Item 8.01. Other Events.

As previously disclosed by MoneyGram International, Inc. (the Company or MoneyGram), the Company has been served with subpoenas to produce documents and testify before a grand jury in the U.S. District Court for the Middle District of Pennsylvania. The subpoenas sought information related to, inter alia, MoneyGram's U.S. and Canadian agents, as well as certain transactions involving such agents, fraud complaint data, and MoneyGram's consumer anti-fraud program during the period from 2004 to 2009. MoneyGram has provided information requested pursuant to the subpoenas and continues to provide additional information relating to the investigation. In addition, the Company has been provided with subpoenas for the testimony of certain current and former employees in connection with the investigation. The Company has also been notified of a request for interviews of one current executive officer and one former chief executive officer of the Company.

Also, as previously disclosed, the U.S. Department of Treasury Financial Crimes Enforcement Network (FinCEN) requested information, which information was subsequently provided by MoneyGram, concerning MoneyGram's reporting of fraudulent transactions during this period. In November 2010, MoneyGram met with representatives from the U.S. Attorney's Office for the Middle District of Pennsylvania (the MDPA USAO) and representatives of FinCEN to discuss the investigation. In July 2011, MoneyGram had further discussions with the MDPA USAO and representatives of the Asset Forfeiture and Money Laundering Section of the U.S. Department of Justice (US DOJ). MoneyGram has been informed that it is being investigated by the federal grand jury in connection with these matters for the period 2004 to early 2009 as well as MoneyGram's anti-money laundering program during that period.

In January 2012, meetings were held between representatives of the Company, the MDPA USAO and the Criminal Division of the US DOJ to discuss the investigation. MoneyGram continues to engage in discussions and cooperate with such government representatives regarding the ongoing investigation. During the course of these discussions, the Company was advised that consideration is being given to a range of possible outcomes, including the seeking of criminal penalties against the Company. However, no conclusions can be drawn at this time as to the outcome of the investigation.
