### Item 8.01 Other Events

On May 22, 2018, Dover Corporation ( Dover ) entered into a Master Confirmation and Supplemental Confirmation (the ASR Agreement ) with Goldman Sachs & Co. LLC ( Goldman ) pursuant to which it will repurchase \$700 million of its common stock, par value \$1.00 per share (the ASR Program ). Dover is conducting the accelerated share repurchase under a repurchase authorization for an aggregate of 20,000,000 shares approved by its board of directors in February 2018. Dover will fund the accelerated share repurchase with funds received from Apergy Corporation ( Apergy ) in connection with the consummation of the Apergy spin-off transaction.

Under the terms of the ASR Agreement, Dover will pay Goldman \$700 million on May 24, 2018 and on that date will receive initial deliveries of approximately 7,078,751 million shares, representing a substantial majority of the shares expected to be retired over the course of the ASR Agreement. The total number of shares ultimately repurchased under the ASR Agreement will be based on the volume-weighted average share price of Dover s common stock during the calculation period of the ASR Program, less a discount. The accelerated share repurchase is scheduled to be completed in 2018, subject to postponement or acceleration under the terms of the ASR Agreement. The actual number of shares repurchased will be determined at the completion of the ASR Program. The ASR Agreement contains the principal terms and provisions governing the ASR Program customary for agreements of this type, including, but not limited to, the mechanism used to determine the number of shares that will be delivered, the required timing of delivery of the shares, the specific circumstances under which Goldman is permitted to make adjustments to valuation periods and other economic terms, the specific circumstances under which the ASR Program may be terminated early, and various acknowledgments, representations and warranties made by Dover and Goldman to one another.
