Dear Stockholders:

The Annual Meeting of Stockholders (the “Annual Meeting”) of TSR, Inc. (“TSR” or the “Company”) has been rescheduled and will be held at [the Radisson Hotel, 110 Vanderbilt Motor Parkway, Hauppauge, New York 11788], on _____, 2019 at 9:00 a.m. local time. The Board of Directors of the Company (the “Board”) previously postponed the Annual Meeting in order to provide the Company with additional time to review and respond to stockholder proposals made by Zeff Capital, L.P. (“Zeff”), to afford the Special Committee of the Board additional time to consider various strategic alternatives available to the Company, and to assess and respond to various ongoing stockholder lawsuits.

The matters on which you, as a stockholder of the Company, are being asked to vote are: 1) the election of two (2) Class I directors; 2) the appointment of CohnReznick LLP as the independent registered public accountants of the Company; and 3) the consideration of three stockholder proposals, if properly presented at the Annual Meeting.

Zeff has notified the Company of its intention to propose two (2) Class I director nominees for election at the Annual Meeting in opposition to the nominees recommended by our Board. The Board believes Zeff’s director nominations and stockholder proposals are part of a scheme to take control of the Company and its operations. The Board believes that Zeff is working together with Fintech Consulting LLC (“Fintech”) and QAR Industries, Inc. (“QAR”) (collectively, the “Insurgent Group”), who the Board believes together constitute a “group,” within the meaning of Rule 13d-5 under the Securities Exchange Act of 1934, as amended. The Company further believes that the Insurgent Group has purposefully failed to disclose that they are acting as a group because its plans for the Company are in the best interests of the Insurgent Group only, not the Company and its other stockholders.

The Company believes that voting in accordance with the Board’s recommendations on the proposed matters is in the best interest of all stockholders. Your vote is extremely important. Please vote your shares as soon as possible, even if

A Notice and Proxy Statement regarding the Annual Meeting, proxy card for your vote, and postage prepaid envelope in which to return your proxy card are enclosed. The Board urges you not to sign, return or vote the white proxy card sent to you by Zeff.

QUESTIONS & ANSWERS ABOUT THIS PROXY SOLICITATION

The following are some of the questions that you may have about this Proxy Statement and the answers to those questions. The information in this section does not provide all of the information that may be important to you with respect to this Proxy Statement. Therefore, we encourage you to read the entire Proxy Statement, which was first distributed beginning on or about _____, 2019, for more information about these topics.

Why am I receiving these materials?

TSR has made these materials available to you in connection with the Company's solicitation of proxies for use at the Annual Meeting to be held at [the Radisson Hotel, 110 Vanderbilt Motor Parkway, Hauppauge, New York 11788], on _____, 2019 at 9:00 a.m., or at any postponement or adjournment thereof. The Company, on behalf of the Board, is soliciting your proxy to vote your shares at the Annual Meeting. We solicit proxies to give stockholders of record an opportunity to vote on matters that will be presented at the Annual Meeting. You are invited to attend the Annual Meeting and are requested to vote on the proposals described in this Proxy Statement.

What is being voted on at the Annual Meeting?

The Company is aware of five (5) matters that stockholders may vote on at the Annual Meeting. These matters are listed on the Company's proxy card, including three stockholder proposals (Proposals Nos. 3 through 5) that will only be voted upon if properly presented at the Annual Meeting. The five matters listed on the Company's proxy card are as follows:

1. _____ The election to the Board of two (2) Class I nominees (Proposal No. 1);

2. _____ The ratification of the appointment of CohnReznick LLP as the Company's independent registered public accounting firm for the fiscal year ending May 31, 2019 (Proposal No. 2);

3. A non-binding stockholder proposal by Zeff Capital, L.P. (“Zeff”) requesting a declassified board structure (Proposal No. 3);
4. A stockholder proposal by Zeff requiring a vote of at least 80% of the Board to increase the number directors on the Board (Proposal No. 4); and
5. A stockholder proposal by Zeff to repeal any bylaw amendments adopted by the Board without the approval of stockholders after August 27, 2018 (Proposal No. 5).

How does the Board of TSR recommend that I vote?

At the Annual Meeting, the Board of TSR recommends that you vote your shares:

1. “FOR” the election of all Company nominees listed in this Proxy Statement to the Board (Proposal No. 1);
2. “FOR” the ratification of the appointment of CohnReznick LLP as the Company’s independent registered public accounting firm for the fiscal year ending May 31, 2019 (Proposal No. 2);
3. “AGAINST” the non-binding stockholder proposal by Zeff requesting a declassified board structure (Proposal No. 3);
4. “AGAINST” the stockholder proposal by Zeff requiring a vote of at least 80% of the Board to increase the number directors on the Board (Proposal No. 4); and
5. “AGAINST” the stockholder proposal by Zeff to repeal any bylaw amendments adopted by the Board without the approval of stockholders after August 27, 2018 (Proposal No. 5).

IT IS EXTREMELY IMPORTANT THAT YOUR SHARES BE REPRESENTED AND VOTED AT THE ANNUAL MEETING IN LIGHT OF THE PROXY CONTEST BEING CONDUCTED BY ZEFF.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE ELECTION OF ALL COMPANY DIRECTOR NOMINEES NAMED IN THIS PROXY STATEMENT, “FOR” THE RATIFICATION OF THE APPOINTMENT OF COHNREZNICK LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, AND “AGAINST” EACH OF THE STOCKHOLDER PROPOSALS

MADE BY ZEFF.

PLEASE VOTE TODAY. TO VOTE, PLEASE SIGN, DATE AND RETURN THE GOLD PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED, OR BY INTERNET, OR BY TELEPHONE.

Who is entitled to vote at the Annual Meeting?

– Stockholders of record of shares of Common Stock, at the close of business on _____, 2019 (the “Record Date”) are entitled to vote at the Annual Meeting or any postponement or adjournment thereof. Each share of Common Stock is entitled to one vote on each matter to be voted on. As of the record date, there were _____ shares of Common Stock issued and outstanding. There are no other voting securities of the Company outstanding.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Stockholder of Record. If your shares are registered directly in your name with the Company’s transfer agent, Continental Stock Transfer & Trust Company, you are considered the stockholder of record with respect to those shares, and the Notice was sent directly to you by the Company.

Beneficial Owner of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the “beneficial owner” of shares held in “street name,” and a Notice was forwarded to you by that organization. As a beneficial owner, you have the right to instruct your broker, bank, trustee, or nominee how to vote your shares. Your broker is required to vote your shares in accordance with your instructions. **Given the contested nature of the election of Directors, if you do not give instructions to your broker, your broker may or may not be able to vote your shares. It is very important to instruct your broker how to vote your shares by following their voting instructions.**

How do I vote?

Stockholder of Record. If you are a stockholder of record you can vote in any one of four ways:

1. Via the Internet. You may vote by proxy via the Internet by following the instructions provided on the enclosed **GOLD** proxy card.
2. By Telephone. You may vote by proxy by calling the toll free number found on the enclosed **GOLD** proxy card.
3. By Mail. You may vote by proxy by filling out the **GOLD** proxy card and returning it in the envelope provided.
4. In person. You may vote in person at the Annual Meeting by requesting a ballot from an usher when you arrive. You must bring valid picture identification such as a driver’s license or passport and may be requested to provide proof of stock ownership as of the Record Date.

Beneficial Owner of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the “beneficial owner” of shares held in “street name” and you can vote in any one of two ways:

1. Broker Instructions. A Notice was forwarded to you by a brokerage firm, bank, broker-dealer, or other similar organization. As a beneficial owner, you have the right to instruct your broker, bank, trustee, or nominee how to vote your shares. Your broker is required to vote your shares in accordance with your instructions. **Given the contested nature of the election of Directors, if you do not give instructions to your broker, your broker may or may not be able to vote your shares. It is very important to instruct your broker how to vote your shares by following their voting instructions.**

In person. If you are a beneficial owner of shares held in street name and wish to vote in person at the Annual Meeting, you must obtain a “legal proxy” from the organization that holds your shares. A legal proxy is a written document that will authorize you to vote your shares held in street name at the Annual Meeting. Please contact the organization that holds your shares for instructions regarding obtaining a legal proxy. You must bring a copy of the legal proxy to the Annual Meeting and ask for a ballot from an usher when you arrive. You must also bring valid picture identification such as a driver’s license or passport. In order for your vote to be counted, you must hand both the copy of the legal proxy and your completed ballot to an usher to be provided to the inspector of election.

How many votes are required to approve each proposal?

Proposal No. 1 - Election to the Company’s Board of two (2) Class I nominees named in this Proxy Statement. Candidates for election as members of the Board who receive the highest number of votes, up to the number of directors to be chosen, shall stand elected; an absolute majority of the votes cast is not a prerequisite to the election of any candidate to the Board, nor is it a prerequisite to election for a candidate to receive more affirmative votes than authority withheld votes. A proxy that withholds authority with respect to the election of any or all nominees will be counted for purposes of determining whether there is a quorum, but, with respect to any specific nominee, will not be considered to have been voted for such nominee. Broker non-votes, if any, are not considered votes cast and will have no effect.

Proposal No. 2 - Ratification of the appointment of CohnReznick LLP as the Company's independent registered public accounting firm for the fiscal year ending May 31, 2019. Adoption of this proposal requires the affirmative vote of the holders of a majority of the stock having voting power present in person or represented by proxy at the Annual Meeting. Abstentions will be counted as represented and entitled to vote and will have the effect of a negative vote on the proposal. Broker non-votes will not be considered entitled to vote on this proposal and will not be counted in determining the number of shares necessary for approval of the proposal.

Proposal No. 3 - A non-binding stockholder proposal by Zeff requesting a declassified board structure. Adoption of this proposal requires the affirmative vote of the holders of a majority of the stock having voting power present in person or represented by proxy at the Annual Meeting. Abstentions will be counted as represented and entitled to vote and will have the effect of a negative vote on the proposal. Broker non-votes will not be considered entitled to vote on this proposal and will not be counted in determining the number of shares necessary for approval of the proposal.

Proposal No. 4 - A stockholder proposal by Zeff requiring a vote of at least 80% of the Board to increase the number directors on the Board. Adoption of this proposal requires the affirmative vote of the holders of two-thirds of the voting stock eligible to vote on the proposal. Abstentions and broker non-votes will have the effect of a negative vote on the proposal.

Proposal No. 5 - A stockholder proposal by Zeff to repeal any bylaw amendments that may be adopted by the Board after August 27, 2018. Adoption of this proposal requires the affirmative vote of the holders of two-thirds of the voting stock eligible to vote on this proposal. Abstentions and broker non-votes will have the effect of a negative vote on the proposal.

What is the deadline for submitting proxies?

Proxies can be submitted until the polls are closed at the Annual Meeting. If you are voting via the internet, you must submit your proxy by 11:59 p.m., Eastern Time, the day prior to the Annual Meeting. However, to be sure that the Company receives your proxy in time to utilize it, please provide your proxy as early as possible.

May I change or revoke my vote after I return my proxy card?

Each proxy granted is revocable and may be revoked at any time prior to its exercise by advising the Company in writing of its revocation. In addition, a stockholder who attends the Annual Meeting in person may, if the stockholder wishes, vote by ballot at the Annual Meeting, thereby canceling any proxy previously given. If you are a beneficial owner of shares held in street name and wish to vote in person at the Annual Meeting, you must obtain a "legal proxy" from the organization that holds your shares.

Why have I received different color proxy cards?

The Company has provided you with the enclosed **GOLD** proxy card. The Board unanimously recommends using the enclosed **GOLD** proxy card to vote “FOR” each of the Board’s nominees for directors. If TSR receives a validly executed **GOLD** proxy card from you, your shares will be voted by the TSR proxies as indicated in your voting preference selection. We strongly encourage you to cast your vote according to the instructions on your **GOLD** proxy card, as promptly as possible.

Zeff has notified TSR of its intention to nominate a slate of two nominees for election as directors at the Annual Meeting in opposition to the nominees recommended by our Board. As a result, you may receive solicitation materials, including a White proxy card, from Zeff seeking your proxy to vote for the Zeff Nominees. The Board does **NOT** endorse any of the Zeff Nominees and strongly urges that you **DO NOT sign or return any White proxy card** sent to you by Zeff. Submitting a proxy card sent to you by Zeff (even if you withhold your vote on the Zeff Nominees) will revoke votes you have previously made via our **GOLD** proxy card.

The Board recommends that you simply DISREGARD and THROW AWAY the White proxy card.

How many shares are required to be present to hold the Annual Meeting?

A quorum is necessary to hold a valid meeting of stockholders. The presence, in person or by proxy, of a majority of the issued and outstanding shares of Common Stock entitled to vote as of the Record Date constitutes a quorum at the Annual Meeting. Abstentions will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum with respect to any matter, but will not be counted as votes in favor of such matter. If a broker holding stock in “street name” indicates on the proxy card that it does not have discretionary authority as to certain shares to vote on a matter, those shares will not be considered as present and entitled to vote with respect to that matter.

What happens if I do not give specific voting instructions?

If you are a stockholder of record and submit your **GOLD** proxy card but do not make specific choices with respect to the proposals, your proxy will follow the Board’s recommendations and your shares will be voted (i) “FOR” of the election of the Company’s candidates for director under Proposal No. 1, (ii) “FOR” the ratification of CohnReznick LLP as the Company’s independent registered public accountants under Proposal No. 2, (iii) “AGAINST” the stockholder proposal requesting a declassified board structure under Proposal No. 3, (iv) “AGAINST” the stockholder proposal requiring a vote of at least 80% of the Board to increase the number directors on the Board under Proposal No. 4, and (v) “AGAINST” the stockholder proposal to repeal any amendments to TSR’s bylaws adopted by the Board after August 27, 2018 under Proposal No. 5.

If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions then, under applicable rules, the organization that holds your shares may generally vote on “routine” matters but cannot vote on “non-routine” matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of election that it does not have the authority to vote on that matter with respect to your shares. This is generally referred to as a “broker non-vote.”

Which ballot measures are considered “routine” or “non-routine”?

The election of directors (Proposal No. 1) and the stockholder proposals by Zeff (Proposals Nos. 3 through 5) are considered non-routine matters under applicable rules. A broker cannot vote without instructions on non-routine matters, and therefore broker non-votes may exist in connection with Proposal No. 1, and Proposals Nos. 3 through 5. Broker non-votes will have no effect on Proposals No. 1 through 3 and will have the effect of a negative vote on Proposals No. 4 and 5.

The proposal to ratify the appointment of CohnReznick LLP as the Company's independent registered public accounting firm for the fiscal year ending May 31, 2019 (Proposal No. 2) is considered a routine matter under applicable rules. A broker may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal No. 2.

Who will count the vote?

All votes will be tabulated by the independent inspector of election appointed for the Annual Meeting. The inspector of election will separately tabulate affirmative votes, authority withheld and broker non-votes with regard to the election of directors under Proposal No. 1; affirmative votes, negative votes, abstentions and broker non-votes with regard to the vote to approve the ratification of the appointment of CohnReznick LLP as the Company's independent registered public accountants for the fiscal year ending May 31, 2019 under Proposal No. 2; affirmative votes, negative votes, abstentions and broker non-votes with regard to the vote on the stockholder proposal requesting a declassified board structure under Proposal No. 3; affirmative votes, negative votes, abstentions and broker non-votes with regard to the vote on the stockholder proposal requiring a vote of at least 80% of the Board to increase the number directors on the Board under Proposal No. 4; and affirmative votes, negative votes, abstentions and broker non-votes with regard to the vote on the stockholder proposal to repeal any amendments to TSR's bylaws adopted by the Board without approval of the stockholders after August 27, 2018 under Proposal No. 5.

When will the voting results be disclosed?

The Company will publish voting results in a current report on Form 8-K that we will file with the Securities and Exchange Commission (“SEC”) within four business days following the Annual Meeting. If on the date of this filing the inspector of election for the Annual Meeting has not certified the voting results as final, the Company will announce that the results are not final and publish the final results in a subsequent amended Form 8-K filing within four business days after the final voting results are known.

How can I attend the Annual Meeting?

Directions to attend the Annual Meeting where you may vote in person can be found on the “Contact Us” section of our website at www.tsrconsulting.com.

Whom should I contact if I have any questions regarding this proxy solicitation?

Generally, stockholders who have questions or concerns and wish to communicate with the Board should follow the instructions contained under the section of this Proxy Statement entitled “Stockholder Communications with Directors.”

If you have questions or require assistance in voting your shares, you should call Alliance Advisors LLC, TSR’s proxy solicitor for the Annual Meeting, toll-free at 855-643-7308.

BACKGROUND OF THIS PROXY SOLICITATION

The Board and the Company’s management regularly evaluate the Company’s performance, future growth prospects and overall strategic direction, and consider strategies for improving the Company’s competitive position and enhancing shareholder value. In considering the strategic direction and opportunities to enhance shareholder value, the Board and the Company occasionally receive and evaluate input from Company stockholders and determine whether any such recommendations are in the best interests of the Company and its stockholders.

On May 18, 2017, the Board received a letter from Zeff Capital, L.P. (“Zeff”), dated May 17, 2017. The letter described Zeff as the Company’s largest outside shareholder, owning approximately 7.2% of the Company’s Common Stock and indicated that Zeff was interested in purchasing the entire Company at a cash purchase price of \$6.15 per share. The letter was also attached as an exhibit to a Schedule 13D filed with the SEC on May 18, 2017 by Zeff, Zeff Holding Company, LLC and Daniel Zeff (the “Zeff Entities”).

The Board considered the offer, and, on May 30, 2017, determined it was in the best interests of the Company and its stockholders to remain independent and to continue to execute the Company’s business plans on a standalone basis and informed Zeff of this decision via a letter from the then-Chairman of the Board, Joseph Hughes. Joseph Hughes was the Company’s Chairman, President and Chief Executive Officer until his resignation effective on July 5, 2017. Joseph Hughes is also the father of Christopher Hughes, the Chairman, President and Chief Executive Officer of the Company.

On June 12, 2017, the Zeff Entities filed an amendment to their Schedule 13D disclosing that Zeff would not be pursuing a transaction with the Company any further as a result of the increase in the Company’s stock price, which was significantly above Zeff’s \$6.15 offer price, and because of the Company’s decision not to pursue a transaction. On June 15, 2017, the Zeff Entities filed another amendment to their Schedule 13D indicating that Zeff’s beneficial ownership of Common Stock was below 5%, and, according to disclosures made in its proxy statement on Schedule 14A filed on November 1, 2018, Zeff sold all of its Common Stock by June 15, 2017.

On June 25, 2018, the Company received a letter from James Hughes, on behalf of Joseph Hughes and his wife, Winifred Hughes, requesting that the Board pursue a sale of the Company. James Hughes is the son of Joseph and Winifred Hughes and the brother of Christopher Hughes. James Hughes is not a current officer, employee or director of the Company. As of June 25, 2018, Joseph and Winifred Hughes beneficially owned approximately 41.8% of the outstanding Common Stock.

On July 9, 2018, the Board established a Special Committee of the Board (the “Special Committee”) to review the request submitted by Joseph and Winifred Hughes that the Board pursue a sale of the Company and in the context of that review consider and evaluate other strategic alternatives available to the Company, including (a) potential opportunities for a sale of the Company by way of merger, consolidation, sale of equity securities (including the Company’s outstanding Common Stock), sale of all or substantially all of the Company’s assets, or other strategic transactions; (b) recapitalization of the Company; (c) the sale or exchange of the shares of Common Stock held by Mr. Hughes and Mrs. Hughes in a transaction involving the Company; or (d) remaining independent and continuing to execute the Company’s business plans on a standalone basis or pursuing opportunities to grow through acquisitions, and to review, consider and evaluate, for purposes of advising the full Board, whether any of the potential strategic alternatives is in the best interests of the Company’s stockholders. The Board has appointed Ira D. Cohen (Chairman of the Special Committee), William J. Kelly, Brian J. Mangan and Raymond A. Roel to serve as members of the Special Committee, and determined that each of the members of the Special Committee is an independent director. The Special Committee was empowered to hire, at the Company’s expense, legal, financial and public relations advisors to assist the Special Committee in the performance of its duties. The Special Committee hired CoView Capital (“CoView”), an independent investment banking firm to advise it in the consideration of its duties. Farrell Fritz, P.C. is acting as the independent legal adviser to the Special Committee.

On July 16, 2018, the Special Committee received a letter from James Hughes informing the Special Committee that he had received an offer from a group consisting of Zeff, QAR Industries, Inc. and Fintech Consulting LLC (each, an “Insurgent” and, collectively, the “Insurgent Group”) to purchase the shares of Common Stock owned by Joseph and Winifred Hughes for a price of \$6.25 per share. James Hughes also provided the Special Committee with a copy of the letter received from Zeff, which Joseph and Winifred Hughes also included as exhibits to Schedule 13D amendments filed with the SEC on July 17, 2018. The letter stated that Zeff was acting together as partners with QAR Industries, Inc. and Fintech Consulting LLC in offering to acquire the shares owned by Joseph and Winifred Hughes.

On July 24, 2018, Joseph Hughes and Winifred Hughes each filed an amendment to Schedule 13D (the “Hughes 13D Amendments”) with the SEC. Each of the Hughes 13D Amendments disclosed that James Hughes, acting in his capacity as representative and attorney-in-fact for the Hughes, had entered into a share purchase agreement on July 20, 2018 (the “Share Purchase Agreement”) with the Insurgent Group for the sale of 819,491 shares of Common Stock of the Company, representing 41.8% of the Company’s outstanding Common Stock. The Hughes 13D Amendments indicated that the transaction closed on July 23, 2018.

On July 25, 2018, the Company filed a Current Report on Form 8-K with the SEC disclosing that it believed a change in control of the Company had occurred as a result of the Hughes’ sale of approximately 41.8% of the Common Stock to the Insurgent Group. The sale by a former controlling stockholder of a significant stake to the Insurgent Group led the Company to conclude that a change in control had occurred. The Insurgent Group has failed to address in any filing with the SEC what the nature of the relationship of the Insurgents is among each other. Nevertheless, the coordinated action in the purchase of the Hughes’ shares under the Share Purchase Agreement apparent in filings made with the SEC, in the Insurgent Group’s own words in the letter to James Hughes from Zeff in which Zeff offered to acquire, together as partners with the other members of the Insurgent Group, the shares of Common Stock owned by Joseph and Winifred Hughes, and in other public and private communications made by the Insurgents to date causes

the Company to believe the Insurgent Group is acting together in an attempt to exercise control of the Company.

On July 26, 2018, the Zeff Entities filed a new Schedule 13D the (“Zeff 13D”) with the SEC disclosing that the Zeff Entities beneficially owned 382,094 shares of Common Stock, representing approximately 19.5% of the outstanding Common Stock. The Zeff 13D did not disclose the existence of the Share Purchase Agreement or include it as an exhibit or disclose that certain of the shares had been purchased from Joseph and Winifred Hughes. The Zeff 13D instead indicated that 304,291 of the shares beneficially owned by the Zeff Entities had been purchased in a private purchase of Common Stock and that 1,188 shares of Common Stock had been purchased in an open market transaction, but did not indicate the circumstances of the Zeff Entities’ acquisition of the remaining shares of Common Stock. The Zeff 13D did not disclose any plans that the Zeff Entities have for the Company or their goal to exercise control over the Company. It also did not disclose that the Zeff Entities are members of a group consisting of the Zeff Entities, the QAR Entities (as defined below) and the Haslani Entities (as defined below), which the Company believes to be the case.

On July 27, 2018, the Board voted to increase the size of the Board from five to seven directors. The Board approved the appointment of Joseph Pennacchio as a Class II director and William Kelly as a Class III director. This action was undertaken due to a determination by the Board that an increase in the size of the Board and the appointment of qualified individuals was necessary and appropriate to better address the various issues then confronting the Company and the Board, including the consideration of strategic alternatives by the Special Committee, and would be in the best interests of stockholders.

On July 30, 2018, Fintech Consulting LLC (doing business as APTask) and Tajuddin Haslani (the “Haslani Entities”) filed a Schedule 13D (the “Haslani 13D”) with the SEC. The Haslani 13D disclosed that the Haslani Entities beneficially owned 376,100 shares of Common Stock, representing approximately 19.2% of the outstanding Common Stock. The Haslani 13D did not disclose the existence of the Share Purchase Agreement or include it as an exhibit or disclose that certain of the shares had been purchased from Joseph and Winifred Hughes. The Haslani 13D instead indicated that 376,000 of the shares beneficially owned by the Haslani Entities had been purchased in a private purchase of Common Stock. The Haslani 13D did not disclose any plans that the Haslani Entities have for the Company or their goal to exercise control over the Company. It also did not disclose that the Haslani Entities are members of a group consisting of the Zeff Entities, the QAR Entities and the Haslani Entities, which the Company believes to be the case.

On July 30, 2018, QAR Industries, Inc. and Robert Fitzgerald (the “QAR Entities”) filed a Schedule 13D (the “QAR 13D”) with the SEC. The QAR 13D disclosed that the QAR Entities beneficially owned 139,200 shares of Common Stock, representing approximately 7.1% of the outstanding Common Stock. The QAR 13D did not disclose the existence of the Share Purchase Agreement or include it as an exhibit or disclose that certain of the shares had been purchased from Joseph and Winifred Hughes. The QAR 13D instead indicated that the 139,200 shares of Common Stock beneficially owned by the QAR Entities had been purchased in a private purchase of Common Stock. The QAR 13D did not disclose any plans that the QAR Entities have for the Company or their goal to exercise control over the Company. It also did not disclose that the QAR Entities are members of a group consisting of the Zeff Entities, the QAR Entities and the Haslani Entities, which the Company believes to be the case.

The 13D filings made by the Insurgents led the Company to conclude that the Insurgent Group beneficially owned an aggregate of approximately 45.8% of the Common Stock of the Company as of July 30, 2018.

On August 23, 2018, the Zeff Entities filed an amendment to the Zeff 13D disclosing that the Zeff Entities had acquired beneficial ownership of additional shares of Common Stock, bringing the Zeff Entities’ total beneficial ownership to 437,774 shares, representing approximately 22.3% of the outstanding Common Stock of the Company. Following the amendment filing, the Company understood that the Insurgent Group beneficially owned an aggregate of approximately 48.6% of the Common Stock of the Company. Again, no disclosures relating to relationships with other members of the Insurgent Group or plans with respect to control of the Company were made.

On August 28, 2018, the QAR Entities filed an amendment to the QAR 13D disclosing that the QAR Entities had acquired beneficial ownership of additional shares of Common Stock bringing the QAR Entities' total beneficial ownership to 143,900 shares, representing approximately 7.3% of the outstanding Common Stock of the Company. Again, no disclosures relating to relationships with other members of the Insurgent Group or plans with respect to control of the Company were made. Following the amendment filing, the Company understood that the Insurgent Group beneficially owned an aggregate of approximately 48.8% of the Common Stock of the Company. As a result of the Insurgent Group's beneficial ownership of approximately 48.8% of the outstanding Common Stock of the Company, the Insurgent Group can be viewed as having effective control of the Company. As a practical matter, assuming the Insurgent Group is permitted to vote the shares of Common Stock that the Insurgents beneficially own, no proposal brought before the stockholders of the Company for approval can be approved without the affirmative vote of the shares of Common Stock held by the Insurgent Group and, therefore, the Insurgent Group has the power to block any matter brought before the stockholders of the Company.

In addition, the QAR Entities' August 28, 2018 amendment to the QAR 13D further disclosed that QAR Industries, Inc. sent a letter to the Board of the Company on August 27, 2018 (the "QAR Letter"). The QAR Letter posed a series of questions to the Board regarding recent actions taken by the Board, including the increase in the size of the Board from five directors to seven directors on July 27, 2018, the appointment of Mr. Pennacchio and Mr. Kelly as directors of the Company and the amendment of Mr. Christopher Hughes' employment agreement on August 9, 2018. The QAR Letter also made specific references to prior communications between Zeff and the Company. In response to the QAR Letter, members of the Board issued two letters to stockholders on September 12, 2018; one letter from the Chairman of the Board addressing questions related to the increase in the board size and other corporate governance matters, and one letter from the Chair of the Compensation Committee addressing questions related to changes in Mr. Hughes' employment arrangements.

On August 27, 2018, the Board approved an amendment to the Company's Amended and Restated By-laws to provide that special meetings of the Company's stockholders may be called by the Company's President and shall be called by the President or Secretary at the request in writing of a majority of the Board. The Company's Amended and Restated By-laws had previously provided that special meetings of the Company's stockholders may be called by the Company's President and shall be called by the President or Secretary at the request in writing of a majority of the Board, or at the request in writing of stockholders owning a majority of the Company's issued and outstanding capital stock entitled to vote. The amendment to the Company's Amended and Restated By-laws was effective upon approval by the Board.

In addition, on August 29, 2018, the Board approved the adoption of a stockholder rights agreement (the "Rights Agreement") and declared a dividend of one preferred share purchase right for each share of Common Stock to the stockholders of record on that date. The Rights Agreement was adopted to protect the Company and its stockholders from the actions of third parties that the Special Committee and the Board determine are not in the best interests of the Company and its stockholders; enable all of the Company's stockholders to realize the full potential value of their investment in the Company; and reduce the likelihood that any person or group gains control of the Company through open market accumulation or other tactics.

On August 27, 2018, Regina Dowd resigned her position as a member of the Company's Board. On August 31, 2018, the Board approved the appointment of Ira Cohen as a Class I member of the Board, effective September 2, 2018, to fill the vacancy created as the result of Ms. Dowd's resignation. The Board determined that Mr. Cohen is an independent director for purposes of the Nasdaq Listing Rules.

On August 31, 2018, the Board received a letter from Fintech Consulting, LLC ("Fintech"), expressing similar concerns to those included in the QAR Letter and also expressing concern with the adoption of the shareholder rights plan. The Haslani Entities did not amend their 13D to indicate the letter had been sent to the Board. The letter was disclosed to all stockholders in a Current Report on Form 8-K filed by the Company on September 12, 2018. The Form 8-K included as exhibits the letters to the stockholders of the Company from Christopher Hughes, Chairman of the Board, and Raymond Roel, Chair of the Compensation Committee, addressing the issues raised in the QAR Letter and the letter from Fintech.

On September 19, 2018, Zeff sent a letter to Raymond Roel expressing additional concerns regarding recent corporate actions.

On September 27, 2018, the Company filed a Definitive Proxy Statement on Schedule 14A relating to the Annual Meeting of the Company originally scheduled for November 28, 2018.

On October 9, 2018, Zeff delivered to the Company a notice of nomination of directors and stockholder proposals (the “Zeff Proposals”). The notice indicated Zeff’s intent to nominate H. Timothy Eriksen and Bradley M. Tirpak as Class I directors and to make three additional shareholder proposals regarding certain corporate governance matters, which are addressed in this proxy statement. Zeff subsequently filed its proxy statement on Schedule 14A on October 10, 2018. The Zeff proxy statement fails to make any disclosures regarding relationships that Zeff may have with other members of the Insurgent Group or about any intentions that Zeff and the other members of the Insurgent Group may have regarding control of the Company.

As stated above, the Company believes the Insurgents constitute a “group” within the meaning of Rule 13d-5 under the Securities Exchange Act of 1934. The Company believes that the Insurgents’ failure to disclose that they are acting as a group with respect to the Common Stock of the Company was purposeful and was motivated in part from the Insurgent Group’s desire not to admit to the stockholders of the Company that they have the purpose and intent to control the Company and its operations. Based on its review of public filings, the Company notes that Zeff has a history of attempted take overs of numerous public companies, but in each case has either declined to complete an acquisition or made an offer that was deemed inadequate by the target company. The Company further believes that the Insurgent Group intends to deliver managerial control of the Company to Tajuddin Haslani (“Haslani”), which the Company believes would be harmful to the Company’s business for a number of reasons. The Company has learned that, in recent months, Haslani has made numerous representations to several significant customers, as well as to the Company’s competitors and employees, that he and his affiliates have taken over or will take over the Company, and that their plan is to deliver managerial control of the Company to Haslani, with the intent that the Company be eventually merged into Fintech or an affiliated entity.

Haslani has described his managerial vision to Christopher Hughes and has said he wants to terminate relationships with all of the U.S.-based recruiters and transition the Company to using off-shore recruiters based in India, as well as converting Company sales staff to franchisees. The Company believes Haslani’s vision for the Company is incompatible with the delivery of services that the Company’s clients receive and expect, and that the Company would not be able to fulfill its clients’ needs using this model. Moving recruiting off-shore is likely to have an adverse impact on the Company’s ability to fulfill job assignments for clients. In addition, the Company believes that conversion from an employment model to a franchisee model would have an adverse impact on salesperson retention, which in turn is likely to have an adverse impact on the Company’s business in light of the important relationships those salespeople maintain with the Company’s clients. The Company is not aware of any market evidence indicating that a salesperson franchisee model would be viable for the Company’s business. When Christopher Hughes told Haslani that such changes would not be acceptable to the Company’s customers and employees, Haslani responded that he intended to terminate a significant number of employees and was not concerned about losing existing customers because he would replace any customers who terminated their relationship with the Company with new customers. Communications of this nature from Haslani have been extremely concerning to the Company and its employees. The Company has also become aware that Haslani has been actively contacting some of the Company’s employees and customers representing that he will control the Company soon, and a number of those employees and customers have expressed to the Company their reluctance to continue their relationship with the Company if Haslani is involved in the management of the Company. Christopher Hughes, the Company’s Chief Executive Officer, is the source of some of the Company’s most important client relationships, and, to the extent that Haslani’s control of the Company led Mr. Hughes to cease his association with the Company, those relationships could be jeopardized. The Company also understands that key clients of the Company view Haslani negatively and one or more of these key clients may not be willing to continue their relationship with the Company if Haslani is involved in the management of the Company. Further, Haslani has been involved in numerous disputes with various business partners over the years. The Company believes that the Insurgent Group’s failure to disclose its plans, including the plan to deliver managerial control to Haslani, was purposeful because of the Insurgent Group’s knowledge that Haslani is viewed negatively by key customers of the Company. The Company shares the concern of its most important customers regarding Haslani’s ability to effectively run the Company’s business.

Additionally, the activity of the Insurgent Group is impairing the Special Committee's ability to evaluate strategic alternatives. Potential transactional partners have informed the Special Committee that they are unwilling to make any proposals if the Insurgent Group continues to own a significant amount of shares of the Company or Haslani is involved with the Company because of Haslani's poor reputation in the industry and their concerns regarding Haslani's finances.

On November 6, 2018, the Company announced that the Board had determined to postpone the Company's Annual Meeting (1) in order to give the Company additional time to review and respond to the Zeff Proposals, (2) to allow the stockholders to consider information to be included in this revised proxy statement, (3) in light of uncertainty caused by ongoing litigations brought against the Company by Fintech Consulting LLC and against the Company and its current and certain former directors by Susan Paskowitz and (4) in order to give the Special Committee additional time to consider and evaluate whether any strategic alternatives are in the best interests of the Company's stockholders.

On November 14, 2018, QAR sent a letter to the Board offering to purchase the Company's outstanding Common Stock not already owned by QAR and its affiliates for a purchase price of \$6.25 per share. The letter was received by the Board on November 16, 2018. The letter provided that the offer would expire if the Board did not accept it by November 19, 2018. The Chairman of the Board provided the offer to the Special Committee and informed QAR that he had done so. The Special Committee delivered a letter to QAR indicating that it was reviewing the offer, but that the members would not be exercising their fiduciary duties properly if they accepted the offer on the timeline proposed by QAR. On November 20, 2018, the QAR Entities filed an amendment to the QAR 13D, disclosing the offer made to the Board in this letter and the sale of 3,401 shares of Common Stock by Robert Fitzgerald without further explanation regarding the means of sale or price of such disposition of shares. On November 28, 2018, the Company issued a press release announcing that the Company sent a letter to QAR on behalf of the Board rejecting QAR's non-binding offer. In its letter to QAR, the Company stated that the Board's unanimous decision came after careful consideration of the QAR letter and the non-binding offer and was in accordance with the unanimous recommendation of the Special Committee, after consultation with the Special Committee's financial advisors and the Special Committee's and the Company's legal advisors. The Company's letter stated that the Board and the Special Committee believe that the consideration being offered by QAR is inadequate and does not reflect the fair value of the common stock of the Company and, therefore, would not be in the best interests of the Company's stockholders. The Company also stated that should QAR wish to communicate further with respect to its interest in the Company, it will make the Chairman of the Special Committee and the financial advisors to the Special Committee available to QAR or its representatives. The unanimous recommendation of the Special Committee resulted from numerous meetings of the Special Committee with its financial and legal advisors during which all of the strategic alternatives potentially available to the Company were considered in detail.

The Board and the Special Committee will consider any recommendations made by the Insurgents or any other party that may enhance shareholder value, in accordance with the due exercise of their fiduciary duties.

On December 7, 2018, the Company issued a press release providing an update on the strategic alternatives process being conducted by the Special Committee. After careful consideration, and based upon the unanimous recommendation of the Special Committee, the Board decided that it is in the best interests of the Company and its stockholders to pursue one or more strategic acquisitions. In reaching its unanimous decision to recommend to the Board that the Company pursue an acquisition strategy, the Special Committee reviewed and considered the analysis and recommendations of CoView, including a report by CoView identifying potential acquisition candidates. The Special Committee believes that acquiring a business that is a good strategic fit will expand the Company's customer base and improve profitability, and would be in the best interests of the Company and its stockholders. The Special Committee has been authorized, with assistance from its legal and financial advisors, to begin approaching certain potential acquisition candidates, evaluating the merits of and negotiating acquisition target proposals and agreements, and taking other actions necessary to facilitate the consummation of such a transaction. There is no assurance that this decision will result in any acquisitions being announced or consummated.

Each of the Director nominees identified in this proxy statement has consented to being named as a nominee in our proxy materials and has accepted the nomination and agreed to serve as a Director if elected by the Company's shareholders. If any nominee becomes unable or unwilling to serve between the date of the proxy statement and the Annual Meeting, the Board may designate a new nominee, and the persons named as proxies will vote on that substitute nominee.

Our Board unanimously recommends using the enclosed GOLD proxy card to vote FOR each of the Board's two Director nominees. Zeff notified the Company that it intends to nominate two nominees for election as a Director at the Annual Meeting. As a result, if Zeff proceeds with its alternative nomination, the number of Director nominees will exceed the number of Directors to be elected, and the two nominees who receive the greatest number of votes cast will be elected.

Our Board recommends that you simply DISREGARD and THROW AWAY any proxy card that may be sent to you by Zeff and only vote using the enclosed GOLD proxy card.

Voting AGAINST Zeff's nominees on its proxy card is NOT the same as voting FOR our Board's Director nominees because a vote against Zeff's nominee on its proxy card will revoke any previous proxy submitted by you, including any vote you may have made for our Board's nominees. If you have already voted using the white proxy card sent to you by Zeff, you may change it by voting in favor of our Board's Director nominees using the enclosed GOLD proxy card or by voting via Internet or by telephone by following the instructions provided on the enclosed GOLD proxy card. Only the latest validly executed proxy that you submit will be counted. If you have any questions, please contact Alliance Advisors at 855-643-7308.

Corporate Governance and Board Matters

The Company maintains the following committees of the Board: the Audit Committee, the Compensation Committee, the Nominating Committee, and the Special Committee. Each of these committees is separately described below.

Ira D. Cohen, William J. Kelly, Raymond A. Roel, Brian J. Mangan, and Eric M. Stein are independent members of the Board under the rules of the NASDAQ Capital Market. In addition, each member of each committee of the Board meets the definition of “independence” under the rules of the NASDAQ Capital Market. The Board also has determined that Brian J. Mangan, the Chair of the Audit Committee, and Ira D. Cohen, a member of the Audit Committee, meet the requirements of an “audit committee financial expert” as such term is defined in applicable regulations of the Securities and Exchange Commission.

During the fiscal year ended May 31, 2018, the Board held ten meetings and acted by unanimous written consent on two occasions; the Audit Committee held six meetings and acted by unanimous written consent on two occasions; the Compensation Committee held five meetings; and the Nominating Committee held two meetings. During such fiscal year, no director attended fewer than 75% of the aggregate of the total number of meetings of the Board and the total number of meetings of all committees of the Board of which such director was a member. The Company does not have a formal policy regarding attendance of directors at the Annual Meetings of Stockholders, but the Company encourages all directors to attend. All of the directors who served in office on the date of the 2017 Annual Meeting of Stockholders attended the 2017 Annual Meeting of Stockholders.

The Audit Committee

The Audit Committee's current members are Brian J. Mangan (Chairman), Ira D. Cohen, William J. Kelly, Raymond A. Roel and Eric M. Stein. Each of the members of the Audit Committee is an independent director under the rules of the NASDAQ Capital Market. The Audit Committee's primary functions are to assist the Board in monitoring the integrity of the Company's financial statements and systems of internal control. The Audit Committee has direct responsibility for the appointment, independence and performance of the Company's independent auditors. The Audit Committee is responsible for pre-approving any engagements of the Company's independent auditors. The Audit Committee operates under a written charter approved by the Board on September 16, 2004, and amended as of October 10, 2008. A copy of the Audit Committee Charter is available on the Investor Relations page of the Company's website at www.tsrconsulting.com.

The Compensation Committee

The Compensation Committee's current members are Raymond A. Roel (Chairman), Ira D. Cohen, William J. Kelly, Brian J. Mangan and Eric M. Stein. Each of the members of the Compensation Committee is an independent director under the rules of the NASDAQ Capital Market. The Compensation Committee assesses the structure of the Company's management team and the overall performance of the Company. It evaluates the performance of the Company's executive officers on an annual basis and makes recommendations to the Board regarding salary increases and other compensation to executive officers. The Board has adopted a written charter for the Compensation Committee, a copy of which is available on the Investor Relations page of the Company's website at www.tsrconsulting.com. Under its charter, the Compensation Committee has authority to retain and approve the fees of independent compensation consultants or other advisors.

The Nominating Committee

The Nominating Committee's current members are Raymond A. Roel (Chairman), Ira D. Cohen, William J. Kelly, Brian J. Mangan and Eric M. Stein. Each of the members of the Nominating Committee is an independent director under the rules of the NASDAQ Capital Market. A copy of the Nominating Committee Charter is available on the Investor Relations page of the Company's website at www.tsrconsulting.com. The Nominating Committee determines the criteria for nominating new directors and recommends to the Board candidates for nomination to the Board. The Nominating Committee's process to identify and evaluate candidates for nomination to the Board includes consideration of candidates for nomination to the Board recommended by stockholders. Such stockholder recommendations must be delivered to the Corporate Secretary of the Company, together with the information required to be filed in a proxy statement with the Securities and Exchange Commission regarding director nominees and each such nominee must consent to serve as a director if elected, no later than the deadline for submission of stockholder proposals as set forth in our Bylaws and under the section of this Proxy Statement entitled "Stockholder Nominations." In considering and evaluating such stockholder proposals that have been properly submitted, the Nominating Committee will apply substantially the same criteria that the Nominating Committee believes must be met by a nominee recommended by the Nominating Committee as described below.

In addition, certain identification and disclosure rules apply to director candidate proposals submitted to the Nominating Committee by any single stockholder or group of stockholders that has beneficially owned more than five percent of the Common Stock for at least one year (a "Qualified Stockholder Proposal"). If the Nominating Committee receives a Qualified Stockholder Proposal that satisfies the necessary notice, information and consent provision referenced above, the Proxy Statement will identify the candidate and the stockholder (or stockholder group) that recommended the candidate and disclose whether the Nominating Committee chose to nominate the candidate. However, no such identification or disclosure will be made without the written consent of both the stockholder (or stockholder group) and the candidate to be so identified.

In evaluating director nominees, the Nominating Committee currently considers the following factors:

the Company's needs with respect to the particular talents and experience of our directors;

the knowledge, skills and experience of nominees, including experience in business or finance, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;

familiarity with the Company's business and businesses similar or analogous to that of the Company;

experience with accounting rules and practices and corporate governance principles; and

such other factors as the Nominating Committee deems are in the best interests of the Company and the best interests of the Company's stockholders.

Qualified candidates for membership on the Board will be considered without a particular focus on the diversity of the Board's membership, and without regard to race, color, creed, religion, national origin, age, gender, sexual orientation or disability.

The Nominating Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. If any member of the Board does not wish to continue in service or if the Nominating Committee or the Board decides not to re-nominate a member for re-election, the Nominating Committee identifies the desired skills and experience of a new nominee, and discusses with the Board suggestions as to individuals who meet the criteria.

Special Committee

The Special Committee's current members are Ira D. Cohen (Chairman), William J. Kelly, Brian J. Mangan and Raymond A. Roel. Each of the members of the Special Committee is an independent director under the rules of the NASDAQ Capital Market.

The Board established the Special Committee by resolution on July 9, 2018, as amended, to review the request submitted by Joseph F. Hughes and Winifred Hughes that the Board pursue a sale of the Company. Joseph F. Hughes

is the former Chairman and Chief Executive Officer of the Company. At the time of submitting such request to the Board, Joseph F. Hughes and Winifred Hughes beneficially owned approximately 42% of the Company's outstanding Common Stock. In the context of the Special Committee's review of the request by Joseph F. Hughes and Winifred Hughes, the Board charged the Special Committee to consider and evaluate strategic alternatives ("Strategic Alternatives") available to the Company, including (a) potential opportunities for a sale of the Company by way of merger, consolidation, sale of equity securities (including the Company's outstanding Common Stock), sale of all or substantially all of the Company's assets, or other strategic transactions; (b) recapitalization of the Company; (c) the sale or exchange of the shares of Common Stock held by Mr. Hughes and Mrs. Hughes in a transaction involving the Company; or (d) remaining independent and continuing to execute the Company's business plans on a standalone basis or pursuing opportunities to grow through acquisitions, and to review, consider and evaluate, for purposes of advising the full Board, whether any of the potential Strategic Alternatives is in the best interests of the Company's stockholders. The Special Committee is empowered to hire, at the Company's expense, legal, financial and public relations advisors to assist the Special Committee in the performance of its duties, and has engaged CoView to provide financial advisory services. The Special Committee does not have a formal written charter, but is governed in accordance with the authority delegated to it by the Board by resolution as described above.

On December 7, 2018, the Company issued a press release providing an update on the strategic alternatives process being conducted by the Special Committee. After careful consideration, and based upon the unanimous recommendation of the Special Committee, the Board decided that it is in the best interests of the Company and its stockholders to pursue one or more strategic acquisitions. In reaching its unanimous decision to recommend to the Board that the Company pursue an acquisition strategy, the Special Committee reviewed and considered the analysis and recommendations of CoView, including a report by CoView identifying potential acquisition candidates. The Special Committee believes that acquiring a business that is a good strategic fit will expand the Company's customer base and improve profitability, and would be in the best interests of the Company and its stockholders. The Special Committee has been authorized, with assistance from its legal and financial advisors, to begin approaching certain potential acquisition candidates, evaluating the merits of and negotiating acquisition target proposals and agreements, and taking other actions necessary to facilitate the consummation of such a transaction. There is no assurance that this decision will result in any acquisitions being announced or consummated.

Board Leadership Structure

Christopher Hughes succeeded Joseph F. Hughes as the Company's Chief Executive Officer and Chairman of the Board upon Joseph F. Hughes' retirement on July 5, 2017. Joseph F. Hughes had served as the Company's Chief Executive Officer and Chairman since the Company's founding in 1969. The Company does not presently have a lead independent director. In view of the size of the Company's Board and the Company's long track record of combining the roles of Chief Executive Officer and Chairman of the Board in a single individual, the Board believes that the centralization of leadership through the combination of these two roles promotes the development and implementation of corporate strategy, efficiency of communication between the Company's senior management team and the Board, and advancement of the Company's goals. Moreover, Christopher Hughes' service as the Company's Senior Vice President from 2007 until his appointment as President and Chief Executive Officer of the Company effective July 5, 2017, and his previous service as the Vice President, Sales of TSR Consulting Services, Inc., the Company's computer programming services subsidiary from 1991 to 2006, give him a wide breadth of specialized knowledge about the Company's business operations that make him uniquely suited for this role.

The Board's Audit Committee, of which Brian J. Mangan acts as Chairman and which consists entirely of independent directors, acts independently of the Chairman of the Board and exercises an oversight role in this capacity. The non-management directors, each of whom is an independent director under the rules of the NASDAQ Capital Market, also meet in executive session without any members of management present.

The Company believes the role of management is to identify and manage risks confronting the Company. The Board plays an integral part in the Company's risk oversight, particularly in reviewing the processes used by management to identify and report risk, and also in monitoring corporate actions so as to minimize inappropriate levels of risk. The Board as a whole is also responsible for overseeing strategic and enterprise risk. A discussion of risks that the Company faces is conducted at regularly scheduled meetings of the Board and committee meetings.

Meetings of Independent Directors

Directors who are independent under the NASDAQ Capital Market listing standards and applicable laws and regulations have not met in separate committee; rather, the independent directors hold discussions among them without the presence of management in conjunction with meetings of the Audit Committee, Compensation Committee, Nominating Committee and Special Committee, as they deem necessary. Each of these committees is comprised solely of independent directors.

Code of Ethics

The Company has adopted a code of ethics that applies to all of its employees, including the chief executive officer and chief financial and accounting officer. The code of ethics is available on the Investor Relations page of the Company's website at www.tsrconsulting.com. The Company intends to post on its website all disclosures that are required by law or NASDAQ Capital Market listing standards concerning any amendments to, or waivers from, the Company's code of ethics. Stockholders may request a free copy of the code of ethics by writing to Corporate Secretary, TSR, Inc., 400 Oser Avenue, Suite 150, Hauppauge, NY 11788. Disclosure regarding any amendments to, or waivers from, provisions of the code of ethics that apply to the Company's directors or principal executive and financial officers will be included in a Current Report on Form 8-K filed with the Securities and Exchange Commission within four business days following the date of the amendment or waiver, unless website posting of such amendments or waivers is then permitted by the rules of the NASDAQ Capital Market and the SEC.

Stockholder Nominations

Under the Company's Amended and Restated By-laws, as amended, a stockholder must follow certain procedures to nominate persons for election as directors or to introduce an item of business at an annual meeting of stockholders. Among other requirements, these procedures require any nomination or proposed item of business to be submitted in writing to the Company's Corporate Secretary at its principal executive offices. The Company must receive the notice of a stockholder's intention to introduce a nomination or proposed item of business at an annual meeting no later than 120 days prior to the anniversary of the date on which the Company released its proxy statement (the "Anniversary Date") in connection with the prior year's annual meeting to its stockholders; provided, however, in the event the annual meeting is scheduled to be held on a date more than 30 days before or after the Anniversary Date, the notice can be received not later than the close of business on the later of the 75th day prior to the scheduled meeting date or the 15th day following the day on which the public announcement of such annual meeting is first made by the Company.

Stockholder Communications with Directors

Generally, stockholders who have questions or concerns should contact the Company's Corporate Secretary at (631) 231-0333. Any stockholder who wishes to address questions regarding the Company's business directly with the Board, or any individual director, should direct his or her questions, in writing, in care of the Company's Secretary, at the Company's offices at 400 Oser Avenue, Suite 150, Hauppauge, NY 11788. Any complaint, concern or reference to a problem or potential problem with the Company's accounting, accounting policies, internal control, auditing or financial matters should be addressed to Accounting Complaints, c/o Chair of the Audit Committee, TSR, Inc., 400 Oser Avenue, Suite 150, Hauppauge, NY 11788.

Certain Relationships and Related Transactions

The Audit Committee is responsible for reviewing and approving all transactions between the Company and any related party pursuant to the Audit Committee's charter. The Company was not a participant in any transaction since the beginning of the 2018 fiscal year in which any related person had a direct or indirect material interest and in which the amount involved exceeded the lesser of \$120,000 or 1% of the average of the Company's total assets at the end of each of the Company's two prior fiscal years, and no such transactions are currently proposed, except that Regina Dowd, who served as a director of the Company during fiscal 2018, was also employed as a sales executive of the Company for which she was paid compensation in the amount of \$145,000 for the 2018 fiscal year.

Employment Agreements and Arrangements

Joseph F. Hughes was compensated at a base salary of \$500,000 per annum during the fiscal year ended May 31, 2017 pursuant to an unwritten employment agreement between Mr. Hughes and the Company. Mr. Hughes retired on July 5, 2017 and received a pro-rated amount of his annual base salary for the period from June 1, 2017 to July 5, 2017. In connection with Mr. Hughes' retirement, the Board awarded him a one-time founder's bonus of \$100,000, which was paid to Mr. Hughes in cash. In the event Mr. Hughes passes away prior to May 31, 2020, the Company will make the \$2,000 monthly payments described in the preceding sentence to Mr. Hughes' spouse during her lifetime according to the same schedule for the remainder of the period. Notwithstanding the foregoing, inasmuch as the Company was able to maintain insurance coverage for Mr. Hughes and his spouse under the Company's executive medical plan for the Company's 2019 fiscal year, the Company has paid, and will continue to pay, for insurance coverage for Mr. Hughes and his spouse under the Company's executive medical plan through the current one-year term of the plan, which expires on May 31, 2019. In the event that the Company is not able to maintain insurance coverage for Mr. Hughes and his spouse under the Company's executive medical plan when the plan renews for the Company's fiscal year beginning June 1, 2019, then the Company will make the aforementioned payments of \$2,000 per month to Mr. Hughes (or his spouse) through the month of May 2020 pursuant to the original agreement.

In June 2015, the Company entered into a written employment agreement with John G. Sharkey, which terminates May 31, 2020. The employment agreement provided for an initial annual base salary of \$250,000, subject to increase in the discretion of the President of the Company, and an annual bonus determined by the Compensation Committee in its discretion upon recommendation of the President based on Mr. Sharkey's individual performance and the Company's overall performance in such year. As set forth in the Summary Compensation Table above, the Company paid an annual bonus to Mr. Sharkey in the amount of \$50,000 for each of the fiscal years ended May 31, 2018 and 2017.

See "Payments in Connection with Termination of Employment and Change in Control" below for a description of payments that Mr. Sharkey is entitled to receive under his employment agreement in connection with a change in control of the Company.

In March 2012, the Company entered into a written employment agreement with Christopher Hughes which, as extended, expired April 30, 2017. This employment agreement provided for an annual base salary of \$300,000 and an annual bonus to be approved by the Compensation Committee at its discretion.

This employment agreement provided that Mr. Hughes was entitled to receive an annual bonus with respect to the Company's 2017 fiscal year determined pursuant to the same terms set forth in his prior employment agreement that expired on April 30, 2017, which provided that the Compensation Committee would determine Mr. Hughes' annual bonus in its discretion. As set forth in the Summary Compensation Table above, the Compensation Committee approved, and the Company paid, an annual bonus to Mr. Hughes in the amount of \$100,000 for the fiscal year ended May 31, 2017. This employment agreement provided for an annual base salary of \$350,000 and an annual bonus for fiscal years beginning with the fiscal year ended May 31, 2018 to be approved by the Compensation Committee in its discretion, which may be based upon standards that the Compensation Committee approves at the beginning of each fiscal year commencing with the fiscal year beginning June 1, 2017, and which standards may be modified thereafter with the Compensation Committee's approval. The employment agreement provided that the Company shall pay any annual bonus that may become payable within 120 days of the end of the applicable fiscal year, for the period to which the bonus relates. In addition, the employment agreement provided that the Company shall pay Mr. Hughes an advance on his annual bonus for the current fiscal year within 30 days after the end of each fiscal quarter (other than the fourth fiscal quarter) in an amount equal to the bonus which would have been earned through the end of such fiscal quarter, based on any standards approved by the Compensation Committee. Each such advance of the bonus was to be approved by the Compensation Committee unless it is paid in accordance with a formula approved in advance for such fiscal year. In the event that following any fiscal quarter or following completion of the Company's audited financial statements, any advance payment of the bonus previously paid with respect to any fiscal year (or portion thereof) exceeded the amount that Mr. Hughes is entitled to receive through the end of such fiscal quarter or fiscal year, Mr. Hughes was required to promptly return such excess amount to the Company.

On August 9, 2018, the Company and Christopher Hughes entered into an Amended and Restated Employment Agreement, dated and effective as of August 9, 2018, that superseded the employment agreement that the Company and Mr. Hughes had entered into on April 14, 2017 and which had become effective as of May 1, 2017. The Amended and Restated Employment Agreement has a term of three years, nine months and twenty-two days, and is scheduled to expire on May 31, 2022. The Amended and Restated Employment Agreement provides for an annual base salary of \$400,000, which the Company's Compensation Committee will review on an annual basis, and which the Company's Board may increase in the Board's discretion. Mr. Hughes is eligible to receive an annual cash bonus in the discretion of the Compensation Committee, which may be based upon standards established by the Compensation Committee and approved by the Board. Mr. Hughes is entitled to receive advance payments of the bonus on a quarterly basis based on the amount of the bonus that would have been earned through the end of each quarter according to such standards. Such advance payments of the bonus are subject to recapture by the Company in the event that the amount paid as the advance exceeds the amount that Mr. Hughes was actually entitled to receive. Mr. Hughes is entitled to participate in any pension, profit-sharing, retirement, hospitalization, insurance, medical services or other employee benefit plan generally available to the Company's executives, to the extent that he is eligible to participate under the terms and conditions of such plans. Mr. Hughes is also entitled to executive medical benefits and a car (leased or owned at the sole discretion of the Company) in such amounts for the car as determined by the Board, provided that the executive medical benefits and car may be discontinued at the end of any fiscal year at the discretion of the Board.

The Company has the right to immediately terminate Mr. Hughes' employment for "Cause" (as defined in the Amended and Restated Employment Agreement), in which event Mr. Hughes shall be entitled to receive his base salary for the month in which the termination is effective.

The Company has the right to terminate Mr. Hughes' employment upon fifteen days written notice in the event Mr. Hughes is unable to perform his duties on account of illness, accident or other physical or mental incapacity for a period of six consecutive months or an aggregate of 180 days in any period of twelve consecutive months, in which event Mr. Hughes shall be entitled to receive his base salary and reimbursement of approved expenses for the month in which termination is effective.

The Company may terminate Mr. Hughes' employment for any other reason upon thirty days written notice, in which event Mr. Hughes shall be entitled to receive (a) reimbursement of any unpaid approved expenses, (b) severance from the Company in an amount equal to (i) two times his base salary plus (ii) two times his bonus for the then-current fiscal year, or if that bonus amount cannot be determined, two times the amount of the bonus paid to him in the prior fiscal year, (c) continued group health insurance benefits (including both group health insurance benefits generally offered to all eligible employees of the Company and supplemental executive health insurance benefits) until the earlier of the second anniversary of termination or such time as Mr. Hughes is eligible for comparable coverage under the group health insurance plans of another employer and (d) reimbursement for the monthly cost of his car lease until the second anniversary of the termination of his employment; provided that, as a condition to his right to receive the payments and benefits in clauses (b), (c) and (d), Mr. Hughes executes, delivers and does not revoke a release of all claims against the Company and its affiliates.

The Amended and Restated Employment Agreement incorporates the terms and provisions of a Maintenance of Confidence and Non-Compete Agreement between the Company and Mr. Hughes dated as of August 9, 2018. The Maintenance of Confidence and Non-Compete Agreement sets forth Mr. Hughes' covenants against the disclosure of confidential information, covenants against the solicitation of customers, employees and independent contractors and a covenant against competition (all in accordance with the terms set forth therein) and supersedes any prior agreements entered into by Mr. Hughes pertaining to such covenants.

See "Payments in Connection with Termination of Employment and Change in Control" below for a description of payments that Mr. Hughes is entitled to receive under his Amended and Restated Employment Agreement in connection with a termination of his employment in connection with a change in control of the Company.

Payments in Connection with Termination of Employment and Change in Control

Christopher Hughes' Amended and Restated Employment Agreement provides that in the event that Mr. Hughes' employment is terminated without "cause" during the six-month period prior to, or within one year after, a "change in control" (as defined in the Amended and Restated Employment Agreement) of the Company, or if Mr. Hughes resigns from his employment for "good reason" within one year after a change in control of the Company, then Mr. Hughes shall be entitled to receive (a) his base salary through the date of termination or resignation plus his bonus pro-rated through such date, (b) an amount equal to two times his base salary plus two times his bonus for the then-current fiscal year, or if such bonus amount cannot be determined, two times the bonus paid to him in the prior fiscal year, provided that Mr. Hughes executes and delivers a release of all claims against the Company, (c) continued group health insurance benefits (including both group health insurance benefits generally offered to all eligible employees of the Company and supplemental executive health insurance benefits) until the earlier of the second anniversary of termination or such time as Mr. Hughes is eligible for comparable coverage under the group health insurance plans of another employer and (d) reimbursement for the monthly cost of his car lease until the second anniversary of the termination of his employment; provided that, as a condition to his right to receive the payments and benefits in clauses (b), (c) and (d), Mr. Hughes executes, delivers and does not revoke a release of all claims against the Company

and its affiliates. “Good reason” means either (i) a material breach by the Company of the Amended and Restated Employment Agreement, (ii) a material diminution in Mr. Hughes’ authority, duties or responsibilities, or (iii) a relocation by the Company of Mr. Hughes’ principal place of business for the performance of his duties to a location that is anywhere outside of a 100 mile radius of the Borough of Manhattan.

John Sharkey’s employment agreement provides that if he terminates his employment with the Company in connection with a “change in control” of the Company as such term is defined therein, he is entitled to receive (a) his full salary through the date of termination, (b) an amount equal to two times his current base salary, (c) the pro rata portion of the annual bonus to which he is entitled for the then current year pro rated through the date of termination, or if such amount cannot be determined, the pro rata portion of the annual bonus paid for the preceding year through the date of termination, (d) an amount equal to two times the annual bonus payable to him for the then current year, or if such amount cannot be determined, two times the amount of the annual bonus paid to him for the prior year, and (e) all employee benefits for a period of two years after termination.

A “Change in Control” as defined in John Sharkey’s employment agreement occurred on August 21, 2018 (the “August 21, 2018 Change in Control Event”). On November 16, 2018, the Company and Mr. Sharkey entered into a Letter Amendment (the “Letter Amendment”) that amends Mr. Sharkey’s employment agreement to provide that, in connection with the occurrence of the August 21, 2018 Change in Control Event, the period within which Mr. Sharkey must exercise his right under his employment agreement to terminate his employment thereunder is extended from ninety (90) days to two hundred eighty (280) days after the August 21, 2018 Change in Control Event. As a result of the Letter Amendment, Mr. Sharkey may provide written notice to the Company of the termination of his employment under the employment agreement in connection with the August 21, 2018 Change in Control Event on or before May 28, 2019, in which case he would be entitled to receive the change in control benefits described above from the Company.

The Letter Amendment also confirms for Mr. Sharkey that in the event that he timely exercises his right to terminate his employment under the employment agreement in connection with the August 21, 2018 Change in Control Event, then (a) the cash payment due to Mr. Sharkey will be payable to him in a single lump sum no later than August 14, 2019 and (b) the continuation of employee benefits will commence upon his separation from service.

Section 16(A) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's officers and directors and persons who beneficially own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "Commission"). Officers, directors and greater than ten percent Stockholders are required by regulation of the Commission to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 5 were required for those persons, the Company believes that all of its officers, directors and greater than ten percent beneficial owners complied with all filing requirements applicable to them with respect to reports required to be filed by Section 16(a) of the Exchange Act during the fiscal year ended May 31, 2018.

PROPOSAL 2 – RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

Relationship with Independent Registered Public Accountants

CohnReznick LLP has been appointed by the Company's Audit Committee and Board as the independent registered public accounting firm for the Company to audit and report on the Company's consolidated financial statements for the fiscal year ending May 31, 2019. CohnReznick LLP audited and reported on the Company's consolidated financial statements for the year ended May 31, 2018. The Company expects that a representative of CohnReznick LLP will be present at the Annual Meeting with an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions. The appointment of CohnReznick LLP as the Company's independent registered public accounting firm will be ratified if it receives the affirmative vote of the holders of a majority of shares of the Company's Common Stock present at the Annual Meeting, in person or by proxy. Submission of the appointment of the independent registered public accounting firm to the stockholders for ratification will not limit the authority of the Audit Committee and Board to appoint another accounting firm to serve as the independent registered public accounting firm if the present accountants resign or their engagement is otherwise terminated. If the stockholders do not ratify the appointment of CohnReznick LLP at the Annual Meeting, the selection of CohnReznick LLP may be reconsidered by the Audit Committee and Board. The Audit Committee is responsible for approving the engagement of the Company's independent registered public accounting firm to render audit or non-audit services prior to the engagement of the accountants to render such services.

The Board unanimously recommends a vote FOR the approval of the ratification of the appointment of CohnReznick LLP as the Company's independent registered public accountants for the fiscal year ending May 31, 2019.

The aggregate fees billed by CohnReznick LLP for professional services related to the audit of the Company's consolidated financial statements included in the Company's Annual Report on Form 10-K for the fiscal years ended May 31, 2018 and 2017 and the review of the consolidated condensed financial statements included in the Company's Quarterly Reports on Form 10-Q for the fiscal years ended May 31, 2018 and 2017 were \$75,000 and \$77,000, respectively.

All Other Fees

There were non-audit related services of \$6,000 billed by CohnReznick LLP for the fiscal year ended May 31, 2018, which related to review of the Company's information returns filed with the Internal Revenue Service related to a foreign bank account. There were no fees billed by CohnReznick LLP related to any other non-audit services for the fiscal year ended May 31, 2017.

Audit Committee Report

The Audit Committee has reviewed and discussed the Company's audited consolidated financial statements for the Company's 2018 fiscal year with the Company's management. The Audit Committee has separately discussed with CohnReznick LLP, the Company's independent registered public accounting firm for the 2018 fiscal year, the matters required to be discussed by Auditing Standard No. 1301, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board.

The Audit Committee has also received the written disclosures and the letter from CohnReznick LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accountant's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with CohnReznick LLP the independence of that firm from the Company.

Based on the Audit Committee's review and discussions noted above, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the Company's 2018 fiscal year for filing with the Securities and Exchange Commission.

STOCKHOLDER PROPOSALS

The Company has been notified that Zeff Capital, L.P. ("Zeff") intends to present proposals (the "Zeff Proposals") for consideration at the Annual Meeting, (Proposals Nos. 3 through 5). Zeff submitted the proposals as set forth below, and we are presenting the proposals as they were submitted to us. While we take issue with certain of the statements contained in the proposals, we have limited our response to the most important points and have not attempted to address all the statements with which we disagree. The Board unanimously recommends a vote AGAINST each stockholder proposal based on the reasons set forth in the Board's statements in opposition following each stockholder proposal.

PROPOSAL 3 – NON-BINDING STOCKHOLDER PROPOSAL REQUESTING A DECLASSIFIED BOARD STRUCTURE

Zeff Capital, L.P., 885 Sixth Avenue, New York, New York 10001, has given notice that it intends to present for action at the Annual Meeting the following resolution:

"RESOLVED, that the stockholders of TSR, Inc. urge the Board of Directors to take all necessary steps (other than any steps that must be taken by stockholders) to eliminate the classification of the Board of Directors and to require that all directors be elected on an annual basis."

The Board's Statement in Opposition to Proposal No. 3

The Board recommends that stockholders vote “**AGAINST**” the Zeff Proposal relating to Board declassification.

The Board carefully considered the stockholder proposal and concluded, for the reasons noted below, that a classified board structure remains in the best interests of the Company and our stockholders.

Classified Board Promotes Continuity and Leadership Stability. The Company's classified Board is designed to promote continuity and stability of leadership to ensure that, at all times, a majority of the Company's directors have prior experience with, and knowledge of, the Company's operations, management and strategy. Board continuity is especially critical to developing, refining and executing our long-term strategic goals. The classified board structure helps directors to make sound strategic decisions in the long-term best interests of the Company and its stockholders, rather than focusing excessively on short-term results.

Classified Board Leads to High Quality Directors. A classified board strengthens the Company's ability to recruit high quality directors who are willing to make a significant commitment to the Company and our stockholders for the long-term. The Board believes it is important that directors have the commitment to serve for an appropriate term given the initial and ongoing time investment required to properly understand our operations. Experienced directors who are knowledgeable about our business are better positioned to make decisions that are in the best interests of the Company and our stockholders.

Three-Year Terms Enhance the Board's Independence and Long-Term Stockholder Focus. The Board also believes that a three-year term enhances the independence of our non-employee directors by providing them with more time to develop their understanding of, and experience with, the Company's business, making them less dependent on the views and perspectives of management. A longer term in office also helps insulate our directors against pressures from special interest groups that may be more focused on short-term results instead of the long-term interests of all stockholders. Our current board structure allows our directors to act independently with a long-term perspective and not be driven by concerns over annual nominations or elections, which helps enable them to resist short-term thinking. The freedom to focus on the long-term interests of the Company and our stockholders leads to greater independence, the cornerstone of good corporate governance.

The Company's Classified Board Assists the Board in Maximizing Shareholder Value in the Event of an Unsolicited Takeover Attempt. In an unsolicited takeover situation, a classified board can enhance our ability to achieve the best results for all of our stockholders. For example, a classified board structure furthers the ability of our Board to ultimately achieve the best possible outcome for all stockholders by providing the time and leverage

necessary for our Board to evaluate and consider the fairness of any takeover proposal, consider alternative proposals, and take appropriate action without being subjected to the undue pressure and threat of an imminent removal of a majority of members of the Board. Without a classified board, a potential acquirer could gain control of the Company by replacing a majority of the Board with its own slate of nominees at a single stockholders meeting and without paying an appropriate premium to our stockholders. An opportunistic hostile acquirer can abuse a temporary drop in our stock price below its long-term fair value such as may occur during lows in the business cycle to attempt to take over the Company at an inadequate price. While our classified board structure can help achieve and protect stockholder value, protect long-term stockholders from abusive takeover tactics and help safeguard against sudden and disruptive takeover efforts by third parties to quickly take control of the Board, it does not prevent unsolicited takeover proposals or the consummation of such transactions. Zeff has even acknowledged in its preliminary proxy statement that “it may be beneficial for a company to have a classified board of directors” and provided as an example that “a classified board may reduce a company’s vulnerability to certain potentially abusive takeover tactics by encouraging potential acquirers to negotiate at arms-length with the board of directors.”

The efforts of the Insurgents to effect change at the Company by nominating directors in an attempt to gain control of the Company and, the Board believes, take actions that may not be in the best interests of all of the Company's stockholders, illustrates the value of the Company's classified Board. In the absence of the classified Board, it is possible that the Insurgents could have gained control of the Board at the Annual Meeting.

It is important to note Proposal 3 is a non-binding stockholder proposal only and the approval of this non-binding stockholder proposal would not declassify the Board. Declassifying the Board would require an amendment to the Company's Certificate of Incorporation.

Vote Required

Adoption of this proposal requires the affirmative vote of a majority of the voting power of the issued and outstanding stock of the Company entitled to vote, present in person or represented by proxy at the Annual Meeting.

After careful consideration, the Board believes that a classified board structure remains in the best interests of the Company and its stockholders.

Recommendation of the Board

For all of the foregoing reasons, the Board recommends that stockholders vote "AGAINST" this proposal. Proxies received by the Company will be voted "AGAINST" this proposal unless the stockholder specifies otherwise in the proxy.

PROPOSAL 4 – STOCKHOLDER PROPOSAL REGARDING INCREASES TO BOARD SIZE

Zeff Capital, L.P., 885 Sixth Avenue, New York, New York 10001, has given notice that it intends to present for action at the Annual Meeting the following resolution:

“RESOLVED, that Article III, Section 2 of the by-laws of TSR, Inc. is amended to read as follows (underline indicates additions):

Section 2. The number of directors which shall constitute the whole board shall be not less than three nor more than eight. The first board shall consist of three directors. Thereafter, within the limits above specified, the number of directors shall be determined by resolution of the board of directors (it being understood that the affirmative vote of at least 80% of the then-authorized number of directors will be required to (a) increase the number of authorized directors or (b) amend this Article III, Section 2) or by the stockholders at the annual meeting. The directors shall be elected at the annual meeting of the stockholders, except as provided in Section 2 of this Article, and each director elected shall hold office until his successor is elected and qualified. Directors need not be stockholders.

RESOLVED, that Article III, Section 8 of the by-laws of TSR, Inc. is amended to read as follows (underline indicates additions):

Section 8. At all meetings of the board a majority of the directors shall constitute a quorum for the transaction of business and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the board of directors, except as may be otherwise specifically provided by statute or by the certificate of incorporation or by these by-laws (including but not limited to the 80% vote requirement for increases to the number of authorized directors or to amend such requirement as provided by Article III, Section 2 hereof, it being understood that the affirmative vote of at least 80% of the then-authorized number of directors will also be required to amend this Article III, Section 8). If a quorum shall not be present at any meeting of the board of directors the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.”

The Board's Statement in Opposition to Proposal No. 4

The Board recommends that stockholders vote “**AGAINST**” the Zeff Proposal relating to the amendments to the Company's by-laws regarding increases to board size.

The Board carefully considered the stockholder proposal and concluded, for the reasons noted below, that the proposed amendments to the bylaws would not be in the best interests of the Company and our stockholders.

The Board believes that Zeff's proposal to amend the bylaws to require the affirmative vote of at least 80% of the then-authorized number of directors to increase the number of directors or amend Article II, Section 2 and make related amendments would undermine the ability of the Board to control the business and affairs of the Company and to protect all of the Company's stockholders. It would eliminate the Board's ability to increase the board size (which is expressly permitted by the bylaws), even in cases where the Board determines that an increase in the board size is in the best interests of the Company and its stockholders. In effect, the 80% threshold would enable two directors to prevent the Board from increasing its size, even if such an increase was determined by the majority of the Board to be in the best interests of all stockholders. It is apparent to the Board that the 80% threshold was specifically chosen by Zeff to allow the two Zeff Class I director nominees, if elected, to be able to prevent increases to the size of the Board.

The Board is responsible for managing, or directing the management of, the business and affairs of the Company. In meeting this responsibility, the Board has a fiduciary duty to act in the best interests of the Company and all stockholders. The Company has adopted policies and practices designed to ensure and encourage its independent exercise of such duty. The Company's bylaws expressly provide that the number of directors shall be determined by a majority of the Board or by the stockholders at the annual meeting. Allowing a majority of the Board to determine the number of directors on the Board enables the Board to respond to changes in circumstances by adding individuals to the Board with expertise that may enhance the Board's ability to manage the Company. Implementing Zeff's proposed amendment would give a limited number of directors the ability to prevent a majority of the Board from increasing the size of the Board (even if the Board determines that such amendment is in the best interests of the Company and its stockholders). It is important that the Board's ability to act in the best interests of the Company and all stockholders not be limited in this manner. Therefore, the Board believes that this stockholder proposal serves to improperly empower a minority of the Board at the expense of the Board's capacity to act independently in the directors' exercise of their fiduciary duties, which the Board believes is Zeff's intent in supporting this proposal.

Vote Required

Adoption of this proposal requires the affirmative vote of at least two-thirds of the voting power of the issued and outstanding stock of the Company entitled to vote, present in person or represented by proxy at the Annual Meeting.

After careful consideration, the Board believes that the proposed amendments to the bylaws are not in the best interests of the Company and its stockholders.

Recommendation of the Board

For all of the foregoing reasons, the Board recommends that stockholders vote “**AGAINST**” this proposal. Proxies received by the Company will be voted “**AGAINST**” this proposal unless the stockholder specifies otherwise in the proxy.

PROPOSAL 5 – STOCKHOLDER PROPOSAL REGARDING BYLAW RESTORATION

Zeff Capital, L.P., 885 Sixth Avenue, New York, New York 10001, has given notice that it intends to present for action at the Annual Meeting the following resolution:

“RESOLVED, that each provision or amendment of the by-laws of TSR, Inc. adopted by the Board of Directors without the approval of the stockholders after August 27, 2018 (the last date of purported changes), and prior to the approval of this resolution is repealed, effective as of the time that this resolution is approved by the stockholders.”

The Board's Statement in Opposition to Proposal No. 5

The Board recommends that stockholders vote “**AGAINST**” the Zeff Proposal relating to repealing any bylaw amendments made since August 27, 2018.

The Board carefully considered the stockholder proposal and concluded, for the reasons noted below, that repealing any bylaw amendments made since August 27, 2018 would not be in the best interests of the Company and our stockholders.

The Board believes that Zeff's proposal to repeal bylaw amendments that may be adopted by the Board after August 27, 2018 would undermine the ability of the Board to control the business and affairs of the Company and to protect all of the Company's stockholders, as it would eliminate the Board's ability to adopt changes to the bylaws (which is expressly permitted by the bylaws), even in cases where the Board determines that the changes are in the best interests of the Company and its stockholders. While the proposal does not preclude the Board, after the Annual Meeting, from reconsidering any such amendments to the bylaws, it does not specifically provide for such consideration or review and it does specifically provide for the repeal of all amendments made during the relevant period. Whether such consideration occurs before or after the Annual Meeting, each of the members of the Board has fiduciary duties to the Company's stockholders, regardless of who designated such person as a nominee to the Board.

The Board is responsible for managing, or directing the management of, the business and affairs of the Company. In meeting this responsibility, the Board has a fiduciary duty to act in the best interests of the Company and all stockholders. The Company has adopted policies and practices designed to ensure and encourage its independent exercise of such duty. The Company's bylaws expressly provide that the bylaws may be amended by the Board. It is important that the Board's ability to act in the best interests of the Company and all stockholders not be limited. Zeff's proposal would eliminate the ability of the Board to amend the bylaws prior to the Annual Meeting (even if the Board determines that such amendment is in the best interests of the Company and its stockholders). If the Board did not amend the bylaws between August 27, 2018 and the date of the Annual Meeting, this proposal would ultimately have no effect on the Company. The Board has not adopted any bylaw amendments since August 27, 2018 and does not currently anticipate that any additional bylaw amendments would be required prior to date of the Annual Meeting. However, the Board could determine in the future that an amendment is necessary and in the best interests of the Company's stockholders. Therefore, the Board believes that this stockholder proposal has no purpose other than to limit Board actions otherwise permitted by the certificate of incorporation, bylaws and Delaware law that Zeff and its fellow insurgents may find disadvantageous in their efforts to assert control over the Company, even if such amendments would be beneficial to the Company's stockholders.

Vote Required

Adoption of this proposal requires the affirmative vote of at least two-thirds of the voting power of the issued and outstanding stock of the Company entitled to vote, present in person or represented by proxy at the Annual Meeting.

After careful consideration, the Board believes that repealing any bylaw amendments made since August 27, 2018 is not in the best interests of the Company and its stockholders.

Recommendation of the Board

For all of the foregoing reasons, the Board recommends that stockholders vote “**AGAINST**” this proposal. Proxies received by the Company will be voted “**AGAINST**” this proposal unless the stockholder specifies otherwise in the proxy.

OTHER INFORMATION

Stockholder Proposals for Next Annual Meeting

Any proposal that a stockholder of the Company intends to present at the next Annual Meeting of Stockholders and wishes to be included in the Company's proxy statement and form of proxy relating to that meeting must be received by the Company at its principal executive office not later than _____, 20____. Pursuant to the Company's Amended and Restated By-laws, as amended, the Company must receive the notice of a stockholder's intention to introduce a nomination or proposed item of business at an annual meeting no later than 120 days prior to the anniversary of the date on which the Company released its proxy statement, which is the Anniversary Date, in connection with the prior year's annual meeting to its stockholders; provided, however, in the event the annual meeting is scheduled to be held on a date more than 30 days before or after the Anniversary Date, the notice can be received not later than the close of business on the later of the 75th day prior to the scheduled meeting date or the 15th day following the day on which the public announcement of such annual meeting is first made by the Company. The Company is releasing its proxy statement for the Annual Meeting to its stockholders on _____, 2019. Any such proposal must also comply with the other requirements of the proxy solicitation rules of the SEC.

Form 10-K Annual Report

UPON WRITTEN REQUEST BY ANY STOCKHOLDER ENTITLED TO VOTE AT THE ANNUAL MEETING, THE COMPANY WILL FURNISH THAT PERSON, WITHOUT CHARGE, WITH A COPY OF ITS ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED MAY 31, 2018, WHICH IS FILED WITH THE SECURITIES AND EXCHANGE COMMISSION, INCLUDING THE FINANCIAL STATEMENTS AND SCHEDULES THERETO. IN THE EVENT THAT EXHIBITS TO SUCH FORM 10-K ARE REQUESTED, A FEE WILL BE CHARGED FOR REPRODUCTION OF SUCH EXHIBITS. If the person requesting the report was not a stockholder of record on _____, 2019, the request must contain a good faith representation that the person making the request was a beneficial owner of the Company's stock at the close of business on such date. Requests should be addressed to Mr. John G. Sharkey, Secretary, TSR, Inc., 400 Oser Avenue, Suite 150, Hauppauge, NY 11788.

Householding

The Company has adopted a procedure called "householding," which has been approved by the SEC. Under this procedure, the Company is delivering only one copy of the Annual Report and Proxy Statement to multiple stockholders who share the same mailing address and have the same last name, unless the Company has received

contrary instructions from an affected stockholder. This procedure reduces the Company's printing costs, mailing costs and fees. Stockholders who participate in householding will continue to receive separate proxy cards.

The Company will deliver promptly upon written or oral request a separate copy of the Annual Report and the Proxy Statement to any stockholder at a shared address to which a single copy of either of those documents was delivered. To receive a separate copy of the Annual Report or Proxy Statement, you may write to Mr. John G. Sharkey, Secretary, TSR, Inc., 400 Oser Avenue, Suite 150, Hauppauge, NY 11788, or call (631) 231-0333.

Other Business Solicitation and Expenses of Solicitation

The Board does not know of any other matters to be brought before the Annual Meeting, except those set forth in the notice thereof. If other business is properly presented for consideration at the Annual Meeting, it is intended that the proxies will be voted by the persons named therein in accordance with their judgment on such matters.

The cost of preparing this Proxy Statement and all other costs in connection with this solicitation of proxies for the Annual Meeting of Stockholders are being borne by the Company. In addition to solicitation by mail, the Company's directors, officers, and regular employees, without additional remuneration, may solicit proxies by telephone, e-mail, facsimile and personal interviews. The Company has also retained the firm of Alliance Advisors LLC to aid in the solicitation of banks, brokers, institutional and other stockholders for a fee of approximately \$45,000 plus reimbursement of expenses. Brokers, custodians, and fiduciaries will be requested to forward proxy soliciting material to the beneficial owners of Common Stock held in their names, and the Company will reimburse them for their out-of-pocket expenses incurred in connection with the distribution of proxy materials.
