EXTRAORDINARY GENERAL MEETING

EXPOSITION TO SHAREHOLDERS

ITEM I Proposal of amendment of the Company s By-laws

Dear Shareholders,

The Company s Board of Directors, in compliance to the provisions of article 11 of CVM (Brazilian Securities Commission) Instruction no. 481, of December 17, 2009, hereby submits, by means of this present report, the origin and justification for the amendments proposed to the Shareholders for the amendment of the Company s ByLaws, as indicated below, as well as to assess its effects:

(1) Amend the wording of the heading of article 20 of the By-Laws, in order to increase the number of members of the Executive Board from one Chief Executive Officer and six Officers to one Chief Executive Officer and seven Officers; and

(2) Amend the sole paragraph of article 36 of the By-Laws, in order to provide that in the event of a tie at an Executive Board deliberation, its Chief Executive Officer shall be entitled to cast the tie-breaking vote. The sole paragraph shall have the expression may cast replaced by the expression shall exercise .

The Decree 7678, of February 06, 2012, came in to force on February 07, 2012, exempting Petrobras from the limit imposed by Decree 757, of February 19, 1993, which defines the maximum number of members of the Executive Board in the mixed capital companies to six, not including the Chief Executive Officer. Based on Decree no. 7.678/12, therefore, Petrobras may have its current number of Officers increased, as proposed to by the Shareholders in this General Meeting.

The exploratory discoveries in the Pre-salt section, the new oil regulatory framework and the large volume of investments of the Company reveal the challenges faced by Petrobras administration, with meaningful increases on its workforce and supervision.

Such challenges have shaped the corporate strategies by fostering the growth of production and reserves, the expansion of Brazilian refinery capacity, the consolidation of its role in the natural gas market, by acting in petrochemical as a whole and by acting at the biofuel segment. In order to achieve such goals, the corporate strategy of the Company is based on the integrated growth, profitability and social and environmental responsibility, and its operational focus shall be towards operational excellence programs in management, energetic efficiency, human resources and in technology.

According to the provisions of Petrobras By-laws, in articles 20 and 32, it is the Executive Board responsibility to conduct the Company's business management. The Board currently consists of a Chief Executive Officer and six Officers.

The great volume of activities related to the execution of the strategies and operational development, particularly in regards to the division of work, the management of resources, the management of investments projects, the fundraising, the development of competencies and business performance represent challenges that affect the decision making process of the Executive Board, which means greater complexity on the business management and increase of demand upon the Board.

The expressive growth of the Company in recent years and the forecast of great expansion in the future indicate the need for special attention in the division of the work load of Petrobras Executive Board.

In view of the aforementioned, it is necessary an adjustment in the number of members of the Executive Board by creating one (01) more Officer position, which will allow a rearrangement of the demands.

For such, it is necessary to perform the amendment in the Company's By-Laws, taking into account that the current wording of its article 20 limits the arrangement of the Executive Board to one Chief Executive Officer and six Officers. In order to enable the increase in the number of members and the adequacy of the decision making process of this board, the wording must be amended as proposed, increasing the arrangement of the Executive Board to one Chief Executive Officer and seven Officers and indicating that the Chief Executive Officer shall be entitled to cast the tie-breaking vote in the event of a tie at the board deliberations.

The amendments in the by-laws to be submitted to the approval of the Shareholders at the Company's Extraordinary General Meeting to be held on February 28th, 2012 are duly highlighted at the Company's By-laws included in the **Appendix I** attached to this present report.
