Item 1.01.

Entry into a Material Definitive Agreement.

In connection with the Vitol Change of Control described under Item 5.01 below, SemGroup Energy Partners, L.P. (the "Partnership") entered into an Amendment to Credit Agreement (the "Amendment") with its lenders on November 19, 2009. The Amendment allowed for the Vitol Change of Control. In addition, among other things, the Amendment (i) permanently reduced the Partnership's revolving credit facility under the Credit Agreement from \$50.0 million to \$40.0 million, (ii) requires the Partnership to make annual prepayments with 75% of excess cash flow, (iii) prohibits the Partnership from entering into any contract or arrangement for the purpose of hedging or speculating in the price of any commodity and (iv) eliminates the Partnership's ability to repurchase amounts outstanding under the Credit Agreement via a Dutch auction process. The Partnership paid the Lenders executing the Amendment a fee equal to 0.10% of the aggregate commitments of such Lenders under the Credit Agreement after the above described commitment reduction.

After giving effect to the Amendment, the Partnership is expected to have \$422.5 million in outstanding borrowings under its credit facility (including \$22.5 million under its revolving credit facility and \$400.0 million under its term loan facility), with an aggregate unused credit availability under its revolving credit facility and cash on hand of approximately \$19.3 million. Amounts outstanding under the Partnership's revolving credit facility will never exceed \$40.0 million.

This description of the Amendment is qualified in its entirety by reference to the Amendment, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated into this Item 1.01 by reference.

Item 5.01.

Changes in Control of Registrant.

As previously disclosed in a Current Report on Form 8-K, filed with the Securities and Exchange Commission on October 8, 2009, Vitol, Inc. ("Vitol") and Manchester Securities Corp. entered into an agreement pursuant to which Vitol would acquire 100% of the membership interests in SemGroup Energy Partners G.P., L.L.C., the Partnership's general partner (the "General Partner"), and the Partnership's subordinated units. On November 24, 2009, the transactions contemplated by the agreement were consummated and Vitol acquired 100% of the membership interests in the General Partner and the Partnership's subordinated units (the "Vitol Change of Control"). As owner of 100% of the membership interests in the General Partner, Vitol effectively controls the General Partner and the Partnership, and SemGroup, L.P., the Partnership's former parent, no longer has any ownership interest in the General Partner.

Reorganization of the Management Team

On November 24, 2009, Mr. J. Michael Cockrell was appointed as the President and Chief Operating Officer of the General Partner. In addition, Messrs. Kevin L. Foxx and Michael J. Brochetti are stepping down from their current positions as President and Chief Executive Officer of the General Partner and Executive Vice President—Corporate Development and Treasurer of the General Partner, respectively, but are expected to remain as consultants to the General Partner until March 1, 2010 to facilitate an orderly transition. The General Partner expects to enter into consulting agreements with Messrs. Foxx and Brochetti in the near future.

Mr. Cockrell, age 62, has extensive experience in the crude oil industry and prior to joining the General Partner served as Senior Vice President, Commercial Upstream, of the general partner of TEPPCO Partners, L.P. from February 2003 until November 2009. Previously he had served in various positions with the general partner of TEPPCO Partners, L.P. including serving as Vice President, Commercial Upstream.

In connection with his appointment as the President and Chief Operating Officer of the General Partner, Mr. Cockrell will enter into an employment agreement substantially in the form attached hereto as Exhibit 10.2 (the “Employment Agreement”) and the General Partner’s customary indemnification agreement substantially in the form filed as Exhibit 10.7 to the Partnership’s Registration Statement on Form S-1 (Reg. No. 333-141196), filed May 25, 2007.

Pursuant to the Employment Agreement, Mr. Cockrell will be paid an initial annual base salary of \$282,000. The Employment Agreement has a five year term. In addition, during the period from 2010 to 2013, Mr. Cockrell is entitled to certain deferred payments as compensation for long-term incentive awards which he forfeited upon leaving his prior employer, which payments will total \$2,080,377, and may be made in the form of cash or equity incentives. These deferred payment amounts will be accelerated upon a Change of Control (as defined below), or upon his termination without Cause (as defined below), for Good Reason (as defined below) or due to death or disability. Mr. Cockrell is also eligible for discretionary bonus awards and long-term incentives which may be made from time to time in the sole discretion of the Board. The Employment Agreement also provides that Mr. Cockrell is eligible to participate in any employee benefit plans maintained by the General Partner and is entitled to reimbursement for certain out-of-pocket expenses. Mr. Cockrell has agreed not to disclose any confidential information obtained by him while employed under the Employment Agreement and has agreed to a one year non-solicitation covenant, which in no event will continue past the 5th anniversary of the effective date of the agreement.

Except in the event of termination for Cause (as defined below), termination by Mr. Cockrell other than for Good Reason (as defined below), termination after the expiration of the term of the Employment Agreement or termination due to death or disability, the Employment Agreement provides for payment of any unpaid base salary and vested benefits under any incentive plans, a lump sum payment equal to his base salary for the lesser of (i) two years or (ii) the remainder of the employment term, and Mr. Cockrell will also be entitled to continued participation in the General Partner’s welfare benefit programs for the same period of time. Based upon Mr. Cockrell's current base salary, the maximum amount of the lump sum severance payment would be \$564,000, in addition to continued participation in the General Partner’s welfare benefit programs and the amounts of unpaid base salary and benefits under any incentive plans. Furthermore, the deferred payment amounts described above would be accelerated and paid in a lump sum. Upon termination of his employment due to death or disability, Mr. Cockrell and/or his dependents would be entitled to the benefits continuation described above, his unpaid base salary and accelerated payment of the deferred payment amounts described above.

For purposes of the Employment Agreement:

“Cause” means (i) conviction of the officer by a court of competent jurisdiction of any felony or a crime involving moral turpitude; (ii) the officer’s willful and intentional failure or willful intentional refusal to follow reasonable and lawful instructions of the Board; (iii) the officer’s material breach or default in the performance of his obligations under the Employment Agreement; or (iv) the officer’s act of misappropriation, embezzlement, intentional fraud or similar conduct involving the General Partner.

“Good Reason” means (i) a material reduction in the officer’s base salary; (ii) a material diminution of the officer’s duties, authority or responsibilities as in effect immediately prior to such diminution; or (iii) the relocation of the officer’s principal work location to a location more than 100 miles from its current location.

“Change of Control” means any of the following events: (i) any person or group other than SemGroup, L.P. or Vitol, Inc., or their respective affiliates, shall become the beneficial owner, by way of merger, consolidation, recapitalization, reorganization or otherwise, of 50% or more of the combined voting power of the equity interests in the Partnership or in the General Partner; (ii) the Partnership’s limited partners approve, in one or a series of transactions, a plan of complete liquidation of the Partnership; (iii) the sale or other disposition by either the General Partner or the Partnership of all or substantially all of the assets of the General Partner or the Partnership in one or more transactions to any person other than the General Partner and its affiliates; or (iv) a transaction resulting in a person other than the General Partner or an affiliate of the General Partner being the Partnership’s general partner.

This description of the Employment Agreement is qualified in its entirety by reference to the Employment Agreement a copy of which is filed as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated into this Item 5.02 by reference.

Acceleration of Awards and Payments

The Vitol Change of Control constituted a change of control under the General Partner’s Long-Term Incentive Plan (the “LTIP”), which resulted in the vesting of all outstanding awards under the LTIP at the time of the change of control.

In addition, the Vitol Change of Control resulted in a change of control under the employment agreements of Messrs. Foxx, Brochetti, Schwiering, Alex G. Stallings and Jerry A. Parsons. If within one year after the Vitol Change of Control any such officer is terminated by the General Partner without Cause (as defined in the employment agreements) or such officer terminates the agreement for Good Reason (as defined in the employment agreements), he will be entitled to payment of any unpaid base salary and vested benefits under any incentive plans, a lump sum payment equal to 24 months of base salary and continued participation in the General Partner’s welfare benefit programs for the longer of the remainder of the term of the employment agreement or one year after termination. Upon such an event, Messrs Foxx, Brochetti, Stallings, Schwiering and Parsons would be entitled to lump sum payments of \$900,000, \$600,000, \$600,000, \$500,000 and \$500,000, respectively, in addition to continued participation in the general partner’s welfare benefit programs and the amounts of unpaid base salary and benefits under any incentive plans. It is anticipated that Messrs. Foxx and Brochetti will be paid these amounts at the termination of their service as consultants to the General Partner on March 1, 2010.

The Vitol Change of Control also constituted a change of control under the General Partner's 2009 Executive Cash Bonus Plan (the "Executive Cash Bonus Plan"). As such, awards under the Executive Cash Bonus Plan will be determined on a pro-rata basis as of the date of the Vitol Change of Control with the actual earnings before interest, taxes, depreciation and amortization, and restructuring and certain other non-cash charges ("EBITDA") of the Partnership, the crude business and the asphalt business, respectively, being calculated as of the most recently completed month prior to the Vitol Change of Control (the "Change of Control Period") for which financial statements are available and the target performance measures being adjusted for the Change of Control Period as described in "Part II. Item 9B. Other Information" in the Partnership's Annual Report on Form 10-K for the year ended December 31, 2008, filed with the Securities and Exchange Commission on July 2, 2009. The Partnership currently estimates such payments to be approximately \$270,000, \$180,000, \$180,000, \$193,750 and \$150,000 to Messrs. Foxx, Brochetti, Stallings, Schwiering and Parsons, respectively.
