#### Item 1.01 Entry into a Material Definitive Agreement.

On October 29, 2007, Micromet, Inc. (the "Company") and Merck Serono International SA ("Merck Serono") executed a Second Amendment (the "Amendment") to their Collaboration and License Agreement dated December 3, 2004, as amended as of November 24, 2006 (as so amended, the "Collaboration Agreement"). The Amendment is made effective as of October 19, 2007. Under the Amendment, the parties have reallocated certain of their respective development responsibilities with respect to the product candidate adecatumumab (MT201). As part of the revised responsibilities, the Company will have all decision making authority and operational responsibility for the Phase 1b clinical trial currently being conducted to evaluate the combination of MT201 and docetaxel in patients with metastatic breast cancer, as well as an additional clinical trial to be conducted by the Company. Merck Serono will continue to bear the development expenses associated with the collaboration pursuant to the Collaboration Agreement in accordance with the agreed upon budget.
