### PROXY STATEMENT

#### 2009 Annual Meeting of Stockholders

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of ImmuCell Corporation (the Company), a Delaware corporation, of proxies to be voted at the Annual Meeting of Stockholders of the Company to be held at 8:30 a.m. on Friday, June 12, 2009 at the Company's principal place of business at 56 Evergreen Drive in Portland, Maine, and any and all adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This Proxy Statement and the enclosed proxy card are first being given or sent to stockholders on or about April 21, 2009. Stockholders who execute proxies may revoke them at any time before exercise thereof. See **OTHER MATTERS**, below.

#### VOTING SECURITIES OUTSTANDING

Only stockholders of record at the close of business on Wednesday, April 15, 2009, the record date, are entitled to notice of, and to vote at, the Annual Meeting of Stockholders and at any adjournments thereof. As of such date, there were 2,970,652 shares of common stock of the Company issued and outstanding. Each share is entitled to one vote with respect to all matters to be acted upon at the meeting. The holders of one-third of the Company's common stock outstanding and entitled to vote, represented at the meeting in person or by proxy, shall constitute a quorum for the transaction of business. Votes cast in person or by proxy at the meeting will be tabulated by the inspector of election appointed for the meeting.

With regard to the election of directors, votes may be cast in favor or withheld; votes that are withheld from any nominee will not be counted in such nominee's favor, although they will be counted for purposes of determining whether there is a quorum. The nominees for director receiving a plurality of the votes cast by the holders of the common stock represented at the meeting in person or by proxy will be elected. This means that the seven nominees receiving the largest number of votes cast will be elected. Abstentions may be specified on the proposal to approve the 2009 Stock Option and Incentive Plan and will be counted as present for the purpose of this item. Since the approval of this plan requires the approval of the holders of a majority of the shares of the Company's common stock represented at the meeting, abstentions will have the effect of a negative vote. Broker non-votes on this item will be treated as shares not voted and will have no effect on the vote.

#### ELECTION OF THE BOARD OF DIRECTORS (ITEM 1)

Each of the seven persons listed below has been nominated to serve as a director until the next Annual Meeting of Stockholders and until his or her successor is chosen and qualified. Except for Mr. Brigham and Dr. Crabb (both of whom are ImmuCell employees), each of the Company's existing directors or nominees qualifies as an independent director as defined under applicable NASDAQ Stock Market rules. If any of the individuals named above should not be available for election as contemplated, it is the intention of the persons named in the proxy to vote for such other person or persons as management may recommend. Management has no reason to believe any nominees will be unavailable. Any vacancies that may occur during the year may be filled by the Board of Directors to serve until the next Annual Meeting.

---

**THE BOARD OF DIRECTORS AND ITS COMMITTEES**

During 2008, the Board of Directors of the Company held four regular meetings and took action by unanimous written consent once. The committees of the Board of Directors are the Audit Committee, the Compensation and Stock Option Committee and the Nominating Committee. During the year ended December 31, 2008, each director attended at least 75 percent of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board on which he or she served (during the periods that he or she served). At the first meeting of the Board following this year's Annual Meeting, directors will be elected to serve on the various Board committees until the next Annual Meeting and until their successors are elected.

The Board has established an Audit Committee for the purpose of overseeing the accounting and financial reporting processes of the Company and the audits and reviews of its financial statements. The Audit Committee engages the Company's Independent Registered Public Accounting Firm, consults with such auditors with regard to audit plans, reviews the annual reports of the independent auditors, oversees the adequacy of the Company's internal operating procedures and controls, meets with management and the auditors to review quarterly and annual financial results, authorizes the public release of press releases covering financial results, reviews and authorizes quarterly and annual reports filed with the Securities and Exchange Commission and otherwise oversees compliance with certain legal, ethical and regulatory matters. The Committee's members are Mr. Bruce, Dr. Maxwell and Mr. Rothschild. Mr. Bruce serves as chair of the Committee. All members of the Audit Committee meet the heightened independence requirements for audit committees under applicable NASDAQ Stock Market rules, and the Board has determined that Mr. Bruce qualifies as an audit committee financial expert as defined in applicable Securities and Exchange Commission rules. The Audit Committee held six meetings during the 2008 fiscal year. The Audit Committee Report can be found on page 5 of this Proxy Statement, and the Charter and Powers of the Audit Committee has been posted on the Company's web-site ([www.immucell.com/pdf/charter.pdf](http://www.immucell.com/pdf/charter.pdf)).

The Board has established a Compensation and Stock Option Committee for the purpose of reviewing and recommending salary, bonus and other benefits for executive officers and directors of the Company. The Compensation and Stock Option Committee is responsible for administering the Company's 1989 Stock Option and Incentive Plan and the 2000 Stock Option and Incentive Plan and the proposed 2009 Stock Option and Incentive Plan. The Committee's members are Dr. Maxwell, Dr. Rhodes and Mr. Rothschild, all of whom are independent directors. Dr. Rhodes serves as chair of the Committee. The Compensation and Stock Option Committee held three meetings during the 2008 fiscal year. The Compensation and Stock Option Committee does not have a charter but instead operates within the authority provided by the Company's By-laws and authorizing resolutions adopted by the Board. Its recommendations on executive and director compensation are subject to review and final approval by the Board of Directors, a majority of whose members are independent directors. Company management provides the Committee with information relevant to a determination of executive and director compensation, but does not participate in Committee votes in this regard. In recent years, the Committee has not retained or relied upon outside consultants to assist in its determination of executive or director compensation.

The Board has established a Nominating Committee for the purpose of recommending to the full Board the number of directors to serve on the Board, criteria for Board membership and nominees for election to the Board. In doing so, the Nominating Committee considers the integrity and relevant business experience of each nominee. All nominees included on this year's proxy card were recommended by the Nominating Committee and then approved by a vote of the Board. The Committee's members are Dr. Rhodes, Mr. Rothschild and Dr. Tomsche, all of whom are independent directors. Mr. Rothschild serves as chair of the Committee. The Nominating Committee met one time during the 2008 fiscal year. The Nominating Committee will consider nominees for director recommended by stockholders, applying the same evaluation standards as it would apply to candidates identified by management or the Committee. Recommendations for director nominees may be sent to the Nominating Committee through the Secretary of the Company. Under the Company's By-laws, stockholders

intending to formally nominate a person for election as a director at the Annual Meeting itself, as distinguished from recommending a candidate to the Nominating Committee, must notify the Secretary of the Company in writing of this intent not less than 60 nor more than 90 days prior to the first anniversary of the preceding year's Annual Meeting. If the date of the Annual Meeting is changed by more than 30 days from such anniversary date, the notice by the stockholder must be received not later than the close of business on the tenth day following the earlier of the day on which notice of the date of the meeting was mailed or public disclosure was made. Such notice must comply with the provisions set forth in the By-laws. A copy of the relevant provisions of the By-laws will be sent to any stockholder who requests it in writing. Such requests should be addressed to the Secretary of the Company. The Nominating Committee does not have a charter but instead operates within the authority provided by the Company's By-laws and authorizing resolutions adopted by the Board.

### Director Compensation

The following table contains information as to the compensation paid by the Company to its non-executive directors for services rendered during the year ended December 31, 2008.

Name	Fees Earned or Paid in Cash	Option Awards	All Other Compensation	Total
Robert C. Bruce	\$ 7,000			\$ 7,000
William H. Maxwell, M.D.	\$ 7,000			\$ 7,000
Linda Rhodes, V.M.D., Ph.D.	\$ 7,000			\$ 7,000
Jonathan E. Rothschild	\$ 7,000			\$ 7,000
Mitchel Sayare, Ph.D. (1)	\$ 2,000			\$ 2,000
David S. Tomsche, D.V.M.	\$ 7,000			\$ 7,000

(1) Dr. Sayare retired from the Board of Directors at the end of his term of office and did not stand for re-election at the 2008 Annual Meeting of Stockholders.

Officers of the Company who are also directors do not receive additional compensation for attendance at Board of Directors meetings or committee meetings. The Company pays non-employee directors an annual retainer (payable in two equal installments in January and July) plus a fee of \$1,000 for each of the four regularly scheduled Board meetings per year. The annual retainer was increased from \$2,000 to \$4,000 effective July 1, 2008. Per-meeting fees are subject to reduction if a director attends less than substantially all of the meeting, and are generally waived altogether in the case of special meetings. The meeting fee for in-person meetings is reduced by 50% for full participation by teleconference and is reduced by 75% for partial participation by teleconference.

In June 2000, the stockholders approved the 2000 Stock Option Plan for Outside Directors. Under this Plan, each of the five non-employee directors then serving on the Board was granted a non-qualified stock option to purchase 15,000 shares of common stock at an exercise price equal to the fair market value of the common stock as of the date of the stockholder vote (\$3.50 per share). Under the Plan, directors who were newly elected to the Board after June 2000 received an automatic grant of a non-qualified stock option to purchase 15,000 shares, at fair market value on the date the director was elected. Two such grants were made in 2001 (at \$2.71 per share). All options granted under the Plan vested in three equal annual installments, and expired if not exercised within five years of the date of grant. The 2000 Outside Directors Plan expired on June 21, 2005. Expiration of the Plan did not affect previously granted options. The last remaining outstanding options under this Plan were exercised (by Mr. Rothschild) during 2006.

At the time first elected to the Board, Dr. Rhodes, Mr. Bruce and Dr. Tomsche were each granted a non-qualified stock option to purchase 15,000 shares of common stock under the Company's 2000 Stock Option and Incentive Plan. The options were granted on terms similar to those previously granted to other directors

under the 2000 Outside Director Plan. Dr. Rhodes' option has an exercise price equal to the fair market value of the common stock on August 22, 2005 (\$4.67 per share), and vested in three equal increments when she was re-elected to the Board in 2006, 2007 and 2008. Dr. Rhodes exercised 2,000 of these stock options in June 2007. The options granted to Mr. Bruce and Dr. Tomsche have an exercise price equal to the fair market value of the common stock on December 20, 2006 (\$5.80 per share), and vest in three equal increments if and when re-elected to the Board in 2007, 2008 and 2009. These options to Dr. Rhodes, Mr. Bruce and Dr. Tomsche expire if not exercised within five years after the date of grant or, if earlier, within three months (twelve in cases of death or disability) after termination of service as a director.

**AUDIT COMMITTEE REPORT**

The Audit Committee of the Board of Directors reviews the financial reporting process, the system of internal controls, the audit process and the process for monitoring compliance with certain applicable laws and regulations. The Audit Committee is responsible for selecting and hiring the Independent Registered Public Accounting Firm and meets with those accountants (in person or by telephone) before each quarterly press release of financial results, and the Audit Committee approves the public disclosure and filing with the Securities and Exchange Commission of the related press releases. After reviewing the quarterly and annual reports that are prepared by management, the Audit Committee authorizes the filing of such reports with the Securities and Exchange Commission. All members of the Audit Committee meet the heightened independence requirements for audit committees under applicable NASDAQ Stock Market rules. The Audit Committee currently operates under a charter adopted by the Board in 2004. The Company has a January 1st to December 31st fiscal year. The Audit Committee met six times during the 2008 fiscal year.

The Audit Committee has reviewed the Company's audited financial statements for fiscal year 2008 and discussed such statements with management. The Audit Committee has discussed with Baker Newman & Noyes, LLC, the Company's Independent Registered Public Accounting Firm during the 2008 fiscal year, the matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee received from Baker Newman & Noyes, LLC the written disclosures and the letter required by Independence Standards Board Standard No. 1 and has discussed the auditor's independence with them. Based on the review and discussions noted above, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008 and be filed with the Securities and Exchange Commission.

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating this proxy statement by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference and shall not otherwise be deemed filed under such Acts.

In April 1999, the Company entered into an employment agreement with Dr. Crabb whereby he agreed to serve the Company as Vice President and Chief Scientific Officer. ### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Dr. Rhodes is Vice President of Clinical Development of AlcheraBio, LLC (a wholly-owned subsidiary of Argenta of New Zealand), a firm contracted by the Company to perform certain consulting services. During 2007 and 2006, the Company incurred consulting fees to AlcheraBio in amounts not exceeding \$7,000 per year. Dr. David S. Tomsche is a controlling owner of Stearns Veterinary Outlet, Inc., a domestic distributor of ImmuCell products (**First Defense**<sup>®</sup>, **Wipe Out**<sup>®</sup> **Dairy Wipes**, and **CMT**) and of J-t Enterprises of Melrose, Inc., an exporter of **First Defense**<sup>®</sup>. His affiliated companies purchased approximately \$72,000, \$231,000 and \$229,000 of products from ImmuCell during the years ended December 31, 2006, 2007 and 2008, respectively. Additionally, the Company spent approximately \$2,000 and \$9,000 on marketing support for affiliated companies controlled by Dr. Tomsche during the years ended December 31, 2007 and 2008, respectively.

**APPROVAL OF 2009 STOCK OPTION AND INCENTIVE PLAN (ITEM 2)**

Effective March 30, 2009, the Company adopted a 2009 Stock Option and Incentive Plan (the 2009 Plan ), a copy of which is attached as Exhibit A to this Proxy Statement. The 2009 Plan is intended to replace the Company's 2000 Stock Option and Incentive Plan ( the 2000 Plan ), which expires on February 16, 2010. Unless sooner terminated, the 2009 Plan terminates on March 29, 2019. A summary of the essential features is provided below but is qualified in its entirety by reference to the full text of the 2009 Plan.

As was the case with the 2000 Plan, the purpose of the 2009 Plan is to advance the interests of the Company by providing certain of its employees and certain other individuals providing services to the Company with an additional incentive, encouraging stock ownership by such individuals, increasing their proprietary interest in the success of the Company and encouraging them to remain employees of the Company or service providers for the Company. The Board of Directors approved the recommendation of the Compensation and Stock Option Committee of the Board of Directors (the Committee ) to approve the 2009 Plan because the 2000 plan expires in February 16, 2010 and no further grants of options may be made under the 2000 Plan after that date. As of April 21, 2009, there were only 667 shares available for future grants under the 2000 Plan. The Committee has decided not to grant new options and not to use any shares that may become available for stock option grants through the termination of currently outstanding options, unless the 2009 Plan is not approved by stockholders. As of April 21, 2009, 92,333 options had been exercised under the 2000 Plan, and 407,000 options were outstanding. The 2009 Plan allows for granting of both incentive stock options and nonqualified stock options ( Stock Options ).

The 2009 Plan is administered by the Committee, which in its discretion selects the key employees and other persons eligible to participate, determines the terms of awards, interprets the 2009 Plan, and makes all other determinations for administering the 2009 Plan. The maximum number of shares of the Company's common stock that may be issued pursuant to the 2009 Plan is 300,000 shares, subject to increase in the event of subsequent stock splits or other capital changes. As of April 21, 2009, no Stock Options had been granted under the 2009 Plan. Any grants that are made prior to stockholder approval of the 2009 Plan will be made subject to stockholder approval of the 2009 Plan and will expire worthless if such approval is not obtained.

The 2009 Plan provides that certain of the Stock Options are intended to qualify as Incentive Stock Options within the meaning of Section 422 of the Code. Other Stock Options will be granted as nonqualified stock options. Stock Options will be issued at an option price no less than the fair market value of the Company's common stock on the date of grant (110% of fair market value in the case of 10% stockholders). Exercise of Stock Options will be subject to terms and conditions set by the Committee and set forth in the instrument evidencing the Stock Option. Stock Options may be exercised with either cash or, in the discretion of the Committee, shares of common stock. The date of expiration of the Stock Option will be fixed by the Committee, but may not be longer than ten years from the date of grant (five years in the case of 10% stockholders). All Stock Options will terminate on the earlier of their expiration date or one year following termination of employment due to disability or death. Upon termination of employment for any reason other than disability or death, all Stock Options will expire on the earlier of their expiration date or three months following termination.

An optionee will not recognize income for Federal income tax purposes upon the grant of an Incentive Stock Option. An optionee will also not recognize income upon the exercise of an Incentive Stock Option; however, the difference between the option price and the fair market value of the stock acquired on the date of exercise is an item of tax preference for purposes of the alternative minimum tax. If no disposition of the stock acquired upon the exercise of the Incentive Stock Option occurs until after more than two years after the Incentive Stock Option was granted and more than one year after the transfer of such stock to the optionee, any gain or loss recognized upon such disposition will be treated as long-term capital gain or loss.

The disposition of the stock acquired upon the exercise of an Incentive Stock Option within two years after the Incentive Stock Option was granted or within one year after the transfer of the stock to the optionee will be a

disqualifying disposition, and the optionee will generally recognize (i) ordinary compensation income for Federal income tax purposes in an amount equal to the excess of the fair market value on the date of exercise of the stock acquired over the option price and (ii) short or long-term capital gain (depending upon how long the stock was held) to the extent the stock is disposed of in a sale or taxable exchange at a price in excess of the value of such stock on the date of exercise. If the amount realized by the optionee upon such a disposition is less than the value of the stock on the date of exercise, then the amount of income realized will be all compensation income and will be limited to the excess amount realized on the sale or exchange over the option price of the stock.

As is the case with an Incentive Stock Option, an optionee will not recognize income for Federal income tax purposes upon the grant of a nonqualified stock option. However, upon the exercise of a nonqualified stock option, an optionee will generally recognize ordinary compensation income in an amount equal to the excess of the fair market value of the common stock on the date of exercise over the option price. Any gain or loss recognized by the optionee on the subsequent disposition of the stock will be capital gain or loss.

The Company will be entitled to a deduction for Federal income tax purposes at the same time and in the same amount as an optionee is required to recognize ordinary compensation income as described above.

#### *New Plan Benefits*

As described above, the selection of the employees of the Company who will receive grants under the 2009 Plan is to be determined by the Committee at its discretion. Therefore, it is not possible to predict the amounts that will be received by or allocated to particular individuals or groups of employees. During 2008, options to purchase an aggregate of 44,000 shares were granted to nineteen employees and 5,000 options were exercised by one employee, who are not also executive officers, as a group under the Company's 2000 Plan. During January 2009, options to purchase an aggregate of 95,000 (47,500 to each) shares were granted to both current executive officers as a group under the 2000 Plan.

The Board recommends that the stockholders vote **FOR** approval of the 2009 Plan. The affirmative vote of the holders of a majority of the shares of the Company's common stock represented at the meeting is required to approve the 2009 Plan.

## CODE OF BUSINESS CONDUCT AND ETHICS

In December 2003, the Board of Directors of the Company adopted a Code of Business Conduct and Ethics that applies to the Company's chief executive officer and controller as well as to all employees of the Company. This Code is a set of written standards that are reasonably designed to deter wrongdoing and to promote: (i) honest and ethical conduct, (ii) full, fair, accurate, timely and understandable disclosure in reports filed with the Securities and Exchange Commission, (iii) compliance with applicable governmental laws, (iv) prompt internal reporting of violations of the Code and (v) accountability for adherence to the Code. This Code has been posted on the Company's web-site ([www.immucell.com/pdf/code.pdf](http://www.immucell.com/pdf/code.pdf)) and was filed as Exhibit 14 to the Company's Annual Report on Form 10-K for the year ended December 31, 2008. The Company will mail a copy of its Code of Business Conduct and Ethics to any interested party without charge, upon request. Such requests may be made by mail to the Company's Secretary at ImmuCell Corporation, 56 Evergreen Drive, Portland, Maine 04103.

    - (i) General. The period during which a Nonqualified Stock Option shall be exercisable shall not exceed ten (10) years from the date such Nonqualified Stock Option is granted; provided, however, that such Option may be sooner terminated in accordance with the provisions of this Section 2 (c). Subject to the foregoing, the Committee may establish a period or periods with respect to all or any part of the Nonqualified Stock Option during which such Option may not be exercised and at the time of a subsequent grant of a Nonqualified Stock Option or at such longer time as the Committee may determine accelerate the right of the Participant to exercise all or any part of the Nonqualified Stock Option not then exercisable. The number of Shares which may be purchased at any one time shall be 100 Shares, a multiple thereof or the total number at the time purchasable under the Nonqualified Stock Option.
    - (ii) Termination of Employment. If the Participant ceases to be an employee of any member of the Company Group or ceases to perform services for any member of the Company Group for any reason other than Disability or death, any outstanding Nonqualified Stock Option held by the Participant shall terminate on the earlier of the date on which such Option would otherwise expire or three (3) months after such termination of employment or the provision of services, and such Option shall be exercisable, prior to its termination, to the extent it was exercisable as of the date of termination of employment or the date on which services ceased to be performed.
    - (iii) Disability. If a Participant's employment or provision of services is terminated by Disability, any then outstanding Nonqualified Stock Option held by the Participant shall terminate on the earlier of the date on which such Option would otherwise expire or one (1) year after such termination of employment or the provision of services, and such Option shall be exercisable, prior to its termination, to the extent it was exercisable as of the date of termination of employment or the date on which services ceased to be performed.
    - (iv) Death. If a Participant's employment or provision of services is terminated by death, the representative of the Participant's estate or beneficiaries thereof to whom the Option has been transferred shall have the right during the one (1) year period following the date of the Participant's death to exercise any then outstanding Nonqualified Stock Options in whole or in part. The number of Shares in respect to which a Nonqualified Stock Option may be exercised after a Participant's death shall be the number of Shares in respect of which such Option could be exercised as of the date of the Participant's death. In no event may the period for exercising a Nonqualified Stock Option extend beyond the date on which such Option would otherwise expire.

- (d) Non-transferability. Unless otherwise provided by the Committee, a Nonqualified Stock Option shall not be transferable or assignable by the Participant other than by will or the laws of descent and distribution, and shall be exercisable during the Participant's lifetime only by the Participant.

IV. MISCELLANEOUS

1. Effective Date. This Plan shall become effective on March 30, 2009 (the Effective Date), provided, however, that if the Plan is not approved by the stockholders of the Company prior to the expiration of the one year period commencing on the Effective Date, this Plan and all Options granted hereunder shall be null and void and shall be of no effect.
2. Duration of Program. Unless sooner terminated, the Plan shall remain in effect for a period of ten years after the Effective Date and shall thereafter terminate. No Incentive Stock Options or Nonqualified Stock Options may be granted after the termination of this Plan; provided however, that except as otherwise provided in Section 1 of this Part IV, termination of the Plan shall not affect any Options previously granted, which such Options shall remain in effect until exercised, surrendered or cancelled, or until they have expired, all in accordance with their terms.
3. Changes in Capital Structure, etc. In the event of changes in the outstanding common shares of the Company by reasons of stock dividends, stock splits, recapitalizations, mergers, consolidations, combinations or exchange of shares, separations, reorganizations, or liquidations, the number of Shares available under the Plan in the aggregate and the maximum number of Shares as to which Options may be granted to any Participant shall be correspondingly adjusted by the Committee. The Committee shall make appropriate adjustments in the number of Shares as to which outstanding Options, or portions thereof then unexercised, shall relate, to the end that the Participant's proportionate interest shall be maintained as before the occurrence of such events; such adjustment shall be made without change in the total price applicable to the unexercised portion of Options and with a corresponding adjustment in the option price per Share. In addition, if the Company is to be consolidated with or acquired by another entity in a merger, sale of all or substantially all of the Company's assets or otherwise, the Committee or the Board of Directors of any entity assuming the obligations of the Company hereunder, may, as to outstanding Options either (i) provide that such Options shall be assumed, or equivalent options shall be substituted, by the acquiring or successor corporation (or an affiliate thereof), (ii) upon written notice to the optionees, provide that all Options must be exercised, to the extent then exercisable, within a specified number of days of the date of such notice, at the end of which period the Options shall terminate, or (iii) terminate all Options in exchange for a cash payment equal to the excess of the Fair Market Value of the Shares subject to such Options (to the extent then exercisable) over the exercise price thereof.
4. Rights as Stockholder. A Participant entitled to Shares as a result of the exercise of an Option shall not be deemed for any purpose to be, or have rights as, a stockholder of the Company by virtue of such exercise, except to the extent a stock certificate is issued therefor and then only from the date such certificate is issued. No adjustments shall be made for dividends or distributions or other rights for which the record date is prior to the date such stock certificate is issued.
5. Expenses. The expenses of this Plan shall be paid by the Company.
6. Withholding. Any person exercising an Option shall be required to pay to the appropriate member of the Company Group the amount of any taxes such member is required by law to withhold with respect to the exercise of such Option. Such payment shall be due on the date such member is required by law to withhold such taxes. Such payment may also be made at the election of the optionee by the surrender of Shares then owned by the optionee, or the withholding of Shares otherwise to be issued to the optionee on exercise, in an amount that would satisfy the withholding amount due. Any election so made by optionees subject to Section 16(b) of the Securities Exchange Act of 1934, as amended shall be in accordance with the requirements of Rule 16b-3(e) under such Act and any interpretations thereof of the Securities and Exchange Commission. The value of such Shares withheld or delivered shall be equal to the Fair Market

Value of such Shares on the date of exercise. In the event that such payment is not made when due, the Company shall have the right to deduct, to the extent permitted by law, from any payment of any kind otherwise due to such person from any member of the Company Group, all or part of the amount required to be withheld.

7. Compliance with Applicable Law. Notwithstanding anything herein to the contrary, the Company shall not be obligated to cause to be issued or delivered any certificates evidencing Shares to be delivered pursuant to the exercise of an Option, unless and until the Company is advised by its counsel that the issuance and delivery of such certificates is in compliance with all applicable laws and regulations of governmental authority. The Company shall in no event be obligated to register any securities pursuant to the Securities Act of 1933 (as now in effect or as hereafter amended) or to take any other action in order to cause the issuance and delivery of such certificates to comply with any such law or regulation. The Committee may require, as a condition of the issuance and delivery of such certificates and in order to ensure compliance with such laws and regulations, that the Participant make such covenants, agreements and representations as the Committee, in its sole discretion, deems necessary or desirable.
  
8. Application of Funds. Any cash proceeds received by the Company from the sale of Shares pursuant to Options will be used for general corporate purposes.
  
9. Amendment of the Plan. The Committee may from time to time suspend or discontinue this Plan or revise or amend it in any respect whatsoever except that, without approval of the shareholders, no such revision or amendment shall make any changes requiring stockholder approval under Sections 162(m) or 422 of the Code and no changes shall be made to the Plan which shall make the Plan subject to the provisions of Section 409A of the Code. No such suspension, discontinuance, revision or amendment shall in any manner affect any grant theretofore made without the consent of the Participant or the transferee of the Participant, unless necessary to comply with applicable law.
  
10. Section 409A Compliance. To the extent that any provision of this Plan violates Section 409A of the Code, such provision shall be deemed inoperative and the remaining provisions of the Plan shall continue to be fully effective.
