Item 3. Source and Amount of Funds or Other Consideration.

The Class A Common held by the Reporting Persons was primarily acquired on September 28, 2012, when NACCO completed the spin-off of the Issuer to NACCO's stockholders and, subsequently thereto, in market purchases and pursuant to equity awards by the Issuer. Immediately following the spin-off, the Issuer became an independent public company.

To effect the spin-off, NACCO made a distribution of all of the outstanding shares of the Issuer's common stock held by NACCO to NACCO common stockholders as of the record date, 5:00 p.m., Eastern Time, on September 25, 2012. For each share of Class A common stock of NACCO, par value \$1.00 per share (the *NACCO Class A Common*), held on September 28, 2012, NACCO distributed one share of Class A Common and one share of Class B Common. Similarly, for each share of Class B common stock of NACCO, par value \$1.00 per share (the *NACCO Class B Common*), held on September 28, 2012, NACCO distributed one share of Class B Common and one share of Class A Common.

NACCO stockholders were not required to pay for shares of Class A Common or Class B Common received in the spin-off, or to surrender or exchange shares of NACCO Class A Common or NACCO Class B Common or take any other action to receive the Class A Common or Class B Common.

Immediately after the spin-off, holders of NACCO Class A Common and NACCO Class B Common held all of the outstanding shares of the Class A Common and Class B Common. Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.
Rankin Associates II, L.P.

Under the terms of the Rankin II Partnership Agreement filed as Exhibit 1 hereto and incorporated herein by reference, the General Partner has the power to vote the NACCO Class A Common, NACCO Class B Common, Class A Common and Class B Common held by the partnership.

Under the terms of the Rankin II Partnership Agreement, the partnership may not dispose of NACCO Class A Common, NACCO Class B Common, Class A Common or Class B Common, or convert NACCO Class B Common or Class B Common into NACCO Class A Common or Class A Common, respectively, without the consent of the General Partner and the consent of the holders of more than 75% of all partnership interests, including the general partnership interests, in the partnership (*Rankin II Partnership Interests*).

The Rankin II Partnership Agreement restricts the transfer of Rankin II Partnership Interests by the partners and provides the partners and the partnership with a right of first refusal to acquire Rankin II Partnership Interests that a partner desires to sell and a repurchase obligation to compel the sale of Rankin II Partnership Interests by the partners under certain circumstances. These transfer restrictions, rights of first refusal and repurchase obligations are more fully set forth in the Rankin II Partnership Agreement.

Stockholders Agreement

The Stockholders Agreement, dated as of September 28, 2012, among the signatories thereto and the Issuer (the *Stockholders Agreement*), filed as Exhibit 2 hereto and incorporated herein by reference, requires a signatory to offer the shares of Class B Common beneficially owned by such signatory to all of the other signatories upon the occurrence of either of the following: (a) the proposed conversion of shares of Class B Common by such signatory into shares of Class A Common and (b) the proposed sale, transfer or other disposition of Class B Common by such signatory to any permitted transferee (under the terms of the Class B Common) who is not a signatory to the Stockholders Agreement. In either of these cases, the signatory proposing to enter into one of these transactions must notify all of the other signatories and then must allow each such other signatory the opportunity to purchase such signatory's pro rata portion of the shares of Class B Common which are subject to the proposed transaction in accordance with the procedures described below. The Stockholders Agreement, however, does not restrict transfers of Class B Common among the signatories or any other permitted transferee who becomes a signatory to the Stockholders Agreement.

A signatory proposing to engage in a transaction triggering a right of first refusal must first give written notice of the proposed transaction by registered mail to the Issuer, which acts as depository under the Stockholders Agreement. The

depository, in turn, is required to send such notice promptly to all of the other signatories. Following receipt of such notice, each other signatory will have seven (7) business days to elect whether or not to purchase his, her or its pro rata portion of the shares of the Class B Common which have triggered right of first refusal. A signatory's pro rata portion will be determined by dividing the number of shares of Class B Common which such person owns by the number of shares of Class B Common which are owned by all of the other signatories who similarly may elect to purchase the shares of Class B Common which have triggered the right of first refusal. A notice electing to purchase a pro rata portion of the shares of Class B Common must be sent to the depository by the end of the seven (7) business day period. If the signatories electing to purchase do not elect to purchase all of the shares of Class B Common, then such signatories have an additional five (5) business days to agree among themselves how to allocate the shares not purchased. If they cannot reach any agreement, the allocation

Schedule 13D

CUSIP No. 449172105

Page 32 of 35 Pages

shall be pro rata. If there are still shares of Class B Common which are not purchased following such allocation, then the Issuer shall have an additional three (3) business days to decide whether or not to purchase the remaining shares. The Issuer, however, is under no obligation to purchase any such shares.

Following the completion of such procedures, the signatory who has triggered the right of first refusal is free, for a period of thirty (30) business days, to convert the shares of Class B Common, if any, which remain, into shares of Class A Common. If the signatory had originally proposed to transfer the shares, such signatory would be free to transfer shares of Class A Common in accordance with the originally proposed transaction.

Signatories who elect to exercise the right of first refusal and purchase shares of Class B Common may pay for such shares in cash, an equivalent number of shares of Class A Common, or in a combination of cash and shares of Class A Common. The purchase price to be paid is the higher of what is specified in the notice sent by the signatory who has triggered the right of first refusal and the average of the last sales price of Class A Common on the New York Stock Exchange for the five (5) days prior to the date of such notice.

The Stockholders Agreement only restricts the conversion, or the sales or other disposition outside of the Stockholders Agreement, of shares of Class B Common held by each signatory. The Stockholders Agreement does not restrict in any respect how a signatory may vote the shares of Class B Common which, among other things, are subject to the terms of the Stockholders Agreement.

Subsequent to September 28, 2012, the Stockholders Agreement was amended to include additional signatories. These amendments are filed as Exhibits 3 through 8 hereto and incorporated herein by reference.

The Rankin I Partnership Agreement restricts the transfer of Rankin I Partnership Interests by the partners and provides the partners and the partnership with a right of first refusal to acquire Rankin I Partnership Interests that a partner desires to sell and a repurchase obligation to compel the sale of Rankin I Partnership Interests by the partners under certain circumstances. These transfer restrictions, rights of first refusal and repurchase obligations are more fully set forth in the Rankin I Partnership Agreement.

Schedule 13D
