Additionally, Mr. Guderian will receive an annual cash incentive award, the amount of which will be determined by the Compensation Committee after the conclusion of the 2012 performance year. Mr. Guderian's actual annual cash incentive compensation payment for the year will be based on the performance of the Company against certain metrics that will be established by the Compensation Committee and the Compensation Committee's assessment of Mr. Guderian's performance. The target bonus percentage (as a percentage of Mr. Guderian's base salary for the year) for the annual cash incentive award to Mr. Guderian is 65%.

Compensation of Named Executive Officers

On December 30, 2011, the Board approved the compensation discussed below for the named executive officers of the Company (the "NEOs"). All compensation decisions approved by the Board are expected to be ratified by the Compensation Committee.

Base Salaries. The Company's NEOs will receive base salaries as established by the Company from time to time. On December 30, 2011, the Board approved the following initial annualized base salary rates for the NEOs:

Name	Position(s)	Base Salary
Ralph A. Hill	Chief Executive Officer	\$ 750,000
Rodney J. Sailor	Senior Vice President, Chief Financial Officer and Treasurer	\$ 370,000
James J. Bender	Senior Vice President and General Counsel	\$ 488,000

Annual Cash Incentive Compensation Opportunities. Also on December 30, 2011, the Board approved grants to the NEOs of annual cash incentive compensation. After the conclusion of the 2012 performance year, the Compensation Committee will base its determinations of the actual annual cash incentive amounts payable based on the performance of the Company against certain metrics that will be established by the Compensation Committee.

The target bonus percentages (each as a percentage of the NEO's base salary for the year) for the annual cash incentive awards to the NEOs are as follows:

Name	Target Bonus Percentage
Ralph A. Hill	100%
Rodney J. Sailor	70%
James J. Bender	65%

A NEO's actual annual cash incentive compensation payment for a year will be determined by the Compensation Committee and will be based on each NEO's target bonus percentage, based on performance against the applicable performance criteria and the Compensation Committee's assessment of the individual's performance.

Change in Control Agreements. On December 30, 2011, the Board approved change in control agreements with each of the NEOs of the Company (the *Change in Control Agreements*), providing for severance payments and other benefits to the NEOs if they are terminated upon or within a certain period after a change in control. The terms of the *Change in Control Agreements* for all of the NEOs are identical except as specifically noted below.

A change in control occurs if any one or more of the following happen during the term of the *Change in Control Agreements*:

any person (as such term is used in Rule 13d-5 of the Exchange Act) or group (as such term is defined in Sections 3(a)(9) and 13(d)(3) of the Exchange Act), other than an affiliate of the Company or an employee benefit plan (or any related trust) sponsored or maintained by the Company or its affiliates (a *Related Party*) becomes a beneficial owner, as such term is defined under the Exchange Act, of 20% or more of the Company's common stock or 20% or more of the combined voting power of all securities entitled to vote generally in the election of directors (*Voting Securities*), unless such person owned both more than 75% of common stock and *Voting Securities*, directly or indirectly, in substantially the same proportion immediately before such acquisition; or

the directors of the Company as of the date of the *Change in Control Agreements* (*Existing Directors*) and directors approved after that date by at least two-thirds of the *Existing Directors* cease to constitute a majority of the directors of the Company then serving; or

the consummation of a merger, reorganization, recapitalization consolidation, or similar transaction (any of the foregoing, a *Reorganization Transaction*), other than a *Reorganization Transaction* that results in the persons who were the direct or indirect owners of the outstanding common stock and *Voting Securities* of the Company immediately prior to such *Reorganization Transaction* becoming, immediately after the consummation of such *Reorganization Transaction*, the direct or indirect owners, of both at least 65% of the then outstanding common stock of the surviving corporation and *Voting Securities* representing at least 65% of the combined voting power of the then outstanding *Voting Securities* of the surviving corporation, in substantially the same respective proportion as such persons' ownership immediately before such *Reorganization Transaction*; or

approval by the stockholders of the Company of a plan or agreement for the sale or other disposition of all or substantially all of the consolidated assets of the Company or a plan of complete liquidation of the Company other than a transaction that would result in (i) a *Related Party* owning more than 50% of the assets that were owned by the Company immediately prior to the transaction or (ii) the persons who were the direct or indirect owners of outstanding common stock and *Voting Securities* immediately prior to the transaction becoming, immediately after the consummation of such transaction, the direct or indirect owners of more than 50% of the assets owned by the Company immediately prior to the transaction.

A change in control will not occur if (a) the NEO agrees in writing prior to an event that such an event will not be a change in control or (b) the Board determines that a liquidation, sale or other disposition approved by the stockholders, as described in the fourth bullet above, will not occur, except to the extent a termination requiring payment occurred prior to such determination.

If a change in control occurs and (i) the NEO's employment is terminated other than for cause (as defined in the *Change in Control Agreements*), disability (as defined in the *Change in Control Agreements*), death, or a disqualifying disaggregation (as defined in the *Change in Control Agreements*) or (ii) the NEO resigns for good reason (as defined in the *Change in Control Agreements*) within two years following the change in control, then, in addition to any accrued but unpaid salary, earned bonus, paid time off or other accrued benefits, the NEO is entitled to a lump-sum cash amount equal to the sum of (1) the NEO's target annual bonus for the year in which the termination occurs prorated through the termination date plus (2) a severance amount equal to:

in the case of Mr. Hill's Change in Control Agreement, three times the sum of:

Mr. Hill's base salary as of the termination date plus

Mr. Hill's target annual bonus for the year in which the termination occurs payable as if performance goals were achieved at 100%; and

in the case of the Change of Control Agreements for Mr. Sailor and Mr. Bender, two times the sum of:

the NEO's base salary as of the termination date plus

the NEO's target annual bonus for the year in which the termination occurs payable as if performance goals were achieved at 100%.

In addition, to the extent provided in the applicable award agreements and plan, all of the NEO's outstanding stock options will become fully vested and immediately exercisable until the 18-month anniversary of the termination (or such later date as may be set forth in the applicable award agreement including, but not limited to, a later exercise date under an award agreement if the NEO has met the age and service requirements for retirement) or, if earlier, the option expiration date for any such stock option. All restricted stock will vest and will be paid out only in accordance with the terms of the applicable award agreements. The NEO will also receive continued participation in the Company's welfare benefit plans for so long as he elects coverage or 18 months from the termination, whichever is less, in the same manner and at the same cost as similarly situated active employees; continued participation in the Company's directors' and officers' liability insurance for six years or any known longer applicable statute of limitations period; continued indemnification on the same terms as other peer executives to the greatest extent permitted by law and the Company's bylaws; and reimbursement for outplacement services for six months at a cost not exceeding \$25,000.

The Change in Control Agreements contain a "best-net" provision which provides that, if IRS Code Section 280G applies to payments made under the agreement and such payments trigger an excise tax, then these payments may be reduced to an amount that will not trigger the excise tax, if such reduction would result in a greater net amount paid to the NEO.

If the NEO's employment is terminated for cause within two years following a change of control, the NEO is entitled to a lump sum payment consisting of accrued but unpaid base salary, accrued earned but unpaid annual bonus, accrued but unpaid paid time off, and any other amounts or benefits due but not paid.

The severance benefits described above are subject to the NEOs execution of a release and waiver of claims against the Company and its affiliates and continued compliance with certain restrictive covenants such as confidentiality, non-competition and non-solicitation following the NEO's termination. The Change in Control Agreements supersede all prior change of control agreements relating to severance or benefits between or among the NEOs, Williams, the Company and/or any subsidiaries of Williams or the Company.

The foregoing description of the Change in Control Agreements is not complete and is qualified in its entirety by reference to the full text of the Change in Control Agreement for Mr. Hill, which is filed as Exhibit 10.7 to this Current Report on Form 8-K and is incorporated into this Item 5.02 by reference, and the Change in Control Agreement for Mr. Sailor and Mr. Bender, which is filed as Exhibit 10.8 to this Current Report on Form 8-K and incorporated into this Item 5.02 by reference.
