Yes No

Clarification on the hiring of an FPSO

Rio de Janeiro, June 2, 2010 - Petróleo Brasileiro S.A. - Petrobras, the operator of the consortium in charge of developing Block BM-S-11, announced, on 06/01/2010, the signing of the Letter of Intent with SBM Offshore N.V. (SBM) and Queiroz Galvão Óleo e Gás S.A. (QGOG) for the construction of the FPSO that will operate in the second pilot project in the Tupi area, in the pre-salt layer of the Santos Basin.

SBM, in turn, issued a statement announcing that the estimated amount of the payments due by Petrobras in regarding to the contract to be executed in the upcoming days totaled approximately US\$3.75 billion.

The Company clarifies that its disclosure policy does not contemplates the disclosure of financial information about the executed contract, including the chartering rate of its platforms. However, in the context of the disclosure made by SBM, Petrobras clarifies that the amount refers to the sum of the chartering and operation rates, for the 20 years contract tenor and does not consider the net present value methodology. The first payment will only be made after the vessel has been delivered and operations begin.

Petrobras confirms that the project's timeline calls for the FPSO to be delivered 34 months after the Letter of Intent is signed.

Block BM-S-11 is operated by Petrobras (65%), in partnership with BG E&P do Brasil Ltda. (25%) and Petrogal Brasil/Galp Energia (10%).

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
