As noted above, the Trustees meet periodically throughout the year to oversee the Fund's activities, review contractual arrangements with service providers for the Funds and review the Fund's performance. The Board also has an Audit Committee and a Nominating Committee, each of which is composed exclusively of all of the Independent Trustees.

Neither Fund has a lead Independent Trustee. However, because much of each Board's work is done at the Board (rather than the Committee) level, and because all of the Independent Trustees are members of the Audit Committee, each Trustee participates in the full range of the Board's oversight duties, including oversight of the risk management process. In addition, although the Independent Trustees recognize that having a lead Independent Trustee may in some circumstances help coordinate communications with management and otherwise assist a board in the exercise of its oversight duties, the Independent Trustees believe that because of the relatively small size of the Board, the relatively small number of funds in the complex, the ratio of Independent Trustees to Interested Trustees and the good working relationship among the Board members, it has not been necessary to designate a lead Independent Trustee.

The Board periodically reviews its leadership structure, including the role of the Chairman. The Board also completes an annual self-assessment during which it reviews its leadership and committee structure and considers whether its structure remains appropriate in light of the Funds' current operations. The Board believes that its leadership structure, including having an Interested Trustee as Chairman and the current percentage of the Board who are Independent Trustees, is appropriate given its specific characteristics. These characteristics include: (i) the Investment Adviser's role in the operation of each Fund's business; (ii) the extent to which the work of the Board is conducted by all of the Independent Trustees; (iii) the extent to which the Independent Trustees meet as needed in the absence of members of management and members of the Board who are interested persons of each Fund; and (iv) Mr. Flanagan's additional role with the Investment Adviser, which enhances the Board's understanding of the operations of the Investment Adviser and of each Fund.

## **Risk Management**

The Board's role is one of oversight, rather than active management. This oversight extends to each Fund's risk management processes. These processes are embedded in the responsibilities of officers of, and service providers to, the Funds. For example, the Investment Adviser is primarily responsible for management of each Fund's investment risks. The Board has not established a formal risk oversight committee. However, much of the regular work of the Board and its standing Committees addresses aspects of risk oversight. For example, the Trustees seek to understand the key risks facing each Fund, including those involving conflicts of interest, how management identifies and monitors these risks on an ongoing basis, how management develops and implements controls to mitigate these risks, and how management tests the effectiveness of those controls.

In the course of providing that oversight, the Board receives a wide range of reports on each Fund's activities from the Investment Adviser, including regarding each Fund's investment portfolio, the compliance of each Fund with applicable laws, and each Fund's financial accounting and reporting. The Board also meets periodically with the Funds' Chief Compliance Officer to receive reports regarding the compliance of each Fund with the federal securities laws and each Fund's internal compliance policies and procedures and meets with the Funds' Chief Compliance Officer at least annually to review the Chief Compliance Officer's annual report, including the Chief Compliance Officer's risk-based analysis for each Fund. The Board also meets periodically with the portfolio managers of each Fund to receive reports regarding the management of the Fund, including its investment risks.

## **Audit Committee**

The Audit Committee's primary purposes, in accordance with its written charter, are to assist the Board in fulfilling its responsibility for oversight of the integrity of the accounting, auditing and financial reporting practices of the Funds, the qualifications and independence of the Funds' independent registered public accounting firm and each Fund's compliance with legal and regulatory requirements. The Audit Committee reviews the scope of each Fund's audits, each Fund's accounting and financial reporting policies and practices and its internal controls. The Audit Committee approves, and recommends to the Independent Trustees of the Funds for their ratification, the selection, appointment, retention or termination of the Funds' independent registered public accounting firm and approves the compensation of the independent registered public accounting firm. The Audit Committee also approves all audit and permissible non-audit services provided to the Funds by the independent registered public accounting firm and all permissible non-audit services provided by the Funds' independent registered public accounting firm to the Investment Adviser and any affiliated service providers if the engagement relates directly to the Funds' operations and financial reporting and makes a determination about whether the provision of the foregoing services is compatible with maintaining the independence of the Funds' independent registered public accountant. The Audit Committee members, all of whom are Independent Trustees, are: Alan Brott, Glenn Marchak, Heath B. McLendon and Patrick Sheehan.

The Audit Committee acts in accordance with the Audit Committee charter (the "Charter") that was most recently reviewed and approved by the Funds' Board of Trustees on April 16, 2014. The Charter is available at the Funds' website, [www.shiplpcef.com](http://www.shiplpcef.com). Mr. Brott has been appointed as Chair of the Audit Committee. The Audit Committee is responsible for assisting the Board of Trustees of the Funds in fulfilling its oversight responsibilities relating to accounting and financial reporting policies and practices of each Fund, including, but not limited to: the adequacy of the Funds' accounting and financial reporting processes, policies and practices; the integrity of each Fund's financial statements; the adequacy of the Funds' overall system of internal controls; each Fund's compliance with legal and regulatory requirements; the qualification and independence of the Funds' independent registered public accounting firm; the performance of each Fund's internal audit function provided by the Investment Adviser and each Fund's other service providers; and the review of the report required to be included in the Funds' annual proxy statement by the rules of the SEC. The Audit Committee is also required to prepare an audit committee report to be included in the Funds' annual proxy statement as required by Item 407(d)(3)(i) of Regulation S-K. It is the responsibility of the Funds' service providers to maintain appropriate systems for accounting and internal control, and the Funds' independent registered public accounting firm's responsibility to plan and carry out a proper audit. The Funds' independent registered public accounting firm is ultimately accountable to the Funds' Board of Trustees and Audit Committee, as representatives of each Fund's shareholders. The Funds' independent registered public accounting firm reports directly to the Audit Committee.

The Audit Committee met three times during Stone Harbor Emerging Markets Total Income Fund's fiscal year ended May 31, 2014 and three times during Stone Harbor Emerging Markets Income Fund's fiscal year ended November 30, 2014.

Based on the findings of the Audit Committee, the Board has determined that Mr. Brott is each Fund's audit committee financial expert, as defined in the rules promulgated by the SEC, and has accounting or related financial management expertise as required by NYSE Listing Standards.

### *Report of the Audit Committee of Stone Harbor Emerging Markets Total Income Fund*

In performing its oversight function, at a meeting held on July 16, 2014, the Audit Committee reviewed and discussed with management of the Fund and the independent accountant, Deloitte & Touche LLP ( "Deloitte" ), the audited financial statements of the Fund as of and for the fiscal year ended May 31, 2014, and discussed the audit of such financial statements with the Fund's independent registered public accounting firm.

In addition, the Audit Committee discussed with the Fund's independent registered public accounting firm the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the Fund's independent registered public accounting firm required by the Statement of Auditing Standards No. 61, as amended or superseded (AICPA, *Professional Standards*, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T. The Audit Committee also received from the Fund's independent registered public accounting firm the written disclosures and letters required by the applicable requirements of the PCAOB regarding the Fund's independent registered public accounting firm's communications with the audit committee concerning independence, and has discussed with the Fund's independent registered public accounting firm the Fund's independent registered public accounting firm.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent verification of the facts presented to it or representation made by management or the Fund's independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund's independent registered public accounting firm, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee recommends to its Board of Trustees that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended May 31, 2014.

*Report of the Audit Committee of Stone Harbor Emerging Markets Income Fund*

In performing its oversight function, at a meeting held on January 21, 2015, the Audit Committee reviewed and discussed with management of the Fund and the Fund's independent registered public accounting firm, Deloitte & Touche LLP (Deloitte), the audited financial statements of the Fund as of and for the fiscal year ended November 30, 2014 and discussed the audit of such financial statements with the Fund's independent registered public accounting firm.

In addition, the Audit Committee discussed with the Fund's independent registered public accounting firm the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the Fund's independent registered public accounting firm required by the Statement of Auditing Standards No. 61, as amended or superseded (AICPA, *Professional Standards*, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T. The Audit Committee also received from the Fund's independent registered public accounting firm the written disclosures and letters required by the applicable requirements of the PCAOB regarding the Fund's independent registered public accounting firm's communications with the audit committee concerning independence, and has discussed with the Fund's independent registered public accounting firm the Fund's independent registered public accounting firm's independence.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal

control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent verification of the facts presented to it or representation made by management or the Fund's independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures designed to assure compliance with accounting standards and applicable laws and

### **Nominating Committee**

The Nominating Committee's primary purpose is to canvass, recruit, interview, solicit and nominate Trustees. The Nominating Committee will accept nominees recommended by a shareholder as it deems appropriate. Stockholders wishing to nominate a candidate for the Board must follow the procedures, abide by the timelines, submit the information and otherwise follow the requirements set forth in the Fund's Bylaws. The Nominating Committee will consider nominees recommended by the Fund's shareholders when a vacancy becomes available. Members of the Nominating Committee are: Alan Brott, Heath B. McLendon and Patrick Sheehan. The Nominating Committee met once during Stone Harbor Emerging Markets Total Income Fund's fiscal year ended May 31, 2014 and once during Stone Harbor Emerging Markets Income Fund's fiscal year ended November 30, 2014. The Nominating Committee does not have a written charter.

### **Compensation Committee**

The Funds do not have a compensation committee. Due to the small size of the Board, the fact that much of the Board's work is done at the Board (rather than the committee) level, that the Funds' officers are paid by their respective employers and not by the Funds, and that the Independent Trustees review compensation arrangements for the Independent Trustees and submits its recommendations to the full Board of Trustees, the Board believes that it is appropriate not to have a separate compensation committee.

### **Other Board Related Matters**

The Funds do not require Trustees to attend the annual meeting of shareholders. This is the Stone Harbor Emerging Markets Income Fund's fourth annual shareholder meeting and the Stone Harbor Emerging Markets Total Income Fund's second annual shareholder meeting.
