**ITEM 1.01 Entry into a Material Definitive Agreement**

On November 17, 2006, USG Corporation (the Corporation) entered into an Indenture with Wells Fargo Bank, National Association, as trustee, including Supplemental Indenture No. 1 thereto (collectively, the Indenture). The Indenture sets forth the rights and provisions governing \$500 million aggregate principal amount of the Corporation's 6.30% Senior Notes due 2016. Under the terms of the Indenture, the notes will bear interest at a rate of 6.30% per year. The Corporation will pay interest on the notes on May 15 and November 15 of each year, beginning May 15, 2007. The notes will mature on November 15, 2016. The notes are unsecured and rank equally with all of the Corporation's existing and future unsecured senior indebtedness. The Indenture contains certain customary restrictions, including a limitation that restricts the Corporation's ability and the ability of specified subsidiaries of the Corporation to create or incur secured indebtedness. Sale and leaseback transactions are also limited.

The above description of the Indenture is qualified in its entirety by reference to the terms of the Indenture and Supplemental Indenture No. 1, which are attached as Exhibits 4.01 and 4.02, respectively, and incorporated herein by reference.

The notes have not been registered under the Securities Act of 1933. The Corporation offered and sold the notes to the initial purchasers of the notes in reliance on the exemption from registration provided by Section 4(2) of the Securities Act. The initial purchasers then sold the notes to qualified institutional buyers pursuant to the exemption from registration provided by Rule 144A under the Securities Act. In connection with the sale of the notes, the Corporation entered into a Registration Rights Agreement, dated as of November 17, 2006, with Banc of America Securities LLC and Citigroup Global Markets Inc., as representatives for the initial purchasers of the notes (the Registration Rights Agreement). Under the terms of the Registration Rights Agreement, the Corporation has agreed to file an exchange offer registration statement with the Securities and Exchange Commission to allow holders to exchange the notes for a new issue of substantially identical notes that have been registered under the Securities Act of 1933. In addition, the Corporation has agreed to file, under specified circumstances, a shelf registration statement to cover resales of the notes or exchange notes.

The above description of the Registration Rights Agreement is qualified in its entirety by reference to the terms of the Registration Rights Agreement, which is attached as Exhibit 10.01 and incorporated herein by reference.
