• Limits the number of shares that may be subject to awards granted in any one calendar year to any of the Company's non-employee directors.

• Prohibits the granting of dividend equivalents with respect to stock options and stock appreciation rights (or "SARs") awarded under the Plan.

• Provides that the minimum vesting provisions of the Plan, which previously applied only to awards of restricted stock and restricted stock units, will apply to stock options and SARs that may be granted under the Plan.

---

Provides that the Board of Directors may reserve to itself any or all of the authority of the Compensation Committee under the Plan or may act as the administrator of the Plan.

Provides that awards granted under the Plan will be subject to forfeiture or recoupment pursuant to any clawback policy that the Company may adopt.

The Plan also includes other minor clarifying, administrative and technical changes. The description of the Plan is qualified in its entirety by reference to the full text of the Plan, which is included as Appendix A to the Proxy Statement and incorporated by reference herein.

Provide for automatic, accelerated vesting of all unvested RSUs at death or upon termination for disability, as disability is defined in the award agreement.

Provide additional, conforming changes to the form of award agreement so that language in the agreement is consistent with the Omnibus Incentive Plan, as amended and presented to stockholders for approval at the Annual Meeting of Stockholders of the Company, as discussed above.
