Item 1.01 Entry into a Material Definitive Agreement

On October 13, 2015, Zendesk, Inc. (the “Company”) entered into the Stock Purchase Agreement (the “Agreement”) by and among the Company, We Are Cloud SAS, a company organized under the laws of France (“We Are Cloud”), certain holders of the outstanding equity interests of We Are Cloud (the “Sellers”), and Rachel Delacour and Alven Capital Partners, represented by Mr. Jeremy Uzan, as the Sellers’ Representatives.

Pursuant to the Agreement, the Company acquired approximately 90% of the outstanding equity interests of We Are Cloud. The Company acquired all of the remaining equity interests of We Are Cloud pursuant to a Stock Purchase Agreement (the “Supplemental Purchase Agreement”) by and among the Company, We Are Cloud, and the holders of such equity interests (the “Supplemental Sellers”). This Supplemental Purchase Agreement was executed concurrently with the Agreement. The aggregate purchase price paid for all of the equity interests of We Are Cloud was approximately \$45.0 million in cash, subject to working capital adjustments.

Subject to certain exceptions and limitations, the Sellers have agreed to indemnify the Company for breaches of representations, warranties, covenants, and other specified matters contained in the Agreement, and the Supplemental Sellers have agreed to indemnify the Company for breaches of representations, warranties, covenants, and other specified matters contained in the Supplemental Purchase Agreement. \$7.0 million of the consideration paid upon the closing of the transaction will be held in escrow for a period of up to 18 months, to satisfy the indemnification obligations of the Sellers to the Company, with a portion of such escrow to be released 12 months following the closing of the transaction. Certain of the Sellers have agreed to non-competition and/or non-solicitation restrictions under the Agreement.

In connection with the transaction, the Company entered into retention arrangements with certain of the employees of We Are Cloud and its subsidiaries, pursuant to which the Company issued Restricted Stock Unit awards valued at approximately \$10 million, subject to vesting based on service conditions. The Restricted Stock Unit awards were issued under the Company’s 2014 Stock Option and Incentive Plan.

The foregoing description of the Agreement and the Supplemental Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement and the Supplemental Purchase Agreement, which are filed as Exhibits 2.1 and 2.2, respectively, hereto and incorporated herein by reference.

The foregoing summary and this report are not intended to modify or supplement any factual disclosures about the Company in its public reports filed with the Securities and Exchange Commission. The assertions embodied in the Agreement’s representations and warranties and the Supplemental Purchase Agreement’s representations and warranties were made solely for purposes of the Agreement and the Supplemental Purchase Agreement, respectively, and may be subject to important qualifications and limitations agreed to by the parties to the Agreement and the Supplemental Purchase Agreement in connection with negotiating its terms. In particular, in reviewing the representations and warranties contained in the Agreement and the Supplemental Purchase Agreement, it is important to bear in mind that the representations and warranties were made solely for the benefit of the parties to the Agreement and the Supplemental Purchase Agreement, respectively, and have been negotiated with the principal purpose of allocating risk between the parties rather than to establish matters as facts. The Agreement, the Supplemental Purchase Agreement, the representations and warranties contained therein, and the foregoing description of the Agreement and the Supplemental Purchase Agreement should not be relied upon as a disclosure of factual information relating to the Company or We Are Cloud. The representations and warranties may also be subject to a contractual standard of materiality different from those generally applicable to investors and reports and documents filed with the Securities and Exchange Commission and in some cases may be qualified by disclosures made by one party to the other which

are not necessarily reflected in the Agreement or the Supplemental Purchase Agreement, among other limitations.
