ITEM 8.01. Other Events.

On March 4, 2019, Easterly Government Properties, Inc. (the “Company”) and its operating partnership, Easterly Government Properties LP, entered into separate equity distribution agreements (collectively, the “equity distribution agreements”) with each of Citigroup Global Markets Inc., BMO Capital Markets Corp., BTIG, LLC, Capital One Securities, Inc., Jefferies LLC, Raymond James & Associates, Inc., RBC Capital Markets, LLC, SunTrust Robinson Humphrey, Inc. and Wells Fargo Securities, LLC (and certain of their respective affiliates) relating to the offer and sale of shares of the Company’s common stock having an aggregate offering price of up to \$200,000,000 (the “Shares”). The Company refers to these entities, when acting in their capacity as sales agents for the Company or as principals, individually, as a “Sales Agent” and, collectively, as the “Sales Agents,” and when acting in their capacity as agents for Forward Purchasers (as defined below), individually, as a “Forward Seller” and, collectively, as the “Forward Sellers.”

Sale of the Shares may be made in privately negotiated transactions, which may include block trades, or transactions that are deemed to be “at the market” offerings as defined in Rule 415 under the Securities Act of 1933, as amended, including without limitation sales made directly on the New York Stock Exchange, on any other existing trading market for our common stock or to or through a market maker, or otherwise or as may be agreed between us and the applicable Sales Agent.

The equity distribution agreements contemplate that, in addition to the issuance and sale of the Shares by the Company through or to the Sales Agents, acting as its sales agents or as principals, as applicable, the Company may also enter into one or more forward transactions (each, a “forward sale transaction” and, collectively, the “forward sale transactions”) under separate master forward sale confirmations (collectively, the “master forward confirmations”) and related supplemental confirmations, with each of Citibank, N.A., Bank of Montreal, Jefferies LLC, Raymond James & Associates, Inc., Royal Bank of Canada and Wells Fargo Bank, National Association. The Company refers to these entities, when acting in their capacity as purchasers under any forward sale transactions, individually, as a “Forward Purchaser” and, collectively, as the “Forward Purchasers.” If the Company enters into a forward sale transaction with any Forward Purchaser, it expects that such Forward Purchaser or one of its affiliates will attempt to borrow from third parties and sell, through its related Forward Seller, the number of shares of the Company’s common stock underlying such forward sale transaction in order to hedge such Forward Purchaser’s exposure under such forward sale transaction.

The Company will not initially receive any proceeds from any sale of shares of its common stock borrowed by a Forward Seller (or affiliate thereof) and sold through a Forward Seller. The Company expects to fully physically settle each forward sale transaction, if any, on one or more dates specified by the Company on or prior to the maturity date of such forward sale transaction, in which case the Company expects to receive aggregate net cash proceeds at settlement equal to the number of shares underlying such forward sale transaction multiplied by the relevant forward sale price per share. However, subject to certain exceptions, the Company may also elect to cash settle or net share settle all or any portion of its obligations under any forward sale transaction. If the Company elects to cash settle any forward sale transaction, it may not receive any proceeds and may owe cash to the applicable Forward Purchaser. If the Company elects to net share settle any forward sale transaction, it will not receive any proceeds and may owe shares of its common stock to the applicable Forward Purchaser.

Each Sales Agent will receive from the Company a commission that will not exceed, but may be lower than, 2.0% of the gross sales price of all Shares sold through it as Sales Agent under the applicable equity distribution agreement. In connection with any forward sale transaction, the Company will pay the applicable Forward Seller a commission, in the form of a reduced initial forward sale price under the related forward sale transaction, at a mutually agreed rate not exceeding 2.0% of the volume-weighted average of the sales prices per share of the borrowed shares of the Company's common stock sold by it as a Forward Seller during the applicable forward hedge selling period (subject to certain adjustments).

The Company may also sell some or all of the Shares to a Sales Agent as principal for its own account at a price agreed upon at the time of sale.

The Shares will be issued pursuant to the Company's shelf registration statement on Form S-3 (Registration No. 333-223736), which initially became effective upon filing with the Securities and Exchange Commission on March 16, 2018, and a prospectus supplement dated March 4, 2019, as the same may be amended or supplemented.

The Company previously entered into separate equity distribution agreements, each dated as of March 3, 2017 (the "prior equity distribution agreements"), with certain of the Sales Agents and may continue to offer shares of its common stock having an aggregate offering price of up to \$100,000,000 under the prior equity distribution agreements by means of a prospectus supplement, dated March 19, 2018 (the "prior prospectus supplement"). Shares of the Company's common stock having an aggregate offering price of approximately \$32.3 million remain unsold under the prior equity distribution agreements as of March 4, 2019. The filing of the prospectus supplement relating to the Shares does not terminate the prior equity distribution agreements and sales of such unsold shares, if any, may be made pursuant to the prior prospectus supplement and in accordance with the terms of the prior equity distribution agreements.
