## Explanation of Responses:

- \* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) No conversion or exercise price applies as, under the terms of the Directors Deferred Compensation Plan (DDCP), payout of the underlying securities will occur following a director's retirement.  
Represents conversion under the DDCP of deferred compensation, held in the form of equivalent units of shares of the Company's Common Stock, to a cash equivalent account. Amounts credited to a cash equivalent account are held as deferred compensation until a director's retirement and valued based on the performance of certain alternative investment options other than Company Common Stock.
- (2) The number of stock equivalent units credited to a director's account is determined at the time of payment based on the closing price of the Company's Common Stock on the New York Stock Exchange on the trading day immediately preceding the date of payment. Such conversions are permitted only during Company open trading windows.
- (3) Payout of the underlying securities occurs as noted above in Note 1.
- (4) Total includes stock units held in both the DDCP and Accrued Retirement Benefit Account. Total also includes the reinvestment of dividends in these plans.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
