PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD DECEMBER 20, 2013

The Board of Directors of Wheeler Real Estate Investment Trust, Inc. (the **Company** or **we** or **us**) is soliciting proxies to be used at the Annual Meeting of Stockholders following the fiscal year ended December 31, 2012 (the **Annual Meeting**). Distribution of this Proxy Statement and a Proxy Form is scheduled to begin on November 22, 2013. The mailing address of the **Company** 's principal executive office is Riversedge North, 2529 Virginia Beach Boulevard, Suite 200, Virginia Beach, Virginia 23452.

About the Meeting

Who Can Vote

Record holders of Common Stock of the **Company** at the close of business on Tuesday, November 19, 2013, (the **Record Date**) may vote at the Annual Meeting. On that date, 7,121,000 shares of Common Stock were outstanding. Each share is entitled to cast one vote.

How Can You Vote

If you return your signed proxy before the Annual Meeting, we will vote your shares as you direct. You can specify whether your shares should be voted for all, some or none of the nominees for director. You can also specify whether you approve, disapprove or abstain from the other proposal to ratify the selection of auditors. You can also vote by Internet, at the address shown on your proxy card or by Phone, at 1-800-652-VOTE (8683).

If a proxy is executed and returned but no instructions are given, the shares will be voted according to the recommendations of the Board of Directors. The Board of Directors recommends a vote **FOR** Proposals 1 and 2.

Revocation of Proxies

You may revoke your proxy at any time before it is exercised by (a) delivering a written notice of revocation to the Corporate Secretary, (b) delivering another proxy that is dated later than the original proxy, or (c) casting your vote in person at the Annual Meeting. Your last vote will be the vote that is counted.

What am I voting on?

You will be voting on the following:

- (1) The reelection of eight members of the Board of Directors, each to serve a term expiring at the Annual Meeting of Shareholders in 2014 or until their successors are duly elected and qualified;
- (2) The reappointment of Cherry Bekaert LLP as the **Company** 's independent registered public accounting firm for the fiscal year ending December 31, 2013.

Vote Required

The holders of a majority of the shares entitled to vote who are either present in person or represented by a proxy at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. As of November 19, 2013, there were 7,121,000 shares of Common Stock issued and outstanding. The presence, in person or by proxy, of stockholders entitled to cast at least 3,560,501 votes constitutes a quorum for adopting the proposals at the Annual Meeting. If you have properly signed and returned your proxy card by mail or voted by internet or phone, you will be considered part of the quorum, and the persons named on the proxy card will vote your shares as you have instructed. If the broker holding your shares in street name indicates to us on a proxy card that the broker lacks discretionary authority to vote your shares, we will not consider your shares as present or entitled to vote for any purpose.

A plurality of the votes cast is required for the election of directors. This means that the director nominee with the most votes for a particular slot is elected to that slot. A proxy that has properly withheld authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

For the other proposal, the affirmative vote of the holders of a majority of the shares represented in person or by proxy entitled to vote on the proposal will be required for approval. An abstention with respect to such proposal will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

As of the Record Date, affiliates held 357,558 shares representing approximately 5.02% of the shares outstanding. These affiliates have advised the Company that they currently intend to vote all of their shares in favor of the approval of both proposals.

If you received multiple proxy cards, this indicates that your shares are held in more than one account, such as two brokerage accounts, and are registered in different names. You should vote each of the proxy cards to ensure that all your shares are voted.

Other Matters to be Acted Upon at the Annual Meeting

We do not know of any other matters to be validly presented or acted upon at the Annual Meeting. If any other matter is presented at the Annual Meeting on which a vote may be properly taken, the shares represented by proxies will be voted in accordance with the judgment of the person or persons voting those shares.

Expenses of Solicitation

The Company is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. Some of our directors, officers and employees may solicit proxies personally, without any additional compensation, by telephone or mail. Proxy materials will also be furnished without cost to brokers and other nominees to forward to the beneficial owners of shares held in their names.

Available Information

Our internet website address is *www.whlr.us*. We make available free of charge through our website our most recent Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K, and amendments to those reports as soon as reasonably practicable after we electronically file or furnish such materials to the Securities and Exchange Commission (the "SEC"). In addition, we have posted the Charters of our Audit Committee, Compensation Committee, and Nominating Committee, as well as our Code of Business Conduct and Ethics,

Corporate Governance Principles including guidelines on director independence, and Inside Trading Policy all under separate headings. These charters and principles are not incorporated in this instrument by reference. We will also provide a copy of these documents free of charge to stockholders upon written request.

Multiple Stockholders Sharing the Same Address

The SEC rules allow for the delivery of a single copy of an annual report and proxy statement to any household at which two or more stockholders reside, if it is believed the stockholders are members of the same family. Duplicate account mailings will be eliminated by allowing stockholders to consent to such elimination, or through implied consent if a stockholder does not request continuation of duplicate mailings. Depending upon the practices of your broker, bank or other nominee, you may need to contact them directly to continue duplicate mailings to your household. If you wish to revoke your consent to householding, you must contact your broker, bank or other nominee.

If you hold shares of common stock in your own name as a holder of record, householding will not apply to your shares.

If you wish to request extra copies free of charge of any annual report, proxy statement or information statement, please send your request to Wheeler Real Estate Investment Trust, Inc., Attention: Secretary, Riversedge North, 2529 Virginia Beach Boulevard, Suite 200, Virginia Beach, Virginia 23452.

Role of the Board's Committees

The Board of Directors has standing Audit, Compensation, Governance and Nominating Committees and Real Estate Committees.

Audit Committee. The functions of the Audit Committee are described below under the heading *Report of the Audit Committee*. The charter of the Audit Committee was adopted on November 16, 2012, and is available on the Company's Investor Relations website (www.whlr.us). All of the members of the Audit Committee are independent within the meaning of SEC regulations, the listing standards of the Nasdaq Stock Market and the Company's *Corporate Governance Principles*. Dr. McGowan, a member and Chair of the Audit Committee, is qualified as an audit committee financial expert within the meaning of SEC regulations and the Board has determined that he has accounting and related financial management expertise within the meaning of the listing standards of the Nasdaq Stock Market. All of the members of the Audit Committee meet the independence and experience requirements of the listing standards of the Nasdaq Stock Market. As we only recently became a public-reporting company in November 2012, the Audit Committee did not meet in 2012.

Governance and Nominating Committee. The Governance and Nominating Committee is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of the Company's *Corporate Governance Guidelines*. In addition, the Governance and Nominating Committee develops and reviews background information on candidates for the Board and makes recommendations to the Board regarding such candidates. The Governance and Nominating Committee also prepares and supervises the Board's annual review of director independence and the Board's performance self-evaluation. The charter of the Governance and Nominating Committee was adopted on November 16, 2012, and is available on the Company's Investor Relations website (www.whlr.us). All of the members of the Governance and Nominating Committee are independent within the meaning of the listing standards of the Nasdaq Stock Market and the Company's *Corporate Governance Principles*. As we only recently became a public-reporting company in November 2012, the Nominating

Edgar Filing: Wheeler Real Estate Investment Trust, Inc. - Form DEF 14A
and Corporate Governance Committee did not meet in 2012.

Compensation Committee. The Compensation Committee is responsible for overseeing the policies of the Company relating to compensation to be paid by the Company to the Company's principal executive officer and any other officers designated by the Board and make recommendations to the Board with respect to such policies, produce necessary reports on executive compensation for inclusion in the Company's proxy statement in accordance with applicable rules and regulations and to monitor the development and implementation of succession plans for the principal executive officer and other key executives and make recommendations to the Board with respect to such plans. The charter of the Compensation Committee was adopted on November 16, 2012, and is available on the Company's Investor Relations website (www.whlr.us). All of the members of the Compensation Committee are independent within the meaning of the listing standards of the Nasdaq Stock Market and the Company's *Corporate Governance Principles*. The Compensation Committee is to be comprised of at least two directors who are independent of management and the Company. The Compensation Committee may not delegate its authority to other persons. The Compensation Committee has not engaged a compensation consultant to assist in the determination of executive compensation issues. While the Company's executives will communicate with the Compensation Committee regarding executive compensation issues, the Company's executive officers do not participate in any executive compensation decisions. As we only recently became a public-reporting company in November 2012, the Compensation Committee did not meet in 2012.

Real Estate Committee. The Real Estate Committee is responsible for reviewing and analyzing strategic real estate acquisitions and investments. In addition, the Real Estate Committee makes recommendations to the Board regarding the potential real estate acquisitions and investments. The Real Estate Committee was recently formed on September 25, 2013 and has not adopted a charter. All of the members of the Real Estate Committee are independent within the meaning of the listing standards of the Nasdaq Stock Market and the Company's *Corporate Governance Principles*. The Real Estate Committee did not meet in 2012 because it was not formed until 2013.

Board Leadership Structure

Mr. Wheeler currently holds both the positions of Chief Executive Officer and Chairman of the Board. These two positions have not been consolidated into one position; Mr. Wheeler simply holds both positions at this time. The Board of Directors believes that Mr. Wheeler's service as both Chief Executive Officer and Chairman of the Board is in the best interests of the Company and its shareholders. Mr. Wheeler possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its business and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. His combined role enables decisive leadership, ensures clear accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to the Company's shareholders, employees, customers and suppliers.

We do not have a lead independent director because of the foregoing reasons and also because we believe our independent directors are encouraged to freely voice their opinions on a relatively small company board. We believe this leadership structure is appropriate because we are a smaller reporting company and as such we deem it appropriate to be able to benefit from the guidance of Mr. Wheeler as both our Chief Executive Officer and Chairman of the Board.

Selection of Nominees for the Board

The Governance and Nominating Committee will consider candidates for Board membership suggested by its members and other Board members, as well as management and stockholders. The committee may also retain a third-party executive search firm to identify candidates upon request of the committee from time to time. A stockholder who wishes to recommend a prospective nominee for the Board should notify the Company's Corporate Secretary or any member of the Governance and Nominating Committee in writing with whatever supporting material the stockholder considers appropriate. The Governance and Nominating Committee will also consider whether to nominate any person nominated by a stockholder pursuant to the provisions of the Company's Bylaws relating to

stockholder nominations.

Once the Governance and Nominating Committee has identified a prospective nominee, the committee will make an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination will be based on whatever information is provided to the committee with the recommendation of the prospective candidate, as well as the committee's own knowledge of the prospective candidate, which may be supplemented by

inquiries to the person making the recommendation or others. The preliminary determination will be based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below. If the committee determines, in consultation with the Chairman of the Board and other Board members as appropriate, that additional consideration is warranted, it may request the third-party search firm to gather additional information about the prospective nominee's background and experience and to report its findings to the committee. The committee will then evaluate the prospective nominee against the standards and qualifications generally set out in the Company's *Corporate Governance Guidelines*, including:

the ability of the prospective nominee to represent the interests of the stockholders of the Company;

the prospective nominee's standards of integrity, commitment and independence of thought and judgment;

the prospective nominee's ability to dedicate sufficient time, energy, and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards, as specifically set out in the Company's *Corporate Governance Guidelines*;

the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board;

the extent to which the prospective nominee helps the Board reflect the diversity of the Company's stockholders, employees, customers, guests and communities; and

the willingness of the prospective nominee to meet any minimum equity interest holding guideline.

The Governance and Nominating Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Governance and Nominating Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Governance and Nominating Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the committee.

The Bylaws of the Company provide that any stockholder entitled to vote at the Annual Meeting in the election of directors generally may nominate one or more persons for election as directors at a meeting only if written notice of such stockholders' intention to make such nomination has been delivered personally to, or has been mailed to and received by the Secretary at the principal office of the Company not later than 10 days following the notice of this annual meeting. If a stockholder has a suggestion for candidates for election, the stockholder should follow this procedure. Each notice from a stockholder must set forth (i) the name and address of the stockholder who intends to make the nomination and the name of the person to be nominated, (ii) the class and number of shares of stock held of record, owned beneficially and represented by proxy by such stockholder as of the record date for the meeting and as of the date of such notice, (iii) a representation that the stockholder intends to appear in person or by proxy at the

meeting to nominate the person specified in the notice, (iv) a description of all arrangements or understandings between such stockholder and each nominee and any other person (naming those persons) pursuant to which the nomination is to be made by such stockholder, (v) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules, and (vi) the consent of each nominee to serve as a director of the Company if so elected. The chairman of the Annual Meeting may refuse to acknowledge the nomination of any person not made in compliance with this procedure.

Determinations of Director Independence

The Board of Directors reviews the independence of each director yearly. During this review, the Board of Directors considers transactions and relationships between each director (and his or her immediate family and affiliates) and the Company and its management to determine whether any such relationships or transactions are inconsistent with a determination that the director is independent in light of applicable law, listing standards and the Company's director independence standards. The Company believes that it maintains a majority of independent directors who are deemed to be independent under the definition of independence provided by NASDAQ Listing Rule 5605(a)(2).

Board Meetings During Fiscal 2012

The Board met once during the fiscal year 2012. No incumbent director attended fewer than 100% of the meetings of the Board, and each director attended all of the meetings of the Committees on which he or she served. Under the Company's *Corporate Governance Guidelines*, each Director is expected to dedicate sufficient time, energy and attention to ensure the diligent performance of his or her duties, including by attending meetings of the stockholders of the Company, the Board and Committees of which he or she is a member.

Stockholder Communications with the Board

Stockholders and other parties interested in communicating directly with board of directors, including communications regarding concerns relating to accounting, internal accounting controls or audit measures, or fraud or unethical behavior, may do so by writing to the directors at the following address: Wheeler Real Estate Investment Trust, Inc., Attention: Secretary, Riversedge North, 2529 Virginia Beach Boulevard, Suite 200, Virginia Beach, Virginia 23452. The Governance and Nominating Committee of the Board also approved a process for handling letters received by the Company and addressed to members of the Board but received at the Company. Under that process, the Corporate Secretary of the Company reviews all such correspondence and regularly forwards to the Board a summary of all such correspondence and copies of all correspondence that, in the opinion of the Corporate Secretary,

deals with the functions of the Board or committees thereof or that she otherwise determines requires their attention. Directors may at any time review a log of all correspondence received by the Company that is addressed to members of the Board and received by the Company and request copies of any such correspondence. Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of the Chairman of the Audit Committee and handled in accordance with procedures established by the Audit Committee with respect to such matters.

Code of Ethics

The Company has adopted a Code of Business Conduct and Ethics, which applies to all directors, officers and employees. The text of the document is available on the Company's Investor Relations website (www.whlr.us). The Company intends to post amendments to or waivers from its Code of Ethics (to the extent applicable to the Company's Chief Executive Officer and Chief Financial Officer) at this location on its website.

Compliance with Section 16(a) of Reporting Requirements

Section 16(a) under the Securities Exchange Act of 1934 requires the Company's directors, executive officers and any persons holding 10% or more of the Company's shares of Common Stock to report their ownership of the Company's shares of Common Stock and any changes in that ownership to the SEC on specified report forms. Specific due dates for these reports have been established, and the Company is required to report any failure to file by these dates during each fiscal year. All of these filing requirements were satisfied by the Company's directors and executive officers and holders of more than 10% of the Company's Common Stock during the fiscal year ended December 31, 2012. In making these statements, the Company has relied upon the written representations of its directors and executive officers and the holders of 10% or more of the Company's Common Stock and copies of the reports that each has filed with the SEC.

These services are actively monitored (as to both spending level and work content) by the Audit Committee to maintain the appropriate objectivity and independence in the principal auditor's core work, which is the audit of the Company's consolidated financial statements.

Report of the Audit Committee

The primary responsibility of the Audit Committee is to assist the Board of Directors in monitoring the integrity of the Company's financial statements and the independence of its external auditors. The Company believes that each of the members of the Audit Committee is independent and that Dr. McGowan qualifies as an audit committee financial expert in accordance with applicable NASDAQ Capital Market listing standards. In carrying out its responsibility, the Audit Committee undertakes to:

Review and recommend to the directors the independent auditors to be selected to audit the financial statements of the Company;

Meet with the independent auditors and management of the Company to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and at the conclusion thereof review such audit, including any comments or recommendations of the independent auditors;

Review with the independent auditors and financial and accounting personnel the adequacy and effectiveness of the accounting and financial controls of the Company. The Audit Committee elicits recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. The Audit Committee emphasizes the adequacy of such internal controls to

expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper;

Review the internal accounting function of the Company, the proposed audit plans for the coming year and the coordination of such plans with the Company's independent auditors;

Review the financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and contents of the financial statements to be presented to the shareholders;

Provide sufficient opportunity for the independent auditors to meet with the members of the Audit Committee without members of management present. Among the items discussed in these meetings are the independent auditors' evaluation of the Company's financial, accounting, and auditing personnel, and the cooperation that the independent auditors received during the course of the audit;

Review accounting and financial human resources and succession planning within the Company;

Submit the minutes of all meetings of the Audit Committee to, or discuss the matters discussed at each committee meeting with, the Board of Directors; and

Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose, if, in its judgment, that is appropriate.

The Audit Committee has established procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls and auditing matters, including procedures for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

The Audit Committee operates under a written charter adopted by the Board of Directors. The Committee's responsibilities are set forth in this charter which is available on our website at www.whlr.us.

The Audit Committee assists the Board in fulfilling its responsibilities for general oversight of the integrity of the Company's financial statements, the adequacy of the Company's system of internal controls, the Company's risk management, the Company's compliance with legal and regulatory requirements, the independent auditors' qualifications and independence, and the performance of the Company's independent auditors. The Audit Committee has sole authority over the selection of the Company's independent auditors and manages the Company's relationship with its independent auditors. The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties and receive appropriate funding, as determined by the Audit Committee, from the Company for such advice and assistance.

As we only recently became a public-reporting company in November 2012, the Audit Committee did not meet in 2012. The Audit Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its tasks. The Audit Committee's meetings include private sessions with the Company's independent auditors without the presence of the Company's management, as well as executive sessions consisting of only Audit Committee members. The Audit Committee also meets with senior management from time to time.

Management has the primary responsibility for the Company's financial reporting process, including its system of internal control over financial reporting and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. The Company's independent auditors are responsible for auditing those financial statements in accordance with professional standards and expressing an opinion as to their material conformity with U.S. generally accepted accounting principles and for auditing management's assessment of, and the effective operation of, internal control over financial reporting. The Audit Committee's responsibility is to monitor and review the Company's financial reporting process and discuss management's report on the Company's internal control over financial reporting. It is not the Audit Committee's duty or

responsibility to conduct audits or accounting reviews or procedures. The Audit Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the opinion of the independent registered public accountants included in their report on the Audit Committee's financial statements.

As part of its oversight of the Company's financial statements, the Audit Committee reviews and discusses with both management and the Company's independent registered public accountants all annual and quarterly financial statements prior to their issuance. During 2012, management advised the Audit Committee that each set of financial statements reviewed had been prepared in accordance with accounting principles generally accepted in the United States of America, and reviewed significant accounting and disclosure issues with the Audit Committee. These reviews include discussions with the independent accountants of the matters required to be discussed pursuant to *Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards)*, including the quality (not merely the acceptability) of the Company's accounting principles, the reasonableness of significant judgments, the clarity of disclosures in the financial statements and disclosures related to critical accounting practices. The Audit Committee has also discussed with Cherry Bekaert LLP matters relating to its independence, including a review of audit and non-audit fees, and written disclosures from Cherry Bekaert LLP to the Company pursuant to *Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees)*. The Audit Committee also considered whether non-audit services, provided by the independent accountants are compatible with the independent accountant's independence. The Company also received regular updates on the amount of fees and scope of audit, audit-related and tax services provided.

In addition, the Audit Committee reviewed key initiatives and programs aimed at strengthening the effectiveness of the Company's internal and disclosure control structure. As part of this process, the Audit Committee continued to monitor the scope and adequacy of the Company's internal controls, reviewed staffing levels and steps taken to implement recommended improvements in any internal procedures and controls.

Based on the Audit Committee's discussion with management and the independent accountants and the Audit Committee's review of the representation of management and the report of the independent accountants to the Board of Directors, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012, filed with the SEC. The Audit Committee and the Board of Directors have also selected Cherry Bekaert LLP as the Company's independent registered public accountants and auditors for the fiscal year ending December 31, 2013. This report has been furnished by the members of the Audit Committee.

AUDIT COMMITTEE

William W. King

Sanjay Madhu

Carl B. McGowan, Jr.

Under the Sarbanes-Oxley Act of 2002 (the "SO Act"), and the rules of the SEC, the Audit Committee of the Board of Directors is responsible for the appointment, compensation and oversight of the work of the independent auditor. The purpose of the provisions of the SO Act and the SEC rules for the Audit Committee role in retaining the independent registered public accounting firm is two-fold. First, the authority and responsibility for the appointment, compensation and oversight of the auditors should be with directors who are independent of management. Second, any non-audit work performed by the auditors should be reviewed and approved by these same independent directors to ensure that any non-audit services performed by the auditor do not impair the independence of the independent auditor. To implement the provisions of the SO Act, the SEC issued rules specifying the types of services that an independent auditor may not provide to its audit client, and governing the Audit Committee's administration of the engagement of the independent auditor. As part of this responsibility, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that they do not impair the auditor's independence. Accordingly, the Audit Committee has adopted a written pre-approval policy of audit and non-audit services (the "Policy"), which sets forth the procedures and conditions pursuant to which services to be performed by the independent auditor are to be pre-approved. Consistent with the SEC rules establishing two different approaches to approving non-prohibited services, the policy of the Audit Committee covers pre-approval of audit services, audit-related services, international administration tax services, non-U.S. income tax compliance services, pension and

benefit plan consulting and compliance services, and U.S. tax compliance and planning. At the beginning of each fiscal year, the Audit Committee will evaluate other known potential engagements of the independent auditor, including the scope of work proposed to be performed and the proposed fees, and approve or reject each service, taking into account whether services are permissible under applicable law and the possible impact of each non-audit service on the independent

auditor's independence from management. Typically, in addition to the generally pre-approved services, other services would include due diligence for an acquisition that may or may not have been known at the beginning of the year. The Audit Committee has also delegated to any member of the Audit Committee designated by the Board or the financial expert member of the Audit Committee responsibilities to pre-approve services to be performed by the independent auditor not exceeding \$25,000 in value or cost per engagement of audit and non-audit services, and such authority may only be exercised when the Audit Committee is not in session.
