Item 1.01. Entry into a Material Definitive Agreement.

On November 26, 2017, Time Inc., a Delaware corporation (the Company), entered into an Agreement and Plan of Merger (the Merger Agreement) with Meredith Corporation, an Iowa corporation (Parent), and Gotham Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Parent (Purchaser).

Pursuant to the Merger Agreement, and subject to the terms and conditions thereof, Parent has agreed to cause Purchaser to commence a tender offer (the Offer) for any and all issued and outstanding shares of common stock of the Company (the Company Common Stock). In the Offer, and subject to the terms and conditions set forth in the Merger Agreement, each share of Company Common Stock accepted by Purchaser will be exchanged for the right to receive \$18.50 in cash, without interest (the Offer Consideration). The Offer will be scheduled to expire on the 20th business day following the commencement of the Offer unless extended in accordance with the terms of the Merger Agreement and applicable law.

As soon as practicable following the consummation of the Offer, and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Purchaser will merge with and into the Company (the Merger) pursuant to the provisions of Section 251(h) of the Delaware General Corporation Law (the DGCL), with no stockholder vote required to consummate the Merger, and the Company will survive as a wholly owned subsidiary of Parent. Pursuant to the Merger Agreement, and subject to the terms and conditions thereof, at the effective time of the Merger, by virtue of the Merger, each share of Company Common Stock (other than (i) shares of Company Common Stock that are owned, directly or indirectly, by Parent, the Company (including shares held as treasury stock or otherwise) or Purchaser, (ii) shares of Company Common Stock held by a holder who has not tendered in the Offer and has properly exercised appraisal rights in respect of such shares in accordance with Section 262 of the DGCL, or (iii) shares of Company Common Stock purchased in the Offer) will be automatically converted into the right to receive the Offer Consideration (the Merger Consideration).

Pursuant to the Merger Agreement, at the effective time of the Merger, equity awards outstanding under the Company's equity incentive plans immediately prior to the effective time of the Merger will be treated as follows:

- (a) Each vested option to purchase Company Common Stock (including any such options that vest in connection with the Merger) will be canceled and converted into the right to receive the Merger Consideration in respect of each net share (i.e., the number of shares issuable if each such vested option were net settled for the number of shares determined based on the excess of the Merger Consideration over the per share exercise price for each share subject to the option).
- (b) Each unvested option to purchase Company Common Stock will be assumed and converted automatically into an option to purchase shares of Parent common stock, with the number of shares and the per share exercise price of the option adjusted pursuant to a formula set forth in the Merger Agreement, and will otherwise be subject to the same terms and conditions applicable to the unvested option under the applicable Company equity incentive plan and award agreement, including vesting.
- (c) Each vested Company restricted stock unit (including any such restricted stock units that vest in connection with the Merger) will be canceled in exchange for the Merger Consideration in respect of each share of Company Common Stock subject to such vested restricted stock unit.

- (d) Each unvested Company restricted stock unit will be assumed and converted automatically into a restricted stock unit with respect to a number of shares of Parent common stock determined pursuant to a formula set forth in the Merger Agreement, and will otherwise be subject to the same terms and conditions applicable to such unvested restricted stock unit under the applicable Company equity incentive plan and award agreement, including vesting.
- (e) Each award of performance stock units of the Company granted under the Company's long-term outperformance incentive program (the Company OPP PSUs) will be deemed earned based on the Offer Consideration and will be fully vested and canceled in exchange for the Merger Consideration in respect of each share of Company Common Stock subject to the vested Company OPP PSU. Each Company OPP PSU that remains unearned based on the Offer Consideration will be canceled.
- (f) Each vested Company performance stock unit (including any such performance stock units that vest in connection with the Merger), other than the Company OPP PSUs, will be canceled in exchange for the Merger Consideration in respect of each share of Company Common Stock subject to such vested performance stock unit.
- (g) Each unvested Company performance stock unit will be assumed and converted automatically into a performance stock unit with respect to a number of shares of Parent common stock determined pursuant to a formula set forth in the Merger Agreement, and will otherwise be subject to the same terms and conditions applicable to such unvested performance stock unit under the applicable Company equity incentive plan and award agreement, including vesting.
- (h) Each Company deferred stock unit will be canceled in exchange for the Merger Consideration in respect of each share of Company Common Stock subject to such deferred stock unit.

The obligation of Parent and Purchaser to consummate the Offer is subject to the satisfaction or waiver of customary closing conditions set forth in the Merger Agreement, including (i) that the number of shares of Company Common Stock validly tendered in accordance with the terms of the Offer and not validly withdrawn, together with any shares of Company Common Stock owned by Parent and Purchaser or any of their subsidiaries at the time of the expiration of the Offer, must equal at least a majority of the outstanding shares of Company Common Stock, (ii) the absence of certain legal impediments and (iii) the expiration or termination of any applicable waiting period (and extension thereof) under the Hart-Scott-Rodino (HSR) Antitrust Improvements Act of 1976. The transaction is not subject to any financing condition. Parent intends to fund the transaction with a combination of cash on hand and committed debt and equity financings.

Each of the Company, Parent and Purchaser has made customary representations and warranties and covenants in the Merger Agreement, including covenants to use their respective reasonable best efforts to effect the transaction, including securing required regulatory approvals. In addition, the Company has agreed to other customary covenants, including, among others, covenants to conduct its business in the ordinary course during the interim period between the execution of the Merger Agreement and the closing of the Merger, and not to solicit alternative transactions or, subject to certain exceptions, not to enter into discussions concerning, or provide confidential information in connection with, an alternative transaction.

The Merger Agreement contains termination rights for each of the Company and Parent, including, among others, if the acceptance time for the Offer does not occur on or before May 26, 2018, subject to extension for an additional three-month period in certain circumstances (the End Date). Upon termination of the Merger Agreement under specified circumstances, including (i) a termination by the Company to enter into an agreement for an alternative transaction, or (ii) termination by Parent following a change of recommendation by the board of directors of the Company, the Company would be required to pay Parent a termination fee of \$65 million (Company Termination Fee). Under certain additional circumstances described in the Merger Agreement, the Company must also pay Parent the Company Termination Fee if (x) the Merger Agreement is terminated on the End Date or due to a breach by the Company that caused a condition to the Offer not to be satisfied, (y) a competing acquisition proposal has previously been publicly announced at the time of such termination, and (z) within 12 months following such termination, the Company enters into an agreement for an alternative change of control transaction (which fee is payable upon consummation of an alternative transaction).

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 and incorporated herein by reference.

The Merger Agreement has been included to provide investors and security holders with information regarding the terms of the Merger. It is not intended to provide any other factual information about the Company. The representations, warranties, covenants and agreements contained in the Merger Agreement, which were made only for purposes of that agreement and as of specific dates, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties (including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts) and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors and security holders. Investors and security holders should not rely on the representations, warranties, covenants and agreements or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, Parent or Purchaser or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.
