Complementary Technology

Novellus is a leader in deposition and surface preparation technologies

Novellus

technical core competencies align with Lam's strengths in etch and single-wafer clean.

Together we will better serve our customers by:

Advancing technical benefits from owning adjacent technologies

Optimizing collective development of next-generation tools

Further develop complementary customer relationships

The combination of Lam and Novellus will create a company that will lead the development of next generation semiconductor manufacturing technology providing direct benefits to our customers

With significant synergies across our product lines, we will bring a broader equipment portfolio and wider range of technology solutions.

Complementary Product Leadership

Next Steps

As your trusted supplier, Lam believes in open communication regarding significant changes to our business.

Our focus during this transition will be on value creation and efficient integration for you. This is a unique opportunity to join two outstanding organizations into one company with a broader platform for greater innovation and more cost-effective solutions.

This will be the first in a series of communications from our account leadership

Our account executives will provide regular communications updates to you on the plans for combining.

Together  
we  
can

**How to Find Further Information**

This communication does not constitute an offer to sell or the solicitation of an offer to buy any securities, or a solicitation of any vote or approval, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. In connection with the proposed merger, Lam intends to file with the SEC a registration statement on Form S-4 that will include a joint proxy statement of Lam and Novellus that also constitutes a prospectus of Lam. Lam and Novellus will furnish the joint proxy statement/prospectus and other relevant documents to their respective security holders in connection with the proposed merger of Lam and Novellus. **BEFORE MAKING ANY VOTING OR INVESTMENT DECISION, WE URGE SECURITY HOLDERS AND**

INVESTORS TO READ THE JOINT PROXY STATEMENT/PROSPECTUS (INCLUDING ALL AMENDMENTS AND SUPPLEMENTS THERETO) AND OTHER DOCUMENTS FILED WITH THE SEC CAREFULLY AND IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT LAM AND NOVELLUS AND THE PROPOSED MERGER. The proposals for the merger will be made solely through the joint proxy statement/prospectus. In addition, a copy of the joint proxy statement/prospectus (when it becomes available) may be obtained free of charge from Lam Research Corporation, Investor Relations, 4650 Cushing Parkway, Fremont, CA 94538-6401, or from Novellus, Investor Relations, 4000 North First Street, San Jose, CA 95134. Security holders will be able to obtain, free of charge, copies of the joint proxy statement/prospectus and S-4 Registration Statement and any other documents filed by Lam or Novellus with the SEC in connection with the proposed Merger at the SEC's website at <http://www.sec.gov>, and at the companies' websites at [www.lamresearch.com](http://www.lamresearch.com) and [www.novellus.com](http://www.novellus.com), respectively.

#### Cautions Regarding Forward-Looking Statements

This announcement contains, or may contain, forward-looking statements concerning Lam and Novellus (together such companies being the Merged Company), which are subject to the safe harbor provisions created by the Private Securities Litigation Reform Act of 1995. Generally, the words believe, anticipate, expect, may, should, could, and other future-oriented terms identify forward-looking statements. Forward-looking statements include, but are not limited to, statements relating to the following: (i) the expected benefits of the repurchase program, the expected accretive effect of the Merger and the repurchase program on the Merged Company's financial performance, cost, revenue, technology and other synergies, the expected impact for customers, employees and end-users, future capital expenditures, revenues, earnings, economic performance, financial condition, losses and future prospects; (ii) business and management strategies for the expansion and growth of Lam's or Novellus' operations; (iii) the effects of government regulation on Lam's, Novellus' or the

business; (iv) future industry developments and trends; (v) the anticipated timing of shareholder meetings and completion of the repurchase program; and (vii) assumptions underlying any of the foregoing statements.

These forward-looking statements are based upon the current beliefs and expectations of the management of Lam and Novellus. Many uncertainties that could cause actual results to differ materially from those expressed in the forward-looking statements. Many uncertainties relate to factors that are beyond Lam's and Novellus' ability to control or estimate precisely and include, without limitation, the ability to obtain governmental or stockholder approvals of the Merger or to satisfy other conditions to the Merger on the proposed terms; the possibility that the Merger does not close when expected or at all, or that the companies may be required to modify aspects of the Merger without regulatory approval; the ability to realize the expected synergies or other benefits from the transaction in the amounts or in the timing; the potential harm to customer, supplier, employee and other relationships caused by the announcement or closing of the Merger; the ability to integrate Novellus' and Lam's businesses in a timely and cost-efficient manner; uncertainties in the global economy and credit markets; trends with respect to the cyclical nature of the semiconductor industry; and rates of change in, future shipments, margins, market share, capital expenditures, revenue and operating expenses generally; volatility in quarterly results and in the stock price of the Merged Company; the requirements and the ability to satisfy those requirements; customer capital spending and their demand for the Merged Company's products; the ability to defend the Merged Company's market share and to gain new market share; anticipated growth in the industry and the Merged Company's growth relative to such growth; levels of research and development expenditures; the estimates made, and the accruals recorded, in order to implement critical accounting policies (including but not limited to the adequacy of prior tax payments, future tax liabilities and the adequacy of the Merged Company's accruals relating to them); and the ability to manage and grow the Merged Company's cash position;
