PROXY STATEMENT FOR THE 2015 ANNUAL MEETING OF STOCKHOLDERS

April 24, 2015

Information About Solicitation and Voting

The accompanying proxy is solicited on behalf of Chegg, Inc.'s board of directors for use at Chegg's 2015 Annual Meeting of Stockholders (the "meeting") to be held at 3990 Freedom Circle, Santa Clara, California on June 4, 2015, at 9:00 a.m. (Pacific Time), and any adjournment or postponement thereof.

Internet Availability of Proxy Materials

Under rules adopted by the U.S. Securities and Exchange Commission (the "SEC"), we are furnishing proxy materials to our stockholders primarily via the Internet, instead of mailing printed copies of those materials to each stockholder. On April 24, 2015, we sent a Notice of Internet Availability of Proxy Materials ("Notice of Internet Availability") to our stockholders, which contains instructions on how to access our proxy materials, including our proxy statement and our annual report. The Notice of Internet Availability also provides instructions on how to vote by telephone or through the Internet and includes instructions on how to receive a paper copy of the proxy materials by mail.

This process is designed to reduce our environmental impact and lowers the costs of printing and distributing our proxy materials without impacting our stockholders' timely access to this important information. However, if you would prefer to receive printed proxy materials, please follow the instructions included in the Notice of Internet Availability.

General Information About the Meeting

Purpose of the Meeting

At the meeting, stockholders will act upon the proposals described in this proxy statement. In addition, we will consider any other matters that are properly presented for a vote at the meeting. As of April 24, 2015, we are not aware of any other matters to be submitted for consideration at the meeting. If any other matters are properly presented for a vote at the meeting, the persons named in the proxy, who are officers of the company, have the authority in their discretion to vote the shares represented by the proxy. Following the meeting, management will respond to questions from stockholders.

Record Date

Only holders of record of common stock at the close of business on April 10, 2015, the record date, will be entitled to vote at the meeting. At the close of business on April 10, 2015, we had 85,912,538 shares of common stock outstanding and entitled to vote.

Quorum

The holders of a majority of the voting power of the shares of common stock entitled to vote at the meeting as of the record date must be present at the meeting in order to hold the meeting and conduct business. This presence is called a quorum. Your shares are counted as present at the meeting if you are present and vote in person at the meeting or if you have properly submitted a proxy.

Voting Rights

Each holder of shares of common stock is entitled to one vote for each share of common stock held as of the close of business on April 10, 2015, the record date. You may vote all shares owned by you as April 10, 2015, including (1) shares held directly in your name as the stockholder of record, and (2) shares held for you as the beneficial owner in street name through a broker, bank, trustee, or other nominee (collectively referred to in this proxy statement as your “broker”).

Stockholder of Record: Shares Registered in Your Name. If on April 10, 2015 your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, then you are considered the stockholder of record with respect to those shares. As a stockholder of record, you may vote at the meeting or vote by telephone, through the Internet, or if you request or receive paper proxy materials by mail, by filling out and returning the proxy card.

Beneficial Owner: Shares Registered in the Name of a Broker. If on April 10, 2015 your shares were held in an account with a broker, then you are the beneficial owner of the shares held in street name. As a beneficial owner, you have the right to direct your broker on how to vote the shares held in your account. However, the broker that holds your shares is considered the stockholder of record for purposes of voting at the meeting. Because you are not the stockholder of record, you may not vote your shares at the meeting unless you request and obtain a valid proxy from the broker that holds your shares giving you the right to vote the shares at the meeting.

Required Vote

Each director will be elected by a plurality of the votes cast, which means that the two individuals nominated for election to the board of directors at the meeting receiving the highest number of "FOR" votes will be elected. You may either vote "FOR" one or more nominees or "WITHHOLD" your vote with respect to one or more nominees. Approval of Proposal 2 will be obtained if the number of votes cast "FOR" the proposal at the meeting exceeds the number of votes cast "AGAINST" the proposal. Abstentions (shares present at the meeting and voted "abstain") are counted for purposes of determining whether a quorum is present, and have no effect on the outcome of the matters voted upon. Broker non-votes occur when shares held by a broker for a beneficial owner are not voted either because (i) the broker did not receive voting instructions from the beneficial owner, or (ii) the broker lacked discretionary authority to vote the shares. Broker non-votes are counted for purposes of determining whether a quorum is present, and have no effect on the outcome of the matters voted upon. Note that if you are a beneficial holder and do not provide specific voting instructions to your broker, the broker that holds your shares will not be authorized to vote on the election of directors. Accordingly, we encourage you to provide voting instructions to your broker, whether or not you plan to attend the meeting.

Recommendations of the Board of Directors on Each of the Proposals Scheduled to be Voted on at the Meeting

The board of directors recommends that you vote FOR each of the Class II directors named in this proxy statement (Proposal 1) and FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015 (Proposal 2).

Voting Instructions; Voting of Proxies

If you are a stockholder of record, you may:

- vote in person - we will provide a ballot to stockholders who attend the meeting and wish to vote in person;
- vote via telephone or via the Internet - in order to do so, please follow the instructions shown on your Notice of Internet Availability or proxy card; or
- vote by mail - if you request or receive a paper proxy card and voting instructions by mail, simply complete, sign and date the enclosed proxy card and return it before the meeting in the envelope provided.

Votes submitted by telephone or through the Internet must be received by 11:59 p.m., Pacific Time, on June 3, 2015. Submitting your proxy (whether by telephone, through the Internet or by mail if you request or received a paper proxy card) will not affect your right to vote in person should you decide to attend the meeting. If you are not the

stockholder of record, please refer to the voting instructions provided by your nominee to direct it how to vote your shares. For Proposal 1, you may either vote “FOR” all of the nominees to the board of directors, or you may withhold your vote from any nominee you specify. For Proposal 2, you may vote “FOR” or “AGAINST” or “ABSTAIN” from voting. Your vote is important. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure that your vote is counted.

All proxies will be voted in accordance with the instructions specified on the proxy card. If you sign a physical proxy card and return it without instructions as to how your shares should be voted on a particular proposal at the meeting, your shares will be voted in accordance with the recommendations of our board of directors stated above.

If you received a Notice of Internet Availability, please follow the instructions included on the notice on how to access your proxy card and vote by telephone or through the Internet. If you do not vote and you hold your shares in street name, and your broker does not have discretionary power to vote your shares, your shares may constitute “broker non-votes” (as described

above) and will not be counted in determining the number of shares necessary for approval of the proposals. However, shares that constitute broker non-votes will be counted for the purpose of establishing a quorum for the meeting.

If you receive more than one proxy card or Notice of Internet Availability, your shares are registered in more than one name or are registered in different accounts. To make certain all of your shares are voted, please follow the instructions included on the Notice of Internet Availability on how to access each proxy card and vote each proxy card by telephone or through the Internet. If you requested or received paper proxy materials by mail, please complete, sign and return each proxy card to ensure that all of your shares are voted.

Expenses of Soliciting Proxies

The expenses of soliciting proxies will be paid by Chegg. Following the original mailing of the soliciting materials, Chegg and its agents may solicit proxies by mail, email, telephone, facsimile, by other similar means, or in person. Our directors, officers, and other employees, without additional compensation, may solicit proxies personally or in writing, by telephone, email, or otherwise. Following the original mailing of the soliciting materials, Chegg will request brokers to forward copies of the soliciting materials to persons for whom they hold shares and to request authority for the exercise of proxies. In such cases, Chegg, upon the request of the record holders, will reimburse such holders for their reasonable expenses. If you choose to access the proxy materials and/or vote through the Internet, you are responsible for any Internet access charges you may incur.

Revocability of Proxies

A stockholder of record who has given a proxy may revoke it at any time before it is exercised at the meeting by:

- delivering to the Corporate Secretary of Chegg (by any means, including facsimile) a written notice stating that the proxy is revoked;
- signing and delivering a proxy bearing a later date;
- voting again by telephone or through the Internet; or
- attending and voting at the meeting (although attendance at the meeting will not, by itself, revoke a proxy).

Please note, however, that if your shares are held of record by a broker and you wish to revoke a proxy, you must contact that firm to revoke any prior voting instructions.

Electronic Access to the Proxy Materials

The Notice of Internet Availability will provide you with instructions regarding how to:

- view our proxy materials for the meeting through the Internet; and
- instruct us to send our future proxy materials to you electronically by email.

Choosing to receive your future proxy materials by email will reduce the impact of our annual meetings of stockholders on the environment and lower the costs of printing and distributing our proxy materials. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Voting Results

Voting results will be tabulated and certified by the inspector of elections appointed for the meeting. The preliminary voting results will be announced at the meeting and posted on our website at investor.chegg.com. The final results will be tallied by the inspector of elections and filed with the SEC in a current report on Form 8-K within four business days of the meeting.

CORPORATE GOVERNANCE STANDARDS AND DIRECTOR INDEPENDENCE

Chegg is strongly committed to good corporate governance practices. These practices provide an important framework within which our board of directors and management can pursue our strategic objectives for the benefit of our stockholders.

Corporate Governance Guidelines

Our board of directors has adopted Corporate Governance Guidelines that set forth expectations for directors, director independence standards, board committee structure and functions, and other policies for the governance of the company. Our Corporate Governance Guidelines are available without charge on the Investor Relations section of our website, which is located at investor.chegg.com, under “Corporate Governance.” The Corporate Governance Guidelines are reviewed at least annually by our nominating and corporate governance committee, and changes are recommended to our board of directors with respect to changes as warranted.

Board Leadership Structure

Our Corporate Governance Guidelines provide that our board of directors shall be free to choose its chairman in any way that it considers in the best interests of our company, and that the nominating and corporate governance committee shall periodically consider the leadership structure of our board of directors and make such recommendations related thereto to the board of directors with respect thereto as the nominating and corporate governance committee deems appropriate. Our board of directors does not have a policy on whether the role of the chairman and chief executive officer should be separate and believes that it should maintain flexibility in determining a board leadership structure appropriate for the company from time to time.

Our board of directors believes that we and our stockholders currently are best served by having Dan Rosensweig, our chief executive officer, serve as Chairman of our board of directors, considering his experience, expertise, knowledge of our business and operations and strategic vision for the company. As Chairman, Mr. Rosensweig presides over meetings of the board of directors, and holds such other powers and carries out such other duties as are customarily carried out by the Chairman of a board of directors. Our board of directors believes that its independence and oversight of management is maintained effectively through this leadership structure, the composition of the board of directors and sound corporate governance policies and practices.

Our Board of Directors’ Role in Risk Oversight

Our board of directors, as a whole, has responsibility for risk oversight, although the committees of our board of directors oversee and review risk areas which are particularly relevant to them. The risk oversight responsibility of our board of directors and its committees is supported by our management reporting processes, which are designed to provide visibility to the board of directors and to our personnel that are responsible for risk assessment and information management about the identification, assessment and management of critical risks and management’s risk mitigation strategies. These areas of focus include, but are not limited to, competitive, economic, operational, financial (accounting, credit, liquidity, and tax), legal, regulatory, compliance and reputational risks.

Each committee of the board of directors meets in executive session with key management personnel and representatives of outside advisors to oversee risks associated with their respective principal areas of focus. The audit committee reviews our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies and guidelines. The nominating and corporate governance committee reviews our major legal compliance risk exposures and monitors the steps management has to mitigate these exposures, including our legal risk assessment and legal risk management policies

and guidelines.

Independence of Directors

The listing rules of the New York Stock Exchange (“NYSE”) generally require that a majority of the members of our board of directors be independent. In addition, the listing rules generally require that, subject to specified exceptions, each member of a listed company’s audit, compensation and governance committees be independent.

Our board of directors determines the independence of our directors by applying the independence principles and standards established by NYSE. These provide that a director is independent only if the board affirmatively determines that the director has no direct or indirect material relationship with our company. They also specify various relationships that preclude a determination of director independence. Material relationships may include commercial, industrial, consulting, legal, accounting, charitable, family and other business, professional and personal relationships.

8

Applying these standards, the board annually reviews the independence of the company's directors, taking into account all relevant facts and circumstances. In its most recent review, the board considered, among other things, the relationships that each non-employee director has with our company and all other facts and circumstances our board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director.

Based upon this review, our board of directors has determined that none of the members of our board other than Mr. Rosensweig has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of the members of our board other than Mr. Rosensweig is "independent" as that term is defined under the rules of the NYSE.

All members of our audit committee, compensation committee, nominating and corporate governance committee must be independent directors as defined by our Corporate Governance Guidelines. Members of the audit committee must also satisfy a separate SEC independence requirement, which provides that they may not accept directly or indirectly any consulting, advisory or other compensatory fee from Chegg or any of its subsidiaries other than their directors' compensation. Our board of directors has determined that all members of our audit committee, compensation committee and nominating and corporate governance committee are independent and all members of our audit committee satisfy the relevant SEC additional independence requirements for the members of such committee.

Committees of Our Board of Directors

Our board of directors has established an audit committee, a compensation committee and a nominating and corporate governance committee. The composition and responsibilities of each committee are described below. The charters for each committee can be obtained, without charge, on the investor relations section of our website, investor.chegg.com, under "Corporate Governance." Members serve on these committees until their resignations or until otherwise determined by our board of directors.

Audit Committee

Our audit committee is comprised of Barry McCarthy, who is the chair of the audit committee, Richard Sarnoff and John York. The composition of our audit committee meets the requirements for independence under the current NYSE and SEC rules and regulations. Each member of our audit committee is financially literate as required by current NYSE listing standards. In addition, our board of directors has determined that Mr. McCarthy is an audit committee financial expert within the meaning of Item 407(d) of Regulation S-K of the Securities Act.

Our audit committee, among other things:

- selects a qualified firm to serve as the independent registered public accounting firm to audit our financial statements;
- helps to ensure the independence and performance of and oversees our company's relationship with the independent registered public accounting firm;
- discusses the scope and results of the audit with the independent registered public accounting firm, and reviews, with management and the independent registered public accounting firm, our interim and year-end operating results;
- develops procedures for employees to submit concerns anonymously about questionable accounting or audit matters;
- considers the adequacy of our internal accounting controls and audit procedures; and
- approves or, as required, pre-approves all audit and non-audit services not prohibited by law to be performed by the independent registered public accounting firm.

Compensation Committee

Our compensation committee is comprised of Ted Schlein, who is the chair of the compensation committee, Jeffrey Housenbold and Marne Levine. The composition of our compensation committee meets the requirements for independence under current NYSE and SEC rules and regulations. Each member of this committee is also a non-employee director, as defined pursuant to rule 16b-3 promulgated under the Securities Act of 1934, as amended, and an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended. The purpose of our compensation committee is to discharge the responsibilities of our board of directors relating to the compensation of our executive officers and directors. Our compensation committee, among other things:

- reviews and determines the compensation of our executive officers and recommends to our board of directors the compensation for our directors;
- administers our stock and equity incentive plans;
- reviews and approves and makes recommendations to our board of directors regarding incentive compensation and equity plans; and
- establishes and reviews general strategies relating to compensation and benefits of our employees.

At least annually, our compensation committee reviews and approves our executive compensation strategy and principles to assure that they promote stockholder interests and supports Chegg's strategic and tactical objectives, and that it provides for appropriate rewards and incentives for the Company's executives. Our compensation committee also reviews and makes recommendations to our board of directors regarding the compensation of non-employee directors. The compensation committee retains and does not delegate any of its exclusive power to determine all matters of executive compensation and benefits. In determining the compensation of each of our executive officers, other than our chief executive officer, our compensation committee considers the recommendations of our chief executive officer and Human Resources Department. In the case of the chief executive officer, our compensation committee evaluates his performance and independently determines whether to make any adjustments to his compensation.

Our compensation committee retained an independent compensation consultant, Frederic W. Cook & Co., Inc., to assist in structuring our executive officer compensation and director compensation for 2014. Frederic W. Cook provided our compensation committee with market data and analyses from a peer group of similarly-sized technology companies with similar business and financial characteristics. Other than the services described above, Frederic W. Cook has not provided our company or our compensation committee with any other services. No work performed by Frederic W. Cook during 2014 raised a conflict of interest.

The compensation committee has delegated in accordance with applicable law, rules and regulations, and our certificate of incorporation and bylaws, authority to an equity awards committee comprised of certain executive officers of our company, including our Chief Executive Officer, who is also a member of the board, the authority to make certain types of equity awards to any employee who is not an executive officer or director under the Chegg, Inc. 2013 Equity Incentive Plan pursuant to the terms of such plan and the equity award guidelines approved by our compensation committee.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee is comprised of Ms. Levine, who is the chair of the nominating and corporate governance committee, and Messrs. Schlein and York. The composition of our nominating and corporate governance committee meets the requirements for independence under current NYSE rules and regulations. Our nominating and corporate governance committee, among other things:

- identifies, evaluates and recommends nominees to our board of directors and committees of our board of directors;
- conducts searches for appropriate directors;
- evaluates the performance of our board of directors and of individual directors;
- considers and makes recommendations to the board of directors regarding the composition of the board and its committees;
- reviews developments in corporate governance practices;
- evaluates the adequacy of our corporate governance practices and reporting; and
- makes recommendations to our board of directors concerning corporate governance matters.

Compensation Committee Interlocks and Insider Participation

The members of our compensation committee during 2014 were Ms. Levine and Messrs. Housenbold and Mr. Schlein. None of the members of our compensation committee in 2014 was at any time during the last fiscal year or at any other time an officer or employee of Chegg or any of its subsidiaries, and none had or have any relationships with Chegg that are required to be disclosed under Item 404 of Regulation S-K. None of our executive officers has served as a member of the board of directors, or as a member of the compensation or similar committee, of any entity that has one or more executive officers who served on our board of directors or compensation committee during 2014.

Board and Committee Meetings and Attendance

The board of directors is responsible for the management and direction of the Company and for establishing broad corporate policies. The board of directors meets periodically during the Company's fiscal year to review significant developments affecting the Company and to act on matters requiring the board of directors' approval. The board of directors held 5 meetings during 2014, and also acted by unanimous written consent, the audit committee held 7 meetings, and also acted by unanimous written consent, the compensation committee held 5 meetings, and also acted by unanimous written consent, and the nominating and corporate governance committee held 3 meetings, and also acted by unanimous written consent. During 2014, each member of the board of directors participated in at least 75% of the aggregate of all meetings of the board of directors and of all meetings of committees on which such member served, that were held during the period in which such director served.

Board Attendance at Annual Stockholders' Meeting

Our policy is to invite and encourage each member of our board of directors to be present at our annual meetings of stockholders. All of our directors attended our last annual meeting of our stockholders on May 22, 2014.

Presiding Director of Non-Employee Director Meetings

The non-employee directors meet in regularly scheduled executive sessions without management to promote open and honest discussion. Ms. Levine, chair of the nominating and corporate governance committee, is the presiding director at these meetings.

Communication with Directors

Stockholders and interested parties who wish to communicate with our board of directors, non-management member of our board of directors as a group, a committee of the board of directors or a specific member of our board of directors (including our chairman or lead independent director, if any) may do so by letters addressed to the attention of our Corporate Secretary.

All communications are reviewed by the Corporate Secretary and provided to the members of the board of directors consistent with a screening policy providing that unsolicited items, sales materials, and other routine items and items unrelated to the duties and responsibilities of the board of directors not be relayed on to directors. Any communication that is not relayed is recorded in a log and made available to our board of directors.

The address for these communications is:

Code of Business Conduct and Ethics

We have adopted codes of business conduct and ethics that apply to all of our board members, officers and employees. Our Code of Business Conduct and Ethics is posted on the investor relations section of our website located at investor.chegg.com, under “Corporate Governance.” Any amendments or waivers of our Code of Business Conduct and Ethics pertaining to a member of our board or one of our executive officers will be disclosed on our website at the above-referenced address.

NOMINATIONS PROCESS AND DIRECTOR QUALIFICATIONS

Nomination to the Board of Directors

Candidates for nomination to our board of directors are selected by our board of directors based on the recommendation of the nominating and corporate governance committee in accordance with the committee's charter, our certificate of incorporation and bylaws, our Corporate Governance Guidelines, and the criteria adopted by the board of directors regarding director candidate qualifications. In recommending candidates for nomination, the nominating and corporate governance committee considers candidates recommended by directors, officers, employees, stockholders and others, using the same criteria to evaluate all candidates. Evaluations of candidates generally involve a review of background materials, internal discussions and interviews with selected candidates as appropriate and, in addition, the committee may engage consultants or third-party search firms to assist in identifying and evaluating potential nominees.

Additional information regarding the process for properly submitting stockholder nominations for candidates for membership on our board of directors is set forth below under "Stockholder Proposals to Be Presented at the Next Annual Meeting."

Director Qualifications

With the goal of developing a diverse, experienced and highly-qualified board of directors, the nominating and corporate governance committee is responsible for developing and recommending to the board of directors the desired qualifications, expertise and characteristics of members of our board of directors, including the specific minimum qualifications that the committee believes must be met by a committee-recommended nominee for membership on the board of directors and any specific qualities or skills that the committee believes are necessary for one or more of the members of the board of directors to possess.

Since the identification, evaluation and selection of qualified directors is a complex and subjective process that requires consideration of many intangible factors, and will be significantly influenced by the particular needs of the board of directors from time to time, our board of directors has not adopted a specific set of minimum qualifications, qualities or skills that are necessary for a nominee to possess, other than those that are necessary to meet U.S. legal, regulatory and NYSE listing requirements and the provisions of our certificate of incorporation, bylaws, Corporate Governance Guidelines, and charters of the board committees. In addition, neither the board of directors nor the nominating and corporate governance committee has a formal policy with regard to the consideration of diversity in identifying nominees. When considering nominees, the nominating and corporate governance committee may take into consideration many factors including, among other things, a candidate's independence, integrity, skills, financial and other expertise, breadth of experience, and knowledge about our business or industry and ability to devote adequate time and effort to responsibilities of the board of directors in the context of its existing composition. Through the nomination process, the nominating and corporate governance committee seeks to promote board membership that reflects a diversity of business experience, expertise, viewpoints, personal backgrounds and other characteristics that are expected to contribute to the board of directors' overall effectiveness. The brief biographical description of each director set forth in Proposal 1 below includes the primary individual experience, qualifications, attributes and skills of each of our directors that led to the conclusion that each director should serve as a member of our board of directors at this time.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

PROPOSAL NO. 1 - ELECTION OF DIRECTORS

Our board of directors currently consists of seven directors and is divided into three classes with each class serving for three years, and with the terms of office of the respective classes expiring in successive years. Directors in Class II will stand for election at this meeting. The terms of office of directors in Class III and Class I do not expire until the annual meeting of stockholders to be held in 2016 and 2017, respectively. At the recommendation of our nominating and corporate governance committee, our board of directors proposes that each of the two Class II nominees named below be elected as a Class II director for a three-year term expiring at the 2018 Annual Meeting of Stockholders and until such director's successor is duly elected and qualified or until such director's earlier resignation or removal.

Shares represented by proxies will be voted "FOR" the election of each of the two nominees named below, unless the proxy is marked to withhold authority to so vote. If any nominee for any reason is unable to serve or for good cause will not serve, the proxies may be voted for such substitute nominee as the proxy holder may determine. Each nominee has consented to being named in this proxy statement and to serve if elected. Proxies may not be voted for more than two directors. Stockholders may not cumulate votes in the election of directors.

Director Compensation

We compensate our non-employee directors with a combination of cash and equity. The form and amount of compensation paid to our non-employee directors for serving on our board of directors and its committees is designed to be competitive in light of industry practices and the obligations imposed by such service. In order to align the long-term interests of our directors with those of our stockholders, a portion of the director compensation is provided in equity-based compensation. The value of the annualized compensation of our non-employee directors is targeted to be at approximately at 50% and 75% of a peer group of similarly-sized technology companies with similar business and financial characteristics for cash and equity, respectively. The director compensation practices of this peer group of companies was the benchmark used when considering the competitiveness of our non-employee director compensation in 2014. Our compensation committee's independent compensation consultant, Frederic W. Cook & Co., Inc., collected and developed the competitive data and analyses for benchmarking independent director compensation.

Annual Fees. Our non-employee directors are compensated as follows:

- an annual cash retainer for serving on the board of directors of \$40,000;
- an annual cash retainer for serving in a non-chair position on the audit committee of \$10,000, on the compensation committee of \$10,000 and on the nominating and corporate governance committee of \$5,000; and
- an annual cash retainer for serving as the chair of the audit committee of \$20,000, for serving as the chair of the compensation committee of \$20,000 and for serving as the chair of the nominating and corporate governance committee of \$10,000.

We pay the annual retainer fee and any additional fees to each director in arrears in equal quarterly installments.

Equity Awards. Our non-employee director equity compensation policy provides that upon initial appointment to the board of directors, a non-employee director will be granted a stock option having a fair market value on the grant date equal to \$300,000 that vests in equal annual installments over three years from the date of grant. Thereafter, upon completion of each full year of service, each non-employee director will be granted, immediately following our annual meeting of stockholders, an additional stock option having a fair market value on the date of grant equal to \$150,000 that vests in full on the earlier of the one-year anniversary of the date of grant or immediately prior to the first annual meeting of our stockholders to occur after the date of grant. Options granted to non-employee directors under the policy described above will accelerate and vest in full in the event of a change of control. The awards will have 10-year terms and will terminate three months following the date the director ceases to be one of our directors or consultants or 12 months following that date if the termination is due to death or disability. In addition to the awards provided for above, non-employee directors are eligible to receive discretionary equity awards.

Non-employee directors receive no other form of remuneration, perquisites or benefits, but are reimbursed for their expenses in attending meetings, including travel, meal and other expenses incurred to attend meetings solely among

the non-employee directors.

The following table provides information for the year ended December 31, 2014 regarding all compensation awarded to, earned by or paid to each person who served as a non-employee director for some portion or all of 2014.

Mr. Rosensweig, our current Chief Executive Officer, did not receive any compensation for his service as a director during the fiscal year ended December 31, 2014.

Amounts shown in this column do not reflect dollar amounts actually received by non-employee directors. Instead these amounts reflect the aggregate grant date fair value calculated in accordance with Financial Accounting Standards Board, or FASB, Accounting Standards Codification Topic 718, Compensation-Stock Compensation, (formerly SFAS 123R), or ASC 718, for awards granted during 2014. For purposes of determining the number of shares of common stock subject to the stock option award, an expected term of (1) one-year, the vesting period, was used, assuming an aggregate grant date fair value of \$150,000. The aggregate grant date fair value shown in this column assumes an expected term of 5.5 years, which is the term used for accounting purposes. For information on other valuation assumptions with respect to stock option awards, refer to note 14 of the notes to consolidated financial statements contained in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014. There can be no assurance that this grant date fair value will ever be realized by the non-employee director.

PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our audit committee has selected Ernst & Young LLP as Chegg's principal independent registered public accounting firm to perform the audit of Chegg's consolidated financial statements for fiscal year ending December 31, 2015. As a matter of good corporate governance, our audit committee has decided to submit its selection of principal independent registered public accounting firm to stockholders for ratification. In the event that Ernst & Young LLP is not ratified by our stockholders, the audit committee will review its future selection of Ernst & Young LLP as Chegg's principal independent registered public accounting firm.

Ernst & Young LLP audited Chegg's financial statements for Chegg's 2014 fiscal year. Representatives of Ernst & Young LLP are expected to be present at the annual meeting. They will be given an opportunity to make a statement at the meeting if they desire to do so, and will be available to respond to appropriate questions.

Principal Accountant Fees and Services

We regularly review the services and fees of our independent registered public accounting firm. These services and fees are also reviewed with our audit committee annually. In accordance with standard policy, Ernst & Young LLP periodically rotates the individuals who are responsible for Chegg's audit.

In addition to performing the audit of Chegg's consolidated financial statements, Ernst & Young LLP provided various other services during 2014 and 2013. Our audit committee has determined that Ernst & Young LLP's provisioning of these services, which are described below, does not impair Ernst & Young LLP's independence from Chegg. The aggregate fees for 2014 and 2013 for each of the following categories of services are as follows:

Fees Billed to Chegg	Fiscal Year 2014	Fiscal Year 2013
Audit fees ⁽¹⁾	\$1,666,489	\$2,326,986
Audit related fees ⁽²⁾	87,100	—
Tax fees ⁽³⁾	26,319	—
All other fees	—	—
Total fees	\$1,779,908	\$2,326,986

- (1) "Audit fees" include fees for professional services rendered in connection with the audit of our annual financial statements and review of our quarterly financial statements. In addition, this category also includes fees for services that were incurred in connection with our initial public offering completed in November 2013, and other statutory and regulatory filings or engagements.
- (2) "Audit related fees" include fees for professional services rendered in connection with acquisition and other advisory services.
- (3) "Tax fees" include fees in connection with tax compliance and tax advisory and consulting services.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Our audit committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent registered public accounting firm and management are required to periodically report to the audit committee regarding the extent of services provided by the independent registered

public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. Our audit committee may also pre-approve particular services on a case-by-case basis. All of the services relating to the fees described in the table above were approved by our audit committee.

TRANSACTIONS WITH RELATED PARTIES, FOUNDERS AND CONTROL PERSONS

Other than the compensation arrangements, including employment, termination of employment and change of control arrangements and indemnification arrangements, discussed, when required, above in the section entitled “Executive Compensation,” since January 1, 2014, we have not been a party to any transaction or series of similar transactions in which:

- we have been or are to be a participant;
- the amount involved exceeded or exceeds \$120,000; and
- any of our directors, executive officers or holders of more than 5% of our capital stock, or any immediate family member of or person sharing the household with any of these individuals, had or will have a direct or indirect material interest.

Review, Approval or Ratification of Transactions with Related Parties

Our related-party transactions policy requires approval of transactions to which we are a party and in which an officer, director, nominee for director, stockholder beneficially owning more than five percent of our outstanding capital stock or an immediate family member of such person has a material interest. Any transaction that we intend to undertake with such persons, irrespective of the amounts involved (unless such transaction is subject to standing pre-approval as provided under the policy or pursuant to a resolution adopted by our compensation committee), will be submitted to our ethics counselor for his or her determination of what approvals are required under the related-party transactions policy. The ethics counselor will refer to the chair of our audit committee (or another member of our audit committee if the chair is a party to the transaction) any such transaction for review. In the event our ethics counselor becomes aware of a transaction with a related person that has not been previously approved or previously ratified under the related-party transactions policy that required such approval, it will be submitted promptly to the chair or other member of our audit committee for review. Based on the conclusions reached, the chair or other member of our audit committee will evaluate all options, including but not limited to ratification, amendment or termination of the transaction with the related person.

In approving or rejecting the proposed transaction, the chair or other member of our audit committee will consider the relevant and available facts and circumstances, including such facts as (i) the impact on a director’s independence in the event the related person is a director, immediate family member of a director or an entity with which a director is affiliated, (ii) the terms of the transaction and (iii) any other relevant information and considerations with respect to the proposed transaction. The chair or other member of our audit committee will approve only those transactions with related persons that, in light of known circumstances, are in or are not inconsistent with, the best interests of our company and our stockholders, as such chair or other member of our audit committee determines in the good faith exercise of his or her discretion.

"Householding" - Stockholders Sharing the Same Last Name and Address

The SEC has adopted rules that permit companies and intermediaries (such as brokers) to implement a delivery procedure called "householding." Under this procedure, multiple stockholders who reside at the same address may receive a single copy of our annual report and proxy materials, including the Notice of Internet Availability, unless the affected stockholder has provided contrary instructions. This procedure reduces printing costs and postage fees, and helps protect the environment as well.

We expect that a number of brokers with account holders who are our stockholders will be “householding” our annual report and proxy materials, including the Notice of Internet Availability. A single Notice of Internet Availability and, if applicable, a single set of annual report and other proxy materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. Stockholders may revoke their consent at any time by contacting Broadridge, either by calling toll-free (800) 542-1061, or by writing to Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York, 11717.

Upon written or oral request, Chegg will promptly deliver a separate copy of the Notice of Internet Availability and, if applicable, annual report and other proxy materials to any stockholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Notice of Internet Availability and, if applicable, annual report and other proxy materials, you may write or call Chegg's Investor Relations department at 3990 Freedom Circle, Santa Clara, California 95054, Attn: Investor Relations, telephone number (408) 855-5735.

Any stockholders who share the same address and currently receive multiple copies of Chegg's Notice of Internet Availability or annual report and other proxy materials who wish to receive only one copy in the future can contact their broker to request information about householding or Chegg's Investor Relations department at the address or telephone number listed above.
