On February 25, 2010, the Compensation Committee (“Committee”) of the Board of Directors of Emergent BioSolutions Inc. (“Company”) adopted the Company’s Annual Bonus Plan for Executive Officers (“Plan”). The Committee will determine annual bonuses to be awarded to the Company’s chief executive officer (“CEO”), president and chief operating officer (“President”) and other executive officers in accordance with the terms and conditions of the Plan. The Committee may also make discretionary bonuses outside of the framework of the Plan. The Plan is not contained in a formal written document; however, a summary of the material terms of the Plan is set forth below.

Each participant’s annual bonus under the Plan will be determined by multiplying the participant’s annual base salary by (a) a target bonus percentage for such participant, (b) a corporate factor ranging from 0 to 1.5, based on the Company’s achievement of corporate goals determined by the Committee, and (c) an individual factor ranging from 0 to 1.5, based on an evaluation of each participant’s performance of day-to-day responsibilities, behavioral competencies, and participation in the achievement of the corporate goals and achievement of individual goals determined by the Committee. The Plan will apply to bonuses that are earned in 2010 and are payable in 2011, and for each year thereafter.

Also on February 25, 2010, the Committee established 2010 corporate goals and individual goals for executive officers pursuant to the Plan. The 2010 corporate goals include one goal related to business development activities, one goal related to manufacturing activities, a clinical trial goal, and achievement of a financial target. The 2010 individual goals for each executive officer include the four corporate goals. The 2010 individual goals for the executive officers listed below also include the following:

- Fuad El-Hibri, our CEO, two strategic and corporate planning goals;
