(1) By virtue of an agreement among the Reporting Person, the Issuer and a certain shareholder of the Issuer, the Reporting Person and that shareholder may be deemed to have formed a group, within the meaning of Section 13(d)(3) of the Exchange Act of 1934. Collectively, the group may be deemed to have voting control over a combined 45.6% of the Shares. However, the Reporting Person expressly disclaims membership in a group and beneficial ownership of the Shares beneficially owned by the shareholder. Accordingly, the 5,042,466 Shares reported on this Schedule 13D as being beneficially owned by the Reporting Person do not include any Shares beneficially owned by such shareholder. See below for more discussion regarding the agreement.

Item 1. Security and Issuer.

The title and class of equity securities to which this Schedule 13D relates is the common stock, par value \$0.0001 per share (the Shares), of Kennedy-Wilson Holdings, Inc., a Delaware corporation (formerly Prospect Acquisition Corporation, the Issuer). The address of the principal executive offices of the Issuer is 9701 Wilshire Boulevard, Suite 700, Beverly Hills, California 90210.

Item 2. Identity and Background.

(a) This Schedule 13D is being filed by The Guardian Life Insurance Company of America, a New York corporation (the Reporting Person).

(b) The business address of the Reporting Person is 7 Hanover Square, New York, New York 10004. Information as to each of the executive officers and directors of the Reporting Person is set forth on Schedule A hereto and is incorporated herein by reference.

(c) The Reporting Person is a mutual life insurance company, and provides diversified financial solutions, including life insurance, disability income insurance, retirement services, employee benefits, and investments.

(d) (e) During the last five years, neither the Reporting Person nor, to the best knowledge of the Reporting Person, any of the persons identified in Schedule A: (i) has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors); or (ii) was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) The citizenship of each executive officer and director of the Reporting Person is set forth on Schedule A.

Item 3. Source and Amount of Funds or Other Consideration.

In November 2008, the Reporting Person purchased \$30 million in aggregate principal amount of the 7% Convertible Subordinated Notes due November 3, 2018 (the Notes) of Kennedy-Wilson, Inc. (KW) pursuant to a Securities and Purchase Agreement dated as of October 31, 2008 (the Securities Purchase Agreement). The source of the cash consideration used for the November 2008 purchase of the Notes from KW was the general working capital of the Reporting Person.

Effective November 13, 2009 (the Merger Date), KW merged with and into KW Merger Sub Corp, a wholly owned subsidiary of the Issuer, with KW surviving as a direct wholly owned subsidiary of the Issuer (the Merger). As a result of the Merger, each share of KW common stock automatically converted into the right to receive 3.8031 Shares of the Issuer.

Pursuant to the terms of the Notes and a Letter Agreement entered into between the Reporting Person and the Issuer on October 8, 2009 (the Letter Agreement), as a result of the Merger the Reporting Person has the right to convert, in whole or in part, the outstanding principal balance and accrued but unpaid interest on the Notes into Shares at a conversion price of \$9.86 per share any time, and from time to time, prior to May 3, 2017. As of the Merger Date, the Notes were convertible into 3,042,466 Shares.

The Issuer, KW and the Reporting Person have agreed to amend the Securities Purchase Agreement such that the Issuer becomes a co-issuer of the Notes, jointly and severally liable with KW for the payment and performance of all obligations under and in respect of the Notes. The Reporting Person, KW and the Issuer intend to memorialize this agreement, which will promptly be filed by an amendment to this Schedule 13D.

Prior to filing this Schedule 13D, the Reporting Person also purchased two million Shares of the Issuer in open market transactions. The source of the cash consideration used to purchase the two million Shares was the general working capital of the Reporting Person. Schedule B attached to this Schedule 13D lists additional details regarding these purchases.

Item 4. Purpose of Transaction.

The information provided in Item 3 of this Schedule 13D is incorporated herein by reference. The Shares beneficially owned by the Reporting Person were acquired primarily for investment purposes. The Reporting Person intends to monitor its investment in the Issuer on an ongoing basis and to take such measures as it deems appropriate from time to time in furtherance of such purposes. The Reporting Person may from time to time convert, in whole or in part, the outstanding principal balance and accrued but unpaid interest on the Notes into Shares, acquire additional Shares, dispose of some or all of the Shares then beneficially owned by it, discuss the Issuer's business, operations, or other affairs with the Issuer's management, board of directors, shareholders or others, or take such other similar actions as the Reporting Person may deem appropriate.

Notwithstanding the foregoing, the Reporting Person does not have any plans or proposals which relate to, or would result in, any one or more of the matters described in Items 4(a)-(j) of Schedule 13D. The Reporting Person does, however, reserve the right to adopt such plans or proposals subject to compliance with applicable regulatory requirements.

In connection with the completion of the Merger, and as required by the Letter Agreement, the Reporting Person, the Issuer and William McMorrow, (a former shareholder of KW and currently an officer of KW and a shareholder and officer of the Issuer, the Officer) have agreed that at all times that the Reporting Person holds at least 50% of the outstanding principal amount of the Notes (or following conversion of all of the Notes, at least 50% of the total outstanding Shares issued upon such conversion):

The Issuer and the Officer will take all actions within their power to call, or cause the Issuer, and the appropriate officers and directors of the Issuer to call, annual or special meetings of shareholders of the Issuer; and

The Officer will vote all Shares then owned by him, directly or indirectly, for the election of two nominees designated by the Reporting Person as members of the board of directors of the Issuer (the Nominees).

In addition, the Officer will grant the Reporting Person his irrevocable limited proxy to vote the Shares beneficially owned by him for such purpose.

The Reporting Person, Issuer and Officer intend to memorialize this agreement, which will be promptly filed by an amendment to this Schedule 13D.

Mr. Thomas Sorell, Executive Vice President and Chief Investment Officer of the Reporting Person, currently serves as one of the Reporting Person's director designees on the board of directors of the Issuer. As a director, Mr. Sorell may have influence over the corporate activity of the Issuer, including activity which may relate to transactions described in subparagraphs (a) through (j) of this Item 4 to Schedule 13D. As the Chief Investment Officer of the Reporting Person, Mr. Sorell may exercise voting and dispositive power with respect to the Shares beneficially owned by the Reporting Person and exercise the Reporting Person's rights under the Notes, including the right to convert the Notes at any time, and from time to time, into Shares. The Reporting Person's second director designee is expected to be appointed or nominated for election to the Issuer's board of directors at a time agreed to between the Reporting Person and the Issuer.

By virtue of the voting arrangement described above, the Reporting Person and the Officer may be deemed to have formed a group, within the meaning of Section 13(d)(3) of the Exchange Act of 1934. Collectively, the group may be deemed to have voting control over a combined 18,840,162, or 45.6%, of the Shares. However, the Reporting Person expressly disclaims beneficial ownership of the Shares beneficially

owned by the Officer. The Reporting Person does not expressly affirm membership in a group and will vote with the Officer for the sole purpose of electing the Nominees. Accordingly, the 5,042,466 Shares reported on this Schedule 13D as being beneficially owned by the Reporting Person do not include shares beneficially owned by the Officer.

Item 5. Interest in Securities of the Issuer.

(a) The Reporting Person currently owns 2,000,000 Shares of the Issuer, representing approximately 4.84% of the Shares outstanding (based on a total of 41,288,465 shares outstanding as of November 19, 2009, such number having been provided to the Reporting Person by the Issuer). In addition, the Reporting Person owns the Notes, as described in Items 3 and 4 of this Schedule 13D. If the Reporting Person were to convert the entire principal amount of the Notes into Shares, the Reporting Person would receive up to an additional 3,042,466 Shares (as of the date of this Schedule 13D). The 3,042,466 Shares when combined with the 2,000,000 Shares currently owned by the Reporting Person would represent approximately 11.4% of the Shares currently outstanding (based on a total of 41,288,465 Shares outstanding, such number having been provided to the Reporting Person by the Issuer plus the 3,042,466 Shares currently issuable under the Notes). The Reporting Person has not exercised its conversion right.

By virtue of the voting arrangement described above, the Reporting Person and the Officer may be deemed to have formed a group, within the meaning of Section 13(d)(3) of the Exchange Act of 1934. Collectively, the Reporting Person and the Officer may be deemed to have voting control over a combined 18,840,162, or 45.6%, of the Shares. However, the Reporting Person expressly disclaims beneficial ownership of the Shares beneficially owned by the Officer. The Reporting Person does not expressly affirm membership in a group and will vote with the Officer for the sole purpose of nominating and electing the Nominees. Accordingly, the 5,042,466 shares reported on this Schedule 13D do not include shares beneficially owned by the Officer.

As reported on a Schedule 13D filed by the Officer on December 4, 2009, as of November 13, 2009, the Officer beneficially owns an aggregate of 13,797,696, or 33.4%, of the Shares. The Officer received such shares upon the conversion of the KW shares pursuant to the Merger Agreement.
