Item 1.01. Entry into a Material Definitive Agreement.

On March 10, 2014, Ameris Bancorp, a Georgia corporation (Ameris), entered into an Agreement and Plan of Merger (the Merger Agreement) with Coastal Bankshares, Inc., a Georgia corporation (Coastal), which provides that, upon the terms and subject to the conditions set forth therein, Coastal will merge with and into Ameris (the Merger), and immediately thereafter, Coastal s subsidiary bank, The Coastal Bank, will be merged with and into Ameris s subsidiary bank, Ameris Bank. Upon consummation of the Merger, Coastal s shareholders will be entitled to receive 0.4671 shares of Ameris common stock for each share of Coastal common stock they hold.

In the event the Agreement is terminated under certain specified circumstances in connection with a competing transaction, Coastal will be required to pay Ameris a termination fee of \$1.9 million in cash. In addition, Coastal may elect to terminate the Merger Agreement if the average closing price of Ameris s common stock for the twenty days beginning on the twenty-fifth day before the effective time of the Merger has declined by more than 20% from its price on the day immediately prior to the execution of the Merger Agreement, and Ameris s common stock underperforms the Keefe Bruyette & Woods Regional Banking Index by more than 20% during such period.

Consummation of the Merger is subject to customary conditions, including, among others, approval of the Merger Agreement by Coastal s shareholders and the receipt of required regulatory approvals.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding Coastal, Ameris, their respective affiliates or their respective businesses, the Merger Agreement and the Merger that will be contained in, or incorporated by reference into, the Registration Statement on Form S-4 of Ameris that will include a prospectus of Ameris and a Proxy Statement of Coastal.

Cautionary Statements Regarding Forward-Looking Information

This Current Report on Form 8-K may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause Ameris s performance or achievements to be materially different from any expected future results, performance or achievements. Forward-looking statements speak only as of the date they are made and neither Ameris nor Coastal assumes any duty to update forward-looking statements. Such forward-looking statements include, but are not limited to, statements about the benefits of the business combination transaction involving Ameris and Coastal, including future financial and operating results, the combined company s plans, objectives, expectations and intentions and other statements that are not historical facts. The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: (i) the possibility that the Merger does not close when expected or at all because required regulatory, shareholder or other approvals and other conditions to closing are not received or satisfied on a timely basis or at all; (ii) changes in Ameris s stock price before closing, including as a result of the financial performance of Ameris prior to closing, or more generally due to broader stock market movements, and the performance of financial companies and peer group companies, (iii) the risk that the benefits from the transaction may not be fully realized or may take longer to realize than expected, including as a result of changes in general economic and market conditions, interest and exchange rates, monetary policy, laws and regulations and their enforcement, and the degree of competition in the geographic and business areas in which Ameris and Coastal operate; (iv) the ability to promptly and effectively integrate the businesses of Ameris and Coastal; (v) the reaction of the companies customers, employees and counterparties to the transaction; and (vi) diversion of management time on merger-related issues. For more information, see the risk factors described in Ameris s Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and other filings with the Securities and Exchange Commission.
