Edgar Filing: Becker John - Form 4

The security represents restricted stock units granted to the reporting person. Each restricted stock unit represents a contingent right to receive one share of common stock of the issuer.

- (2) The shares underlying these restricted stock units are eligible for vesting in four equal annual installments beginning on May 6, 2014, the first anniversary of the grant date. Subject to the reporting person's continuous service with the issuer as of such date, the number of shares eligible for vesting on each vesting date will vest based upon the issuer's meeting or exceeding specified annual financial objectives set by the issuer's compensation committee for such year. In the event the financial objectives for a particular year are not achieved, then the shares that otherwise would have vested on such vesting date will vest on May 6, 2018, the fifth anniversary of the grant date, subject to the reporting person's continuous service with the issuer on such date.
- (3) The shares underlying these restricted stock units vest in four equal annual installments beginning on May 6, 2014, the first anniversary of the date of grant, subject to the reporting person's continuous service with the issuer as of the applicable vesting date.
- (4) The vesting commencement date will be any date on which the trading price of the issuer's common stock has been equal to or exceeded \$60.00 per share for 10 consecutive trading days. This option will then vest over a period of four years, with 25% of the shares underlying the option vesting on the first anniversary of the vesting commencement date, and the remainder vesting in 12 equal quarterly installments thereafter, subject to the reporting person's continuous service with the issuer as of the applicable vesting date.
- (5) The vesting commencement date will be any date on which the trading price of the issuer's common stock has been equal to or exceeded \$65.00 per share for 10 consecutive trading days. This option will then vest over a period of four years, with 25% of the shares underlying the option vesting on the first anniversary of the vesting commencement date, and the remainder vesting in 12 equal quarterly installments thereafter, subject to the reporting person's continuous service with the issuer as of the applicable vesting date.
- (6) The vesting commencement date will be any date on which the trading price of the issuer's common stock has been equal to or exceeded \$70.00 per share for 10 consecutive trading days. This option will then vest over a period of four years, with 25% of the shares underlying the option vesting on the first anniversary of the vesting commencement date, and the remainder vesting in 12 equal quarterly installments thereafter, subject to the reporting person's continuous service with the issuer as of the applicable vesting date.
- (7) This option vests over a period of four years, with 25% of the shares underlying the option vesting on May 6, 2014, the first anniversary of the date of grant, and the remainder vesting in 12 equal quarterly installments thereafter, subject to the reporting person's continuous service with the issuer as of the applicable vesting date.
