FOR IMMEDIATE RELEASE - São Paulo, November 8, 2018 – Gafisa S.A. (B3: GFSA3; NYSE: GFA), one of Brazil's leading homebuilders, today reported its financial results for the third quarter ended September 30, 2018.

GAFISA ANNOUNCES 3Q18 RESULTS

As management was elected on 09/28/18, it is therefore not liable for 3Q18 operations and results, and hereby releases its first report.

Conference Call November 9, 2018

Firstly, over the past 40 days, our priority was to **cut costs**, processes and contracts, and optimize our structure. Specifically, we reduced our workforce by 50%, which will amount to **R\$36 million/year savings**, which includes the Rio de Janeiro branch shutdown. From now on, we will concentrate our efforts solely on the region of São Paulo, Brazil's largest market.

In addition, we proposed to our shareholders to transfer the Company's headquarters from São Paulo to São Caetano do Sul, at Gafisa's owned property, which, besides sheltering our operations, will save **R\$4.7 million/year** on office lease costs.

In addition to our focus on cost-cutting initiatives, the new management is pursuing **innovation to Gafisa's business model**, highlighting as short-term actions: (i) the launch of *Gafisa Serviços* (Gafisa Services), which offers post-warranty services, house-up (customization of unit to be delivered according to customer's needs) and rental of residential and commercial units, owned and third-party units, and (ii) the setup of an Innovation Committee, headed by Mr. Pedro Carvalho de Melo, one of our independent board members, and comprised of other four executives of the Company, representing the areas of building sites, new business, and sales. Mr. Melo is the academic coordinator of FGV/IDE's international programs and the chairman of Gafisa's Audit Committee.

For the fourth quarter, we have already directed our efforts toward **selling existing inventory**. As to launches, new management will prioritize more profitable projects with higher market acceptance.
