ANNUAL MEETING OF SHAREHOLDERS

PROXY STATEMENT

This Proxy Statement contains information related to our Annual Meeting of Shareholders to be held on, Tuesday, December 5, 2006, beginning at 2:00 p.m., at the E Com Ventures, Inc. Corporate Office, 251 International Parkway, Sunrise, Florida 33325, and at any adjournments or postponements thereof. The approximate date that this Proxy Statement, the accompanying Notice of Annual Meeting and the enclosed Form of Proxy are first being sent to shareholders is November 7, 2006. You should review this information in conjunction with our 2005 Annual Report to Shareholders, which accompanies this Proxy Statement.

ABOUT THE ANNUAL MEETING

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will vote on the election of directors and ratification of the appointment of our independent registered public accounting firm. In addition, we will report on our performance and respond to questions from our shareholders.

Who is entitled to vote at the Annual Meeting?

Only shareholders of record at the close of business on the record date, October 11, 2006, are entitled to receive notice of the Annual Meeting and to vote shares of our common stock that they held on the record date, or any postponements or adjournments of the Annual Meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon.

Who can attend the Annual Meeting?

All shareholders as of the record date, or their duly appointed proxies, may attend. If your shares are held in the name of your broker or bank, you will need to bring a copy of a recent brokerage statement reflecting your stock ownership as of the record date and valid picture identification.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of all of the shares of common stock outstanding on the record date will constitute a quorum, permitting us to conduct business at the Annual Meeting. As of the record date, approximately 3,019,000 shares of our common stock were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the Annual Meeting for purposes of a quorum, but will not be counted as votes cast for or against any given matter. An independent inspector of elections appointed for the annual meeting will determine whether or not a quorum is present and will tabulate votes cast by proxy or in person at the annual meeting.

Table of Contents

If less than a majority of outstanding shares entitled to vote are represented at the Annual Meeting, a majority of the shares present at the Annual Meeting may adjourn the Annual Meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the Annual Meeting before an adjournment is taken.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered shareholder and you attend the Annual Meeting, you may deliver your completed proxy card in person. Street name shareholders who wish to vote at the Annual Meeting will need to obtain a proxy from the institution that holds their shares.

Can I vote by telephone or electronically?

If your shares are held in street name, please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a duly executed proxy bearing a later date. You may also change your vote by attending the Annual Meeting in person and voting. The powers of the proxy holders will be suspended if you attend the Annual Meeting in person and vote, although attendance at the Annual Meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors. The recommendation of the Board of Directors is set forth with the description of each proposal in this Proxy Statement. In summary, the Board of Directors recommends a vote:

for the election of the nominated slate of directors; and

for the ratification of the appointment of Deloitte & Touche LLP, as our independent registered public accounting firm.

The Board of Directors does not know of any other matters that may be brought before the Annual Meeting, nor does it foresee or have reason to believe that the proxy holders will have to vote for substitute or alternate Board of Directors nominees. In the event that any other matter should properly come before the Annual Meeting or any Board of Directors nominee is not available for election, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in accordance with their best judgment.

Table of Contents

What vote is required to approve each proposal?

Election of Directors. The affirmative vote (either in person or by proxy) of a plurality of the votes cast at the Annual Meeting is required for the election of directors. This means that candidates who receive the highest number of votes are elected. Abstentions and broker non-votes are not votes cast and are not counted in determining whether a nominee is elected. A properly executed proxy marked to **Withhold Authority** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Shareholders do not have the right to cumulate their votes for directors.

Other Proposals. The affirmative vote (either in person or by proxy) of a majority of the votes cast at the Annual Meeting is required for approval of the ratification of the appointment of Deloitte & Touche LLP. Abstentions and broker non-votes are treated as shares present or represented and entitled to vote on such matters, and thus have the same effect as negative votes. A properly marked **ABSTAIN** with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum.

If you hold your shares in **street name** through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such **broker non-votes** will, however, be counted in determining whether there is a quorum.

Who pays for the preparation of the proxy?

We will pay the cost of preparing, assembling and mailing the Proxy Statement, Notice of Annual Meeting and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to the beneficial owners of our common stock and to request authority for the execution of proxies, and we may reimburse such persons for their expenses incurred in connection with these activities.

Our principal executive offices are located at 251 International Parkway, Sunrise, Florida 33325, and our telephone number is (954) 335-9100. Any shareholder of record as of the record date may look at the complete list of the shareholders entitled to vote at the Annual Meeting. The list will be available at our offices for a period of ten days prior to the Annual Meeting and at the Annual Meeting itself.

Table of Contents**PROPOSAL 1 ELECTION OF DIRECTORS****Directors Standing for Election**

At the Annual Meeting, the shareholders will elect five directors, each of whom will serve for a term expiring at the 2007 Annual Meeting of Shareholders, or until his or her successor has been duly elected and qualified.

The Board of Directors has no reason to believe that any nominee will refuse or be unable to serve if elected. However, if any of them should become unavailable to serve as director, the Board of Directors may designate a substitute nominee or the number of directors may be reduced in accordance with our bylaws. If the Board of Directors designates a substitute nominee, the persons named as proxies will vote for the substitute nominee designated by the Board of Directors.

- (1) Amounts included represent payments made to the persons indicated pursuant to the terms of their then employment agreements as a result of a change of control, described herein. These payments were made as a consequence of the determination on February 3, 2004 by the disinterested and independent members of the Board of Directors that a change of control had occurred under the terms of such employment agreements, and the subsequent authorization on such date of such payments by Ilia Lekach, the Company's then Chairman and the Chief Executive Officer. The column for "Other Annual Compensation" does not include any amounts for executive perquisites and any other personal benefits, such as the cost of automobiles, life insurance and disability insurance because the aggregate dollar amount per executive does not exceed the lesser of \$50,000 or 10% of their annual salary and bonus.

Director Compensation

We pay each non-employee director a \$10,000 annual retainer, and reimburse their expenses in connection with their activities as directors. In addition, non-employee directors are eligible to receive stock options under the 2000 Directors Stock Option Plan.

The 2000 Directors Stock Option Plan currently provides for an automatic grant of an option to purchase 500 shares of our common stock upon a person's election as director, and an automatic grant of options to purchase 1,000 shares of our common stock upon re-election to the Board at each annual meeting of the Company's shareholders, in both instances at an exercise price equal to the fair market value of the common stock on the date of the option grant.

Employment and Severance Agreements

On February 10, 2004, our Board of Directors terminated without cause Ilia Lekach's employment with the Company as Chairman of the Board and Chief Executive Officer. In addition, as a consequence of the Nussdorf Option Agreement pursuant to which Stephen Nussdorf and Glenn Nussdorf ultimately acquired 720,954 shares of the Company's common stock beneficially owned by Mr. Lekach, the Board of Directors determined that a change of control occurred under the Company's employment agreement with Mr. Lekach, and that the terms of the employment agreement required the Company to issue Mr. Lekach 125,000 options. Upon termination of the employment agreement, and as a consequence of the change of control, Mr. Lekach was paid approximately \$1,012,000 (two times the remaining compensation under the Agreement).

As a consequence of the change of control described above, Mr. Young, Mr. Jeffrey Geller, Mr. Leon Geller, Mr. Lancaster and Mr. Alan Grobman received approximately \$469,000, \$472,000, \$184,000, \$125,000 and \$145,000, respectively, under the terms of their

employment agreements with the Company. These payments were made as a consequence of the determination on February 3, 2004 by the disinterested and independent members of the Board of Directors that a change of control had occurred under the terms of such employment agreements, and the subsequent authorization on such date of such payments by Ilia Lekach, the Company's then Chairman and Chief Executive Officer.

REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee reviews and approves the compensation of our executive officers, including salaries, bonuses and benefit plans.

The policy of the Board of Directors is to maintain executive compensation at levels that will permit us to attract, motivate and retain individuals with superior managerial abilities. The levels of compensation are intended to reward individual initiative and achievement, while motivating our executives to increase shareholder value by improving our performance and profitability by achieving annual and long-term objectives.

In reviewing the base salaries of our Chief Executive Officer and all Named Executive Officers, the Compensation Committee considers factors such as the responsibilities of the position, corporate progress toward achieving objectives and individual performance, experience and expertise. The Compensation Committee also determined the compensation of our Chief Executive Officer based in part on comparisons with compensation levels paid by other specialty retail companies. In determining our Named Executive Officers' overall compensation, the Compensation Committee also reviews certain compensation levels at other companies because the Compensation Committee believes that we compete for executive talent with companies in addition to those in our peer group. Additional criteria reviewed by the Compensation Committee in determining appropriate compensation levels include subjective factors related to corporate and individual performance, and future contributions the Named Executive officers are believed to be able to make to the Company. As of their respective anniversary dates of hire, some Named Executive Officers received nominal salary increases during 2005 based in part on cost of living adjustments.

Our Stock Option Committee reviews and approves the grant of options pursuant to our 2000 Stock Option Plan. In furtherance of our executive compensation policies, stock options are considered an integral part of our executives' overall compensation. The Compensation Committee believes that as an executive's level of responsibility increases, a greater portion of the total compensation opportunity should be based upon share ownership and other incentives and less upon base salary. Our executives' compensation pursuant to a stock option grant generally increases only to the extent the value of common stock underlying the stock options increases, therefore aligning the interest of our executive officers with our shareholders by tying long-term compensation with our growth and appreciation of shares. The amount of the grants takes into consideration such factors as the executives' level of responsibility, their level of performance, their contribution to Company results and their potential for growth and ongoing contribution within the Company. In fiscal 2005, our Stock Option Committee recommended and our Board of Directors approved the grant of 100,000 stock options to our Chief Executive Officer. This grant is intended in part, to provide our Chief Executive Officer with a stake in the future success of the Company.

Deloitte & Touche LLP, our independent registered public accounting firm, is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards.

The Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the independent registered public accounting firm on the basis of the information it receives, discussions with management and the auditors and the experience of the Committee's members in business, financial and accounting matters.

Among other matters, and in accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee monitors the activities and performance of our independent registered public accounting firm, including the audit scope, external audit fees, auditor independence matters and the extent to which the independent registered public accounting firm may be retained to perform non-audit services. The Audit Committee has ultimate authority and responsibility to select, evaluate and, when appropriate, replace our independent registered public accounting firm. The Audit Committee also reviews the results of the external audit work with regard to the adequacy and appropriateness of our financial, accounting and internal controls. Management and the independent registered public accounting firm presentations to and discussions with the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent registered public accounting firm. In addition, the Audit Committee generally oversees our internal compliance programs.

Table of Contents

In fulfilling its oversight responsibilities, the Committee has reviewed and discussed the audited consolidated financial statements with management and the independent registered public accounting firm. Management represented to the Committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the independent registered public accounting firm represented that its presentations included the matters required to be discussed with the independent registered public accounting firm by Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees. Our independent registered public accounting firm also provided the Committee with the written disclosures required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and the Audit Committee discussed with the independent registered public accounting firm that firm's independence.

Following the Audit Committee's discussions with management and the independent registered public accounting firm, the Committee recommended that the Board of Directors include the audited consolidated financial statements in our annual report on Form 10-K for the fiscal year ended January 28, 2006.
