Item 7.01. Regulation FD Disclosure.

IHS Inc. is providing additional information regarding its recently announced acquisition of Purvin & Gertz, Inc. The acquisition price was approximately \$31 million (net of acquired cash) funded out of available cash. While strategically significant as a tuck-in asset complimentary to our CMAI acquisition, IHS believes the Purvin & Gertz acquisition will be immaterial to its overall financial results.

The financial guidance referred to above contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended. Forward-looking statements are subject to various risks and uncertainties that could cause actual results and developments to differ materially from such statements. These risks and uncertainties include those discussed or identified by IHS from time to time in its public filings available from the SEC or on the IHS website

(www.ihs.com). A number of factors could cause the company's actual results, performance, achievements, or industry results to be materially different from any future results, performance, or achievements expressed or implied by these forward-looking statements. Due to these uncertainties and risks, readers of this Current Report on Form 8-K are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date of this report. IHS disclaims any duty to update guidance or any other forward-looking statement to reflect subsequent events, actual results, or changes in the company's expectations.

This information shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in any such filing.
