Studies for public offering of shares from Petrobras Distribuidora S.A.

Rio de Janeiro, July 1st, 2015 – Petróleo Brasileiro S.A. – Petrobras, in compliance with article 157, § 4^o of Act 6.404, of December 15th, 1976, as amended, and Normative Instruction no. 358 of January 3rd, 2002, from the Brazilian Securities Commission – CVM, as amended, announces that its Executive Board, in a meeting held in June 30th, 2015, has authorized the preparation of studies in order to analyze strategic alternatives for Petrobras Distribuidora S.A. (BR), its wholly-owned subsidiary.

Among the possibilities to be explored, it is attracting a strategic partner and the public offering, making this subsidiary a listed company in a special segment of BM&FBovespa stock market called Novo Mercado - New Market and in compliance with corporate governance practices.

This initiative is part of Petrobras' Divestment Plan and, if this offering occurs, it will be through secondary public offering of shares issued of the referred company.

All necessary acts to the public offering are subjected to approval of Petrobras' and Petrobras Distribuidora's internal departments, as well as to analysis and approval of the respective regulatory entities, supervisors and authorities, according to applicable law.

The present notice will not be considered as an announcement of public offering and its preparation will depend on favorable conditions of domestic and international stock markets.

Facts considered relevant on the matter will be timely communicated to the market.

FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks and uncertainties. The forward-looking statements, which address the Company’s expected business and financial performance, among other matters, contain words such as “believe,” “expect,” “estimate,” “anticipate,” “optimistic,” “intend,” “plan,” “aim,” “will,” “may,” “would,” “likely,” and similar expressions. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. There is no assurance that the expected events, trends or results will actually occur. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

The Company’s actual results could differ materially from those expressed or forecast in any forward-looking statements as a result of a variety of assumptions and factors. These factors include, but are not limited to, the following: (i) failure to comply with laws or regulations, including fraudulent activity, corruption, and bribery; (ii) the outcome of ongoing corruption investigations and any new facts or information that may arise in relation to the “Lava Jato Operation”; (iii) the

effectiveness of the Company's risk management policies and procedures, including operational risk; and (iv) litigation, such as class actions or proceedings brought by governmental and regulatory agencies. A description of other factors can be found in the Company's Annual Report on Form 20-F for the year ended December 31, 2014, and the Company's other filings with the U.S. Securities and Exchange Commission.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
