Item 1.01 Entry into a Material Definitive Agreement.

On January 2, 2018, MPLX LP ("MPLX"), a master limited partnership formed and sponsored by Marathon Petroleum Corporation ("MPC"), entered into a Term Loan Agreement among MPLX, as borrower, Mizuho Bank, Ltd., as administrative agent, each of Mizuho Bank, Ltd., Merrill Lynch, Pierce, Fenner & Smith Incorporated, The Bank of Tokyo-Mitsubishi UFJ, Ltd., Barclays Bank PLC, JPMorgan Chase Bank, N.A. and Wells Fargo Securities, LLC, as joint lead arrangers and joint bookrunners, each of Bank of America, N.A., The Bank of Tokyo-Mitsubishi UFJ, Ltd., Barclays Bank PLC, JPMorgan Chase Bank, N.A. and Wells Fargo Bank, National Association, as syndication agents, and the lenders that are parties thereto (the "Term Loan Agreement") providing for a 364-day \$4.1 billion term loan facility.

The Term Loan Agreement was entered into in anticipation of the closing of the transactions contemplated pursuant to that certain Membership Interests Contribution Agreement, dated as of November 13, 2017 (the "Contribution Agreement"), by and among MPLX and certain wholly-owned subsidiaries of MPC. The Contribution Agreement was previously reported in a Current Report filed by MPLX on November 13, 2017. The proceeds from the borrowing under the Term Loan Agreement are to be used to fund the cash consideration payable by MPLX under the Contribution Agreement and related transaction expenses.

The Term Loan Agreement provides for a committed term loan borrowing of up to \$4.1 billion available to be drawn in a single borrowing upon the consummation of the transactions contemplated by the Contribution Agreement and the satisfaction or waiver of other customary conditions. The term loan commitments expire on the earlier of (i) May 13, 2018 and (ii) the termination of the Contribution Agreement or closing of the transactions contemplated by the Contribution Agreement, in either case, without drawing on the term loan facility.

MPLX paid customary upfront fees to the lenders under the Term Loan Agreement. In addition, beginning on February 11, 2018, a commitment fee of 20.0 basis points per annum accrues on any undrawn amount of the term loan commitments until the funding date or earlier termination or expiration of the term loan commitments.

Borrowings under the Term Loan Agreement will bear interest, at MPLX's election, at either (i) the Adjusted LIBO Rate (as defined in the Term Loan Agreement) plus a margin ranging from 100.0 basis points to 162.5 basis points per annum, depending on MPLX's credit ratings (currently 137.5 basis points), or (ii) the Alternate Base Rate (as defined in the Term Loan Agreement) plus a margin ranging from 0.0 basis points to 62.5 basis points per annum, depending on MPLX's credit ratings (currently 37.5 basis points). The applicable margins are subject to increases set forth in the Term Loan Agreement if the amount borrowed remains outstanding on each of 90 days, 180 days and 270 days following the funding date. MPLX has also agreed to pay duration fees equal to 25.0 basis points on the amount of borrowings that remain outstanding on each of 90 days, 180 days and 270 days following the funding date.

Any amounts borrowed under the Term Loan Agreement will be due and payable on December 31, 2018. In addition, the term loan commitments are subject to reduction, and amounts borrowed under the Term Loan Agreement are subject to mandatory prepayments, upon the establishment of a qualified replacement debt facility to fund the transactions contemplated by the Contribution Agreement or the receipt of cash proceeds by MPLX in certain equity and debt offerings or issuances and certain asset sales, in each case, subject to exemptions set forth in the Term Loan Agreement. Amounts borrowed under the Term Loan Agreement may be prepaid without premium or penalty.

The Term Loan Agreement contains representations and warranties, affirmative and negative covenants and events of default that we consider to be customary for an agreement of this type and substantially similar to MPLX's existing revolving credit facility, including a covenant that requires MPLX's ratio of Consolidated Total Debt to Consolidated EBITDA (as both terms are defined in the Term Loan Agreement) for the four prior fiscal quarters not to exceed 5.0 to 1.0 as of the last day of each fiscal quarter (or during the six-month period following certain acquisitions, 5.5 to 1.0). Consolidated EBITDA is subject to adjustments for certain acquisitions completed and capital projects undertaken during the relevant period.

Certain lenders that are parties to the Term Loan Agreement have in the past performed, and may in the future from time to time perform, investment banking, financial advisory, lending or commercial banking services for MPC and its affiliates, for which they have received, and may in the future receive, customary compensation and reimbursement of expenses.
