### **Petrobras signs agreement with Copel**

---

(Rio de Janeiro, March 06, 2006). PETRÓLEO BRASILEIRO S/A - PETROBRAS, [Bovespa: PETR3/PETR4, NYSE: PBR/PBRA, Latibex: XPBR/XPBRA], a Brazilian international energy company, announces that it has concluded an agreement with Companhia Paranaense de Gás (Compagás), Companhia Paranaense de Energia (Copel) and Copel Geração S.A. (a wholly owned subsidiary of Copel), with respect to the Araucária Thermoelectric Power Plant - UEGA, through the signature of an Extra-judicial Transaction Contract, a Term of Consent for the Transfer of Quotas and a Memorandum of Intent.

The purpose of the Extra-judicial Transaction Contract is to settle the debt in the name of Compagás, and guaranteed by Copel in favor of Petrobras, with respect to a gas supply contract rescinded on May 31 2005 - and containing take or pay and ship or pay clauses. On the occasion of the termination of the contract, the nominal value of the debt, not recognized by Copel, amounted to R\$ 266 million against the ship or pay clause and R\$ 140 million against the take or pay clause, to be recovered against future supplies of gas.

Under the agreement, Copel Geração S/A, having as its guarantor Copel, expressly recognizes that it has a debt of R\$ 150 million in favor of the creditor, Petrobras, to be paid in 60 monthly installments beginning January 2010.

Under the conditions of the Term of Consent, Petrobras declares that it has no objection to Copel's acquisition of El Paso's quotas in UEGA.

Petrobras will seek to meet the fuel supply needs for operating UEGA on a best efforts basis as from 2010 in accordance with the Memorandum of Intent. This fuel may be in the form of natural gas or some other alternative energy source.

The agreement resolves the existing dispute in relation to the contract for the supply of gas to UEGA on an amicable basis. This reflects Petrobras' strategy of, wherever possible, negotiating settlements involving eventual disagreements which may arise from the contracts to which it is a party.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
