PROXY STATEMENT

The Board of Directors of Beasley Broadcast Group, Inc., a Delaware corporation (the "Company"), is soliciting your proxy with this Proxy Statement. Your proxy will be voted at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Thursday, May 27, 2010, at 12:00 p.m. Eastern time, at the corporate offices of Beasley Broadcast Group, Inc., 3033 Riviera Drive, Suite 200, Naples, Florida, and any adjournment or postponement thereof. This Proxy Statement and the Company's Annual Report to Stockholders are first being made available to stockholders on or about April 15, 2010.

VOTING SECURITIES

Voting Rights and Outstanding Shares

Only stockholders of record on the books of the Company as of 5:00 p.m. Eastern time, April 1, 2010, which is the "Record Date," will be entitled to vote at the Annual Meeting. At the close of business on April 1, 2010, the Company had 6,044,710 shares of Class A Common Stock outstanding (the "Class A Shares"), and 16,662,743 shares of Class B Common Stock outstanding (the "Class B Shares" and together with the Class A Shares, the "Common Stock").

Under the Company's Restated Certificate of Incorporation and Bylaws, in the election of directors, the holders of the Class A Shares are entitled by class vote, exclusive of all other stockholders, to elect two of the Company's directors, with each Class A Share being entitled to one vote. With respect to the election of the other six directors and all other matters submitted to the stockholders for vote, the holders of Class A Shares and Class B Shares shall vote as a single class, with each Class A Share being entitled to one vote and each Class B Share entitled to ten votes.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections with the assistance of the Company's transfer agent. Except with respect to the election of directors (which is discussed separately under "Proposal 1: Election of Directors") and except in certain other specific circumstances, the affirmative vote of a majority of votes cast in person or by proxy at a duly held meeting at which a quorum is present is required under Delaware law and our Bylaws for approval of proposals presented to stockholders.

The Inspector will also determine whether or not a quorum is present. Our Bylaws provide that a quorum consists of a majority of the votes entitled to be cast and present in person or represented by proxy. The Inspector will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum. An abstention is deemed present but it is not deemed a vote cast. Broker non-votes occur when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power on that item and has not received instructions from the beneficial owner. Abstentions and broker non-votes are included in determining whether a quorum is present but are not included in the tabulation of the voting results. As such, abstentions and broker non-votes do not affect the voting results with respect to the election of directors or the issues requiring the affirmative vote of a majority of the votes cast at the Annual Meeting. Abstentions and broker non-votes will have the effect of a vote against the approval of any items requiring the affirmative vote of the holders of a majority or greater of the outstanding common stock.

Shareholders of record may submit their proxy by telephone prior to the Annual Meeting, rather than filling out and mailing a proxy card. To help explain this process, we have included a brief question and answer section below.

How do I vote my shares without attending the Annual Meeting?

If you are a shareholder of record, you can vote by telephone by following the instructions on the Notice of Availability of Proxy Materials.

If your shares are held in the name of a bank, broker or other record holder, follow the voting instructions on the form that you receive from them. The availability of telephone and Internet voting will depend on the bank's or other record holder's voting process. Your bank, broker or other record holder may not be permitted to exercise voting discretion as to some of the matters to be acted upon. Therefore, please give voting instructions to your bank, broker or other record holder.

How will my proxy be voted?

Your proxy, when properly submitted by telephone and not revoked, will be voted in accordance with your instructions relating to the election of directors. We are not aware of any other matter that may be properly presented at the meeting. If any other matter is properly presented, the persons named as proxies will have discretion to vote in their best judgment.

Unless you give other instructions when you cast your vote by telephone, the persons named as proxies will vote in accordance with the recommendations of the Board of Directors and a vote will be cast FOR the election of directors and as the proxy holders deem advisable on other matters that may come before the meeting. If a broker indicates on the proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present with respect to that matter. The Company believes that the tabulation procedures to be followed by the Inspector are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

May I revoke or change my vote?

If you are a shareholder of record, you may revoke your proxy at any time before it is actually voted by:

giving written notice of revocation to our Secretary, Caroline Beasley;

by delivering a proxy bearing a later date (including by telephone); or

by attending and voting in person at the Annual Meeting.

Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically make that request. If you are a beneficial owner of shares, you may submit new voting instructions by contacting your bank, broker or other record holder, or, if you have obtained a legal proxy from your bank, broker or other record holder giving you the right to vote your shares, by attending the meeting and voting in person.

How do I vote my shares in person at the Annual Meeting?

Shares held in your name as the shareholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker, bank or other record holder that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions as described above and on the Notice of Availability of Proxy Materials, so that your vote will be counted if you later decide not to attend the Annual Meeting.

What is the deadline for voting my shares?

If you are a shareholder of record, and plan to vote by telephone, your vote must be received by 11:59 p.m. Eastern time on May 26, 2010. If your shares are held in street name, you should return your voting instructions in accordance with the instructions provided by the bank, broker or other record holder that holds the shares on your behalf.

The cost of soliciting proxies will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners.

Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or telegram.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

Eight directors are to be elected at the Annual Meeting to serve until the next Annual Meeting of stockholders or until their respective successors are elected or appointed. Nominees for election to the Board of Directors shall be approved by the following vote:

For Nominees to be Elected by the Holders of the Class A Shares: by a plurality of the votes cast by the holders of Class A Shares present in person or by proxy at the Annual Meeting, with each share being entitled to one vote.

For Nominees to be Elected by the Holders of All Classes of Common Stock: by a plurality of the votes cast by the holders of all classes of Common Stock present in person or by proxy at the Annual Meeting, with each Class A Share being entitled to one vote and each Class B Share being entitled to ten votes.

Abstentions from voting on the election of directors, including broker non-votes, will have no effect on the outcome of the election of directors. In the event any nominee is unable or unwilling to serve as a nominee, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board of Directors or the proxy holders to fill such vacancy, or for the balance of those nominees named without nomination of a substitute, or the Board of Directors may be reduced in accordance with the Bylaws of the Company. The Board of Directors has no reason to believe that any of the persons named will be unable or unwilling to serve as a nominee or as a director if elected.

The Board believes that each of the nominees listed brings strong skills and extensive experience to the Board, giving the Board as a group the appropriate skills to exercise its oversight responsibilities.

Recommendation of the Board of Directors:

The Board of Directors recommends a vote FOR the election of all nominees named above.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Company's Board of Directors met four times during 2009 and did not act by unanimous written consent. Each member of the Board attended at least 75% of the aggregate number of meetings of the Board of Directors and attended at least 75% of the aggregate number of meetings of the Committees of the Board of Directors of which he or she was a member. All of our then-current directors attended the 2009 Annual Meeting of stockholders.

Controlled Company

The Company qualifies as a controlled company, within the meaning of Rule 5615(c)(1) of the NASDAQ Listing Rules. The Company currently qualifies as a controlled company because more than 50% of the Company's voting power is controlled by the Company's Chairman and Chief Executive Officer, George Beasley. As a result, the Company is not required to have a Board of Directors consisting of a majority of Directors who are independent or compensation committee or nominating committee composed solely of independent directors.

Leadership Structure

Like a majority of publicly traded companies in the United States, our Chief Executive Officer currently serves as Chairman of the Board of Directors. In his position as Chief Executive Officer, Mr. Beasley has primary responsibility for the day-to-day operations of the Company and provides consistent leadership on the Company's key strategic objectives. In his role as Chairman of the Board, he sets the strategic priorities for the Board, presides over its meetings and communicates its strategic findings and guidance to management. We believe that this structure reduces the likelihood of confusion about leadership roles and duplication of efforts.

The Board believes that Mr. Beasley, as the founder and majority shareholder of our Company with forty-nine years of management experience in the radio broadcast industry, detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and is thus best positioned to identify the key risks facing the organization and ensure that these are brought to the attention of the Board.

The Company has procedures to ensure a strong and independent Board. The Audit Committee and the Compensation Committee consist entirely of non-management directors. In addition to their responsibilities on these Committees, these independent directors meet in executive sessions without any members of management present. The purpose of these executive sessions is to promote open and candid discussion among the non-management directors. The Board has not designated a lead independent director.

The Board's Role in Risk Oversight

Management is responsible for the Company's day-to-day risk management activities and the Board's role is to engage in informed risk oversight. In fulfilling this oversight role, the Board of Directors focuses on understanding the nature of our enterprise risks, including our operations and strategic direction, as well as the adequacy of our risk management processes and overall risk management system.

The Board performs this function by receiving management updates on the Company's business operations, financial results and strategy at its regularly scheduled meetings. The Audit and Compensation Committees, which consist entirely of independent directors, assist the Board in its oversight of risk management. Currently, the risk areas reported to the Board relate to credit risk, liquidity risk, fraud risk and operational risks including regulatory, economic, competitive, legal, and mergers and acquisitions risks.

The Board administers its risk oversight function by (i) identifying key areas of risk exposure facing the Company; (ii) discussing the level of risk the Company is willing to take and the variance from stated risk tolerance that is considered acceptable; (iii) identifying and discussing the key risk indicators and the early warning signs of increased risk exposure; and (iv) discussing with management the Company's guidelines for monitoring risk indicators and encouraging communication of key risk indicators to management and the Board.

Committees of the Board of Directors

During 2009, the Board of Directors had an Audit Committee and a Compensation Committee.

The Board of Directors currently does not have a nominating committee or a committee performing the functions of a nominating committee. The Board of Directors is not required to have a nominating committee because the Company is a controlled company as defined in the NASDAQ Listing Rules. Although there are no formal procedures for stockholders to nominate persons to serve as directors, the full Board of Directors will consider recommendations from stockholders, which should be addressed to Caroline Beasley, Secretary of Beasley Broadcast Group, Inc. at the Company's address. The Company has not adopted a formal process because it believes that the informal consideration process has been adequate to date.

The Board does not have a specific policy regarding diversity of director candidates. However, as a matter of practice the Board recommends candidates based on the diversity their business or professional experience, background, talents and perspectives. The Board considers diversity in the context of the Board as a whole and takes into account the personal characteristics, including gender, ethnicity and age, and experience, including financial expertise, educational and professional background of current and prospective directors. The Board believes this process will best facilitate Board deliberations that reflect a broad range of perspectives and lead to a more effective decision-making process.

The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act), consists of Messrs. Cox, Fowler and McCord, each of whom is an Independent Director as that term is defined in Rule 5605(a)(2) of the NASDAQ Listing Rules and Rule 10A-3 under the Exchange Act. The Board of Directors has determined that Mr. Cox is an Audit Committee financial expert as that term is defined in the Exchange Act. The responsibilities of the Audit Committee as set forth in its written charter include:

Recommending to the Board of Directors independent auditors to conduct the annual audit of the Company's financial statements;

Reviewing the proposed scope of the audit and approving the audit fees to be paid;

Reviewing the Company's accounting and financial controls with the independent auditors and its financial and accounting staff; and

Reviewing and approving transactions, other than compensation matters, between the Company and its directors, officers and affiliates.

The Audit Committee met five times during 2009 and did not act by unanimous written consent.

The Compensation Committee consists of Messrs. Cox, Fowler, and McCord each of whom is an Independent Director as that term is defined in Rule 5605(a)(2) of the NASDAQ Listing Rules. This Committee is responsible for establishing compensation policies for the Company's executive officers, including the Chief Executive Officer, and reviewing the Company's compensation plans to ensure that they meet corporate objectives. The responsibilities of the Compensation Committee also include administering and interpreting the 2007 Equity Incentive Award Plan of the Company. The Compensation Committee met four times during 2009 and did not act by unanimous written consent. As a controlled company, the Compensation Committee is not required to, and does not have a charter.

Stockholder Communication with Board Members

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process (in which stockholder communications received by the Secretary for the Board's attention, or summaries thereof, will be forwarded to the Board) has served the Board's and the stockholders' needs. In view of SEC disclosure requirements relating to this issue, the Board of Directors may consider developing more specific procedures. Until any other procedures are developed and posted on the Company's corporate website, any communications to the Board of Directors should be sent to it in care of the Secretary.

Incentive Compensation

Our Compensation Committee has historically utilized two forms of incentive compensation: cash and equity awards. The cash component is designed to convey an immediate recognition of services performed by the recipient, while the equity component is tied to vesting requirements and is designed to not only compensate but to also motivate and retain the recipient over the long term.

All of our NEOs are eligible to receive bonuses under our annual cash incentive program and awards of equity-based compensation under our 2007 Equity Incentive Award Plan.

Retirement Plans

We have a Section 401(k) Savings/Retirement Plan (the "401(k) Plan") that covers eligible employees of the Company and any designated affiliate, including our NEOs. The 401(k) Plan permits eligible employees to defer up to 100% of their annual compensation, subject to certain limitations imposed by the Internal Revenue Code of 1986, as amended. The employees' elective deferrals are immediately vested and non-forfeitable upon contribution to the 401(k) Plan. Employees aged twenty-one years or older are eligible to participate in the 401(k) Plan after completing one year of service with the Company. In addition, part-time employees must have completed 1,000 hours of service in order to be eligible to participate in the 401(k) Plan.

TERMINATION OR CHANGE IN CONTROL PAYMENTS

Potential Termination Payments

Each of our NEOs entered into a three-year employment agreement with us effective as of February 11, 2005 and amended as of December 31, 2008, providing for an initial three-year term, subject to automatic one-year renewals if not terminated by either party. The employment agreements provide for severance benefits under certain events. The employment agreements provide that in the event of a termination by us without cause, a termination by the executive for good reason, or termination of employment due to death or disability, the terminated executive (or, in the case of death, the executive's estate) will be entitled to (i) severance payment that is equal to one year of the executive's annual base salary, (ii) continued receipt of certain benefits including medical insurance and life insurance for one year following the date of termination, and (iii) full vesting of all outstanding equity awards. The employment agreements provide for an additional lump sum payment equal to six months of the executive's annual base salary in the event of a termination by us without cause, a termination by the executive for material good reason, or termination of employment due to death or disability. In the event of a termination by us as a result of the executive's disability, the executive will continue to receive his or her annual base salary until the date of termination and be entitled to receive the payments and benefits described above following the date of termination.

Under the employment agreements, *disability* means the absence of the executive from the executive's duties on a full-time basis for a period of 180 consecutive days as a result of incapacity due to mental or physical illness. *Cause*, means the executive's: (i) failure substantially to perform his or her duties under the employment agreement, other than any such failure resulting from the executive's disability, after notice and reasonable opportunity for cure, all as determined by our board of directors; (ii) conviction of a felony or a crime involving moral turpitude; or (iii) fraud or personal dishonesty involving our assets. *Good reason* exists where we fail to make any payment or provide any benefit under the employment agreement or commit a material breach of the employment agreement and do not cure such failure or breach after notice and a reasonable opportunity to cure. *Material good reason* means the occurrence of any of the following: (i) a material diminution in the executive's annual base salary; (ii) a material diminution in the executive's authority, duties or responsibilities; (iii) a material diminution in the budget over which the executive retains authority; (iv) a material change in the geographic location at which the executive must perform services under the employment agreement; or (v) any other action or inaction that constitutes a material breach by us under the employment agreement; provided that the executive submits written notice of the occurrence of each such event within 90 days of the occurrence of such event, and we have not remedied such event within a 30-day period after receipt of such written notice.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

The following table sets forth certain information regarding beneficial ownership of our Class A common stock and Class B common stock as of March 31, 2010 by:

Shares of Class A common stock subject to options currently exercisable or exercisable within 60 days of March 31, 2010 are deemed outstanding for calculating the percentage of outstanding shares of the person holding those options but are not deemed outstanding for calculating the percentage of any other person. Restricted shares of Class A common stock that are currently vested or that will be vested within 60 days (but no other shares of restricted common stock) are deemed outstanding for calculating the percentage of outstanding shares of the person holding those shares of restricted stock. All restricted shares of Class A common stock currently outstanding, whether vested or not, are deemed outstanding for calculating the aggregate number of shares outstanding. The address of each beneficial owner, unless stated otherwise, is c/o Beasley Broadcast Group, 3033 Riviera Drive, Suite 200, Naples, Florida 34103.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee has reappointed Crowe Horwath LLP (Crowe Horwath) as the independent registered public accounting firm to audit the Company's financial statements for the fiscal year ending December 31, 2009. In making this appointment, the Audit Committee considered whether the audit and non-audit services Crowe Horwath will provide are compatible with maintaining the independence of the Company's outside auditors. The Audit Committee has adopted a policy that sets forth the manner in which the Audit Committee will review and approve all services to be provided by Crowe Horwath before the firm is retained. The Audit Committee pre-approves all audit and permitted non-audit services to be performed for the Company by its independent public accountants. The chairperson of the Audit Committee may represent the entire committee for the purposes of pre-approving permitted non-audit services. The Audit Committee does not consider the provision of the permitted non-audit services to be incompatible with maintaining the independent public accountant's independence.

Representatives of Crowe Horwath are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. They are also expected to be available to respond to appropriate questions.

Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of such reports and upon written representations from each of the Company's officers and directors, the Company believes that, for the year ended December 31, 2009, all Section 16(a) filing requirements applicable to the Company's officers, directors and greater than ten percent stockholders were complied with on a timely basis.

CODE OF BUSINESS CONDUCT AND ETHICS

The Company adopted a Code of Business Conduct and Ethics applicable to all of its directors and employees, including its principal executive officer and principal financial and accounting officer, which is a code of ethics as defined by applicable rules of the SEC.
