Section 1 — Registrant’s Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On January 31, 2011, Brookdale Senior Living Inc. (the “Company”) entered into an Amended and Restated Credit Agreement with General Electric Capital Corporation, as administrative agent and lender, and the other lenders from time to time parties thereto. The amended credit agreement amended and restated in its entirety the Company’s existing Credit Agreement dated as of February 23, 2010, as previously amended. The amended credit agreement increased the commitment under the credit facility from \$120 million to \$200 million and extended the maturity date to January 31, 2016. Other than the expansion of the commitment and the extension of the maturity date, no other material terms of the previous Credit Agreement were amended.

The revolving line of credit may be used to finance acquisitions, and to fund working capital, capital expenditures and for other general corporate purposes.

The amended credit facility is secured by first priority mortgages in certain of the Company’s properties. The availability under the line may vary from time to time based upon the value and performance of the communities securing the facility.

Amounts drawn under the facility will bear interest at 90-day LIBOR plus an applicable margin, as described below. For purposes of determining the interest rate, in no event shall LIBOR be less than 2.0%. The applicable margin varies with the percentage of the total commitment drawn, with a 4.5% margin at 35% or lower utilization, a 5.0% margin at utilization greater than 35% but less than or equal to 50%, and a 5.5% margin at greater than 50% utilization. The Company is also required to pay a quarterly commitment fee of 1.0% per annum on the unused portion of the facility.

The amended credit agreement contains typical affirmative and negative covenants, including financial covenants with respect to minimum consolidated fixed charge coverage and minimum consolidated tangible net worth. A violation of any of these covenants could result in a default under the amended credit agreement, which would result in termination of all commitments under the amended credit agreement and all amounts owing under the amended credit agreement and certain other loan agreements becoming immediately due and payable.

The foregoing summary of certain provisions of the amended credit agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the amended credit agreement filed as Exhibit 10.1 hereto, which is incorporated herein by reference.
