Item 1.01 Entry into a Material Definitive Agreement.

On June 6, 2006, Gilead Sciences, Inc. (the "Company") entered into a Stock Purchase Agreement with Degussa AG and its wholly-owned subsidiary, LaPorte Nederland BV, under which the Company will acquire Raylo Chemicals Inc. ("Raylo") and most of its assets from Germany-based, specialty chemicals company Degussa AG. Under the terms of the agreement, which are subject to certain closing conditions, Gilead will pay approximately 115.2 million euros to Degussa. The companies expect the transaction to close in the fourth quarter of 2006.

In addition, on June 6, 2006, Gilead Sciences Limited, one of the Company's wholly-owned Irish subsidiaries ("GSL"), entered into a seven year supply agreement with Degussa for the manufacture and supply of certain active pharmaceutical ingredients ("API") for Gilead products. During the term of the agreement, Gilead is obligated to purchase API valued at approximately 177 million euros. If the acquisition of Raylo is not completed, subject to certain conditions, the parties may terminate the agreement or reduce its term to three years, which would result in a reduction in the amount of API to be purchased thereunder. The Company will guarantee the performance of GSL under this agreement.

Item 7.01 Regulation FD Disclosure.

On June 6, 2006, the Company issued a press release announcing the acquisition of Raylo. A copy of the press release is filed as Exhibit 99.1 to this report.

Item 9.01 Financial Statements and Exhibits.
