Item 2.02 Results of Operations and Financial Condition.

On January 12, 2018, Wilson Bank Holding Company (the “Company”) mailed a letter to its shareholders describing, among other things, the Company’s earnings for the twelve months of 2017. The letter is furnished herewith as Exhibit 99.1.

The letter contains non-GAAP net income for the year ended December 31, 2017, excluding the impact of the write down of the Company’s deferred tax assets in fiscal 2017 as a result of the passage of the Tax Cuts and Jobs Act, which, among other items, reduces the corporate federal income tax rate to 21% from 35% effective January 1, 2018. The presentation of this non-GAAP financial information is not intended to be considered in isolation or as a substitute for any measure prepared in accordance with GAAP. Because the non-GAAP financial measure presented in the letter is not a measurement determined in accordance with GAAP and is susceptible to varying calculations, this non-GAAP financial measure, as presented, may not be comparable to other similarly titled measures presented by other companies.

The Company believes that this non-GAAP financial measure facilitates making period-to-period comparisons and is a meaningful indication of its operating performance. The Company’s management utilizes this non-GAAP financial information to compare the Company’s operating performance for 2017 versus 2016 and to internally prepared projections.
