

SPRINT Corp
Form PX14A6G
July 23, 2018

The shareholder proposal with this resolved statement was timely submitted to Sprint for inclusion in its 2018 annual meeting proxy.

Proposal [4] – Special Shareholder Meeting Improvement

Resolved, Shareowners ask our board to take the steps necessary (unilaterally if possible) to amend our bylaws and each appropriate governing document to give holders in the aggregate of 10% of our outstanding common stock the power to call a special shareowner meeting (or the closest percentage to 10% according to state law). This proposal does not impact our board's current power to call a special meeting.

However this proposal is missing from the 2018 proxy. Sprint did not submit a no action request which is mandatory to omit a shareholder proposal.

Sprint still has time to issue a revised proxy to include this proposal.

When notified of this oversight or intentional omission, Sprint seemed to have a consciousness of guilt by raising an irrelevant issued in an to attempt to defend itself.

The 2018 Sprint proxy said:

We value the views of our stakeholders.

Any stakeholder who wishes to communicate with our board or any director may send an email to:

boardinquiries@sprint.com

The Sprint Nominating Committee is responsible for this issue and it is chaired by Sara Martinez Tucker.

Shareholders are asked to vote in favor of the above proposal if they have an opportunity to do so in a revised proxy.

John Chevedden

On behalf of Kenneth Steiner

Proponent of the above shareholder proposal.
