees. Management has the primary responsibility for the financial statements and the reporting process, including internal control systems. Our independent registered public accounting firm, Grant Thornton LLP, are responsible for expressing an opinion as to the conformity of our audited financial statements with generally accepted accounting principles.

The Audit Committee consists of three trustees, each of whom meets the applicable independence requirements of Rule 10A-3 of the Securities Exchange Act of 1934. Because our only outstanding publicly traded securities are our Series A Perpetual Cumulative Preferred Shares, which are listed on the New York Stock Exchange, the members of our audit committee are not required to meet the independence standards imposed by the New York Stock Exchange in respect of issuers with listed common stock (other than the requirement that each of the members of the Audit Committee meets the applicable independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934). Each of the members of our audit committee also serves on the audit committee of Accredited, whose common stock is traded on the NASDAQ National Market, and is considered independent with respect to Accredited as defined by NASDAQ rules.

The Audit Committee has met and has reviewed and discussed with management Grant Thornton LLP our audited financial statements as of and for the year ended December 31, 2005. The Audit Committee has also discussed and reviewed with the auditors all matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee has met with Grant Thornton LLP, with and without management present, to discuss the overall scope of Grant Thornton LLP's audit, the results of its examinations and the overall quality of its financial reporting.

The Audit Committee has received from the auditors a formal written statement describing all relationships between the auditors and the REIT that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), discussed with the auditors any relationships that may impact their objectivity and independence, and satisfied itself as to the auditors' independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Trustees that the REIT's audited financial statements be included in the REIT's Annual Report on Form 10-K for the fiscal year ended December 31, 2005.
