Item 2.05 Costs Associated with Exit or Disposal Activities.

On September 28, 2005, ADC Telecommunications, Inc. filed an 8-K announcing the relocation of certain manufacturing operations from England and Scotland to a location offering lower costs.

We are filing this amendment to provide certain estimated costs in connection with that relocation. Estimated costs associated with the termination of employees are approximately \$3.6 million. We expect to take this charge in the fourth quarter of fiscal 2005 as a subsequent event. We may have other costs related to a lease termination, but we are unable to estimate those costs at this time. When we are able to estimate those costs, and if those costs are material, we will file an amendment to this Form 8-K.
