JOINT ANNUAL MEETING OF STOCKHOLDERS

To Be Held On April 30, 2009

INTRODUCTION

This Combined Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Boards of Directors of the above listed entities, each a Maryland corporation (each a Fund, and together, the Funds), to be voted at the Joint Annual Meeting of Stockholders of the Funds, to be held at the offices of the Funds, 280 Park Avenue, 20th Floor, New York, New York 10017, on April 30, 2009 at 10:00 a.m. New York City time, and at any adjournments thereof (collectively, the Meeting). In order to attend the meeting in person, shareholders must bring valid photo identification. The solicitation will be by mail and the cost (including printing and mailing this Proxy Statement, Notice of Meeting and Proxy Card, as well as any necessary supplementary solicitation) will be borne by each Fund pursuant to the terms of its investment management agreement. In addition to soliciting proxies by mail, each Fund's officers or employees or representatives of the Funds' investment manager may solicit proxies by telephone. The Notice of Meeting, Proxy Statement and Proxy Card are being mailed to stockholders on or about March 13, 2009.

In accordance with each Fund's by-laws, the presence in person or by proxy of the holders of record of a majority of the shares of each Fund issued and outstanding and entitled to vote thereat shall constitute a quorum for such Fund at the Meeting. If a proposal is to be voted on by only one share class, a quorum of that class must be present at the Meeting in order for that proposal to be considered. If, however, a quorum shall not be present or represented at the Meeting or if fewer shares are present in person or by proxy than is the minimum required to take action with respect to any proposal presented at the Meeting, the holders of a majority of the shares of each Fund present in person or by proxy shall have the power to adjourn the Meeting from time to time, without notice other than announcement at the Meeting, until the requisite number of shares entitled to vote at the Meeting shall be present. At any adjourned Meeting, if the relevant quorum is subsequently constituted, any business may be transacted which might have been transacted at the Meeting as originally called. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that they have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or

nominees do not have discretionary power) will be treated as shares that are present but which have not been voted. For this reason, abstentions and broker non-votes will have no effect on obtaining the requisite approval of the proposals.

Although each Fund is a separate investment company that holds an annual meeting of stockholders, the Funds' Proxy Statements have been combined into this Combined Proxy Statement to reduce expenses to the Funds of soliciting proxies for the Meeting.

The Boards of Directors have fixed the close of business on March 5, 2009 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting. The outstanding voting shares of each Fund as of March 5, 2009 consisted of:

Fund	Shares of Common Stock	Shares of Preferred Stock
RLF	26,601,508	3,238
FOF	27,372,938	N/A
DVM	12,721,550	N/A
INB	22,965,950	1,720
RPF	32,011,316	3,712
RQI	39,237,634	4,833
RNP	48,357,578	10,160
RTU	58,858,135	13,006
UTF	43,320,750	11,680
RFI	9,358,453	N/A
RWF	15,740,708	1,800

each share being entitled to one vote and each fractional share being entitled to a proportional fractional share vote. All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked thereon or as otherwise provided therein. Accordingly, unless instructions to the contrary are marked, proxies will be voted for the election of the Directors. Any stockholder may revoke his or her proxy at any time prior to exercise thereof by giving written notice to the Secretary of the Fund(s) at its offices at 280 Park Avenue, New York, New York 10017, or by signing another proxy of a later date or by personally casting his or her vote at the Meeting. Stockholders can vote only on matters affecting the Fund(s) in which they hold shares. Because the proposals in the Notice of Joint Annual Meeting are separate for each Fund, it is essential that stockholders who own shares in multiple Funds complete, date, sign and return each Proxy Card they receive.

The most recent annual report of each Fund, including financial statements, has been previously mailed to that Fund's stockholders. If you have not received your report or would like to receive an additional copy free of charge, please contact Francis C. Poli, Secretary of the Funds, at 280 Park Avenue, New York, New York 10017, (800) 330-7348, and it will be sent promptly by first-class mail.

PROPOSAL ONE

ELECTION OF DIRECTORS

For each Fund, at the Meeting, three Directors are nominated to be elected to serve for a term of three years and until their successors are duly elected and qualified. The nominees for Director are George Grossman, Robert H. Steers and C. Edward Ward, Jr., for terms to expire in 2012. It is the intention of the persons named in the enclosed proxy to nominate and vote in favor of the nominees. At the Meeting, with respect to FOF, DVM and RFI, the holders of each Fund's common stock will have equal voting rights (*i.e.*, one vote per share), and will vote as a single class on the election of Messrs. Grossman, Steers and Ward. At the Meeting, with respect to INB, RLF, RPF, RQI, RNP, RTU, UTF and RWF, the holders of each Fund's Preferred Shares will have equal voting rights with the holders of each Fund's common stock (*i.e.*, one vote per share), and will vote together with the holders of each Fund's common stock as a single class on the election of Messrs. Grossman, Steers and Ward. The holders of each Fund's Preferred Shares, voting separately as a class, to the exclusion of holders of the Fund's common stock, have the right to elect two Directors of each Fund, who are Martin Cohen and Willard H. Smith Jr. Neither Mr. Cohen nor Mr. Smith is standing for re-election at the Meeting, as their terms expire in 2010 and 2011, respectively. Each nominee currently serves as Director of each of the twenty-one funds within the Cohen & Steers Fund Complex.

Each Fund's stockholders initially elected their Board of Directors to staggered terms at the respective Annual Meeting of Stockholders held on:

Funds	Date of stockholder meeting electing Board of Directors to staggered terms
RLF	April 24, 2002
FOF	April 19, 2007
DVM	April 27, 2006
INB	April 17, 2008
RPF	April 24, 2003
RQI	April 24, 2003
RNP	April 29, 2004
RFI	April 27, 1994
RTU	April 28, 2005
UTF	April 28, 2005
RWF	April 27, 2006

Accordingly, the term of office of only a single class of Directors will expire in 2009. As a result of this system, only those Directors in any one class may be changed in any one year, and it would require two years or more to change a majority of the Board of Directors. This system of electing Directors, which may be regarded as an anti-takeover provision, may have the effect of maintaining the continuity of management and, thus, make it more difficult for each Fund's stockholders to change the majority of Directors.

The nominees have consented to serve as Directors. The Board of Directors of each Fund knows of no reason why a nominee would be unable to serve, but in the event of such unavailability, the proxies received will be voted for such substitute nominee as the Board of Directors may recommend.

Each Director attended at least 75% of the aggregate number of meetings of the Board of Directors and the Committees for which he or she was a member. Each Fund maintains four standing Board Committees: the Audit Committee, the Nominating Committee, the Contract Review Committee and the Governance Committee of the Board of Directors. The Directors serving on each Committee are not interested persons of the Fund, as defined in Section 2(a)(19) of the Act (the Independent Directors), and otherwise satisfy the applicable standards for independence of a committee member of an investment company issuer under the federal securities laws and under applicable listing standards of the New York Stock Exchange. The members of the Nominating and Contract Review Committees are Ms. Cohen and Messrs. Kroon, Grossman, Norman, Ross, Smith and Ward. The members of the Governance Committee are Messrs. Norman, Ward and Smith. The members of the Audit Committee are Ms. Cohen and Messrs. Ross, Kroon and Grossman.

The Audit Committee of each Fund met five times during the fiscal year ended December 31, 2008 and operates pursuant to a written charter adopted by the Board. A current copy of the Audit Committee charter was attached as Exhibit A to the Proxy Statement of each fund in 2008 and is available on the Advisor's website at www.cohenandsteers.com. The main function of each Audit Committee is to oversee the Fund's accounting and financial reporting policies and practices and its internal controls, including by assisting with the Board's oversight of the integrity of the Fund's financial statements, the Fund's compliance with legal and regulatory requirements, the selection, retention, qualifications and independence of the Fund's independent registered public accounting firm and the performance of the Fund's internal control systems and independent registered public accounting firm.

The Nominating Committee of each Fund, which met once during the fiscal year ended December 31, 2008, operates pursuant to a written charter adopted by the Board. A current copy of the Nominating Committee charter was attached as Exhibit B to the Proxy Statement of each fund in 2008. The main functions of each Nominating Committee are to (i) identify individuals qualified to become Directors in the event that a position is vacated or

created, (ii) select the Director nominees for the next annual meeting of stockholders and (iii) set any necessary standards or qualifications for service on the Board. The Nominating Committee will consider Director candidates recommended by stockholders, provided that any such stockholder recommendation is submitted in writing to the Fund, to the attention of the Secretary, at the address of the principal executive offices of the Fund and further provided that such recommendation includes all other information specified in the charter and complies with the procedures set forth in Appendix A thereto.

The Nominating Committee requires that Director candidates have a college degree or equivalent business experience. The Committee may take into account a wide variety of factors in considering Director candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board, (ii) relevant industry and related experience, (iii) educational background, (iv) financial and other relevant experience, (v) an assessment of the candidate's character, integrity, ability and judgment, (vi) whether or not the candidate serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related mutual fund complexes, (vii) whether or not the candidate has any relationships that might impair his or her independence and (viii) overall interplay of a candidate's experience, skill and knowledge with that of other Committee members. In identifying potential nominees for the Board, the Committee may consider candidates recommended by one or more of the following sources: (i) the Fund's current Directors, (ii) the Fund's officers, (iii) the Advisor, (iv) the Fund's stockholders (see above) and (v) any other source the Committee deems to be appropriate. The Committee may, but is not required to, retain a third party search firm at the Fund's expense to identify potential candidates.

The Contract Review Committees of the Funds each met once during the fiscal year ended December 31, 2008 and each Contract Review Committee operates pursuant to a written charter adopted by the Board. The main functions of each Contract Review Committee are to make recommendations to the Board of Directors after reviewing advisory and other contracts that the Fund has with the Advisor and to select third parties to provide evaluative reports and other information to the Board regarding the services provided by the Advisor.

The Governance Committee of each Fund met four times during the fiscal year ended December 31, 2008 and operates pursuant to a written charter adopted by the Board. The main function of each Governance Committee is to assist the Board in the oversight of appropriate and effective governance of the Fund. The Governance Committee oversees, among other things, the structure and composition of the Board Committees, the size of the Board and the compensation of Independent Directors for service on the Board and any Board Committee and the process for securing insurance coverage for the Board.

Audit Committee Report

The Audit Committee of each Fund has met with PricewaterhouseCoopers LLP, the Fund's independent registered public accounting firm, to discuss the scope of the audit engagement, review the Fund's financial statements, and discuss the statements and audit results with management. The Audit Committee discussed with PricewaterhouseCoopers LLP the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board, received the written disclosures and the letter from PricewaterhouseCoopers LLP required by PCAOB Rule 3526 and discussed with PricewaterhouseCoopers LLP the independent registered public accounting firm's independence. Based on these reviews and discussions, each Audit Committee recommended to the Board of Directors that the audited financial statements of the Fund be included in the Fund's annual report to stockholders for the last fiscal year for filing with the Securities and Exchange Commission (SEC).

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and Section 30(h) of the Act, as applied to the Funds, require certain of the Funds' officers, Directors, the Advisor, affiliates of the Advisor, and persons who beneficially own more than 10% of a class of the Funds' outstanding securities to file reports of ownership of the Funds' securities and changes in such ownership with the SEC. Those persons are required by SEC regulations to furnish the relevant Fund(s) with copies of all filings. To each Fund's knowledge, all of its officers and directors, the Advisor and its affiliates, certain holders of more than 10% of its common stock or Preferred Shares complied with all filing requirements under Section 16(a) of the Exchange Act and Section 30(h) of the Act during the fiscal year ended December 31, 2008, with the exception that two late Form 4 filings were made on behalf of George Grossman, representing one transaction in each of DVM and RTU. INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

For the fiscal year ended December 31, 2008, each Fund's Audit Committee selected PricewaterhouseCoopers LLP, an independent registered public accounting firm, to audit the accounts of the Fund. As of the date of this Combined Proxy Statement, each Fund's Audit Committee and Board had not yet met to select, ratify and approve the Fund's independent registered public accounting firm for the fiscal year ending December 31, 2009.
